For the night is dark and full of
terrors.

01:02:29

BROTHERHOOD WITHOUT BANNERS
For the night is dark and full of
terrors.

Thoros walks towards a sword and picks it up. The Hound plays with his sword. Thoros walks back to Beric with the sword. He then cuts Beric's hands with the sword then hands it to him. Beric takes the sword, runs it against the wound on his hand causing the sword to catch fire.

01:04:54

THOROS
Lord, cast your light upon this man,
your servant. Bring...

THOROS (CONT'D - OS)
...him back from death and darkness.

THOROS (CONT'D)
His flame has been extinguished.
Restore it.

The Hound is still trying to put out the fire on his shield.

01:05:00

HOUND
(shouting)

01:05:01

THOROS (OS)
For the night is dark and full of

break free from Gendry.

01:05:07

ARYA
(grunts) No!

ARYA (CONT'D - OS)
Let go of me!

Gendry holds on to Arya.

ARYA (CONT'D)
Let me go!

01:05:12

HOUND (OS)
Looks like...

HOUND (CONT'D)
...their god likes me more than your
butcher's boy.

01:05:15

ARYA
Burn in hell!

01:05:17

BERIC (OS)
He will. But not...

The Hound, Arya, and Gendry look towards Beric who is alive,
kneeling down on one knee.

BERIC (CONT'D)
...today.

EXT. BEYOND THE WALL - MANCE'S CAMP - DAY.

The Wildlings are working. Jon Snow and Ygritte are walking in
the camp, carrying firewood. Tormund is sitting on a log,
looking at them. Orell stands in Jon Snow's path.

01:05:49

TORMUND (OS)
Orell says there are crows...

TORMUND (CONT'D)
...patrolling on the Wall. Tell me
what you know.

01:05:54

JON SNOW
There are four to a patrol--two
builders to check for structural
damage, two rangers to watch for
enemies.

01:06:00

ORELL
How often do these patrols go out?

01:06:03

JON SNOW
It varies. If I knew where on the Wall
we were heading, I could tell you.

01:06:07

ORELL
You'd like to know that.

01:06:10

TORMUND
(exhales deeply)

01:06:12

ORELL (OS)
There are 19...

ORELL (CONT'D)
...castles guarding the Wall. How many
are manned?

01:06:19

JON SNOW
Three.

01:06:21

ORELL
You sure of that?

Jon Snow nods.

ORELL (CONT'D)
Which three?

[MUSIC IN]

01:06:30

JON SNOW
Castle Black.

01:06:31

ORELL (OS)
Aye, Castle Black.

ORELL (CONT'D)
Everyone knows Castle Black. Which
others?

01:06:42

JON SNOW
Eastwatch-by-the-Sea and the Shadow
Tower.

01:06:50

TORMUND
How many men remain in Castle Black?

01:06:52

JON SNOW
1,000.

01:06:52

ORELL
Liar.

Jon Snow drops the firewood and moves closer to Orell.

01:06:55

JON SNOW

What happens to your eagle after I kill you? Does he drift away like a kite with his strings cut or does he just flop dead to the ground?

01:07:02

YGRITTE

He's no crow.

01:07:04

ORELL

Just 'cause you want him inside you don't make him one of us.

Ygritte pulls out her dagger and points it at Orell.

01:07:07

YGRITTE

I'm not afraid of you.

Orell shoves her. Tormund stands up, grabs Orell from the back and shoves him to the ground. He then moves closer to Jon Snow.

01:07:15

TORMUND

I like you, boy. But if you lie to me, I'll pull your guts out through your throat.

01:07:26

JON SNOW

1,000 men.

Orell stands up.

01:07:33

TORMUND

We'll find out soon enough.

Tormund walks away. Jon Snow and Ygritte continue walking.

01:07:43

JON SNOW

I don't need you to protect me.

01:07:45

YGRITTE

Of course you do. Who stopped
Rattleshirt when he was about to cut
your throat?

Ygritte walks in front of Jon Snow and faces him.

YGRITTE (CONT'D)

Who vouched for you with Mance? It
seems you owe me a debt.

Ygritte pulls out Jon Snow's sword and walks away. Jon Snow
tries to grab her.

01:07:55

JON SNOW

Give it back.

01:07:56

YGRITTE

Well, I stole it. It's mine. If you
want it...

Ygritte grabs a torch from the campfire.

YGRITTE (CONT'D)

...come steal it back.

[MUSIC IN]

Ygritte runs away. Jon Snow runs after her.

01:08:03

JON SNOW (OS)
Ygritte! Ygritte!

Ygritte enters a cave.

INT. BEYOND THE WALL - CAVE - CONTINUOUS.

Jon Snow peeps inside the cave from the opening.

