EXT. THE WALL - DAY

Jon Snow walks through the rubble of the Battle of Castle Black.

(cawing)

Crows are eating the dead bodies left from the battle.

Dolorous Edd looks over the wall.

Jon Snow walks into the woods.

**01:02:56:03**

(dog barking)

Jon Snow approaches the enemy camp outside of the Wall. The wildlings draw blades and surround him. Jon puts up his hands and continues walking, stopping at the tent of Mance Rayder.

**01:03:17:22**

Mance comes out of his tent to face Jon.

MANCE

You're wearing  
a black cloak again.

**01:03:20:15**

JON

I've been sent  
to negotiate with you.

Mance nods for Jon to enter a tent to make negotiations. Jon follows Mance's men into the tent. Mance extends his hand signaling Jon to sit down.

**01:03:52:01**

INT. MANCE RAYDER'S TENT - DAY

Jon sits down.

MANCE

It appears my trusting  
nature got the better of me.

**01:03:54:24**

MANCE (CONT'D)

It's happened before.

**01:03:57:06**

MANCE (CONT'D)

I was hoping your loyalty  
was real when you pledged  
yourself to us, Jon Snow.

**01:04:00:28**

MANCE (CONT'D)

Truly I was.

**01:04:02:23**

JON

The Halfhand ordered me  
to join your army

**01:04:04:20**

JON (CONT'D)

and bring back whatever  
information I could  
to Castle Black.

**01:04:07:10**

JON (CONT'D)

He made me kill him  
so you'd trust me.

**01:04:09:28**

JON (CONT'D)

I was loyal...

**01:04:11:15**

JON (CONT'D)

to him and to my  
Night's Watch vows.

**01:04:14:06**

MANCE

All your vows?  
Jon lowers his head and looks away.

**01:04:18:14**

MANCE (CONT'D)  
She wasn't enough to turn you, eh?

**01:04:21:28**

MANCE (CONT'D)  
Were you enough  
to turn her?

**01:04:24:04**

Jon looks up at Mance.

JON  
She put three  
arrows in me

**01:04:26:27**

JON (CONT'D)  
when I escaped.

**01:04:30:25**

MANCE  
Did you see her  
again at Castle Black?

**01:04:32:18**

JON  
Yes.

MANCE  
And?

**01:04:35:23**

JON  
She's dead.

**01:04:39:06**

MANCE  
Your doing?

JON  
No.

**01:04:44:10**

MANCE  
We'll drink to her.

Mance nods at one of his men to bring drink. Jon watches closely as drinks are poured before he and Mance.

**01:05:09:08**

Jon looks at his cup, and then directly at Mance.

MANCE (CONT'D)  
Of all the ways  
I'd kill you,

**01:05:11:15**

MANCE (CONT'D)  
poison would be  
the last.

**01:05:17:02**

Jon and Mance raise their glasses.

MANCE  
Ygritte.

JON  
Ygritte.

**01:05:23:19**

Jon reacts as if choking after taking a drink.

(coughs)

**01:05:28:23**

JON  
That's not wine.

**01:05:30:04**

MANCE  
No, it's a proper  
northern drink, Jon Snow.

**01:05:33:03**

MANCE (CONT'D)  
You did well.  
Fought hard.

**01:05:36:11**

MANCE (CONT'D)  
Killed some of  
our strongest men.

**01:05:38:16**

MANCE (CONT'D)  
One of our giants  
went into your tunnel

**01:05:41:09**

MANCE (CONT'D)  
and never  
came out again.

**01:05:43:15**

MANCE (CONT'D)  
Mag the Mighty.

**01:05:45:14**

JON  
He's dead.

**01:05:47:08**

JON (CONT'D)  
He killed  
my friend Grenn.

**01:05:49:14**

MANCE  
He was their king.

**01:05:51:00**

MANCE (CONT'D)  
The last of a bloodline  
that stretches back

**01:05:53:17**

MANCE (CONT'D)  
before the First Men.

**01:05:55:20**

JON  
Grenn came from a farm.

**01:06:01:28**

Mance raises his glass. Jon follows in raising his glass.  
Mance and Jon drink.

MANCE  
Mag and Grenn.

JON  
Grenn and Mag.

**01:06:07:19**

MANCE  
Kullback, could I trouble  
you for something to eat?

**01:06:10:05**

MANCE (CONT'D)  
I don't imagine our guest  
has eaten anything

A man picks up a knife from a table.

**01:06:13:05**

MANCE (CONT'D)  
for quite some time.

Man walks away with the knife.

**01:06:16:05**

MANCE (CONT'D)  
So, you're here  
to strike a bargain?

**01:06:21:19**

JON  
Turn your army around  
and go home.

The man is cutting meat with the knife at the edge of the  
tent.

**01:06:24:01**

MANCE  
You know I know  
you're low on arrows,

**01:06:26:11**

MANCE (CONT'D)  
you're low on oil,  
you're low on men.

**01:06:28:12**

MANCE (CONT'D)  
How many are left, 50?

**01:06:30:08**

JON  
I told Tormund and Orell.

**01:06:32:13**

JON (CONT'D)  
We have more  
than 1,000 men.

**01:06:34:06**

MANCE  
I showed you  
everything I had.

**01:06:35:27**

MANCE (CONT'D)  
The whole army,  
100,000 strong.

**01:06:37:25**

MANCE (CONT'D - OS)  
And what did you do?  
You fired on us with  
everything you had.

The man sticks the blade of the knife into a table. Jon  
looks to the blade.

**01:06:41:03**

MANCE (CONT'D)  
It wasn't much.  
As soon as I saw that,

**01:06:43:22**

MANCE (CONT'D)  
I sent 400 men  
to climb the Wall,

**01:06:47:00**

MANCE (CONT'D)  
an unmanned stretch  
five miles west of here.

**01:06:49:13**

MANCE (CONT'D)  
A lot of them  
will die climbing,

**01:06:51:11**

MANCE (CONT'D)  
but most of them will be  
over by the end of the day.

**01:06:53:16**

MANCE (CONT'D - OS)  
It's me being honest  
with you, Jon Snow,

**01:06:56:25**

MANCE (CONT'D - OS)  
which is more than  
you've ever done for me.

**01:06:59:07**

MANCE (CONT'D)  
My people  
have bled enough.

**01:07:01:06**

MANCE (CONT'D)  
We're not here  
to conquer.

**01:07:02:29**

MANCE (CONT'D - OS)  
We're here to hide  
behind your Wall.

**01:07:06:00**

MANCE (CONT'D)  
Just like you.  
We need your tunnel.

**01:07:10:07**

MANCE (CONT'D)  
Now we both know  
that winter is coming.

**01:07:13:19**

MANCE (CONT'D)  
And if my people aren't south of the Wall  
when it comes in earnest,

**01:07:17:03**

MANCE (CONT'D - OS)  
we'll all end up  
worse than dead.

**01:07:19:03**

MANCE (CONT'D)  
You want to strike  
a bargain with me?

**01:07:21:29**

MANCE (CONT'D)  
Here's the bargain.

**01:07:23:14**

MANCE (CONT'D)  
You go back,  
you open the gates to us,

**01:07:26:01**

MANCE (CONT'D)  
and I swear to you  
that no one else will die.

**01:07:29:09**

MANCE (CONT'D)  
Refuse,

**01:07:31:18**

MANCE (CONT'D)  
and we'll kill every

last man at Castle Black.

Jon looks to the knife in the table. Mance's men draw their blades.

**01:07:36:19**

Mance signals his men to stand down.

MANCE (CONT'D)  
Ah!

**01:07:40:21**

MANCE (CONT'D)  
Oh, that's why  
you're here.

**01:07:44:29**

MANCE (CONT'D)  
I reckon you could  
do it before any of  
them could stop you.

**01:07:48:19**

MANCE (CONT'D)  
They'd kill you, of course.

**01:07:50:17**

MANCE (CONT'D)  
They'd kill you slow.

**01:07:51:27**

MANCE (CONT'D)  
But you knew that  
when you came in here.

