Grand Maester.

INT. SEPT OF BAEOR -DAY

LORAS FACES HIS TRIAL BY THE HIGH SPARROW

01:05:52

HIGH SPARROW (OS)

Loras Tyrell.

HIGH SPARROW (CONT'D)

Are you prepared to stand trial and profess your
guilt or innocence before the Seven?

01:06:06

LORAS

There'll be no need for a trial.

01:06:08

(murmuring)

01:06:11

LORAS

I confess before the Seven and freely admit to my
crimes.

01:06:17

HIGH SPARROW

To which crimes will you be confessing?

01:06:20

LORAS

All of them. I lay with other men including the
traitor Renly Baratheon.

01:06:29

(murmuring louder)

01:06:33

LORAS (OS)

I perjured myself before the gods.

LORAS (CONT'D)

I am guilty of depravity...dishonesty,
profligacy,

LORAS (CONT'D) (OS)

...and arrogance.

LORAS (CONT'D)

I see that now. I humble myself before the Seven
and accept whatever punishment the gods deem
just.

01:06:55

(murmuring continues)

01:06:57

HIGH SPARROW

The gods' judgment is fierce, but also fair. The
Warrior...

HIGH SPARROW (CONT'D) (OS)

...punishes those who believe themselves beyond...

HIGH SPARROW (CONT'D)

...the reach of justice.

HIGH SPARROW (CONT'D) (OS)

But the Mother...

HIGH SPARROW (CONT'D)

...shows her mercy to those who kneel before her.

01:07:27

LORAS (OS)

I take full responsibility for my many sins and
unburden myself...

LORAS (CONT'D)

...of my desires. My only remaining wish is to
devote my life to the Seven.

LORAS (CONT'D) (OS)

May I be a living example of their grace for
others to witness.

01:07:49

HIGH SPARROW

You understand fully what this means?

01:07:54

LORAS

I do. I will abandon the Tyrell name and all that
goes with it. I will renounce my lordship and my
claims on Highgarden.

LORAS (CONT'D)

I will never marry and I will never father
children.

01:08:20

HIGH SPARROW (OS)

Brother Loras, I ask you...

HIGH SPARROW (CONT'D)

...to dedicate your life to the seven gods.

HIGH SPARROW (CONT'D) (OS)

Will you fight to defend...

HIGH SPARROW (CONT'D)

...your faith against heretics and apostates?

01:08:36

LORAS

I will.

01:09:06

(wincing)

01:09:07

MACE TYRELL

No, I can't let them--

01:09:08

MARGAERY (OS)

Faith is the way,

MARGAERY (CONT'D)

...Father.

01:09:11

(wincing)

01:09:34

TOMMEN (OS)

All right.

TOMMEN (CONT'D)

I'm ready. I have to go. I'm late for the trial.

INT. TOMMEN'S ROOM - DAY

01:10:03

MARGAERY (CONT'D)

You gave me your word.

INT. SEPT OF BAEOR - DAY

MARGAERY SPEAKS TO THE HIGH SPARROW ABOUT CERSEI

01:10:07

HIGH SPARROW

And I have kept my word.

HIGH SPARROW (CONT'D) (OS)

Once the queen mother's trial is concluded,
Brother Loras is free to leave.

01:10:15

MARGAERY (OS)

And where is...

MARGAERY (CONT'D)

...the queen mother?

01:10:17

LANCEL LANNISTER (OS)

Her litter...

LANCEL LANNISTER (CONT'D)

...never left the Red Keep.

01:10:20

HIGH SPARROW

It appears the queen mother doesn't wish to
attend her own trial.

HIGH SPARROW (CONT'D) (OS)

Go to the Red Keep and show her the way.

01:10:30

(music in)

01:10:56

01:11:39

GRAND MAESTER PYCELLE

Where's the king?

01:11:44

QYBURN

Elsewhere, I'm afraid.

01:11:46

GRAND MAESTER PYCELLE

What's the meaning of this? I was told that-- ah.
I have more important things to do with my time
than waste them in the presence--

01:11:56

QYBURN (OS)

(overlapping) Please,

QYBURN (CONT'D)

...Grand Maester. I bear you no ill will. Please
forgive me if you can.

01:12:16

(music continues)

01:12:34

QYBURN (OS)

This pains me, my lord.

QYBURN (CONT'D)

Whatever your faults, you do not deserve to die
alone in such a cold, dark place.