JON SNOW (CONT'D)
Ygritte! Seven hells.

Ygritte puts his sword beside the rock.

JON SNOW (CONT'D - OS)
Ygritte!

Ygritte walks to another rock, puts the torch beside it and turns back to Jon Snow.

01:08:20

YGRITTE
Is Orell right? Are you still a crow?

Ygritte starts taking her clothes off.

YGRITTE (CONT'D)
It's time you proved yourself.

01:08:30

JON SNOW
Ygritte.

01:08:31

YGRITTE
You swore some vows. I want you to break 'em. I want you to see me. All of me.

Ygritte moves closer to Jon Snow, naked.

01:08:59

JON SNOW
We shouldn't.

01:09:04

YGRITTE
We should.

Ygritte tries to kiss Jon Snow, but he moves his head back.
Ygritte tries again and the two start kissing.

YGRITTE (CONT'D)
(breathing heavily)

Jon Snow starts going down as he kisses Ygritte's body.

YGRITTE (CONT'D)
Why are you still dressed? You know
nothing, Jon Sno--(moaning)

Jon Snow is lying on the ground. Ygritte, who is lying behind
Jon Snow, looks at him.

YGRITTE (CONT'D)
That thing you did with your mouth--is
that what lords do to their ladies in
the South?

Jon Snow turns to Ygritte.

01:09:54

JON SNOW
I don't know. I just wanted to kiss
you there is all.

01:09:57

YGRITTE
Hmm.

01:09:59

JON SNOW
You seemed to like it.

01:10:00

YGRITTE

Aye, I liked it some. Who taught you that?

01:10:05

JON SNOW

There's been no one else. Only you.

01:10:08

YGRITTE

A maid. You were a maid.

01:10:12

JON SNOW

I was a man of the Night's Watch. How about you? Were you a maid?

01:10:18

YGRITTE

What do you think?

01:10:19

JON SNOW

Who was he?

01:10:21

YGRITTE

Just a boy. He came trading with his brothers. He had red hair like me. Kissed by fire. But...he was weak. Not like you. That was the first one. Then there was this Thenn boy. Spoke no Common, but gods, he was built like a mammoth.

01:10:42

JON SNOW

Yeah, thanks. I think I've heard
enough. We'd best get back.
Tormund...

Jon Snow tries to gets up. Ygritte stops him and mounts on top
of him.

01:10:54

YGRITTE
I'm not done with you yet.

Ygritte kisses Jon Snow.

YGRITTE (CONT'D)
How long's it been since you had a
bath?

Ygritte runs towards the pool and jumps into it. Jon Snow
follows her. Ygritte and Jon Snow moves closer to each other
and kiss.

YGRITTE (CONT'D)
Let's not go back. Let's stay here a
while longer. I don't ever want to
leave this cave, Jon Snow. Not ever.

Jon Snow and Ygritte continue kissing.

01:11:48

HOUND (VO)
I want my gold.

INT. BROTHERHOOD WITHOUT BANNERS' CAVE - DAY.

Beric stares at The Hound.

01:11:49

THOROS (OS)
It says it clearly right there on that
note you'll be repaid...

Thoros and The Hound are in the cave with the rest of the
Brotherhood Without Banners.

THOROS (CONT'D)
...in full when the war is over.

01:11:52

HOUND
Piss on that!

The Hound throws the note on the floor.

HOUND (CONT'D)
You're nothing but thieves.

01:11:55

ANGUY
We're outlaws. Outlaws steal.

01:11:57

ANGUY (CONT'D - OS)
You're lucky we didn't kill you.

The Hound walks towards Anguy.

01:11:58

HOUND
Come try it, archer.

Thoros grabs The Hound and holds him back.

HOUND (CONT'D)
I'll shove those arrows up your ass.

01:12:01

ARYA (OS)
You can't let him go.

ARYA (CONT'D)
He's a murderer. He's guilty.

Beric stands up. A man hands Anguy a sword.

01:12:04

BERIC
Not in the eyes of god.

01:12:05

ARYA
You can't!

01:12:06

BERIC
Enough!

BERIC (CONT'D - OS)
The judgment isn't ours to make.

Anguy throws a sword to The Hound.

BERIC (CONT'D - OS)
Go in peace...

BERIC (CONT'D)
...Sandor Clegane.

Anguy walks towards The Hound.

BERIC (CONT'D)
The Lord of Light isn't done with you
yet.

Anguy puts the hood on The Hound's head. The men lead The Hound
out the cave.

01:12:22

MAN 1 (VO)
Riders coming through!

EXT. HARRENNHAL - CASTLE - DAY.

Locke and his men ride their horses inside the castle with their
captives, Brienne and Jaime.

01:12:27

MEN

(talking indistinctly)

01:12:35

MAN 2
The Kingslayer.