**01:07:56:05**

MANCE (CONT'D)  
Are you capable  
of that, Jon Snow?

**01:07:59:10**

MANCE (CONT'D - OS)  
Killing a man in his  
own tent when he's just  
offered you peace?

**01:08:03:11**

MANCE (CONT'D)  
Is that what  
the Night's Watch is?

**01:08:05:10**

MANCE (CONT'D - OS)  
Is that what you are?

**01:08:10:25**

(horn blows)

MAN  
Riders coming!

Mance jumps up from this seat. Mance's men clamor.

**01:08:13:28**

Mance takes the knife out of the table and holds it to Jon  
Snow's throat.

MANCE  
Are you attacking us?

JON  
No.

**01:08:15:21**

JON (CONT'D)  
It's like you said,  
we don't have the men.

Mance lets go of Jon and leaves the tent to see who is  
approaching. Mance's men follow.

**01:08:17:24**

EXT. WILDING CAMP - DAY

(horn blowing)

(dogs barking)

**01:08:24:03**

Mance's men rush to the edge of their encampment to see an army coming at them.

(men shouting)

**01:08:31:01**

(horse whinnies)

A massive army on horseback rides in attack on the wildling camp.

**01:08:45:04**

Mance looks to his men who are surrounding him and commands them as Jon looks on.

MANCE  
Hold! To me!  
To me!

**01:09:00:09**

Aerial shot of the wildling camp being attacked from all sides.

(men shouting)

The men upon horseback ride through the woods and begin killing wildlings.  
Jon Snow and Mance look on helplessly. Slaughter continues. The army on horseback closes in from all sides.

**01:09:59:25**

Mance watches as many of his men are wiped out. Mance throws his blade into the ground.

MANCE (CONT'D)  
Stand down!

**01:10:03:14**

MANCE (CONT'D)  
I said my people  
have bled enough

**01:10:05:22**

MANCE (CONT'D)  
and I meant it.

Two men ride through the mist at Mance. The men emerge from the mist. They are Davos and Stannis atop horseback. Stannis and Davos dismount as Mance, Jon, and Mance's men look on.

**01:10:36:12**

One of Mance's men runs on Stannis and Davos as they approach Mance.

(shouting)

A rider swiftly kills Mance's man, riding by and slitting his throat; Mance's man falls.

**01:10:42:03**

MAN  
Round them up.

Mance draws his blades and throws them on the ground.

**01:10:44:02**

MAN (CONT'D)  
Stay with the horses.

**01:10:55:07**

Stannis and his men stand facing Mance, Jon, and Mance's men.

STANNIS  
You're the  
King-beyond-the-Wall?

**01:11:00:07**

STANNIS  
Do you know who I am?

MANCE  
Never had the pleasure.

**01:11:02:28**

DAVOS  
This is Stannis Baratheon,

**01:11:04:11**

DAVOS (CONT'D)  
the one true king  
of the Seven Kingdoms.

**01:11:06:10**

MANCE (CONT'D)  
We're not in the Seven  
Kingdoms and you're not  
dressed for this weather.

**01:11:10:09**

STANNIS  
It is customary to kneel  
when surrendering to a king.

**01:11:19:29**

MANCE  
We do not kneel.

**01:11:21:27**

STANNIS  
I'll have thousands  
of your men in chains  
by nightfall,

**01:11:24:15**

STANNIS (CONT'D)  
have nowhere to put them,  
have nothing to feed them.

**01:11:26:20**

STANNIS (CONT'D - OS)  
I'm not here  
to slaughter beat dogs.

**01:11:29:23**

STANNIS (CONT'D)  
Their fate  
depends on their king.

**01:11:33:01**

MANCE  
All the same,  
we do not kneel.

**01:11:39:18**

STANNIS  
Take these men away.

**01:11:42:09**

Soldiers move to Mance's men to take them under their control.

DAVOS  
What's a man  
of the Night's Watch  
doing in a wildling camp?

**01:11:47:02**

JON  
I was sent to  
discuss terms with the  
King-beyond-the-Wall.

**01:11:49:25**

DAVOS  
You're speaking  
to the one true king, boy.

**01:11:51:13**

DAVOS (CONT'D)  
You will address him  
as Your Grace.

**01:11:54:01**

JON  
I know he's the king.  
My father died for him.

**01:11:59:13**

JON (CONT'D)  
My name is Jon Snow,  
Your Grace.

**01:12:02:02**

JON (CONT'D)

I'm Ned Stark's son.

**01:12:06:28**

STANNIS  
Your father  
was an honorable man.

**01:12:09:15**

JON  
He was, Your Grace.

**01:12:11:15**

STANNIS  
What do you think  
he'd have done with him?

Stannis nods at Mance.

**01:12:19:09**

Jon steps in front of Mance.

JON  
I was this man's  
prisoner once.

**01:12:21:22**

JON (CONT'D)  
He could have tortured me.  
He could have killed me.

**01:12:26:05**

JON (CONT'D - OS)  
But he spared my life.

**01:12:28:16**

JON (CONT'D)  
I think my father would  
have taken him prisoner,

**01:12:30:26**

JON (CONT'D)  
listened to what  
he had to say.

**01:12:36:16**

STANNIS  
Very well, then.  
Take him.

Davos moves to Mance to take him prisoner. The exit.

**01:12:44:21**

JON  
Your Grace.

Stannis turns back to look at Jon.

**01:12:46:27**

JON (CONT'D - OS)  
If my father had seen  
the things that I've seen,

**01:12:49:27**

JON (CONT'D)  
he'd also tell you  
to burn the dead  
before nightfall.

**01:12:54:12**

JON (CONT'D)  
All of them.

**01:13:01:26**

INT. CASTERLY ROCK BED CHAMBER – DAY

(flies buzzing)

Qyburn looks upon a wound. Pycelle, Cersei, and Qyburn  
stand at the Mountain's bedside.

**01:13:04:29**

PYCELLE  
I would suggest  
milk of the poppy

**01:13:07:16**

PYCELLE (CONT'D)  
to ease his pain,  
but he is completely  
insensate.

**01:13:10:08**

CERSEI  
Bloody Martells.

**01:13:11:20**

PYCELLE  
The cause appears  
to be manticore venom.

**01:13:13:23**

QYBURN  
It is.  
The Death's Head  
manticore.

**01:13:16:06**

PYCELLE  
Yes, I've read  
a great deal about it.

**01:13:19:24**

PYCELLE (CONT'D)  
It's a horrible poison.

**01:13:21:23**

PYCELLE (CONT'D)  
Usually Mantari  
in origin.

Pycelle pierces the Mountain's leg with a blade. He backs  
away at the smell.

**01:13:24:15**

PYCELLE (CONT'D)  
Oh! Yes, yes.

**01:13:26:14**

PYCELLE (CONT'D)  
There's nothing  
to be done.

**01:13:27:28**

QYBURN  
Yes, there is.

Qyburn goes to a table and grabs up various medical supplies and tools.

**01:13:30:20**

PYCELLE  
May I ask what you  
think you're doing?

**01:13:33:23**

QYBURN  
Saving him.

**01:13:35:08**

PYCELLE (OS)  
Your Grace, I wish  
it were otherwise,

**01:13:37:04**

PYCELLE (CONT'D - OS)  
but Ser Gregor  
is beyond saving.

**01:13:39:17**

PYCELLE (CONT'D)  
Well, well beyond.

**01:13:42:04**

PYCELLE (CONT'D)  
This man is not  
even a maester,

**01:13:44:22**

PYCELLE (CONT'D)  
let alone Grand Maester.

**01:13:46:19**

Qyburn continues to prepare treatments.

QYBURN  
That's for the best.

**01:13:48:10**

QYBURN (CONT'D)  
No maester knows  
how to save him.

**01:13:49:25**

PYCELLE  
That is exactly  
the sort of arrogance

**01:13:51:28**

PYCELLE (CONT'D)  
that had him expelled from  
the Citadel, Your Grace.