QYBURN (CONT'D) (OS)

But sometimes before we can usher in the...

...new, the old must be put to rest.

01:15:07

(grunting)

01:15:09

MARGAERY

There's something wrong.

01:15:12

HIGH SPARROW

You have nothing to fear, Your Grace. The trial will begin shortly.

01:15:16

MARGAERY

Cersei is not here. Tommen is not here. Why do you think they're not here?

01:15:20

HIGH SPARROW

If the accused is not here, she will be tried regardless. We cannot escape the justice of the gods--

01:15:27

MARGAERY

Forget about the...

MARGAERY (CONT'D)

...bloody gods and listen to what I'm telling you. Cersei understands the consequences of her absence and she is absent anyway. Which means she does not intend to suffer...

MARGAERY (CONT'D) (OS)

...those consequences.

MARGAERY (CONT'D)

The trial can wait. We all need to leave.

01:15:44

(scoffs)

01:16:06

(grunting)

01:16:09

MARGAERY

We all need to leave now.

Loras. Stay with me.

01:18:36

(sputtering)

01:18:39

(gasps)

01:18:41

CERSEI (OS)

Confess. It felt good.

CERSIE (CONT'D)

Beating me, starving me, frightening
me, humiliating me.

CERSEI (CONT'D) (OS)

You didn't do it because you cared about my
atonement.

CERSEI (CONT'D)

You did it because it felt good.

CERSEI (CONT'D) (OS)

I understand.

CERSEI (CONT'D)

I do things because they feel good.

CERSEI (CONT'D) (OS)

I drink because it feels good.

CERSEI (CONT'D)

I killed my husband because it felt good to be
rid of him.

CERSEI (CONT'D) (OS)

I fuck my brother because it feels good to feel
him inside me. I lie about...

CERSEI (CONT'D)

...fucking my brother... because it feels good to keep our son safe from hateful hypocrites. I killed your High Sparrow...

CERSEI (CONT'D) (OS)

...and all his little sparrows...

CERSEI (CONT'D)

...all his septons, all his septas, all his filthy soldiers, because it felt good to watch them burn. It felt good to imagine their...

CERSIE (CONT'D) (OS)

...shock and their pain.

CERSEI (CONT'D)

No thought has ever given me greater joy.

01:20:05

(chuckles)

01:20:07

CERSEI

Even confessing feels good under the right circumstances. You've always been quiet.

CERSIE (CONT'D)

I said my face would be the last thing you saw before you died. Do you remember?

01:20:32

SEPTA UNELLA

Good. I'm glad to see your face. I'm ready to meet the gods.

01:20:44

CERSEI

What? Now? Today? You're not going to die today.
You're not going to die for quite a while.

CERSEI (CONT'D)

Ser Gregor.

01:21:06

(armor rattling)

01:21:10

CERSEI (OS)

This is Ser Gregor Clegane.

CERSEI (CONT'D)

He's quiet, too.

01:21:14

(raspy breathing)

01:21:26

CERSEI (OS)

Your gods...

CERSEI (CONT'D)

...have forsaken you.

01:21:27

(gasps)

01:21:28

CERSEI

This is your god now.

01:21:33

(raspy breathing)

01:21:41

(armor slams)

01:21:42

SEPTA UNELLA

No. No. No.

01:21:47

CERSEI

Shame.

01:21:48

(sobbing)

01:21:51

CERSEI

Shame.

01:21:52

(screaming)

01:21:54

CERSEI

Shame.

01:22:03

WALDER

For House Lannister!

INT. RIVERUN - DAY

WALDER, BRONN, AND JAIME SPEAK ABOUT THE ALLIANCE
BETWEEN LANNISTERS AND THE FREYS

01:22:55

Men

Hear me roar!

(cheering, shouting)

01:23:01

WALDER

For House Frey!

01:23:04

MEN

Stand together!

01:23:07

WALDER (OS)

May we stand together through the centuries, good
friends to the last.

01:23:13

(cheering)

01:23:13

WALDER

And when we drive our swords through our enemies'
hearts, may we speak the words of our alliance,
"The Freys and the Lannisters send their
regards."

01:23:27

(cheering)

01:23:32

(murmuring)

01:23:44

BRONN

You don't even have to do anything, do you? You
just sit there...

BRONN (CONT'D) (OS)

...a rich slab of beef, and all the birds...

BRONN (CONT'D)

...come pecking.

