MYRANDA  
(laughing) Tansy. Tansy!

RAMSAY  
Tansy!

The hounds run after a scent.

[dogs barking, snarling]

**01:02:03:12**

MYRANDA  
[indistinct]

**01:02:07:21**

RAMSAY & MYRANDA  
(laughing)

**01:02:17:03**

RAMSAY  
Tansy!

Tansy runs frantically through woods.

**01:02:18:05**

TANSY  
(squeals)

**01:02:18:18**

RAMSAY  
There you are.

[dogs barking]

**01:02:22:16**

TANSY  
(screaming)

**01:02:24:10**

MYRANDA  
I can't see her. Ramsay!

[dogs barking]

Theon struggles to keep up.

**01:02:28:03**

THEON  
(panting)

**01:02:30:06**

MYRANDA  
Tansy! (laughs)

Myranda shoots an arrow, narrowly missing Tansy.

[arrow whizzes]

**01:02:34:10**

TANSY  
(whimpering)

**01:02:35:01**

RAMSAY  
If you make it out of the woods, you win! Run, Tansy,  
run!

[arrow whizzes]

Tansy runs through water and hides.

**01:02:39:21**

TANSY  
(overlap) (screams) (whimpering) (panting, crying)

**01:02:48:17**

MYRANDA & RAMSAY  
(overlap) Tansy.

**01:02:51:01**

MYRANDA

Where is she?

**01:02:52:19**

RAMSAY

Tansy, Tansy, Tansy!

The dogs find Tansy.

[barking]

Tansy runs.

**01:02:57:07**

TANSY

(whimpering)

[dogs snarling, barking]

Myranda aims and shoots arrow into Tansy's heel.

[arrow whizzes]

**01:03:05:17**

TANSY

(screams)(whimpering)(crying)

[dogs snarling, barking]

Ramsay settles dogs.

**01:03:16:00**

RAMSAY

Good girls. Down, down. Down. Well done. You, too.

**01:03:22:10**

MYRANDA

I only wounded her.

**01:03:23:10**

RAMSAY

You brought her down. That's what matters. A fine shot.  
Wasn't it, Reek?

**01:03:28:04**

THEON

A fine shot, master. My Lady.

**01:03:29:15**

TANSY

(overlap) Please, my lord. It hurts. (cries) Please.

**01:03:33:22**

RAMSAY

Oh, sweet. Don't cry. It will be over soon.

Myranda aims arrow at Tansy.

**01:03:39:22**

MYRANDA

She thinks she's pretty. Let me put one through her face.

**01:03:43:05**

RAMSAY

We have to reward the hounds, love. They did all the hard work.

**01:03:46:17**

TANSY

Why? I did whatever you asked.

**01:03:48:18**

RAMSAY

But you made Myranda feel jealous.

**01:03:50:22**

MYRANDA

Me, jealous of her?

**01:03:52:02**

TANSY

My lord, please.

**01:03:53:29**

RAMSAY

You can see that your presence has become a bit of a problem.

**01:03:56:20**

TANSY

(crying)

[dogs snarling, barking]

**01:03:59:03**

RAMSAY

Rip her! Rip her! Rip her!

The hounds attack Tansy.

**01:03:59:28**

TANSY

(overlap) (screaming)

[tearing]

**01:04:05:23**

MYRANDA

Not so pretty now.

Theon watches.

**01:04:08:26**

THEON

(grunts)

INT. BREAKFAST TABLE – KING’S LANDING

Tyrian and Jaime sit at breakfast. Podrick is present.

**01:04:21:02**

TYRION

Your new hand, it's nicer than the old one. Wouldn't you agree, Pod?

**01:04:25:21**

PODRICK

Is it solid gold?

**01:04:27:01**

TYRION

Gilded steel. You're not eating. Why is no one eating? My wife wastes away, and my brother starves himself.

**01:04:34:19**

JAIME

I'm not hungry.

**01:04:35:15**

TYRION

You lost a hand, not a stomach. Try the boar. Cersei can't get enough of it since one killed Robert for her. A toast. To the proud Lannister children. The dwarf, the cripple, and the mother of madness.

Jaime reaches for goblet, but his new hand knocks it over.

[cup topples over]

**01:04:54:03**

JAIME

Oh!

**01:04:54:11**

PODRICK

I'll clean it up.

**01:04:55:00**

JAIME

No, I'll do it. Leave us.

Podrick exits.

**01:05:00:12**

TYRION

It's only wine.

**01:05:11:29**

JAIME

I can't fight anymore.

**01:05:13:27**

TYRION

What about your left?

**01:05:17:01**

JAIME

I can hold a sword, but all my instincts are wrong. How can I protect the king when I can hardly wipe my own ass?

**01:05:23:24**

TYRION

You're the Lord Commander now. Command. Let others do the fighting. When was the last time Father used a sword?

**01:05:32:19**

JAIME

I'm not Father. I'm the Kingslayer. When people find out I can't slay a pigeon...

**01:05:37:06**

TYRION

Train, then. Learn to fight with your other hand.

**01:05:40:12**

JAIME

With whom? You? Men talk. Soon as someone discovers I can't fight, he'll tell everyone.

**01:05:49:17**

TYRION

You need a proper, discreet swordsman. As it happens, I have just the one.

EXT. CLIFFSIDE - DAY

**01:06:04:20**

JAIME

My brother tells me you can keep your mouth shut. Unusual talent for a sellsword.

**01:06:09:24**

BRONN

He tells me you shit gold just like your father.