**01:13:54:24**

Cersei and Pycelle look on at Qyburn working.

PYCELLE (CONT'D)  
His curiosity was deemed  
dangerous and unnatural.

**01:13:58:26**

PYCELLE (CONT'D)  
Rightly so,  
in my opinion.

**01:14:01:05**

CERSEI  
You're dismissed,  
Grand Maester.

**01:14:05:08**

PYCELLE  
But, Your Grace,  
this is my laboratory.

**01:14:09:08**

CERSEI  
Not anymore.

Qyburn punctures the Mountain with a medical device.

PYCELLE  
But I--

**01:14:14:03**

Pycelle throws down his things.

(scoffs)

Pycelle exits.

**01:14:17:00**

(door opens)

**01:14:18:28**

CERSEI  
You can save him?

QYBURN  
Difficult to say,  
Your Grace.

**01:14:22:04**

QYBURN (CONT'D)  
But if my past work  
is any guide...

**01:14:24:07**

(door slams)

**01:14:26:02**

QYBURN (CONT'D)  
...we stand a chance.

**01:14:27:26**

CERSEI  
Do everything you can.

**01:14:30:11**

CERSEI (CONT'D)  
Come to me  
for anything you need.

**01:14:32:07**

QYBURN  
Thank you,  
Your Grace.

**01:14:33:22**

Cersei goes to exit.

QYBURN (CONT'D)

You should know,  
Cersei turns back to face Qyburn.

**01:14:35:20**

QYBURN (CONT'D)  
the process  
may change him...

**01:14:39:19**

QYBURN (CONT'D)  
somewhat.

**01:14:43:28**

CERSEI  
Will it weaken him?

**01:14:47:01**

QYBURN  
Oh, no.

**01:14:48:19**

CERSEI  
Very well, then.

Cersei exits. Qyburn begins his treatment of the Mountain. The Mountain's bodily fluids are drained into a vase.

**01:15:09:07**

INT. CASTERLY ROCK STANNIS' OFFICE – DAY

TYWIN  
Not another word.

Tywin is moving about his office, sorting papers, as Cersei looks on.

**01:15:11:04**

TYWIN  
We've been over this.  
The matter's closed.

**01:15:13:21**

CERSEI  
I'm opening it again.

**01:15:16:23**

TYWIN  
You were betrothed  
to Loras Tyrell.

**01:15:19:29**

TYWIN (CONT'D)  
You're still betrothed  
to Loras Tyrell.

**01:15:22:16**

TYWIN (CONT'D)  
And you will marry  
Loras Tyrell

**01:15:24:17**

TYWIN (CONT'D)  
as soon as Tommen  
marries Margaery.

**01:15:26:27**

CERSEI  
I will not.

**01:15:28:09**

TYWIN  
Jaime cannot marry  
or inherit lands.

**01:15:31:11**

TYWIN (CONT'D - OS)  
Tyrion's sentence  
will be carried out  
tomorrow.

**01:15:36:11**

TYWIN (CONT'D)  
You have on  
several occasions  
made great claims

**01:15:39:22**

TYWIN (CONT'D)  
about your commitment  
to this family's future.

**01:15:42:13**

TYWIN (CONT'D)  
Your role in that future

**01:15:44:09**

TYWIN (CONT'D)  
is more vital now  
than it ever was.

**01:15:46:15**

CERSEI  
I don't care.

**01:15:48:14**

CERSEI  
I will stay in King's  
Landing where I belong  
with my son the king.

**01:15:51:27**

TYWIN  
When you were nine years old,  
I was called to the capital.

**01:15:55:08**

TYWIN (CONT'D)  
I decided to take  
your brother with me  
and not you.

**01:15:57:28**

TYWIN (CONT'D - OS)  
You insisted  
that you would not be  
left at Casterly Rock

**01:16:01:16**

TYWIN (CONT'D - OS)  
under any circumstances.  
And if you recall—

**01:16:04:07**

CERSEI  
I'm not interested  
in hearing another one

of your smug stories

**01:16:06:14**

CERSEI (CONT'D)  
about the time you won.

**01:16:08:21**

CERSEI (CONT'D)  
This isn't going to be  
one of those times.

**01:16:10:21**

TYWIN  
Do you think  
you'll be the first person

**01:16:12:25**

TYWIN (CONT'D)  
dragged into a sept to be  
married against her will?

**01:16:15:25**

Tywin walks away from Cersei into his outer office.

CERSEI  
When you marched into  
the throne room to tell me

**01:16:17:26**

CERSEI (CONT'D)  
we'd won the Battle  
of Blackwater--  
do you remember?

Tywin stops.

**01:16:22:12**

Tywin turns back to face Cersei.

CERSEI (CONT'D)  
I was sitting on the Iron  
Throne with Tommen.

**01:16:25:18**

CERSEI (CONT'D)  
I was about to give him  
essence of nightshade.

**01:16:27:11**

CERSEI (CONT'D)  
That's how far  
I was willing to go  
when I thought

**01:16:29:07**

CERSEI (CONT'D)  
someone awful had come  
to take my son away.

**01:16:34:00**

CERSEI (CONT'D)  
Someone awful is coming  
to take him away.

**01:16:36:11**

TYWIN  
No.

CERSEI  
Joffrey is dead.

**01:16:38:19**

CERSEI (CONT'D)  
Myrcella's been sold  
like livestock.

**01:16:41:04**

CERSEI (CONT'D - OS)  
And now you want to  
ship me off to Highgarden  
and steal my boy.

**01:16:44:00**

CERSEI (CONT'D - OS)  
My last boy.

**01:16:46:12**

CERSEI (CONT'D)  
Margaery will dig  
her claws in,

**01:16:48:17**

CERSEI (CONT'D)  
you will dig your claws in  
and you'll fight over him

**01:16:50:26**

CERSEI (CONT'D)  
like beasts  
until you rip him apart.

**01:16:53:05**

CERSEI (CONT'D)  
I will burn our house  
to the ground before  
I let that happen.

**01:16:56:26**

TYWIN  
And how will you do that?

**01:17:00:03**

CERSEI  
I'll tell  
everyone the truth.

**01:17:03:01**

TYWIN (OS)  
What truth  
would that be?

**01:17:09:26**

CERSEI  
You don't know, do you?

**01:17:13:13**

CERSEI (CONT'D)  
You never believed it.

**01:17:16:25**

CERSEI (CONT'D)  
How is that possible?

**01:17:20:16**

CERSEI (CONT'D)  
What am I saying?

Of course it's possible.

Cersei moves toward Tywin.

**01:17:23:02**

CERSEI (CONT'D)  
How can someone so consumed  
by the idea of his family

**01:17:26:28**

CERSEI (CONT'D)  
have any conception  
what his actual family  
was doing?

**01:17:31:10**

CERSEI (CONT'D)  
We were right there  
in front of you and you  
didn't see us.

**01:17:34:08**

CERSEI (CONT'D)  
One look  
in the past 20 years,

**01:17:36:17**

CERSEI (CONT'D)  
one real look at  
your own children  
and you would have known.

**01:17:39:12**

TYWIN  
Known what?

**01:17:42:00**

CERSEI  
Everything they say  
is true.

**01:17:44:14**

CERSEI (CONT'D)  
About Jaime and me.

TYWIN

No.

Tywin turns away from Cersei.

**01:17:46:01**

CERSEI  
Your legacy is a lie.

TYWIN  
No, no, no, no.

**01:17:48:25**

Tywin turns back to face Cersei.

TYWIN  
I don't believe you.

**01:17:54:23**

CERSEI  
Yes, you do.

Cersei exits.

**01:18:13:29**

INT. CASTERLY ROCK WAR ROOM – NIGHT

Jaime is flipping through the pages of a book. Cersei enters through an open door.

CERSEI  
Jaime.

**01:18:16:23**

JAIME  
You won.

**01:18:19:03**

Cersei closes the door.

JAIME (CONT'D)  
One fewer brother.  
Must be proud of yourself.

**01:18:21:27**

JAIME (CONT'D)  
There's really nothing  
you wouldn't do, is there?