A man pushes Brienne from the back, making her kneel down.

01:12:37

MAN 3
Down!

01:12:37

BRIENNE
(grunts)

The man then pushes Jaime to kneel down.

01:12:38

MAN 4
On your knees.

01:12:38

JAIME
(grunts)

Roose and his men walk towards Jaime and Brienne.

01:12:40

LOCKE (OS)
Lord Bolton...

LOCKE (CONT'D)
...I give you the Kingslayer.

Locke kicks Jaime on the back, dropping him facedown on the mud.

01:12:44

JAIME
(groans)

01:12:46

ROOSE (OS)
Pick him...

ROOSE (CONT'D)
...up, Locke.

Two men pull Jaime up.

ROOSE (CONT'D)
You've lost a hand.

01:12:54

LOCKE (OS)
No, my lord...

Locke holds Jaime's cut hand that is tied around his neck.

LOCKE (CONT'D)
...he has it here. (scoffs)

Roose steps closer to Jaime, takes his cut hand from his neck and hands it to Locke.

01:13:01

ROOSE
Take this away.

01:13:02

LOCKE
Send it to his father?

01:13:03

ROOSE
You'll hold your tongue unless you want to lose it. Cut her free. Apologies, my lady. You're under my protection...

ROOSE (CONT'D - OS)
...now.

A man cuts the rope that is tied around Brienne.

01:13:11

BRIENNE

Thank you, my lord.

Brienne stands up.

01:13:17

ROOSE

Find suitable rooms for our guests.
We'll speak later.

Roose is about to walk away.

01:13:24

JAIME

Lord Bolton.

Roose stops and looks back at Jaime.

JAIME (CONT'D)

Is there word from the Capital?

01:13:32

ROOSE

You haven't heard? Stannis Baratheon
laid siege to King's Landing.

ROOSE (CONT'D - OS)

Sailed into Blackwater Bay. Stormed
the gates with thousands of men.

ROOSE (CONT'D)

And your sister...

Roose walks back to Jaime.

ROOSE (CONT'D)

How can I put this? Your sister...is
alive and well. Your father's forces
prevailed.

Jaime kneels on the ground while holding Roose's hand.

ROOSE (CONT'D)
Ser Jaime isn't well. Take him to
Qyburn.

A man grabs Brienne by the arm and pulls her away. Two men help
Jaime stand up.

INT. HARRENNHAL - QYBURN'S ROOM - CONTINUOUS.

Qyburn is in the room tending on Jaime's wounded arm.

01:14:12

JAIME
(groans) Will I die?

01:14:31

QYBURN
No. The corruption has spread. I fear
it must be cut away. The safest course
would be to take the whole arm off.

01:14:39

JAIME
Then you'll die. You're no maester.
Where's your chain?

01:14:48

QYBURN
The Citadel stripped me of it.

QYBURN (CONT'D - OS)
They found some of my experiments...

Qyburn takes a surgical tweezer from the table.

QYBURN (CONT'D)
...too bold. I can leave your upper
arm, make the cut at your elbow.

Jaime grabs Qyburn by the neck.

01:14:59

JAIME

I don't need my right hand to kill you.

Jaime lets go of Qyburn.

01:15:04

QYBURN

I can take away the rotting flesh and
try and burn out the corruption with
boiling wine.

01:15:10

JAIME

Mmm.

01:15:11

QYBURN

With any luck, that will suffice.
You'll need milk of the poppy.

Qyburn takes a bottle from the table. Jaime shakes his head.

01:15:17

JAIME

No milk of the poppy.

01:15:19

QYBURN

There will be pain.

01:15:20

JAIME

I'll scream.

01:15:21

QYBURN

Quite a bit of pain.

01:15:23

JAIME
I'll scream loudly.

[MUSIC IN]

Qyburn takes a strap from the table and locks Jaime's arm on the arm rest with it. He then starts cutting the rotting flesh on Jaime's cut arm.

JAIME (CONT'D)
(groans) (breathing heavily)

Jaime leans back.

JAIME (CONT'D)
(screams)

EXT. KING'S LANDING - DAY.

Littlefinger walks down the stairs. Cersei is beside the stairs, waiting for him.

01:16:00

CERSEI
Lord Baelish.

Littlefinger stops, turns to Cersei and bows.

01:16:01

LITTLEFINGER
Your Grace.

Cersei moves closer to Littlefinger.

01:16:03

CERSEI
I wonder if I might ask you for a favor.

01:16:05

LITTLEFINGER

Of course, Your Grace.

Littlefinger and Cersei start walking.

01:16:06

CERSEI

I have reason to believe that House Tyrell do not hold the crown's best interests at heart.

01:16:10

LITTLEFINGER

I see. And have you shared these suspicions with Lord Tywin?