**01:06:14:22**

JAIME

Is this place safe?

Jaime tosses bag of coins to Bronn.

**01:06:18:28**

BRONN

There's this knight, Leygood. Got thunderbolts on his shield.

**01:06:22:20**

JAIME

Uh-huh.

**01:06:24:02**

BRONN

Right here is where I fuck his wife. She's a screamer, that one. If they don't hear her, they won't hear us.

Jaime pulls out his new sword.

**01:06:32:20**

BRONN

(whistles) I've never seen Valyrian steel before. She's a beauty. The problem is, if you fight with an edged blade, I'll have to. And if I fight with an edged blade, I'll have no one left to pay me.

**01:06:47:13**

JAIME

I haven't used a sparring sword since I was nine.

Jaime reaches for sword. Bronn smacks Jaime with his sword.  
Jaime jumps back, dropping sword.

[blade clatters]

**01:06:55:12**

JAIME

Ah! Bold warrior you are, attacking a man when his guard's down.

**01:0:00:13**

BRONN

Best time to attack a man.

Bronn and Jaime spar. Jaime stumbles.

**01:07:04:22**

BRONN

Mind yourself.

**01:07:08:18**

JAIME  
If I still had my right hand...

**01:07:09:24**

BRONN  
Plan on growing it back?

Bronn and Jaime spar. Jaime stumbles again. He steps back into place, determined.

**01:07:26:15**

JAIME  
Come on, then.

Bronn and Jaime continue sparring.

EXT. DRAGSTONE

Men on horseback arrive at castle exterior.

[music in]

**01:07:39:19**

MAN  
Open the gates! Riders coming in!

[horse whinnies]

**01:08:01:06**

MAN  
Let's get these horses seen to!

Ramsay stands as his father and Locke dismount their horses with Walda.

**01:08:06:04**

RAMSAY  
Father, welcome home.

**01:08:08:06**

ROOSE  
Walda, this is Ramsay Snow, my bastard.

**01:08:11:28**

RAMSAY

A pleasure, Mother.

Walda smiles, charmed. Ramsay returns the smile, pleased.

**01:08:15:17**

WALDA

Hello.

**01:08:16:07**

ROOSE

See that the horses are fed, watered, and rubbed down.  
And take Lady Walda to her chambers.

Woman leads Walda to quarters.

**01:08:22:05**

WOMAN

This way, my lady.

**01:08:24:21**

ROOSE

Where is your prize?

**01:08:26:17**

RAMSAY

With the hounds.

**01:08:29:03**

ROOSE

I'll have a look at him.

Locke approaches Ramsay, who smiles.

**01:08:37:05**

RAMSAY

I hear you took a hand from the Kingslayer.

**01:08:39:08**

LOCKE

Word travels. How he screamed. You would have loved it.

Ramsay and Locke walk on.

**01:08:43:08**

RAMSAY

(laughs)

INT. DRAGSTONE

Ramsay enters and approaches Roose.

**01:08:54:00**

RAMSAY

Father.

Roose looks at Theon.

**01:09:04:16**

ROOSE

What did you do to him?

**01:09:06:02**

RAMSAY

I trained him. He was a slow learner, but he learned.

**01:09:11:19**

ROOSE

You flayed him.

**01:09:13:04**

RAMSAY

Peeled a few bits. Removed a few others.

**01:09:20:07**

ROOSE

This was Balon Greyjoy's son and heir.

**01:09:22:08**

RAMSAY

We've been flaying our enemies for 1,000 years. The flayed man is on our banners.

**01:09:26:26**

ROOSE

My banners, not yours. You're not a Bolton. You're a snow. Tywin Lannister has given me the North. But he won't lift a finger to help me take it. As long as the ironborn hold Moat Cailin, our armies are trapped south of

the Neck. Theon was a valuable hostage, not your plaything. I wanted to trade him for Moat Cailin.

**01:09:50:19**

RAMSAY

I already asked. Lord Greyjoy refused. Savages have no –

**01:09:56:01**

ROOSE

(overlap) You sent terms to Balon Greyjoy without my consent?

**01:09:58:21**

RAMSAY

You made me acting Lord of the Dreadfort. I acted.

**01:10:08:17**

ROOSE

I had to smuggle myself into my own lands thanks to the Greyjoys. I needed Theon. I needed him whole.

**01:10:17:05**

RAMSAY

Theon was our enemy. But Reek, Reek will never betray us.

**01:10:26:09**

ROOSE

I placed far too much trust in you.

**01:10:37:26**

RAMSAY

Reek, how could you let me stand before my father unshaven? It's disrespectful.

**01:10:43:23**

THEON

Sorry, my lord.

**01:10:47:05**

RAMSAY

Give him the razor.

[music in]

Ramsay sits in chair and awaits shave from Theon.

**01:10:57:15**

I'm not a Bolton, Father. What does it matter?

**01:11:08:19**

RAMSAY

Go on, Reek. A nice close shave.

**01:11:33:03**

RAMSAY

Reek, tell Father where are Bran and Rickon Stark?

Theon shaves Ramsay.

**01:11:40:16**

THEON

Don't know, my lord.

**01:11:42:04**

ROOSE

You murdered them and displayed their corpses at Winterfell.

**01:11:47:27**

RAMSAY

Reek, did you murder the Stark boys?

**01:11:53:14**

THEON

No, my lord. Just two farm boys.

**01:11:56:28**

RAMSAY

And crisped them so no one would know.