**01:18:24:05**

CERSEI  
For my family,  
no, nothing.

**01:18:26:02**

CERSEI (CONT'D)

I would do things  
for my family you  
couldn't imagine.

**01:18:28:08**

JAIME  
Tyrion is your family.

CERSEI  
He's not.

**01:18:30:28**

JAIME  
You don't get to choose.

CERSEI  
I do. So do you.

**01:18:33:27**

CERSEI (CONT'D)  
You can choose the creature  
that killed our mother  
to come into this world--

Jaime sinks into a chair on the side of the table opposite  
Cersei.

**01:18:37:01**

JAIME  
Are you really mad enough  
to blame him for that?

**01:18:39:17**

JAIME (CONT'D - OS)

He didn't  
decide to kill her.  
He was an infant.

**01:18:42:08**

CERSEI  
A disease doesn't decide  
to kill you.

**01:18:44:05**

CERSEI (CONT'D)  
All the same,  
you cut it out  
before it does.

Cersei moves to Jaime.

**01:18:46:27**

CERSEI (CONT'D)  
What do you decide?  
What do you choose?

**01:18:50:02**

JAIME  
The things I did  
to get back to you,

**01:18:51:17**

JAIME (CONT'D)  
to endure all that,  
only to find you--

Cersei kisses Jaime.

**01:18:57:09**

CERSEI  
I choose you.

**01:18:59:12**

JAIME  
Those are words.

CERSEI  
Yes.

**01:19:01:06**

CERSEI (CONT'D)  
Like the ones  
I just said to Father.

**01:19:04:17**

CERSEI (CONT'D)  
I told him.

**01:19:06:06**

JAIME  
Told him what?

**01:19:08:02**

CERSEI  
I told him about us.

**01:19:11:10**

JAIME  
You told him?

**01:19:12:24**

CERSEI  
I told him I won't  
marry Loras Tyrell.

**01:19:15:01**

CERSEI (CONT'D)  
I told him I'm staying  
right here with Tommen,  
with you.

**01:19:18:20**

JAIME  
You think he'll  
just accept that?

**01:19:20:01**

CERSEI  
Go and ask him.

Cersei kisses Jaime.

**01:19:24:18**

JAIME  
What did you say?

**01:19:26:01**

CERSEI  
I don't want to talk  
about Tywin Lannister.

**01:19:28:12**

CERSEI (CONT'D)  
I don't choose  
Tywin Lannister.

**01:19:31:01**

CERSEI (CONT'D)  
I don't love  
Tywin Lannister.

**01:19:32:23**

CERSEI (CONT'D)  
I love my brother.

**01:19:34:29**

CERSEI (CONT'D)  
I love my lover.

Cersei gets on her knees in front of Jaime.

**01:19:38:08**

CERSEI (CONT'D)  
People will whisper,  
they'll make their jokes.

**01:19:40:11**

CERSEI (CONT'D)  
Let them.

**01:19:41:23**

CERSEI (CONT'D)  
They're all so small,  
I can't even see them.

**01:19:44:14**

CERSEI (CONT'D)  
I only see what matters.

Jaime grabs Cersei and kisses her.

**01:19:55:17**

JAIME  
Someone will walk in.

**01:19:57:03**

CERSEI  
I don't care.

Jaime clears the table and lays Cersei down on it,  
underneath him.

**01:20:07:10**

[SUBTITLE]  
Thank you for seeing me, Your Grace.  
My name is Fennesz.

**01:20:34:24**

FENNESZ  
I can speak the common  
tongue if you wish.

**01:20:38:11**

DAENERYS  
You speak it very well.

**01:20:40:06**

FENNESZ

Before you freed me,  
I belonged to Master Mighdal.

**01:20:43:29**

FENNESZ (CONT'D - OS)  
I was tutor  
to his children.

**01:20:46:01**

FENNESZ (CONT'D - OS)  
I taught them languages  
and history.

**01:20:48:07**

FENNESZ (CONT'D)  
They know a great deal  
about your family  
because of me.

**01:20:52:09**

FENNESZ (CONT'D - OS)  
Little Calla  
is only seven,

Daenerys smiles.

**01:20:55:11**

FENNESZ (CONT'D)  
but she admires you  
very much.

**01:20:57:22**

DAENERYS  
I hope I can prove  
worthy of her admiration.

**01:21:00:17**

DAENERYS  
What can I do for you?

**01:21:04:10**

FENNESZ  
When you took the city,  
the children begged me

**01:21:06:25**

FENNESZ (CONT'D)  
not to leave the house.

**01:21:09:11**

FENNESZ (CONT'D)  
But Master Mighdal  
and I agreed that I must.

**01:21:13:03**

FENNESZ (CONT'D)  
So I lost my home.

**01:21:17:25**

FENNESZ (CONT'D)  
Now I live on the streets.

**01:21:19:28**

DAENERYS  
I have outfitted mess halls

**01:21:21:20**

DAENERYS (CONT'D)  
to feed all former slaves  
and barracks to shelter them.

**01:21:24:02**

FENNESZ  
I do not mean  
to offend, Your Grace.

**01:21:26:29**

FENNESZ (CONT'D - OS)  
I went to one  
of these places.

**01:21:29:21**

FENNESZ (CONT'D)  
The young prey on the old.

**01:21:32:01**

FENNESZ (CONT'D)  
Take what they want  
and beat us if we resist.

**01:21:35:14**

DAENERYS

My Unsullied will make them  
safe again in short order,

**01:21:38:00**

DAENERYS (CONT'D)  
my friend,  
this I promise you.

**01:21:39:22**

FENNESZ (CONT'D – OS)  
Even if they are safe,  
who would I be there?

**01:21:43:17**

FENNESZ (CONT'D)  
What purpose  
would I serve?

**01:21:46:11**

FENNESZ (CONT'D - OS)  
With my master,  
I was a teacher.

**01:21:49:22**

FENNESZ (CONT'D)  
I had the respect  
and love of his children.

**01:21:53:16**

DAENERYS  
What is it  
that you want from me?

**01:21:55:18**

FENNESZ  
Your Grace, I ask you

**01:21:58:18**

FENNESZ (CONT'D)  
to let me sell myself  
back to Master Mighdal.

**01:22:01:20**

DAENERYS  
You want to return  
to a man who owned you

**01:22:04:10**

DAENERYS (CONT'D)  
like a goat or a chair?

**01:22:06:22**

FENNESZ  
Please, Your Grace.

**01:22:08:13**

FENNESZ (CONT'D)  
The young may rejoice  
in the new world you  
have built for them,

**01:22:11:18**

FENNESZ (CONT'D)  
but for those of us  
too old to change,

**01:22:14:20**

FENNESZ (CONT'D)  
there is only fear  
and squalor.

**01:22:19:19**

FENNESZ (CONT'D)  
I am not alone.

**01:22:21:23**

FENNESZ (CONT'D)  
There are many  
outside waiting to beg  
the same of you.

**01:22:25:06**

DAENERYS  
I did not take  
this city to preside

**01:22:27:06**

DAENERYS (CONT'D)  
over the injustice  
I fought to destroy.

**01:22:29:19**

DAENERYS (CONT'D)  
I took it to bring  
people freedom.

**01:22:33:10**

DAENERYS (CONT'D)  
But freedom means making  
your own choices.

**01:22:36:28**

DAENERYS (CONT'D)  
I will allow you  
to sign a contract with  
your former master.

**01:22:40:25**

DAENERYS (CONT'D)  
It may not cover a period  
lasting longer than a year.

**01:22:44:09**

FENNESZ  
Thank you, Your Grace.

**01:22:48:13**

FENNESZ (CONT'D)  
Thank you.

Fennesz bows and exits.

**01:22:55:08**

BARRISTAN  
The masters  
will take advantage  
of this situation.

**01:22:59:15**

BARRISTAN (CONT'D)  
The men serving them

**01:23:01:09**

BARRISTAN (CONT'D)  
will be slaves in all but name.