Cersei and Littlefinger stop walking and face each other.

01:16:15

CERSEI

My father's a practical man. He appreciates facts.

01:16:17

LITTLEFINGER

Myself, I often find them a hindrance.

01:16:20

CERSEI

And he appreciates those who aid his family, as you well know. He's almost as generous to those who help us as he is unpleasant towards those who don't. You have a good working relationship with the Tyrells. I thought you might look into it before you leave the capital.

01:16:33

LITTLEFINGER

I shall do my best.

01:16:34

CERSEI

Thank you. And your best will prove
better than when I asked you to locate
Arya Stark?

01:16:39

LITTLEFINGER

I assure you that it will.

Cersei walks away.

INT. KINGS LANDING - TYRION'S HOUSE - DAY.

Tyrion and Olenna are at a table.

01:16:48

OLENNA (OS)

Gods, boy, that's enough.

Podrick is pouring drink into Olenna's glass.

OLENNA (CONT'D)

We're not in a tavern.

01:16:51

PODRICK

Pardon, my lady.

01:16:51

OLENNA

No need to speak.

OLENNA (CONT'D - OS)

Are there any figs?

OLENNA (CONT'D)

Fetch some.

Tyrion gestures Podrick to obey Olenna's request. Podrick puts
the pitcher on the table and walks away.

OLENNA (CONT'D)

I always take figs midafternoon. They help move the bowels. To what do I owe this summons?

01:17:00

TYRION

Thank you for seeing me, my lady. I had hoped we might discuss a few financial matters.

01:17:04

OLENNA

I climbed all those steps to discuss financial matters?

01:17:08

TYRION

It's the royal wedding. I'm told you had a hand in planning it.

01:17:11

OLENNA

Naturally.

01:17:12

TYRION

It's shaping up to be a very involved affair. The word extravagant has been used.

01:17:17

OLENNA

What good is the word extravagant if it can't be used to describe a royal wedding?

01:17:21

TYRION

I understand that.

01:17:22

OLENNA

Good.

01:17:23

TYRION

But, as Master of Coin, it falls upon
me to calculate the cost for the crown.
As of now, it's a huge expense.

01:17:29

OLENNA

And?

01:17:31

TYRION

And we're at war, Lady Olenna.

01:17:35

OLENNA

Oh, I'd nearly forgotten.

01:17:37

TYRION

Yes, and maintaining supply lines...

01:17:38

OLENNA (OS)

I can't think how it slipped my mind.
What is it, 12,000...

OLENNA (CONT'D)

...infantrymen...

OLENNA (CONT'D - OS)

...the Tyrell family has supplied?

OLENNA (CONT'D)

1,800 mounted lances.

OLENNA (CONT'D - OS)
2,000 in support.

OLENNA (CONT'D)
Provisions so this city might survive
the...

OLENNA (CONT'D - OS)
...winter. A million bushels of wheat.

Tyrion drinks from his cup.

OLENNA (CONT'D - OS)
Half a million bushels each...

OLENNA (CONT'D)
...of barley, oats, and rye.

OLENNA (CONT'D - OS)
20,000 head of cattle. 50,000 sheep.

OLENNA (CONT'D)
You don't have to lecture me about
wartime expenses. I'm quite familiar
with them.

01:18:04

TYRION
And we are so grateful for your
contributions, which are necessary for
the preservation of the realm.

01:18:09

OLENNA
As is a royal wedding. The people are
hungry for more than just food. They
crave distractions.

OLENNA (CONT'D - OS)
And if we don't provide them...

OLENNA (CONT'D)

...they'll create their own. And their distractions are likely to end with us being torn to pieces.

OLENNA (CONT'D - OS)
A royal wedding is much safer.

OLENNA (CONT'D)
Wouldn't you say?

01:18:28

TYRION
I would.

01:18:29

OLENNA (OS)
And traditionally paid for...

OLENNA (CONT'D)
...by the royal family.

OLENNA (CONT'D - OS)
I was told...

OLENNA (CONT'D)
...you were drunk, impertinent, and thoroughly debauched. You can imagine my disappointment at finding nothing but a browbeaten bookkeeper.

Podrick walks back to the table with a plate of figs.

OLENNA (CONT'D)
Where did you go for them, Volantis?

Podrick offers the figs to Olenna. Olenna takes a fig and eats.

01:18:49

TYRION
My lady...

01:18:50

OLENNA

Oh, very well. I won't have it said
that House Tyrell refuses to play its
part. We'll pay for half the expenses
and the celebrations will go on as
planned.

Olenna stands up.

OLENNA (CONT'D)
Is that sufficient?

Tyrion puts his cup on the table and stands up.

01:19:00

TYRION
Quite sufficient. Thank you.