**01:12:00:11**

THEON

Yes, my lord.

**01:12:04:05**

RAMSAY

The Starks have always ruled the North. If Bran and Rickon are alive, the country will rally to their side now that Robb Stark is gone.

Theon hesitates.

**01:12:16:10**

RAMSAY

Oh, that's right, Reek. Robb Stark is dead. Sorry. I know he was like a brother to you. But my father put a knife through his heart. How do you feel about that?

Theon is upset, but continues to shave Ramsay.

Roose addresses Locke.

**01:12:49:25**

ROOSE

You ready for a hunt?

**01:12:50:25**

LOCKE

Always.

**01:12:51:22**

ROOSE

Find those boys, and I'll give you 1,000 acres and a holdfast.

**01:12:55:16**

LOCKE

Your pet rat have any thoughts on which way they went after Winterfell?

**01:13:02:01**

THEON

Jon Snow is at Castle Black.

**01:13:05:03**

LOCKE

Who the fuck is Jon Snow?

**01:13:07:02**

ROOSE

Their bastard brother. He could be sheltering them. He may know where they are.

**01:13:14:02**

RAMSAY

Even if he doesn't, he's half Stark himself. Could be a threat.

**01:13:19:11**

ROOSE

You want to prove yourself a Bolton? Gather whatever men you can and ride for Moat Cailin. Bring this creature of yours. Maybe he'll be of some use. Take the Moat for the family, for our family, and I'll reconsider your position.

Ramsay smiles.

EXT. KING'S CROSSING PATHWAY – DAY

Tyrion walks with Varys

**01:13:43:00**

TYRION

Lord Varys, Breakfasting with the king?

**01:13:45:19**

VARYS

I'm afraid foreigners aren't welcome at such exclusive affairs.

**01:13:49:01**

TYRION

Oh, to be foreign.

**01:13:51:07**

VARYS

[clears throat] Shae has been noticed. Sansa's maid saw you with her. She already told your sister. It's only a matter of time before your father hears.

**01:14:00:06**

TYRION

So I'm guilty of being seen with my own wife's handmaiden. My father will ask you if there's anything more, and you'll tell him some clever lie.

**01:14:06:14**

VARYS

No, I will not. How long do you imagine your father and sister would let me live if they suspected me of lying? I have no pet sellsword to protect me. No legendary brother to avenge me. Only little birds who whisper in my ear.

**01:14:20:24**

TYRION

Forgive me if I don't weep for you.

**01:14:22:23**

VARYS

No one weeps for spiders or whores. I have friends across the sea who could help her.

**01:14:28:15**

TYRION

She won't leave. I've told her this is a dangerous place so many times, she no longer believes it.

**01:14:33:15**

VARYS

Your father has promised to hang the next whore he finds you with. Have you ever known your father to make an idle threat?

EXT. BANQUET TABLE – KING'S LANDING - DAY

Mace presents goblet to Joffrey.

**01:14:43:04**

MACE

From House Tyrell and the people of the Reach, Your Grace, it is my honor to present you with this wedding cup. May you and my daughter, Margaery drink deep and live long.

**01:14:55:02**

JOFFREY

A handsome goblet, my lord. Or shall I call you Father?

**01:14:59:07**

MACE

I shall be honored, Your Grace.

Cersei leans in to Tywin and points out Shae who serves at the table.

**01:15:09:05**

CERSEI

She's the whore I told you about. The dark-haired one.

**01:15:14:25**

TYWIN

Have her brought to the Tower of the Hand before the wedding.

Tyrion presents Joffrey a book.

**01:15:28:18**

JOFFREY

A book?

**01:15:29:20**

TYRION

“The Lives of Four Kings.” Grand Maester Kaeth’s history of the reigns of Daeron the Young Dragon, Baelor the Blessed, Aegon the Unworthy, and Daeron the Good. A book every king should read.

Joffrey is visibly disappointed. He catches a glance from Tywin and tries, with great effort, to be civil.

**01:15:50:10**

JOFFREY

Now that the war is won, we should all find time for wisdom. Thank you, Uncle.

Tywin presents the other new sword to Joffrey.

**01:16:10:02**

TYWIN

One of only two Valyrian steel swords in the capital, Your Grace, freshly forged in your honor.

Joffrey hops up. He draws the blade and swings it around.

**01:16:29:18**

PYCELLE

Oh, careful, Your Grace. (chuckles) Nothing cuts like Valyrian steel.

**01:16:33:21**

JOFFREY

So they say.

Joffrey strikes the book on the table with the sword several times.  
Guests are startled.

**01:16:37:04**

JOFFREY  
(grunting) (panting)

**01:16:47:05**

JOFFREY  
Such a great sword should have a name. What shall I call her?

**01:16:51:09**

MAN  
Stormbringer.

**01:16:52:12**

MAN 2  
Terminus.

**01:16:53:02**

MAN 3  
Widow's Wail.

**01:16:54:06**

MAN 4  
Wolfbane.

**01:16:55:01**

JOFFREY  
Widow's Wail. I like that. (chuckles) Every time I use it, it'll be like cutting off Ned Stark's head all over again.

INT. TYRION'S QUARTERS – DAY

Tyrion stares.

[door opens]

Shae enters.

**01:17:31:11**

TYRION  
Don't.

**01:17:35:19**

SHAE

You want me on the desk? What's wrong, my lion?

**01:17:41:00**

TYRION

Don't call me that.

**01:17:42:29**

SHAE

What should I call you?