**01:23:10:19**

A goatherd enters and approaches Daenerys on the throne.

The goatherd looks down at his bundle, crying.

**01:23:34:26**

(speaking low Valyrian)

The goatherd speaks as Missandei translates.

**01:23:37:07**

MISSANDEI  
I have brought you--

**01:23:43:12**

MISSANDEI (CONT'D)  
He came from the sky.

The black one.

**01:23:53:00**

MISSANDEI (CONT'D)  
The winged shadow.

**01:23:56:13**

The goatherd crumples to his knees.

MISSANDEI (CONT'D)  
He came from  
the sky and...

**01:24:04:05**

The goatherd unwraps his bundle to reveal a small  
charred black human skeleton.

MISSANDEI (CONT'D - OS)  
My girl.

**01:24:06:10**

MISSANDEI (CONT'D)  
My little girl.

Daenerys following behind them to enter the catacombs.

(screeching)

Daenerys descends the steps into the catacombs.  
A dragon moves through water.

Two dragons galavant through the halls of the catacombs as Daenerys follows them further in.  
The two dragons are chewing on something and playing tug of war with it.

AEMON  
And now their watch is ended.

Aemon gives Sam a torch. Sam carries the torch to Jon.

Tormund lays on the ground as Jon Snow looks on.

TORMUND  
Your old blind man  
patched me up.

**01:29:00:15**

TORMUND (CONT'D - OS)  
Why?

**01:29:02:01**

JON  
He's sworn to treat all  
wounded men, friend or foe.

**01:29:05:08**

TORMUND  
You want me alive  
so you can torture me?

**01:29:07:20**

JON  
No one's gonna torture you.

**01:29:09:01**

TORMUND  
So how do we die?  
Hanging? Beheading?

**01:29:12:27**

JON (OS)  
Drop us from the top

You spent too much  
time with us, Jon Snow.

**01:29:31:24**

TORMUND  
You can never be a kneeler again.

**01:29:34:09**

JON  
We're gonna burn  
the bodies of your dead.

**01:29:38:05**

JON (CONT'D)  
Do you want to say  
any words over them?

**01:29:40:15**

TORMUND  
Words?  
What kind of words?

**01:29:43:01**

JON  
Funeral words.  
I don't know how  
the free folk do it.

**01:29:46:07**

TORMUND  
Do what?

**01:29:47:26**

JON  
Say farewell.

**01:29:49:20**

TORMUND  
The dead can't  
hear us, boy.

Jon Snow nods and turns to exit.

**01:29:58:13**

TORMUND (CONT'D)  
Snow.

Jon stops and turns back to face Tormund.

**01:30:04:01**

TORMUND (CONT'D)  
Did you love her?

**01:30:08:18**

TORMUND (CONT'D)  
She loved you.

**01:30:11:22**

TORMUND (CONT'D)  
She told you?

**01:30:13:03**

TORMUND (OS)  
No.

**01:30:14:12**

TORMUND (CONT'D)  
All she ever talked about  
was killing you.

**01:30:17:16**

TORMUND (CONT'D - OS)  
That's how I know.

**01:30:22:16**

TORMUND (CONT'D)  
She belongs  
in the North.

**01:30:25:27**

TORMUND (CONT'D - OS)  
The real North.

**01:30:29:07**

TORMUND (CONT'D)  
You understand me?

Jon Snow exits.

**01:31:52:09**

EXT. BEYOND THE WALL – DAY

(wind howling)

**01:32:07:12**

EXT. A SNOWY PASSAGE – DAY

(groaning)

Meera, Hodor, Jojen, and Bran are traveling through a harsh snowstorm.

**01:32:16:25**

MEERA  
We can stop.  
We can rest.

**01:32:18:09**

JOJEN  
We'll rest with  
the three-eyed raven.

**01:32:31:06**

Jojen falls and Meera is at his side.

MEERA  
We're not  
going to make it.

**01:32:37:17**

JOJEN  
We're already here.

**01:32:39:11**

BRAN (OS)  
Jojen.

**01:32:42:11**

BRAN (CONT'D - OS)  
Jojen.

**01:32:44:10**

BRAN (CONT'D)  
Look, Jojen.  
Look.

Bran is with Hodor on a hilltop above Meera and Jojen.

**01:32:48:05**

(groaning)

Meera helps Jojen up. They ascend the hilltop to see the red tree glowing before them.  
Meera, Jojen, Hodor, and Bran travel with the wolf over the hilltop toward the red tree.  
Something reaches up from the ice and grabs Jojen, pulling him to the ground and dragging him into the ice.

**01:34:07:29**

Meera runs to Jojen and tries to pull him back as Bran and Hodor look on.

MEERA  
Jojen!  
Come on!

**01:34:10:13**

BRAN  
Help them!

Now!

**01:34:12:24**

MEERA (OS)  
Hold on to me!

Another hand emerges from the ice.

**01:34:19:03**

MEERA (CONT'D)  
Hang on!

**01:34:21:18**

Hodor sees the hand and looks back at Bran.

HODOR  
Hodor.

BRAN  
Help them!

**01:34:23:21**

HODOR  
Hodor.

**01:34:29:15**

Meera frees Jojen. Hodor is attacked by a Whitewalker.

(growling)

HODOR  
Hodor!

**01:34:34:10**

(screeching)

Another whitewalker emerges from the ice and charges at Jojen and Meera. They fight and Meera beheads the Whitewalker skeleton.

**01:34:40:19**

Another Whitewalker charges at Meera and they fight.

(grunts)

A Whitewalker emerges at Bran's feet. The Whitewalker moves on Bran and the wolf attacks it, saving Bran. Hodor continues to fight off a Whitewalker, and then two.

**01:34:46:17**

HODOR  
Hodor!

Bran transforms to leave his body. Bran enters Hodor's body and he fights off the Whitewalkers.

**01:35:05:05**

(growling)

Fighting continues. Meera knocks Jojen down to keep him away from the fighting.

**01:35:08:10**

HODOR  
Hodor.

(whimpering)

**01:35:11:24**

HODOR  
Hodor!

**01:35:44:17**

Jojen looks to Bran and sees he has left his body.

JOJEN  
Bran!

**01:35:49:25**

JOJEN (CONT'D)  
Save yourself, now!

A Whitewalker at Jojen's side pulls a blade as everyone else is distracted, fighting.

**01:36:01:05**

Meera cuts a Whitewalker in half.

(grunting)

**01:36:05:04**

(shouts)

Meera looks over to see a Whitewalker repeatedly stabbing Jojen. She kills it. Hodor turns to see two Whitewalkers rushing at Bran. The Whitewalkers are hit by bursts of flame.

**01:36:17:02**

CHILD OF THE FOREST

Come with me,  
Brandon Stark.

A girl has appeared. Hodor runs to Bran as Meera holds Jojen in her lap.

**01:36:23:02**

(gasping)

**01:36:26:13**

The girl looks on at Jojen.

CHILD OF THE FOREST (CONT'D)

He is lost.

**01:36:29:01**

CHILD OF THE FOREST (CONT'D)

Come with me  
or die with him.

**01:36:31:01**

Jojen looks to Meera.

JOJEN

Go with them.

**01:36:44:21**

(ice bursting)

More Whitewalkers are coming through the ice as Meera rocks Jojen in her lap.

**01:36:50:17**

Meera removes her blade from a Whitewalker skull.  
Meera makes a slice on Jojen (OC) and becomes distraught.

(slices)

Meera runs away from Jojen and to the others.  
Jojen flops his head and is dead.  
Meera looks back. The child of the forest throws a fireball to consume Jojen's body.  
Hodor takes Bran into a cave.  
Another fireball is thrown and Meera and the child of the forest follow Hodor and Bran into the cave.  
Whitewalkers try to follow them into the cave and are destroyed by an invisible force.

**01:36:52:19**

(growling)

**01:37:37:00**

INT. CAVE - DAY

Hodor, Meera, and Bran look back at where the Whitewalkers were destroyed, then to the child of the forest.

CHILD OF THE FOREST  
They cannot follow us.