01:19:01

OLENNA
Very good, then. That's settled. Good
day.

Olenna walks away. Tyrion watches her as she leaves. Podrick
moves closer to Tyrion with the plate of figs.

01:19:07

TYRION
Give me that.

Tyrion takes a fig and eats.

INT. BROTHERHOOD WITHOUT BANNER'S CAVE - DAY.

Gendry is fixing Lord Beric's armor.

01:19:14

ARYA (OS)
What are you doing?

Gendry looks at Arya.

01:19:16

GENDRY
Just mending Lord Beric's armor.

01:19:19

ARYA
Why?

01:19:21

GENDRY
I'm going to stay on and smith for the Brotherhood.

01:19:23

ARYA
Have you lost your mind? When the Lannisters find this place, you think they'll spare the smiths? They'll cave your head in with your own helmet.

01:19:30

GENDRY
The Lannisters wanted to kill me long before I joined the Brotherhood.

01:19:33

ARYA
You don't have to do this.

01:19:35

GENDRY
I want to. They need good men.

01:19:38

ARYA
Robb needs good men, too. We're leaving tomorrow. And then you...

01:19:42

GENDRY (OS)

What?

GENDRY (CONT'D)

Serve him? I've served men my entire life.

[MUSIC IN]

GENDRY (CONT'D)

I served Master Mott at King's Landing and he sold me to the Watch. I served Lord Tywin at Harrenhal, wondering every day if I'd get tortured or killed. I'm done serving.

01:20:00

ARYA

You just said you were serving Lord Beric.

01:20:03

GENDRY

He may be their leader, but they chose him. These men are brothers. They're a family.

Arya walks away.

GENDRY (CONT'D)

I've never had a family.

Arya stops and looks back at Gendry.

01:20:16

ARYA

I can be your family.

01:20:21

GENDRY

You wouldn't be my family. You'd be "My lady."

Arya walks away.

INT. RIVVERUN - DUNGEON - DAY.

Tion and Willem are sleeping on the floor.

01:20:40

MEN (OS)
(shouting)

Tion wakes up and tries to wake Willem.

01:20:45

01:42:17

BARRISTAN
Mm, you were first through the breach
at Pyke?

01:42:19

JORAH

The second. Thoros of Myr went in alone, waving that flaming sword of his.

01:42:25

BARRISTAN

Thoros of Myr. Bloody madman. Robert knighted you after the battle?

01:42:31

JORAH

Proudest moment of my life. One knee in the dust, the king's sword on my shoulder, listening to the words. "In the name of the Warrior, I charge you to be brave." All I could think of was how badly I had to piss.

01:42:44

BARRISTAN

(laughs)

01:42:45

JORAH

In full plate metal for 16 hours. Never occurred to me till the fighting was over.

Jorah and Barristan are walking, holding the leash of their horses, and leading them along the desert.

JORAH (CONT'D)

I was very nearly the first man knighted to piss on the king's boots.

01:42:53

BARRISTAN

(laughs) Robert would have laughed.

Barristan and Jorah lead their horses towards the river and let them drink.

BARRISTAN (CONT'D)

He was a good man, a great warrior.
And a terrible king. I burned away my
years fighting for terrible kings.

01:43:07

JORAH

You swore an oath.

01:43:08

BARRISTAN

Yes. And a man of honor keeps his
vows, even if he's serving a drunk or a
lunatic. Just once in my life before
it's over, I want to know what it's
like to serve with pride, to fight for
someone I believe in. Do you believe
in her?

Jorah looks at Daenerys.

01:43:27

JORAH

With all my heart.

Daenerys walks towards Missandei and stands beside her.

01:43:34

DAENERYS

These are the ones?

01:43:35

MISSANDEI

Yes, Khaleesi. The officers.

The Unsullied march towards Daenerys and stop in front of her.

01:43:39

01:45:13

JORAH (VO)
King Robert wanted her dead.

01:45:15

BARRISTAN (VO)
Of course he...

Jorah and Barristan are walking, leading their horses along the road. Other soldiers are walking along the road with them.

BARRISTAN (CONT'D)
...wanted her dead. She's a Targaryen.
The last Targaryen.

01:45:20

JORAH
I suppose no one on the Small Council
could speak sense to him.

01:45:22

BARRISTAN
I didn't sit on the Small Council.

Jorah and Barristan stop walking.

01:45:24

JORAH
No? Doesn't the Lord Commander of the
Kingsguard traditionally...

01:45:27

BARRISTAN (OS)
Traditionally, yes, but...

BARRISTAN (CONT'D)

I killed a dozen of Robert's friends
during his rebellion.

Barristan and Jorah get on their horses.

BARRISTAN (CONT'D)
He didn't want advice on how to govern
from a man who had fought for the Mad
King.