**01:17:45:23**

TYRION

I'm afraid our friendship can't continue.

**01:17:49:05**

SHAE

Our friendship?

**01:17:50:21**

TYRION

There's a ship waiting in the harbor bound for Pentos.

**01:17:54:15**

SHAE

What?

**01:17:55:08**

TYRION

You will have your own cabin, of course. And across the Narrow Sea, a house, servants.

**01:18:02:29**

SHAE

What is this?

**01:18:04:07**

TYRION

I'm a married man. My wife has suffered a great deal, as you well know. I don't want her to suffer anymore on my account. I need to uphold my vows.

**01:18:15:18**

SHAE

She doesn't want you.

**01:18:17:10**

TYRION  
(overlap) I need to do right by her.

**01:18:17:12**

SHAE  
(overlap) You don't want her.

**01:18:19:16**

TYRION  
(overlap) By our children.

**01:18:24:03**

SHAE  
What are you afraid of?

**01:18:24:25**

TYRION  
I'm not afraid.

**01:18:25:23**

SHAE  
You are. You are afraid of your father and your sister.  
You're going to run from them all your life?

**01:18:30:20**

TYRION  
(overlap) I need you to leave.

**01:18:32:02**

SHAE  
I'm not afraid of them. I'm not going to run.

**01:18:34:25**

TYRION  
(overlap) Shae.

**01:18:35:26**

SHAE  
We will fight them together. It's like you said, I am yours,  
and you are mine.

Shae moves to Tyrion.

**01:18:39:10**

TYRION

You're a whore! Sansa is fit to bear my children, and you are not. I can't be in love with a whore. I can't have children with a whore. How many men have you been with? Five hundred? Five thousand?

**01:19:03:07**

SHAE

How many whores have you been with?

**01:19:05:03**

TYRION

I have enjoyed my time with all of them, and I have enjoyed my time with you most of all. But now that time is over.

Tyrion walks past Shae. He opens the door. Bronn enters.

**01:19:15:19**

SHAE

(crying)

**01:19:28:02**

TYRION

(overlap) You'll have a comfortable life in Pentos. Bronn will escort you to your ship.

Shae slaps Bronn and exits. Bronn follows.

[slap]

[door closes]

EXT. BEACH – GOD OF LIGHT SACRIFICE - NIGHT

Men and women are being burned at stake. Crowd chants and stands around them, watching.

**01:20:00:24**

WOMAN

(screams)

**01:20:01:25**

MELISANDRE

Hear us now. Accept these tokens of our faith, my lord,  
and lead us from the darkness.

**01:20:08:18**

(crying)

From stake, Florent pleads with Stannis and Selyse.

**01:20:10:02**

FLORENT

Sire, I served you well.

**01:20:13:09**

MELISANDRE & CROWD

Lord of Light, show us the way.

**01:20:16:04**

FLORENT

Selyse, you're my sister!

Selyse ignores his cries and chants with the others.

**01:20:20:06**

SELYSE

Yours are the stars that guide us.

**01:20:21:24**

FLORENT

(overlap) Tell him! Tell him!

**01:20:23:10**

MELISANDRE

(overlap) Lord of Light, protect us, for the night is dark  
and full of terrors,

**01:20:25:28**

(overlap)(screaming)

**01:20:40:15**

SELYSE

Did you see? Their souls. It was their souls. Our lord took  
them. Did you see?

Davos walks with Stannis from ceremony.

**01:20:55:07**

DAVOS

Lord Florent was your brother by law.

**01:20:58:29**

STANNIS

He was an infidel.

**01:21:00:29**

DAVOS

He worshipped the gods of his fathers and their fathers before him. They were the gods of your fathers, too.

**01:21:08:00**

STANNIS

I ordered him to tear down his idols. He disobeyed.

**01:21:11:09**

DAVOS

How many ships did he bring to your cause? How many men?

**01:21:15:01**

STANNIS

A good deal more than you.

**01:21:18:24**

SELYSE

Did you see, Ser Davos? They're with our lord now. Their sins all burned away. Did you see?

**01:21:25:00**

DAVOS

I'm sure they're more than grateful, my queen.

INT. DINNER – STANNIS' TABLE - NIGHT

Stannis smells meat.

**01:21:39:19**

STANNIS

(sniffs) Meat's off.

**01:21:45:02**

SELYSE  
Our larders are almost empty.

**01:21:46:28**

STANNIS  
Serve fish, then. We're on an island.

**01:21:49:06**

SELYSE  
You hate fish.

**01:21:50:24**

STANNIS  
I hate a good many things, but I suffer them all the same.

**01:21:55:18**

SELYSE  
When Storm's End was under siege and I was starving,  
Stannis boiled soup for me from books. The binding glue  
is made from horses. One morning, he shot two seagulls  
on the beach. I've never tasted anything as good as grilled  
seagull. Do you remember?

**01:22:19:26**

STANNIS  
Of course I remember.

**01:22:24:18**

SELYSE  
Have you ever known true hunger, my lady?

**01:22:2y:13**

MELISANDRE  
It's all I knew when I was a child.

**01:22:29:18**

SELYSE  
Until you found the Lord of Light?

**01:22:31:13**

MELISANDRE  
Until he found me.

**01:22:40:23**

SELYSE

I fear for our daughter's soul.

Stannis looks annoyed.

**01:22:44:08**

MELISANDRE

Every mother should fear for her child's soul.

**01:22:46:11**

SELYSE

She's a stubborn little beast.

**01:22:47:13**

STANNIS

She's a child.