**01:37:38:24**

CHILD OF THE FOREST (COT'D)  
The power that moves them  
is powerless here.

**01:37:41:03**

BRAN  
Who are you?

**01:37:43:13**

CHILD OF THE FOREST  
The First Men  
called us the children,

**01:37:45:29**

CHILD OF THE FOREST (CONT'D)  
but we were born  
long before them.

**01:37:48:28**

CHILD OF THE FOREST (CONT'D)  
Come, he waits for you.

The child of the forest exits. Hodor, Meera, and Bran  
follow the child of the forest through cavernous halls.

**01:38:18:15**

The child of the forest emerges in an opening where a  
raven sits on the cave floor.

(raven caws)

Meera, Hodor, and Bran come upon the opening.  
The child of the forest scampers off.  
Hodor puts Bran on the cave floor.

**01:39:02:09**

(caws)

The raven hops about as Bran drags himself toward it.

**01:39:16:00**

BRAN  
You're the three-eyed raven?

Reveal to find an old man sitting above Bran at the edge  
of the cavern.

**01:39:22:08**

THREE-EYED RAVEN  
I've been many things.

**01:39:24:26**

THREE-EYED RAVEN (CONT'D)  
Now I am what you see.

**01:39:29:28**

MEERA (OS)  
My brother,

he led us to you  
and now he--

**01:39:33:12**

THREE-EYED RAVEN  
He knew  
what would happen.

**01:39:35:19**

THREE-EYED RAVEN (CONT'D)  
From the moment  
he left,

**01:39:38:14**

THREE-EYED RAVEN (CONT'D)  
he knew  
and he went anyway.

**01:39:41:14**

MEERA  
How do you know?

**01:39:43:02**

THREE-EYED RAVEN (CONT'D)  
I've been watching you.

**01:39:45:01**

THREE-EYED RAVEN (CONT'D)  
All of you.

**01:39:47:08**

THREE-EYED RAVEN (CONT'D)  
All of your lives.

**01:39:49:15**

THREE-EYED RAVEN (CONT'D)  
With 1,000 eyes  
and one.

**01:39:53:25**

THREE-EYED RAVEN (CONT'D - OS)  
Now you've come  
to me at last,

**01:39:56:23**

THREE-EYED RAVEN (CONT'D)

Brandon Stark.

**01:39:59:11**

THREE-EYED RAVEN (CONT'D)  
Though the hour is late.

**01:40:01:29**

BRAN  
I didn't want  
anyone to die for me.

**01:40:05:03**

THREE-EYED RAVEN (CONT'D)  
He died so you could find  
what you have lost.

**01:40:10:03**

BRAN  
You're going to help  
me walk again?

**01:40:13:12**

THREE-EYED RAVEN  
You will never  
walk again.

**01:40:17:12**

THREE-EYED RAVEN  
But you will fly.

**01:40:29:03**

EXT. MOUNTAIN - DAY

(bird squawks)

Brienne wakes up, looks around, and rises from laying  
on the ground.

**01:40:36:04**

BRIENNE  
Podrick.

**01:40:38:02**

BRIENNE (CONT'D)  
Podrick.

Podrick wakes up and rises from laying on the ground.  
He looks around.

**01:40:40:07**

BRIENNE (CONT'D)  
Where are the horses?

**01:40:43:19**

PODRICK  
I hobbled them  
last night.

**01:40:45:13**

BRIENNE  
What sort of hobble?

**01:40:47:06**

PODRICK  
A figure eight  
like you taught me.

**01:40:49:01**

BRIENNE  
If you did it  
like I taught you,

**01:40:51:15**

BRIENNE (CONT'D)  
then the horses  
would be here.

**01:40:52:24**

PODRICK  
Thieves, maybe?

Brienne goes to pick up her sword.

**01:40:54:10**

PODRICK (CONT'D)  
It's at least 30 miles  
to the Eyrie from here.

**01:40:56:24**

PODRICK (CONT'D)  
You're carrying  
the saddlebags.

Brienne walks away.

**01:41:11:06**

(grunting)

Brienne walks around the mountain and arrives at a precipice. Arya is there practicing her waterdancing with her sword. Brienne moves toward Arya. Arya sees her and stops.

**01:41:27:10**

ARYA  
People coming.

**01:41:30:18**

ARYA (CONT'D)  
You can shit later.  
There's people coming.

**01:41:35:26**

ARYA  
Morning.

**01:41:38:29**

ARYA  
Morning.

**01:41:42:11**

BRIENNE  
I like your sword.

**01:41:44:15**

BRIENNE (CONT'D)  
Are we getting close  
to the Bloody Gate?

**01:41:47:16**

ARYA  
About 10 more miles.

**01:41:49:18**

ARYA (CONT'D)  
Did you  
hear that, Podrick?

Podrick arrives at the precipice.

**01:41:51:14**

ARYA (CONT'D)  
Only 10 more miles  
to the Bloody Gate.

**01:41:55:15**

ARYA  
Are you a knight?

**01:41:57:08**

BRIENNE  
No.

**01:41:59:10**

ARYA  
But you know how  
to use that sword?

**01:42:01:17**

BRIENNE  
I do.

**01:42:04:10**

Arya walks toward Brienne.

ARYA  
Does it have a name?

**01:42:06:11**

BRIENNE  
Oathkeeper.

**01:42:08:21**

ARYA  
Mine's Needle.

Arya sheaths her sword.

**01:42:10:16**

BRIENNE  
Good name.

**01:42:14:26**

ARYA  
Who taught you

how to fight?

**01:42:16:13**

BRIENNE  
My father.

**01:42:20:15**

ARYA  
Mine never wanted to.

Arya grips the handle of her sword.

**01:42:23:23**

ARYA (CONT'D)  
Said fighting  
was for boys.

**01:42:26:10**

BRIENNE  
Mine said the same.

**01:42:28:12**

BRIENNE (CONT'D)  
But I kept fighting  
the boys anyway.

**01:42:30:21**

BRIENNE (CONT'D - OS)  
Kept losing.

**01:42:32:28**

BRIENNE (CONT'D)  
Finally my father said,  
"If you're going to do it,

**01:42:35:15**

BRIENNE (CONT'D)  
you might as well  
do it right."

The Hound emerges behind Arya.

**01:42:41:10**

BRIENNE (CONT'D)  
Seven blessings.

**01:42:42:29**

BRIENNE (CONT'D)  
I'm Brienne of Tarth.  
This is Podrick Payne.

**01:42:47:25**

HOUND  
You want something?

**01:42:49:23**

PODRICK  
That's Sandor Clegane.  
The Hound.

Arya crosses behind the Hound.

**01:43:03:17**

BRIENNE  
You're Arya Stark.

**01:43:06:07**

HOUND  
I asked if you  
wanted something.

The Hound grips the handle of his sword.

**01:43:09:18**

BRIENNE  
I swore to your mother  
I would bring you  
home to her.

**01:43:13:07**

ARYA  
My mother's dead.

**01:43:14:18**

BRIENNE (OS)  
I know.

**01:43:16:05**

BRIENNE (CONT'D)  
I wish I could have  
been there to protect her.

**01:43:20:15**

ARYA  
You're not a northerner.

**01:43:22:00**

BRIENNE  
No, but I swore a sacred  
vow to protect her.

**01:43:25:27**

ARYA  
Why didn't you?

**01:43:31:17**

BRIENNE  
She commanded me  
to bring Jaime Lannister.  
back to King's Landing.

**01:43:34:20**

ARYA  
You're paid  
by the Lannisters.

**01:43:36:15**

ARYA (CONT'D - OS)  
You're here  
for the bounty on me.

**01:43:39:03**

BRIENNE  
I'm not paid  
by the Lannisters.

**01:43:41:24**

HOUND  
No?

The Hound moves toward Brienne.

**01:43:45:00**

HOUND (CONT'D)  
Fancy sword  
you've got there.

**01:43:46:24**

HOUND (CONT'D)  
Where'd you get it?