01:23:52

JAIME

You're welcome to her.

01:23:54

BRONN

She doesn't want me. She wants your
golden fingers up her twat.

01:23:59

JAIME

Those two have their eyes on you.

01:24:01

(giggling)

01:24:03

BRONN

They have their eyes on you, cunt.

01:24:05

JAIME

Not my type.

01:24:07

BRONN

Not blonde enough?

01:24:11

JAIME

Ladies, have you met...

JAIME (CONT'D) (OS)

...Ser Bronn of the Blackwater? Hero of the
Battle of...

JAIME (CONT'D)

...Blackwater Bay. There you go.

01:24:18

BRONN

Maybe I'm not in the mood. Oh, fuck it.

BRONN (CONT'D) (OS)

No need to call me ser just because I'm an
anointed knight.

01:24:32

WALDER

This came together rather well.

WALDER (CONT'D) (OS)

Your father would be pleased.

01:24:39

JAIME

I'm sure he would be.

01:24:43

WALDER

Edmure is back in a cell. Can't go killing my son by law. It wouldn't be right. Give the family a bad name.

WALDER (CONT'D) (OS)

So the famous Blackfish killed by foot soldiers, eh? Legendary...

WALDER (CONT'D)

...warrior, everyone said.

01:25:04

JAIME

Have you done much fighting yourself, Lord Frey?

01:25:06

WALDER (OS)

I'm a--

WALDER (CONT'D)

...a bit old for all that.

01:25:09

JAIME (OS)

No, but...

JAIME (CONT'D)

...back in your day.

01:25:12

WALDER

The purpose of fighting is defeating your enemies, isn't it? I've defeated mine.

WALDER (CONT'D) (OS)

Riverrun belonged to House Tully for a thousand years, now it's mine. What do you call that?

WALDER (CONT'D)

Victory.

01:25:29

JAIME (OS)

Yes...

JAIME (CONT'D)

...you're a great conqueror.

01:25:33

WALDER

Go on, mock me, boy. You think I mind? The Tullys mocked me for years. The Starks mocked me. Where are they now?

WALDER (CONT'D) (OS)

You talk about war as if you're an expert, but the one...

WALDER (CONT'D)

...battle I remember you fighting, you were captured by Robb Stark, the Young Wolf.

WALDER (CONT'D) (OS)

But it doesn't matter. Here we...

WALDER (CONT'D)

...are now, two kingslayers.

WALDER (CONT'D) (OS)

We know what it's like to have them grovel to our faces and snigger behind our backs.

WALDER (CONT'D)

We don't mind, do we?

WALDER (CONT'D) (OS)

Fear...

WALDER (CONT'D)

...is a marvelous thing.

01:26:11

JAIME

They don't fear the Freys, though. They fear the Lannisters.

JAIME (CONT'D) (OS)

We gave you the Riverlands to hold the Riverlands. If we have to ride north...

JAIME (CONT'D)

...and take them back for you every time you lose them, why do we need you?

01:26:28

(murmuring)

01:26:47

CERSEI

Show me.

INT. KING'S LANDING - DAY

CERSEI SPEAKS TO QYBURN ABOUT TOMMEN'S BODY

01:26:51

QYBURN

Your Grace, there's no need--

01:26:53

CERSEI

Show me.

01:27:08

QYBURN (OS)

What are your thoughts concerning the king's funeral? As the Sept of Baelor is no longer an option, perhaps a ceremony in the throne room.

01:27:19

CERSEI

He should be with his grandfather, his brother, his sister. Burn him and bury his ashes where the sept once stood.

01:27:37

(horse trots)

EXT. CITADEL - DAY

SAM AND GILLY ARRIVE AT THE CITADEL

01:28:01

01:28:31

INT. THE CITADEL - DAY

SAM SPEAKS TO THE FUNCTIONARY ABOUT BECOMING THE NEW
MAESTER

01:29:16

FUNCTIONARY

Oh. According to our records, Jeor Mormont is
Lord Commander.

01:29:23

SAM

He died.

01:29:25

FUNCTIONARY (OS)

We received...

FUNCTIONARY (CONT'D)

...no report from the maester at Castle Black.

01:29:28

SAM (OS)

Maester Aemon became quite ill...

SAM (CONT'D)

...shortly after the election. He's since passed
away. Which is why I'm here.

01:29:41

FUNCTIONARY

This is irregular.