**01:22:49:04**

SELYSE

You barely know her. You think she's sweet because she smiles when you visit. She is sullen and stubborn and sinful. Why else would the Lord of Light have seen fit to mark her face? She needs the rod.

**01:23:00:13**

STANNIS

She's my daughter. You will not strike her.

**01:23:05:23**

SELYSE

As you command. Perhaps the Lady Melisandre could speak with her.

INT. SHIREEN'S BEDROOM – NIGHT

[knock on door]

Shireen lies awake in bed. She sits up at knock.

**01:23:19:18**

SHIREEN

Come in.

Melisandre peeks in room and enters.

**01:23:23:15**

MELISANDRE

Where you sleeping, Princess? Did you watch the ceremony on the beach?

**01:23:32:28**

SHIREEN

I heard it.

**01:23:35:10**

MELISANDRE

And it frightened you?

**01:23:37:03**

SHIREEN

Ser Axel was my uncle. He was always kind to me.

**01:23:40:18**

MELISANDRE

They're in a better place now, Princess. The fire cleansed them of the sins of the world.

**01:23:45:11**

SHIREEN

But they screamed.

**01:23:47:01**

MELISANDRE

Women scream when they give birth. Afterward they are filled with joy.

**01:23:51:24**

SHIREEN

Afterward they aren't ash and bone.

**01:23:53:18**

MELISANDRE

You have so many questions, don't you? So did I when I was a child. I was much like you. Only I wasn't a princess.

**01:24:03:00**

SHIREEN

And you didn't have this.

Shireen indicates the mark on her face.

**01:24:04:20**

MELISANDRE

No. But I suffered in other ways, sweet girl, believe me.  
What do you know of the gods?

**01:24:12:20**

SHIREEN

I read "The Seven-Pointed Star."

**01:24:15:00**

MELISANDRE

Lies and fables. Septons speak of seven gods. There are  
but two-- a god of light and love and joy and a god of  
darkness, evil, and fear. Eternally at war.

**01:24:30:01**

SHIREEN

There are no seven heavens and no seven hells?

**01:24:34:11**

MELISANDRE

There's only one hell, Princess. The one we live in now.

[music in]

EXT. SNOWY WOODS – DAY

Direwolf's POV – Hunts a deer.

**01:24:44:17**

SUMMER

(heavy breathing) (growls)

**01:25:15:05**

HODOR

Hodor.

Bran awakes with a start.

**01:25:17:10**

BRAN

(breathing heavily) Why did you wake me?

**01:25:23:00**

MEERA

You've been gone for hours.

**01:25:26:00**

BRAN

I was hungry.

**01:25:28:11**

MEERA

We're all hungry.

**01:25:30:11**

BRAN

I was just eating.

**01:25:31:23**

JOJEN

Summer was eating. Your body can't live on the food your wolf consumes. Spending too much time in Summer's skin is dangerous. You're not a direwolf, Bran. Must be glorious, though. To run, to leap, to hunt. To be whole. I know that's tempting, but if you're trapped in Summer for too long, you'll forget what it was to be human.

**01:26:07:06**

MEERA

You'd forget us, Bran. You'd forget your mother and father. You'd forget your brothers and sisters. You'd forget Winterfell. You'd forget you. And if we lose you, we lose everything.

EXT. LATER – SNOWY WOODS

The group moves on in snow. Bran sees direwolf approach tree.

[wind blowing]

[wolf barks]

**01:27:52:05**

BRAN

Hodor, take me to the tree.

Hodor carries Bran to tree. Bran touches tree and has vision.

[crow caws]

**01:27:43:06**

VOICE

Look for me...

[crow cawing]

**01:27:50:24**

VOICE

...beneath the tree.

**01:27:56:26**

CERSEI

He saw us.

**01:27:58:00**

(screaming)

[dragon roaring]

**01:28:02:22**

VOICE

North.

**01:28:03:26**

BRAN

(gasps)

Bran snaps from vision and looks at group.

**01:28:13:26**

BRAN

I know where we have to go.

[bells tolling]

INT. JOFFREY'S WEDDING

High Septon wraps Joffrey's and Margaery's arms together and concludes ceremony.

**01:29:03:07**

HIGH SEPTON

Let it be known that Margaery of House Tyrell and Joffrey of the Houses Lannister and Baratheon are one heart, one

flesh, one soul. Cursed be he who would seek to tear them  
asunder.

**01:29:22:09**

JOFFREY

With this kiss, I pledge my love.

Joffrey kisses Margaery.

[applause]

Sansa rolls her eyes.

**01:29:47:27**

SANSA

We have a new queen.

**01:29:52:01**

TYRION

Better her than you.

Tywin and Olenna stroll on grounds.

**01:30:06:06**

TYWIN

Bit much, wouldn't you say?

**01:30:07:06**

OLENNA

It feels proportionate.

**01:30:08:12**

TYWIN

Proportionate to what?

**01:30:09:28**

OLENNA

The expected extravagance.

**01:30:11:28**

TYWIN

People who spend their money on this sort of nonsense  
tend not to have it for long.

**01:30:15:25**

OLENNA

You ought to try enjoying something before you die. You might find it suits you.

Mace approaches Olenna and Tywin.

**01:30:20:23**

MACE

Will I—

**01:30:21:02**

OLENNA

Not now, Mace. Lord Tywin and I are speaking. Anyway, I don't know what you're complaining about. I'm paying my share.

**01:30:27:28**

TYWIN

Shall we stick golden roses in half the meat pies to commemorate your generosity?