Jorah and Barristan ride their horses along the road.

BARRISTAN (CONT'D - OS)
Can't say I minded much.

BARRISTAN (CONT'D)
I always hated the politics.

01:45:43

JORAH
Yeah, I imagine I would, too. Hours
spent jabbering about backstabbing and
betrayals the world over.

01:45:49

BARRISTAN
Mm-hmm.

01:45:54

JORAH
Still, she'll have to wade through that
muck if she wants to rule the Seven
Kingdoms.

01:45:58

BARRISTAN
She'll have good men around her to
advise her, men with experience.

01:46:01

JORAH
Which men do you have in mind?

01:46:03

BARRISTAN (OS)
Forgive me, Ser Jorah...

BARRISTAN (CONT'D)
...for what I'm about to say, but your
reputation in Westeros has suffered
over the years.

01:46:09

JORAH
It suffered for a reason. I sold men
into slavery.

01:46:13

BARRISTAN
I don't know if your presence by her
side will help our cause when we go
home.

01:46:17

JORAH
Our cause? Forgive me, Ser Barristan,
but I was busy defending the Khaleesi
against King Robert's assassins while
you were still bowing to the man.

01:46:25

BARRISTAN
We both want her to rule. Am I wrong?

Jorah and Barristan stop their horses.

01:46:29

JORAH
You only joined us a few days ago. I
can't speak to your intentions.

01:46:32

BARRISTAN

If we're truly her loyal servants, we
will do whatever needs to be done, no
matter the cost...

BARRISTAN (CONT'D - OS)

...no matter our pride.

01:46:40

JORAH

You're not Lord Commander here. You're
just another exile. And I take my
orders from the queen.

Jorah rides his horse on the road, leaving Barristan behind.

INT. RIVERRUN - ROBB'S CHAMBER - DAY.

Robb is standing at the table while staring at the map with
figurines on it.

01:46:56

TALISA (OS)

Come to bed.

01:46:57

ROBB

You were right.

Robb grabs one of the figurines.

ROBB (CONT'D)

The Karstarks are gone.

Robb forcefully drops the figurine on the floor. Talisa is
standing at the door.

ROBB (CONT'D-OS)

Almost half our forces. Tywin
Lannister knows what he needs to do to
make us unravel.

Talisa walks towards Robb.

01:47:09

ROBB (CONT'D)
Nothing. Only wait.

Talisa stands across the table from Robb.

01:47:14

TALISA
Don't let him.

01:47:16

ROBB
What can I do? Attack King's Landing?
There's nothing he'd like better. He'd
crush us in a day.

01:47:25

TALISA
We could ride north.

TALISA (CONT'D - OS)
Take your land back from the Greyjoys.
Wait out the winter.

Talisa moves closer to Robb and stands beside him.

01:47:30

ROBB
Winter could last five years. Once my
bannermen are home again, sitting by
the fire, surrounded by their families,
warm and safe, they'll never ride south
again. When I gathered my lords
together, we had a purpose, a mission.
Now we're like a band of bickering
children.

01:47:48

TALISA
Give them a new purpose.

01:47:50

ROBB

What?

01:47:54

TALISA

Oh, I don't know. I don't even know
where Winterfell is.

01:48:01

ROBB

Here.

Robb holds Talisa's hand and points at something on the map.

ROBB (CONT'D)

And we're here. King's Landing...

[MUSIC IN]

Robb lets go of Talisa's hand and move to the other side of her.

01:48:17

TALISA

What is it?

01:48:22

ROBB

I can't force them to meet us in the
field and I can't attack them where
they're strongest, but I can attack
them where they're not.

Robb takes a figurine from the table and moves it to another
spot.

ROBB (CONT'D)

And Casterly Rock can't run away.

Robb takes a figurine from the table.

ROBB (CONT'D)

I'm going to take their home away from them.

01:48:40

TALISA
Can you do it?

01:48:42

ROBB
I need men to replace the Karstarks who marched home. There is only one person in this kingdom with that kind of army who hasn't already sided with the Lannisters. The man whose daughter I was supposed to marry--Walder Frey.

Robb moves another figurine on the table.

INT. KING'S LANDING - GARDEN - DAY.

Loras and a soldier are fencing. Sansa and Margaery watch them at a table.

01:49:07

SANSA
He's such a splendid fighter. Do you have any idea when we might...

01:49:13

MARGAERY
I'll plant the seed as soon as Joffrey and I are married. It should grow quickly.

01:49:17

SANSA
Joffrey won't let me leave. He's got too many reasons to keep me here.

01:49:22

MARGAERY

And only one...

MARGAERY (CONT'D - OS)
...to let you go.

MARGAERY (CONT'D)
Because it will please me.

01:49:28

MAN 8 (OS)
Squire!