01:29:43

SAM (OS)

Yes, well...

SAM (CONT'D_

...I suppose that life is irregular.

01:29:59

FUNCTIONARY (OS)

The archmaester will discuss these irregularities with you.

FUNCTIONARY (CONT'D)

In the meantime, you are permitted to use the library.

FUNCTIONARY (CONT'D) (OS)

Follow me.

FUNCTIONARY (CONT'D)

No women or children.

INT. WINTERFELL - DAY

JON SNOW, MELISANDRE, AND DAVOS SPEAK

01:32:10

JON SNOW

When we had feasts, our family would sit up here... and I'd sit down there.

01:32:20

MELISANDRE

Could have been worse, Jon Snow. You had a family. You had feasts.

01:32:26

(chuckles)

01:32:28

JON SNOW

Aye, you're right. I was luckier than most.

JON SNOW (CONT'D)

What is that?

01:32:50

DAVOS

Tell him.

DAVOS (CONT'D) (OS)

Tell him who it belonged to.

01:33:03

MELISANDRE

The Princess Shireen.

01:33:04

DAVOS (OS)

Tell him what you did to her.

DAVOS (CONT'D)

Tell him!

01:33:16

MELISANDRE

We burned her at the stake.

01:33:31

DAVOS

Why?

01:33:33

MELISANDRE

The army was trapped. The horses were dying. It was the only way.

01:33:38

DAVOS

You burned a little girl alive!

01:33:40

MELISANDRE (OS)

I only do...

MELISANDRE (CONT'D)

...what my Lord commands.

01:33:41

DAVOS (OS)

If he commands you to...

DAVOS (CONT'D)

...burn children, your Lord is evil.

01:33:48

MELISANDRE

We are standing here because of him.

MELISANDRE (CONT'D) (OS)

Jon Snow is alive because the Lord willed it.

01:33:54

DAVOS (OS)

I loved that girl...

DAVOS (CONT'D)

...like she was my own. She was good. She was kind. And you killed her!

01:34:03

MELISANDRE

So did her father. So did her mother.

MELISANDRE (CONT'D) (OS)

Her own blood knew it was the only way.

01:34:13

DAVOS

The only way for what? They all died anyway. You told everyone Stannis was the one. You had him believing it. All of them fooled. And you lied.

01:34:25

MELISANDRE

I didn't lie. I was wrong.

01:34:29

DAVOS (OS)

Aye, you were wrong.

DAVOS (CONT'D)

How many died because you were wrong? I ask your leave to execute this woman for murder.

DAVOS (CONT'D) (OS)

She admits to the crime.

01:34:49

JON SNOW

Do you have anything to say for yourself?

01:34:54

MELISANDRE

I have been ready to die for many years. If the Lord was done with me, so be it, but he's not.

MELISANDRE (CONT'D) (OS)

You've seen the Night King, Jon Snow. You know the great war is still to come.

MELISANDRE (CONT'D)

You know the army of the dead will be upon us soon. And you know I can help you win that war.

01:35:29

JON SNOW

Ride south today.

JON SNOW (CONT'D) (OS)

If you return to the North,

JON SNOW (CONT'D)

I'll have you hanged as a murderer.

01:35:55

DAVOS (OS)

If you ever come back this way,

DAVOS (CONT'D)

I will execute you myself.

01:36:11

(horse trotting)

EXT. WINTERFELL - DAY

SANSA STARK AND JON SNOW SPEAK

01:36:32

JON SNOW

I'm having the lord's chamber prepared for you.

01:36:37

SANSA

Mother and Father's room? You should take it.

01:36:43

JON SNOW

I'm not a Stark.

01:36:45

SANSA

You are to me.

01:36:51

JON SNOW

You're the Lady of Winterfell. You deserve it. We're standing here because of you.

JON SNOW (CONT'D) (OS)

The battle was lost until the Knights of the Vale rode in.

JON SNOW (CONT'D)

They came because of you. You told me Lord Baelish sold you to the Boltons.

01:37:09

SANSA

He did.

01:37:11

JON SNOW

Can you trust him?

01:37:12

(chuckles)

SANSA

Only a fool would trust Littlefinger. I should have told you about him. About the Knights of the Vale. I'm sorry.

01:37:38

JON SNOW

We need to trust each other.

JON SNOW (CONT'D) (OS)

We can't fight a war amongst ourselves. We have...