**01:30:32:24**

OLENNA

No, your heartfelt thank-you is its own reward. I would imagine I'd be hearing it again before long. Wars are rather expensive. "The Iron Bank will have its due." How they love to remind everyone. Almost as much as you Lannisters with your debts.

**01:30:49:18**

TYWIN

I'm not worried about the Iron Bank

**01:30:41:21**

OLENNA

We both know you're smarter than that. Come, Tywin, let us celebrate young love.

Olenna leads Tywin to the reception.

Revelers celebrate marriage. Entertainers juggle, play music, and dance.

[music playing]

[people laughing, chatting]

Tyrion and Bronn arrive at reception.

**01:30:11:00**

BRONN

All taken care of.

**01:30:12:09**

TYRION

You saw her board the ship?

**01:30:13:27**

BRONN

Aye, she's on it.

**01:31:15:18**

TYRION

And you saw the ship sail away?

**01:31:17:28**

BRONN

No one knows she's there but you, me, and Varys.

**01:31:20:24**

TYRION

How do you know?

**01:31:22:18**

BRONN

Because if someone follows me without an invitation, I'm the last person they ever follow.

**01:31:27:01**

TYRION

There's someone following you?

Bronn gets close to Tyrion.

**01:31:20:19**

BRONN

She's gone. I know you don't want to believe it, but she is. Now, go drink until it feels like you did the right thing.

Oberyn and Ellaria enter reception, walking by Tyrion.

**01:31:44:18**

OBERYN

Hello.

**01:31:46:18**

TYRION

Hello.

**01:31:47:07**

OBERYN

Not you.

Olenna approaches Sansa.

**01:31:05:11**

OLENNA

You look exquisite, child. The wind has been at you, though. I haven't had the opportunity to tell you how sorry I was to hear about your brother. War is war, but killing a man at a wedding, horrid. What sort of monster would do such a thing? As if men need more reasons to fear marriage.

Sansa smiles. Tyrion arrives.

**01:31:26:16**

TYRION

My lady. My lady.

**01:31:28:26**

OLENNA

Lord Tyrion, you see? Not as bad as all that. Perhaps if your pauper husband were to sell his mule and his last pair of shoes, he might be able to afford to bring you to Highgarden for a visit. Now that peace has come and all is right with the world, it would do you good to see some of it. You must excuse me. It's time I ate some of this food I paid for.

A minstrel and musicians perform. Joffrey is bored.

MINSTREL

(singing) *A coat of gold*  
*Or a coat of red*

*A lion still has claws  
And mine, my lord...*

Joffrey stands and throws coins at the musicians.

**01:33:08:10**

JOFFREY

Very good. Very good. Off you go.

[coins clatter]

[crowd laughs]

Margaery leans in to Joffrey.

**01:33:27:02**

MARGAERY

My love, why don't we make the announcement?

Joffrey stands and taps his goblet. The crowd listens.

[taps goblet]

**01:33:32:12**

JOFFREY

Everyone. The queen would like to say a few words.

[applause]

Margaery makes her announcement.

**01:33:45:23**

MARGAERY

We are so fortunate to enjoy this marvelous food and drink. Not all among us are so lucky. To thank the gods for bringing the recent war to a just end, King Joffrey has decreed that the leftovers from our feast be given to the poorest in his city.

[applause]

[music playing]

Cersei leans in to Margaery.

**01:34:14:28**

CERSEI

You're an example to us all. [kiss][kiss]

Loras makes eyes at Oberyn who is being fed by Ellaria. Oberyn responds. Loras bumps into Jaime and is startled.

**01:34:33:20**

LORAS

Ser Jaime, I'm very sorry.

**01:34:35:08**

JAIME

Ser Loras, it's quite all right. Your sister looks very beautiful.

**01:34:42:01**

LORAS

As does yours.

**01:34:43:14**

JAIME

So, looking forward to your wedding?

Loras steels himself.

**01:34:47:00**

LORAS

Yes, very much.

**01:34:48:25**

JAIME

Our fathers are both rather keen on the prospect.

**01:34:50:18**

LORAS

(chuckles) They certainly are.

**01:34:52:10**

JAIME

Perhaps they should get married.

**01:34:53:14**

LORAS

(laughs)

Jaime leans close to Loras.

**01:34:56:10**

JAIME

If you were to marry Cersei, she'd murder you in your sleep. If you somehow managed to put a child in her first, she'd murder him, too, long before he drew his first breath. Luckily for you, none of this will happen because you'll never marry her.

**01:35:17:00**

LORAS

And neither will you.

Loras pats Jaime's chest and exits.

Brienne approaches Joffrey and Margaery. She bows before them.

**01:35:32:11**

BRIENNE

Your Grace. My king. My queen.

**01:35:35:00**

MARGAERY

Lady Brienne. So good of you to come.

**01:35:38:18**

BRIENNE

I'm no lady, Your Grace.

**01:35:39:23**

CERSEI

Did you just bow?

**01:35:42:14**

BRIENNE

Apologies, Your Grace. I never did master the curtsy.

**01:35:46:01**

JOFFREY

You're the one who put a sword through Renly Baratheon.

**01:35:48:13**

MARGAERY

That's not true, my love. Brienne had nothing to do with it.

**01:35:51:26**

JOFFREY

A shame. I'd knight the man that put an end to that deviant's life.

**01:35:57:00**

BRIENNE

I just wanted to congratulate you both and wish you good fortune. The country has been at war too long. I hope your reign is long and peaceful.