**01:43:51:10**

HOUND (CONT'D)  
I've been looking  
at Lannister gold  
all my life.

**01:43:55:23**

HOUND (CONT'D)  
Go on, Brienne  
of fucking Tarth.

**01:43:58:07**

HOUND (CONT'D)  
Tell me that's not  
Lannister gold.

**01:44:01:29**

BRIENNE  
Jaime Lannister  
gave me this sword.

**01:44:05:00**

ARYA  
The Bloody Gate  
is 10 miles.

**01:44:06:26**

BRIENNE  
I swore to your mother  
by the old gods—

**01:44:08:21**

ARYA  
I don't care  
what you swore.

**01:44:10:03**

BRIENNE  
Arya!

HOUND  
You heard the girl.

**01:44:11:24** -

HOUND  
She's not coming with you.

BRIENNE  
She is.

The Hound draws his blade. Brienne draws her blade  
halfway from its sheath.

**01:44:16:15**

HOUND  
You're not  
a good listener.

**01:44:18:19**

HOUND (CONT'D)  
That Valyrian steel?

**01:44:20:23**

HOUND (CONT'D)  
I always wanted  
some Valyrian steel.

**01:44:22:27**

BRIENNE  
Come with me, Arya.  
I'll take you to safety.

**01:44:25:22**

HOUND  
Safety?  
Where the fuck's that?

**01:44:28:07**

HOUND (CONT'D)  
Her aunt  
in the Eyrie is dead.  
Her mother's dead.

**01:44:30:26**

HOUND (CONT'D - OS)  
Her father's dead.  
Her brother's dead.

**01:44:32:26**

HOUND (CONT'D - OS)  
Winterfell is a pile  
of rubble.

**01:44:35:04**

HOUND (CONT'D)  
There is no safety,  
you dumb bitch.

**01:44:38:20**

HOUND (CONT'D)  
You don't know  
that by now,

**01:44:40:09**

HOUND (CONT'D)  
you're the wrong one  
to watch over her.

**01:44:42:28**

BRIENNE  
And that's what  
you're doing?

**01:44:44:26**

BRIENNE (CONT'D)  
Watching over her?

**01:44:47:02**

HOUND  
Aye, that's what  
I'm doing.

Brienne draws her blade completely. Brienne and the  
Hound fight.

**01:45:04:09**

(grunts)

The Hound knocks Brienne down a rocky hill.  
Brienne rises and fighting continues. Podrick and Arya  
run after them to look on.

**01:45:11:04**

(panting)

Brienne hits the Hound in the face.

**01:45:33:05**

(grunts)

Brienne knocks the Hound to his knees and points the tip of the blade in his face.

**01:45:57:24**

BRIENNE  
I have no wish  
to kill you, Ser.

**01:46:13:15**

The Hound grabs Brienne's sword, squeezing it to bend it as his hands drip with blood. Hound rises and hits Brienne, knocking her down.

HOUND  
I'm not a knight.

**01:46:15:10**

(grunts)

Brienne nails Hound in the balls.

**01:46:18:25**

(groans)

**01:46:25:17**

Hound kicks Brienne in the crotch and she doubles over.

(screams)

The Hound climbs on top of Brienne and beats her.

**01:46:35:25**

(screaming)

**01:46:38:10**

(groans)

Brienne climbs on top of Hound and bites his ear off. They rise to their feet and separate. Brienne spits out Hound's ear. Fighting continues.

**01:47:05:23**

(shouting)

Brienne is wailing on the Hound.  
Brienne knocks the Hound off a cliff.

**01:47:15:27**

(panting)

Brienne rises to her feet and looks around.

**01:47:32:13**

BRIENNE  
Arya!

**01:47:34:17**

BRIENNE (CONT'D)  
Arya!

**01:47:37:28**

BRIENNE (CONT'D)  
Arya!

**01:47:41:03**

BRIENNE (CONT'D)  
Where is she?

PODRICK (OS)  
She was just here.

**01:47:43:10**

BRIENNE (CONT'D)  
Why weren't you  
watching her?

**01:47:44:27**

PODRICK  
I was watching you.  
I thought you might  
need some help.

**01:47:46:27**

BRIENNE  
Which way, Pod?  
Which way did she go?

**01:47:48:25**

PODRICK  
I think that way.

**01:47:50:23**

BRIENNE  
Arya!

Arya is hiding away on a craggy rock.

**01:47:52:21**

BRIENNE (CONT'D)  
Arya!

Arya gets up and goes to find the Hound.

**01:48:17:14**

(panting)

Arya finds the Hound laying on the ground.

**01:48:23:12**

HOUND  
You still here?

**01:48:27:14**

(coughs)

The Hounds legs are broken.

**01:48:35:26**

HOUND (CONT'D)  
Big bitch saved you.

**01:48:37:15**

ARYA  
I don't need saving.

**01:48:39:23**

HOUND  
No, not you.  
You're a real killer.

**01:48:42:13**

HOUND (CONT'D)  
With your water dancing

**01:48:44:21**

HOUND (CONT'D)  
and your Needle.

**01:48:47:29**

ARYA  
You gonna die?

**01:48:49:25**

HOUND  
Unless there's a maester  
hiding behind that rock,

**01:48:52:19**

HOUND (CONT'D)  
aye,

**01:48:54:24**

HOUND (CONT'D)  
I'm done.

**01:49:01:00**

HOUND (CONT'D)  
I'd skin you alive  
for wine.

**01:49:04:26**

Arya reaches for her canteen.

HOUND (CONT'D)  
Fuck water.

**01:49:08:10**

HOUND (CONT'D)  
Killed by a woman.

**01:49:10:17**

(chuckles)

**01:49:12:10**

HOUND (CONT'D)  
I bet you like that.

**01:49:16:19**

HOUND (CONT'D)  
Go on,

**01:49:18:15**

HOUND (CONT'D)  
go after her.

**01:49:20:17**

HOUND (CONT'D - OS)  
She'll help you.

**01:49:26:07**

Arya shakes her head.

HOUND (CONT'D)  
Going it alone,

**01:49:28:12**

HOUND (CONT'D)  
you won't last  
a day out there.

**01:49:31:01**

ARYA  
I'll last  
longer than you.

**01:49:40:15**

HOUND  
You remember where  
the heart is?

Arya nods.

**01:49:50:17**

HOUND (CONT'D)  
Fuck it.

**01:49:52:08**

HOUND (CONT'D)  
I'm ready.

**01:49:56:06**

HOUND (CONT'D)  
Go on, girl.

**01:49:58:25**

HOUND (CONT'D)  
Another name  
off your list.

**01:50:02:05**

HOUND (CONT'D)  
You kept  
promising me.

**01:50:10:16**

HOUND (CONT'D)  
I cut down  
your butcher's boy.

**01:50:12:28**

HOUND (CONT'D)  
The ginger.

**01:50:16:11**

HOUND (CONT'D)  
He was begging  
for mercy.

**01:50:18:19**

HOUND (CONT'D)  
"Please, Ser.  
Please don't kill me.

**01:50:21:28**

HOUND (CONT'D)  
Please, please."

**01:50:25:16**

HOUND (CONT'D)  
Bled all over  
my horse.

**01:50:28:07**

HOUND (CONT'D)  
Saddle stunk  
of butcher's boy  
for weeks.

**01:50:33:22**

HOUND (CONT'D)  
And your sister.

**01:50:36:25**

HOUND (CONT'D)  
Your pretty sister.

**01:50:40:06**

HOUND (CONT'D - OS)  
I should have taken her.

**01:50:42:21**

HOUND (CONT'D)  
That night  
the Blackwater burned.

**01:50:47:04**

HOUND (CONT'D)  
I should have  
fucked her bloody.

**01:50:50:22**

HOUND (CONT'D)  
At least I'd have  
one happy memory.

**01:51:03:09**

HOUND (CONT'D)  
Do I have to beg you?

**01:51:10:02**

HOUND (CONT'D)  
Do it.

**01:51:16:21**

HOUND (CONT'D)  
Do it.