JON SNOW (CONT'D)

...so many enemies now.

01:38:02

SANSA

Jon.

SANSA (CONT'D) (OS)

A raven came...

SANSA (CONT'D)

...from the Citadel. A white raven. Winter is here.

01:38:26

JON SNOW

Well, Father always promised, didn't he?

01:38:34

(music in)

01:38:43

OLENNA

The last time a Tyrell came to Dorne, he was assassinated. 100 red scorpions, was it?

EXT. DORNE - DAY

ELLARIA SPEAKS WITH OLENNA ABOUT AN ALLIANCE

01:38:51

ELLARIA

You have nothing to fear from us, Lady Olenna.

01:38:54

OLENNA

You murder your own prince, but you expect me to trust you?

01:38:58

OBARA SAND

We invited you to Dorne because we needed your help. You came to Dorne because you needed our help.

01:39:03

OLENNA

What is your name again? Barbaro?

01:39:07

(chuckles)

01:39:09

OBARA SAND

Obara.

01:39:09

OLENNA (OS)

Obara.

OLENNA (CONT'D)

You look like an angry little boy.

OLENNA (CONT'D) (OS)

Don't presume to tell me what I need.

01:39:15

NYMERIA SAND

Forgive my sister. What she lacks in
diplomacy, she makes--

01:39:18

OLENNA (OS)

Do shut up...

OLENNA (CONT'D)

...dear. Anything from you? No? Good. Let the grown
women speak.

01:39:27

ELLARIA

The Lannisters have declared war on House Tyrell.

ELLARIA (CONT'D) (OS)

They have declared war on Dorne.

ELLARIA (CONT'D)

We must be allies now if we wish to survive.

01:39:38

OLENNA

Cersei stole the future from me. She killed my
son.

OLENNA (CONT'D) (OS)

She killed my grandson.

OLENNA (CONT'D)

She killed my granddaughter. Survival is not what
I'm after now.

01:39:51

ELLARIA (OS)

You're absolutely right.

ELLARIA (CONT'D)

I chose the wrong words. It is not survival I
offer. It is your heart's desire.

01:40:01

(rings)

01:40:03

OLENNA

And what is my heart's...

OLENNA (CONT'D) (OS)

...desire?

01:40:08

ELLARIA

Vengeance. Justice.

01:40:11

(footsteps)

01:40:15

VARYS

Fire and blood.

01:40:24

DAARIO

Your ships are nearly ready. I saw them
painting the sails. I'm curious to see how the
Dothraki do on the poison water.

INT. MEREEN - DAY

DAENERYS SPEAKS WITH DAARIO ABOUT WESTEROS

01:40:36

DAENERYS

You're not coming with us.

01:40:40

DAARIO

New strategy? You want the Second Sons to attack from the west coast? If we take Casterly Rock,

DAARIO (CONT'D)

...the Lannisters will have nowhere to run when you hit King's Landing.

01:40:53

DAENERYS

You're not going to Westeros.

DAENERYS (CONT'D) (OS)

You're staying here with the Second Sons.

DAENERYS (CONT'D)

There's finally peace in Meereen. You will keep the peace while the people choose their own leaders.

01:41:06

DAARIO

Fuck Meereen. Fuck the people. I'm here for you, not them.

01:41:12

DAENERYS

You promised me. "My sword is yours. My life is yours."

DAENERYS (CONT'D) (OS)

This is what I command.

DAENERYS (CONT'D)

If I'm going to rule in Westeros, I'll need to make alliances. The best way to make alliances is with marriage.

01:41:32

DAARIO

Who are you marrying this time?

01:41:34

DAENERYS'

I don't know. Maybe no one.

01:41:38

DAARIO (OS)

But you need to lure all...

DAARIO (CONT'D)

...the noble houses to the table? Are you a queen or fish bait?

01:41:45

DAENERYS

I can't bring a lover...

DAENERYS (CONT'D) (OS)

...to Westeros.

01:41:48

DAARIO

A king wouldn't think twice about it.

01:41:51

DAENERYS

So that's what you want? To be my mistress?

01:41:54

DAARIO (OS)

I'm not proud.

DARRIO (CONT'D)

I don't care what perfumed aristocrat sits beside you in the throne room. I don't want a crown. I want you. I love you. And I make you happy. You know I do. Bring me with you. Let me fight for you.

01:42:30

DAENERYS

I can't.

01:42:41

DARRIO

The dwarf told you to do this?