**01:36:05:16**

JOFFREY

Yes, yes.

**01:36:06:19**

MARGAERY

Thank you. I hope we see more of you.

Lady Brienne exits. Cersei follows after her.

**01:36:16:28**

CERSEI

Lady Brienne. You're Lord Selwyn Tarth's daughter. That makes you a lady whether you want to be or not.

**01:36:25:01**

BRIENNE

As you say, Your Grace.

**01:36:26:10**

CERSEI

I owe you my gratitude. You returned my brother safely to King's Landing.

**01:36:33:09**

BRIENNE

In truth, he rescued me, Your Grace. More than once.

**01:36:38:16**

CERSEI

Did he? Haven't heard that story before.

**01:36:43:26**

BRIENNE

Not such a fascinating story, I'm afraid.

**01:36:46:04**

CERSEI

I'm sure you have many fascinating stories. Sworn to Renly Baratheon. Sworn to Catelyn Stark. And now my brother. Must be exciting to flit from one camp to the next serving whichever lord or lady you fancy.

**01:36:59:01**

BRIENNE

I don't serve your brother, Your Grace.

**01:37:02:18**

CERSEI

But you love him.

Cersei and Brienne stare at one another in silence.

**01:37:11:27**

BRIENNE

Your Grace.

Pycelle gives advice to Woman.

**01:37:24:16**

PYCELLE

No, no, come to my chambers and I will examine you personally.

Cersei comes up behind Pycelle.

**01:37:28:00**

CERSEI

She'll do no such thing.

**01:37:29:25**

PYCELLE

Oh, Your Grace. Yes, well, this young lady sought my advice--

**01:37:33:02**

CERSEI

(overlap) You should see Qyburn. He's quite good.

**01:37:34:23**

WOMAN

Your Grace.

**01:37:35:12**

PYCELLE

Qyburn? Deplorable man. Brought shame on the Citadel with his repugnant experiments.

**01:37:40:16**

CERSEI

(overlap) More repugnant than your gnarled fingers on that girl's thighs?

**01:37:42:29**

PYCELLE

Your Grace, I am a man of learning.

**01:37:45:13**

CERSEI

My little brother had you sent to the Black Cells when you annoyed him. What do you think I could do to you if you annoyed me?

**01:37:51:02**

PYCELLE

I never meant to annoy anyone.

**01:37:52:28**

CERSEI

(overlap) But you are. You annoy me right now. Every breath you draw in my presence annoys me. So here's what I want you to do. I want you to leave my presence. Leave this wedding right now. Go to the kitchens and instruct them that all the leftovers from the feast will be brought to the kennels.

**01:38:07:18**

PYCELLE

Your Grace, Queen Margaery said they would be--

**01:38:10:01**

CERSEI

(overlap) The queen is telling you the leftovers will feed the dogs, or you will.

Pycelle exits. Cersei smiles to herself.

The fool juggles and drops a bag. Joffrey, bored, stands.  
**01:38:36:03**

JOFFREY

A gold dragon to whoever knocks my fool's hat off.

[crowd laughing]

Joffrey enjoys himself and looks at Margaery who gives a polite laugh.

**01:38:50:07**

MARGAERY

(laughs)

Tywin addresses Cersei.

**01:38:50:23**

TYWIN

You're in rather a good mood.

**01:38:51:28**

CERSEI

Hm, I suppose I am.

**01:38:52:27**

TYWIN

I won't ask why.

**01:38:54:26**

CERSEI

Small pleasures.

Oberyn and Ellaria approach them.

**01:38:56:00**

OBERYN

Your Grace. Lord Tywin.

**01:38:58:00**

TYWIN

Prince Oberyn.

**01:38:59:16**

OBERYN

I don't believe you have met Ellaria. This is the Lord Hand Tywin Lannister and Cersei Lannister the Queen Regent. I

suppose it is former Queen Regent now. Lord Hand and Lady Cersei, Ellaria Sand.

**01:39:13:08**

ELLARIA

My lord. My lady.

**01:39:15:08**

TYWIN

Charmed.

**01:39:16:25**

CERSEI

(chuckles) Can't say I've ever met a Sand before.

**01:39:23:08**

ELLARIA

We are everywhere in Dorne. I have 10,000 brothers and sisters.

**01:39:26:18**

OBERYN

Bastards are born of passion, aren't they? We don't despise them in Dorne.

**01:39:31:00**

CERSEI

No? How tolerant of you.

**01:39:32:08**

OBERYN

I expect it is a relief, Lady Cersei, giving up your regal responsibilities. Wearing the crown for so many years must have left your neck a bit crooked.

**01:39:40:07**

CERSEI

I suppose you'll never know, Prince Oberyn. It's a shame your older brother couldn't attend the wedding.

**01:39:44:23**

TYWIN

Please give him our regards. With any luck, the gout will abate with time and he will be able to walk again.

**01:39:50:02**

OBERYN

They call it the rich man's disease. A wonder you don't have it.

**01:39:53:23**

TYWIN

Noblemen in my part of the country don't enjoy the same lifestyle as our counterparts in Dorne.

**01:39:58:06**

OBERYN

People everywhere have their differences. In some places the highborn frown upon those of low birth. In other places, the rape and murder of women and children is considered distasteful. What a fortunate thing for you, former Queen Regent, that your daughter Myrcella has been sent to live in the latter sort of place.

[taps goblet]

Joffrey stands, serious.