Olyver rushes to Loras with a glass of water. Loras takes his helmet off. Olyver offers the glass of water to Loras.

01:49:32

OLYVER
Well fought, ser.

Loras takes the glass from Olyver.

01:49:35

LORAS
That was no fight. I don't know you.

Olyver fixes Loras' vest.

01:49:38

OLYVER
Olyver, if it please you. I should like to see you spar with a proper partner, ser.

01:49:44

LORAS
(chuckles)

INT. KING'S LANDING - LORAS' ROOM - NIGHT.

Olyver and Loras are on the bed, kissing.

01:49:51

LORAS
(panting)

Olyver and Loras look at each other.

LORAS (CONT'D)
How did you know?

01:49:55

OLYVER
Know what?

01:49:58

LORAS
That I wanted to.

01:50:00

OLYVER
My lord...

Olyver gets off the bed and walks to a table. Loras sits up on his bed.

01:50:06

LORAS
I'll have you know I'm to be married soon and even my intended...

LORAS (CONT'D - OS)
...hasn't the slightest notion.

Olyver takes a pitcher at the table and pours drink into a glass.

01:50:11

OLYVER
They rarely do, in my experience.

Loras stands up, walks towards Olyver and caresses him as he drinks from the glass.

01:50:14

LORAS
You have a good deal of experience, do
you?

Olyver puts the glass back on the table.

01:50:17

OLYVER
With the husbands.

Olyver turns to Loras and they continue kissing as they move
back to the bed.

INT. LITTLEFINGER'S BROTHEL - DAY.

Littlefinger walks to the sofa with a glass of water.

01:50:28

LITTLEFINGER
That didn't take long.

01:50:31

OLYVER (OS)
Well, it...

Littlefinger sits beside Olyver on the sofa.

OLYVER (CONT'D)
...took long enough. It seems our
Knight of Flowers is engaged to be wed.

01:50:37

LITTLEFINGER
Is he? And...who's the lucky girl?

INT. KING'S LANDING - DAY.

Sansa is looking at the ship on the ocean.

01:50:43

LITTLEFINGER (OS)
She may not be...

Sansa looks back at Littlefinger.

LITTLEFINGER (CONT'D - OS)
...the grandest ship in the world...

Littlefinger moves closer to Sansa.

LITTLEFINGER (CONT'D)
...or the fastest, but she's mine.

Sansa and Littlefinger sit at a bench.

LITTLEFINGER (CONT'D)
I've always wanted a ship. Now I want
a dozen. Strange, isn't it?

01:51:01

SANSA
What is?

01:51:02

LITTLEFINGER
It doesn't matter what we want, once we
get it, then we want something else.
Your hair is different.

01:51:13

SANSA
Is it?

01:51:15

LITTLEFINGER
Lady Margaery wears it that way.

01:51:16

SANSA
Many ladies wear it this way.

01:51:19

LITTLEFINGER

I have good news. I'll be leaving the city soon.

01:51:23

SANSA

You still want me to come with you?

01:51:24

LITTLEFINGER

It's not a question of what I want. It's what you want. You want to go home, don't you?

01:51:30

SANSA

Of course. More than anything. But maybe it would be better to wait. I've been thinking how dangerous it would be. Not just for me, but for you. You've been so kind. I'd feel terrible if anything happened to you.

01:51:49

LITTLEFINGER

I can't tell you how touched I am by your concern for my welfare. I hope you know that I'm your friend, Sansa. Your true friend.

01:52:00

SANSA

I do, Lord Baelish.

01:52:01

LITTLEFINGER

Petyr.

01:52:02

SANSA

Petyr.

01:52:04

LITTLEFINGER

If you wish to stay, then of course you
will stay.

Littlefinger takes Sansa's hand and kisses it.

LITTLEFINGER (CONT'D)

We'll speak again when I return.

Littlefinger stands up and walks away.

01:52:21

SANSA

(sighs)

INT. KING'S LANDING - TYWIN'S ROOM - DAY.

Tyrion enters the room holding a book.

01:52:30

TYWIN (OS)

You're late.

Tyrion walks to the table where Cersei and Tywin are seated.

01:52:32

TYRION

What's she doing here?

01:52:34

TYWIN

Our business concerns her, too.

TYWIN (CONT'D - OS)

Sit.

Tyrion puts down the book on the table and sits on a chair.

01:52:40

TYRION
You'll be pleased to learn that after
one conversation with Olenna Tyrell...

Tyrion opens the book.

TYRION (CONT'D)
...I've saved the crown hundreds of
thousands on this wedding.

01:52:50

TYWIN
Never mind that now. We have something
important to discuss.

01:52:53

TYRION
I'm Master of Coin. Saving money is
important. Stop that. You're making
me uncomfortable.