01:42:43

DAENERYS (OS)

No one tells me to do anything.

01:42:44

DAARIO

He's a clever fellow. Can't argue with his logic. I'm no use to you over there.

01:42:49

DAENERYS

Don't get angry.

01:42:51

DAARIO

I'm not angry. I'm full of self-pity. Who comes after you? Who can ever follow Daenerys...

DAARIO (CONT'D) (OS)

...Stormborn, the Mother of Dragons?

01:42:59

DAENERYS

A great number of women, I imagine. Specific orders will be left for you regarding the welfare of Meereen and the Bay of Dragons.

01:43:12

DAARIO

The Bay of Dragons?

01:43:14

DAENERYS

We can't call it Slaver's Bay anymore, can we?

01:43:20

DAARIO

You'll get that throne...

DARRIO (CONT'D) (OS)

...you want so badly, I'm sure of it. I hope it brings you happiness.

DAARIO (CONT'D)

I pity the lords of Westeros. They have no idea what's coming for them.

01:43:37

DAENERYS

Farewell, Daario Naharis.

01:43:55

(footsteps)

01:44:00

TYRION

How did he take it?

INT. MEREEN - DAY

DAENERYS SPEAKS TO TYRION ABOUT DAARIO AND WESTEROS

01:44:02

DAENERYS

No tears.

01:44:06

TYRION

I know it was hard for you. You turned away a man who truly loves you because he would have been a liability in the Seven Kingdoms. That's the kind of self-sacrifice that makes for a good ruler, if it's any consolation.

01:44:25

DAENERYS

It's not.

01:44:27

TYRION

No, I suppose not. I'm terrible at consoling.

01:44:31

DAENERYS

Yes, you really are.

01:44:37

TYRION

All right, how about the fact that this is actually happening? You have your armies, you have your ships, you have your dragons. Everything you've ever wanted since you were old enough to want anything, it's all yours for the taking. Are you afraid?

TYRION (CONT'D)

Good. You're in the great game now. And the great game's terrifying. The only people who aren't afraid of failure are madmen like your father.

01:45:15

DAENERYS

Do you know what frightens me? I said farewell to a man who loves me.

DAENERYS (CONT'D) (OS)

A man I thought I cared for.

DAENERYS (CONT'D)

And I felt nothing. Just impatient to get on with it.

01:45:36

TYRION

He wasn't the first to love you and he won't be the last.

01:45:45

DAENERYS

Well...

DAENERYS (CONT'D) (OS)

...you have completely failed to console me.

01:45:53

TYRION (OS)

For what it's worth,

TYRION (CONT'D)

...I've been a cynic for as long as I can remember. Everyone's always asking me to believe in things - family, gods, kings, myself. It was often tempting until I saw where belief got people.

TYRION (CONT'D) (OS)

So I said no, thank you to belief.

TYRION (CONT'D)

And yet here I am. I believe in you. It's embarrassing, really. I'd swear you my sword, but I don't actually own a sword.

01:46:32

DAENERYS

It's your counsel I need.

01:46:34

TYRION

It's yours. Now and always.

01:46:40

DAENERYS

Good.

DAENERYS (CONT'D) (OS)

I, um...

DAENERYS (CONT'D)

I had something made for you. I'm not sure if it's right.

DAENERYS (CONT'D) (OS)

Tyrion Lannister,

DAENERYS (CONT'D)

...I name you Hand of the Queen.

01:47:10

(music in)

01:47:39

WALDER

You're not one of mine, are you?

INT. RIVERUN - DAY

WALDER MEETS A GIRL

01:47:42

GIRL

No, my lord.

01:47:43

WALDER

Didn't think so. Too pretty. Where are my damn...

WALDER (CONT'D)

...moron sons? Black Walder and Lothar promised to be here by midday.

01:47:58

GIRL

They're here, my lord.

01:48:00

WALDER

Well, what are they doing, trimming their cunt hairs? Tell them to come here now.

01:48:06

GIRL

But they're already here, my lord. Here, my lord.

GIRL (CONT'D)

They weren't easy to carve. Especially Black Walder.

01:48:39

WALDER

(breathing heavily)

What--

01:48:49

ARYA

My name is Arya Stark. I want you...

ARYA (CONT'D) (OS)

...to know that.

ARYA (CONT'D)

The last thing you're ever going to see is a
Stark smiling down at you as you die.