**01:40:22:02**

JOFFREY

Everyone, silence! Clear the floor.

**01:40:28:00**

JOFFREY

There's been too much amusement here today. A royal wedding is not an amusement. A royal wedding is history. The time has come for all of us to contemplate our history. My lords... my ladies... I give you King Joffrey...

Joffrey introduces the dwarf actors.

[shouting]

Dwarf actors on puppetted steeds enter courtyard.

**01:40:56:06**

JOFFREY

...Renly, Stannis, Robb Stark, Balon Greyjoy. The War of the Five Kings.

Performers satirize the War of Five Kings. Tyrion is uncomfortable throughout.

[applause, laughter]

**01:41:09:00**

DWARF RENLY  
I'm the rightful king.

**01:41:12:04**

DWARF ROBB  
King in the North!

**01:41:13:16**

DWARF JOFFREY  
Yes! Traitor. You're a traitor.

[laughing]

**01:41:23:20**

DWARF JOFFREY  
For the Seven Kingdoms! Let the war begin.

[laughing]

**01:41:32:16**

DWARF KING  
(howls)

**01:41:33:18**

DWARF STANNIS  
Renly, you're no king.

**01:41:36:18**

DWARF BALON  
Away, degenerate. Away. Away.

**01:41:40:08**

DWARF RENLY  
Ooh, careful. (squeals)

**01:41:42:09**

DWARF STANNIS  
Go on.

**01:41:42:23**

DWARF RENLY

I want you to be my prince.

[laughing]

**01:41:47:03**

DWARF RENLY

Stannis!

**01:41:54:24**

DWARF BALON

Who's got the gold now, Stark? (laughs)

**01:41:57:02**

DWARF ROBB

I am the rightful king. Challenge me, ruffian. Take that.

**01:41:00:20**

DWARF BALON

I'm drowning. I'm drowning.

**01:42:02:00**

DWARF ROBB

I am the King in the North!

**01:42:08:10**

DWARF STANNIS

Not wildfire!

[laughing]

**01:42:14:10**

DWARF STANNIS

(crying)

Tyrion announces to Podrick.

**01:42:18:10**

TYRION

Pay each of them 20 gold when this is done.

**01:42:21:02**

PODRICK

Yes, my lord.

**01:42:22:25**

TYRION

We'll have to find another way to thank the king.

**01:42:29:10**

DWARF JOFFREY

Charge! Ready, again.

**01:42:42:08**

DWARF ROBB

I am the King in the North!

Sansa is upset yet expressionless at the depiction of her brother.

**01:42:46:02**

DWARF ROBB

Charge!

**01:42:46:06**

DWARF JOFFREY

(overlap) Charge!

**01:43:08:09**

JOFFREY

Yes! (laughs)

[crowd cheers]

Dwarf Robb's head falls off and Dwarf Joffrey celebrates.

**01:42:49:22**

DWARF JOFFREY

Your head!

**01:42:50:18**

JOFFREY

(laughing)

**01:43:06:19**

DWARF JOFFREY

(laughing)

**01:43:09:25**

JOFFREY

(laughing)

Dwarf Joffrey pretends to sodomize Robb's head.

**01:43:14:00**

DWARF JOFFREY  
(grunting)

Joffrey laughs until he spits wine. Cersei smirks at him.

**01:43:20:23**

JOFFREY  
(laughing)(spits)(laughs)

**01:43:27:16**

DWARF JOFFREY  
Fine gentlemen.

The actors bow.

[applause]

Joffrey stands.

**01:43:38:22**

JOFFREY  
Well fought. Well fought. Here you are. Champion's  
purse. Though you're not the champion yet, are you? A  
true champion defeats all the challengers. Surely there are  
others out there who still dare to challenge my reign.  
Uncle. How about you? I'm – I'm sure they have a spare  
costume.

[crowd laughs]

**01:43:10:04**

TYRION  
One taste of combat was enough for me, Your Grace. I  
would like to keep what remains of my face. I think you  
should fight him. This was but a poor imitation of your  
own bravery on the field of battle. I speak as a firsthand  
witness. Climb down from the high table with your new  
Valyrian sword and show everyone how a true king wins  
his throne. Be careful, though. This one is clearly mad  
with lust. It would be a tragedy for the king to lose his  
virtue hours before his wedding night.

[light laughter]

Joffrey walks to Tyrion and pours glass of wine over his head.  
Tyrion tastes the wine.

**01:44:17:01**

TYRION

(smacks lips) Fine vintage. Shame that it spilled.

**01:45:18:06**

JOFFREY

It did not spill.

Margaery tries to distract Joffrey.

**01:45:19:15**

MARGAERY

My love, come back to me. It's time for my father's toast.

[applause]

**01:45:25:16**

JOFFREY

Well, how does he expect me to toast without wine?  
Uncle, you can be my cupbearer seeing as you're too  
cowardly to fight.

**01:45:37:13**

TYRION

Your Grace does me a great honor.

**01:45:39:20**

JOFFREY

It's not meant as an honor.

[music in]

Tyrion brings the cup. Joffrey knocks it to the ground. He does so a

(sings) *In a coat of gold  
Or a coat of red*

*A lion still has claws  
And mine are long  
And sharp, my lord  
As long and sharp as yours  
And so he spoke  
And so he spoke*

**01:51:56:21**

MINSTREL

*The Lord of Castamere  
And now the rains  
Weep o'er his hall  
With no one there to hear  
Yes, now the rains  
Weep o'er his hall  
And not a soul to hear.*