01:52:59

TYWIN (OS)
Your sister has learned that your...

TYWIN (CONT'D)
...new friends the Tyrells are plotting
to marry Sansa Stark to Ser Loras.

01:53:06

TYRION
Very well. She's a lovely girl.
Missing some of Loras' favorite bits,
but I'm sure they'll make do.

01:53:13

TYWIN
Your jokes are not appreciated.

01:53:14

TYRION

It wasn't my best, but...

01:53:16

TYWIN

I bring them into the royal fold and this is how they repay me, by trying to steal the key to the North out from under me.

01:53:22

TYRION

Sansa is the key to the North? I seem to remember she has an older brother.

01:53:26

TYWIN

The Karstarks have marched home. The young wolf has lost half his army. His days are numbered.

TYWIN (CONT'D - OS)

Theon Greyjoy murdered both his brothers.

TYWIN (CONT'D)

That makes Sansa Stark the heir to Winterfell. And I am not about to hand her over to the Tyrells.

01:53:41

TYRION (OS)

The Tyrell army is helping us to win this war.

TYRION (CONT'D)

Do you really think it's wise to refuse them?

01:53:46

TYWIN (OS)
There's...

TYWIN (CONT'D)
...nothing to refuse. This is a plot.

TYWIN (CONT'D - OS)
Plots are not public knowledge. And
the...

TYWIN (CONT'D)
...Tyrells won't carry this one out
until after Joffrey's wedding.

TYWIN (CONT'D - OS)
We need to act first...

TYWIN (CONT'D)
...and kill this union in its crib.

01:53:59

TYRION
And how do we do that?

01:54:01

TYWIN
We find Sansa Stark a different
husband.

01:54:03

TYRION
Wonderful.

01:54:04

CERSEI (OS)
Yes, it...

CERSEI (CONT'D)
...is.

Cersei and Tywin looks at Tyrion.

01:54:13

TYRION
You can't mean it.

01:54:15

TYWIN
I can and I do.

01:54:16

TYRION
Joffrey...

TYRION (CONT'D - OS)
...has made this poor girl's life...

TYRION (CONT'D)
...miserable since the day he took her
father's head. Now she's finally free
of him and you give her to me? That's
cruel...

TYRION (CONT'D - OS)
...even for you.

01:54:26

TYWIN
Do you intend on mistreating her?

TYWIN (CONT'D - OS)
The girl's happiness...

TYWIN (CONT'D)
...is not my concern, nor should it be
yours.

01:54:31

TYRION
She's a child!

01:54:32

CERSEI (OS)
She's flowered, I assure...

CERSEI (CONT'D)
...you. She and I have discussed it at
length.

01:54:35

TYWIN (OS)
There, you see?

TYWIN (CONT'D)
You will wed her, bed her, and put a
child in her.

TYWIN (CONT'D - OS)
Surely you're capable of that.

01:54:40

TYRION
And if I refuse?

01:54:41

TYWIN
You wanted to be rewarded for your
valor in battle.

TYWIN (CONT'D - OS)
Sansa Stark is a finer reward...

TYWIN (CONT'D)
...than you could ever dare hope for.
And it is past time you were wed.

01:54:51

TYRION
I was wed. Or don't you remember?

01:54:58

TYWIN
Only too well.

01:55:01

CERSEI (OS)
You should be thanking the gods for
this. This is...

CERSEI (CONT'D)
...more than you deserve.

01:55:06

TYWIN (OS)
Tyrion will do as he's bid.

TYWIN (CONT'D)
As will you.

Cersei looks at Tywin.

01:55:12

CERSEI
What do you mean?

01:55:13

TYWIN
You'll marry Ser Loras.

[MUSIC IN]

01:55:18

CERSEI
I will not.

01:55:19

TYWIN (OS)

TYWIN (CONT'D)
Tyrion will secure the North, you will
secure the Reach.

01:55:23

CERSEI
No, I won't do it.

01:55:24

TYWIN
Yes, you will. You're still fertile.
You need to marry again and breed.

01:55:28

CERSEI
I am Queen Regent, not some broodmare.

01:55:30

TYWIN
You're my daughter! You will do as I
command...

TYWIN (CONT'D - OS)
...and you will marry Loras...

TYWIN (CONT'D)
...Tyrell...

Cersei shakes her head.

TYWIN (CONT'D - OS)
...and put an end to the...

TYWIN (CONT'D)
...disgusting rumors about you once and
for all.

01:55:42

CERSEI
Father, don't make me do it again,
please.

Tywin slams his hand on the table.

01:55:44

TYWIN
Not another word.

Tywin stands up.

TYWIN (CONT'D)
My children.

TYWIN (CONT'D - OS)

Tywin walks away and leaves the room.