01:48:58

(knife blade rings)

01:49:02

(gurgling)

01:49:28

(music in)

01:59:41

EXT. WINTERFELL - DAY

LORD BAELISH TALKS TO SANSA STARK

01:49:53

BAELISH

Forgive me, my lady...if you're at prayer.

01:49:59

SANSA

I'm done with all that. I came here every
day when I was a girl. I prayed to be somewhere
else. Back then I only thought about what I
wanted, never about what I had.

SANSA (CONT'D) (OS)

I was...

SANSA (CONT'D)

...a stupid girl.

01:50:20

BAELISH (OS)

You were a child.

01:50:25

SANSA

What do you want?

01:50:27

BAELISH (OS)

I thought you knew what I wanted.

01:50:30

SANSA

I was wrong.

01:50:32

BAELISH (OS)

No, you weren't.

BAELISH (CONT'D)

Every time I'm faced with a decision, I close my eyes and see the same picture.

BAELISH (CONT'D) (OS)

Whenever I consider an action, I ask myself will this help...

BAELISH (CONT'D)

...to make this picture a reality? Pull it out of my mind and into the world? And I only act if the answer is yes.

BAELISH (CONT'D) (OS)

The picture of...

BAELISH (CONT'D)

...me on the Iron Throne...and you by my side.

01:51:24

SANSA

It's a pretty picture.

01:51:32

BAELISH

News of this battle will spread quickly through
the Seven Kingdoms.

BAELISH (CONT'D) (OS)

I've declared for House Stark for all to hear.

01:51:39

SANSA

You've declared for other houses before, Lord
Baelish. It's never stopped you from serving
yourself.

01:51:44

BAELISH (OS)

The past is gone for good. You can sit
here mourning its departure or you can
prepare for the future. You, my love, are the
future of House Stark.

BAELISH (CONT'D)

Who should the North rally behind? A trueborn
daughter of Ned and Catelyn Stark born here at
Winterfell or a motherless bastard born in the
south.

01:52:16

(music in)

01:52:36

COLDHANDS (OS)

This is where I leave you.

EXT. OUTSIDE CASTLE BLACK - DAY

BRAN, COLDHANDS, AND MEERA MAKE IT TO CASTLE BLACK

01:52:38

MEERA

You're not coming with us?

01:52:41

COLDHANDS

The Wall is not just ice and stone. Ancient spells were carved into its foundation. Strong magic. To protect men from what lies...

COLDHANDS (CONT'D) (OS)

...beyond. The dead cannot pass.

COLDHANDS (CONT'D)

And I cannot pass.

01:53:17

MEERA

Where will you go?

01:53:19

COLDHANDS

The great war is coming...

COLDHANDS (CONT'D) (OS)

...and I still fight for the living.

COLDHANDS (CONT'D)

I'll do what I can. As long as I can.

01:53:34

BRAN

Thank you, Uncle Benjen.

01:53:37

COLDHANDS (OS)

I wish you...

COLDHANDS (CONT'D)

...both good fortune.

01:54:05

(music in)

01:54:19

MEERA

Are you sure you're ready for this?

01:54:21

BRAN

I'm the Three-Eyed Raven now. I have to be
ready for this.

01:54:36

(woman screaming)

EXT. TOWER OF JOY - DAY

NED STARK AND LYANNA STARK TALK ABOUT HER CHILD

01:54:56

(screaming continues)

01:54:57

(baby crying)

01:55:02

LYANNA STARK (OS)

Ned.

01:55:03

NED STARK (OS)

Lyanna.

01:55:05

LYANNA STARK

Is that you?

LYANNA STARK (CONT'D) (OS)

Is that really you?

LYANNA STARK (CONT'D)

You're not a dream?

01:55:21

NED STARK

No, I'm not a dream. I'm here.

NED STARK (CONT'D) (OS)

I'm right here.

01:55:30

LYANNA STARK

I've missed you, big brother.

01:55:36

NED STARK

I've missed you, too.

01:55:42

LYANNA STARK

I want to be brave.

01:55:44

NED STARK

Shh.

NED STARK (CONT'D) (OS)

You are.

01:55:49

LYANNA STARK

I'm not.

01:55:52

(baby crying)

01:55:54

LYANNA STARK

I don't want to die.

01:55:57

NED STARK

You're not going to die. Get her some water.

01:56:05

LYANNA STARK

No, no water.

01:56:07

NED STARK

Is there a maester?

01:56:08

LYANNA STARK

Listen to me, Ned.

01:56:10

(whispering)

01:56:19

LYANNA STARK

You know it. You have to protect him. Promise me,
Ned. Promise me.

01:56:34

(baby crying)

01:56:44

LYANNA STARK

Promise me, Ned. Promise me.

INT. WINTERFELL - DAY

THE MEN DISCUSS WHO SHOULD BE KING OF THE NORTH

01:57:23

YOHAN ROYCE (OS)

You can't expect Knights...

YOHAN ROYCE (CONT'D)

...of the Vale to side with wildling invaders.

01:57:29

TORMUND (OS)

We didn't invade.

TORMUND (CONT'D)

We were invited.

01:57:33

YOHAN ROYCE

Not by me.

01:57:35

JON SNOW

The free folk, the northerners,

JON SNOW (CONT'D) (OS)

...and the Knights of the Vale fought bravely,
fought together,

JON SNOW (CONT'D)

...and we won.

JON SNOW (CONT'D) (OS)

My father used...

JON SNOW (CONT'D)

...to say we find our true friends on the
battlefield.

01:57:46

LORD CERWYN (OS)

The Boltons are defeated. The war is...

LORD CERWYN (CONT'D)

...over. Winter has come.

LORD CERWYN (CONT'D) (OS)

If the masters...

LORD CERWYN (CONT'D)

...are right, it'll be the coldest...

LORD CERWYN (CONT'D) (OS)

...one in 1,000 years. We should ride home and
wait out the coming storms.

01:58:00

JON SNOW

The war is not over.

JON SNOW (CONT'D) (OS)

And I promise you, friend,

JON SNOW (CONT'D) (OS)

...the true enemy won't wait out the storm. He
brings the storm.

01:58:09

(men murmuring)

01:58:29

LADY MORMONT

Your son was butchered at the Red Wedding, Lord...

LADY MORMONT (CONT'D) (OS)

...Manderly,

LADY MORMONT (CONT'D)

...but you refused the call. You swore allegiance
to House Stark, Lord Glover, but in...

LADY MORMONT (CONT'D) (OS)

...their hour of greatest need,

LADY MORMONT (CONT'D)

...you refused the call.

LADY MORMONT (CONT'D) (OS)

And you, Lord Cerwyn, your father was
skinned alive by...

LADY MORMONT (CONT'D)

...Ramsay Bolton. Still you refused the call.

LADY MORMONT (CONT'D) (OS)

But House Mormont remembers. The North remembers.

LADY MORMONT (CONT'D)

We know no king but the King in the North whose name is Stark.

01:59:11

(men agreeing)

01:59:13

LADY MORMONT (OS)

I don't care if he's a bastard. Ned Stark's blood runs through his veins. He's my...

LADY MORMONT (CONT'D)

...king from this day until his last day.

01:59:22

(murmuring)

01:59:38

MANDERLY

Lady Mormont speaks harshly and truly.

01:59:43

(men murmuring)

01:59:46

MANDERLY

My son died for Robb Stark, the Young Wolf. I didn't think we'd find another king in my lifetime. I didn't commit my men to your cause 'cause I didn't want more Manderlys dying for nothing.

MANDERLY (CONT'D)

But I was wrong. Jon Snow avenged the Red Wedding.

MANDERLY (CONT'D) (OS)

He's the White Wolf.

02:00:13

(sword is unsheathed)

02:00:16

MANDERLY

The King in the North.

02:00:17

(cheering)

02:00:24

ROBETT GLVOER

I did not fight beside you on the field

ROBETT GLOVER (CONT'D) (OS)

...and I will regret that until my dying day. A man
can only admit when he was wrong...

ROBETT GLVOER (CONT'D)

...and ask forgiveness.

02:00:40

JON SNOW

There's nothing to forgive, my lord.

02:00:45

ROBETT GLOVER

There will be more fights to come.

ROBETT GLOVER (CONT'D)

House Glover will stand behind House Stark as we
have for 1,000 years.

02:00:53

(cheering)

02:00:55

ROBETT GLOVER

And I will stand behind Jon Snow...

(sword is unsheathed)

ROBETT GLOVER (CONT'D)

...the King in the North!

02:01:04

MAN (OS)

The King in the North!

02:01:06

(cheering)

02:01:07

ALL

The King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
King in the North! The King in the North! The