**01:51:21:25**

HOUND (CONT'D)  
Do it.

Arya rises and goes the Hound's side. Arya takes the Hound's gold. Arya walks away and leaves him there alone.

**01:51:53:12**

HOUND (CONT'D)  
Kill me.

**01:51:58:23**

HOUND (CONT'D - OS)  
Kill me!

**01:52:02:21**

HOUND (CONT'D - OS)  
Kill me!

**01:52:06:12**

HOUND (CONT'D - OS)  
Kill me!

**01:52:07:29**

INT. CASTERLY ROCK DUNGEON – NIGHT

Tyrion lies awake.

(door opens)

**01:52:12:24**

(door closes)

**01:52:14:26**

(footsteps)

**01:52:18:08**

TYRION  
Oh, get on with it,  
you son of a whore.

**01:52:20:29**

Jaime enters Tyrion's cell.

JAIME  
Is that any way to speak  
about our mother?

**01:52:23:04**

TYRION  
What are you doing?

**01:52:25:04**

JAIME  
What do you  
think I'm doing?

Jaime motions to the open door and leads Tyrion from his cell. Tyrion follows him out of the dungeons.

**01:52:26:23**

JAIME (CONT'D)  
A galley's waiting  
In the bay bound for  
the Free Cities.

**01:52:28:26**

TYRION  
Who's helping you?

JAIME  
Varys.

**01:52:30:06**

TYRION  
Varys?

JAIME  
You have more friends  
than you thought.

Jaime and Tyrion make their way through the underground passages of Casterly Rock.

**01:52:44:06**

Jaime and Tyrion come to a doorway and stop.

JAIME  
There's a locked door  
at the top of the stairs.

**01:52:45:25**

JAIME (CONT'D)  
Knock on it twice,  
then twice again.

**01:52:49:14**

JAIME (CONT'D)  
Varys will open.

**01:52:51:09**

TYRION  
I suppose this  
is good-bye, then.

**01:53:09:10**

Jaime bends down and hugs Tyrion. They embrace and kiss.

JAIME  
Farewell, little brother.

Jaime moves to exit.

**01:53:12:26**

TYRION  
Jaime.

Jaime turns back to Tyrion.

**01:53:16:06**

TYRION (CONT'D)  
Thank you for my life.

**01:53:21:25**

JAIME  
Quickly now.

Jaime motions for Tyrion to go and then exits.  
Tyrion stands at the opening. Instead of exiting to make his escape, he takes a secret passage to Shae's room.  
Shae is sleeping in bed.

**01:54:43:08**

SHAE  
Tywin?

**01:54:47:27**

SHAE (CONT'D)  
My lion.

Shae awakes to see Tyrion.

**01:55:02:25**

(grunting)

Shae reaches for a knife to attack Tyrion.  
Tyrion climbs on top of her and overpowers her,  
knocking the knife on the floor. Shae fights against  
Tyrion.

**01:55:23:15**

(choking)

**01:55:27:17**

(grunts)

Tyrion is strangling Shae.

**01:55:29:01**

(gasping)

**01:55:36:23**

(whimpers)

**01:56:08:16**

Tyrion sits on the floor next to Shae's bed, where she  
lays dead.

TYRION  
I'm sorry.

**01:56:20:22**

(exhales)

**01:56:23:16**

TYRION (CONT'D)  
I'm sorry.

**01:56:38:14**

(crossbow lever dragging)

Tyrion makes his way through a passage, carrying  
weapons.  
He approaches a doorway.

**01:57:06:24**

(door creaks)

Tyrion opens the door to reveal Tywin. Tyrion aims a crossbow at Tywin, seated on the toilet.

**01:57:12:05**

TYWIN  
Tyrion.

**01:57:15:09**

TYWIN (CONT'D)  
Put down the crossbow.

**01:57:20:19**

TYWIN (CONT'D)  
Who released you?

**01:57:23:29**

TYWIN (CONT'D)  
Your brother,  
I expect.

**01:57:25:16**

TYWIN (CONT'D)  
He always had  
a soft spot for you.

**01:57:28:22**

TYWIN (CONT'D)  
Come, we'll go and talk  
in my chambers.

**01:57:36:00**

TYWIN (CONT'D)  
This is how you want  
to speak to me, hmm?

**01:57:39:03**

TYWIN (CONT'D)  
Shaming your father has  
always given you pleasure.

**01:57:41:14**

TYRION  
All my life

**01:57:43:09**

TYRION (CONT'D)

you've wanted me dead.

**01:57:47:16**

TYWIN

Yes.

**01:57:49:19**

TYWIN (CONT'D - OS)  
But you refused to die.

**01:57:52:07**

TYWIN (CONT'D)  
I respect that.

**01:57:54:01**

TYWIN (CONT'D)  
Even admire it.

**01:57:56:04**

TYWIN (CONT'D - OS)  
You fight  
for what's yours.

**01:57:58:03**

TYWIN (CONT'D)  
I'd never let them  
execute you.

**01:58:00:14**

TYWIN (CONT'D)  
Is that what you fear?

**01:58:01:25**

TYWIN (CONT'DN - OS)  
I'll never let Ilyn Payne  
take your head.

**01:58:04:22**

TYWIN (CONT'D)  
You're a Lannister.

**01:58:08:21**

TYWIN (CONT'D)  
You're my son.

**01:58:13:09**

TYRION  
I loved her.

**01:58:14:28**

TYWIN  
Who?

**01:58:17:00**

TYRION  
Shae.

**01:58:19:13**

TYWIN  
Oh, Tyrion.

**01:58:22:20**

TYWIN (CONT'D)  
Put down that crossbow.

TYRION  
I murdered her.

**01:58:27:17**

TYRION (CONT'D)  
With my own hands.

**01:58:32:20**

TYWIN  
It doesn't matter.

TYRION  
Doesn't matter?

**01:58:35:28**

TYWIN  
She was a whore.

**01:58:39:24**

TYRION  
Say that word again...

TYWIN  
And what?

**01:58:41:26**

TYWIN (CONT'D)

You'll kill your own  
father in the privy?

**01:58:45:17**

TYWIN (CONT'D)  
No.

**01:58:47:17**

TYWIN (CONT'D)  
You're my son.

**01:58:49:28**

TYWIN (CONT'D)  
Now, enough  
of this nonsense.

**01:58:51:16**

TYRION  
I am your son and you  
sentenced me to die.

**01:58:54:29**

TYRION (CONT'D)  
You knew I didn't  
poison Joffrey,

**01:58:58:13**

TYRION (CONT'D)  
but you sentenced me  
all the same.

**01:59:01:24**

TYRION (CONT'D)  
Why?

TYWIN  
Enough.

**01:59:04:10**

TYWIN (OS)  
We'll go back  
to my chambers

**01:59:06:01**

TYWIN (CONT'D)

and speak with some dignity.

**01:59:07:14**

TYRION  
I can't go back there.  
She's in there.

**01:59:10:09**

TYWIN  
You're afraid  
of a dead whore?

Tyrion shoots Tywin with an arrow. Tyrion falls back  
into the wall.

**01:59:13:11**

(groans)

Tywin reloads the crossbow.

**01:59:24:04**

TYWIN (CONT'D)  
You shot me.

Tyrion draws back the crossbow string.

**01:59:31:07**

(groans)

**01:59:34:29**

TYRION  
You're no son of mine.

**01:59:37:07**

TYRION (CONT'D)  
I am your son.

**01:59:39:29**

TYRION (CONT'D)  
I have always  
been your son.

**01:59:43:06**

Tyrion fires another arrow in Tywin's chest.

(groans)

Tyrion throws down the crossbow and exits.

**01:59:57:03**

A door opens to reveal Varys.

VARYS  
What have you done?

**02:00:00:18**

VARYS (CONT'D)  
Quickly.

Varys directs Tyrion through a doorway.

**02:00:05:29**

VARYS (CONT'D)  
Trust me, my friend.  
I brought you this far.

Tyrion climbs into a crate and is shut in.

**02:00:39:16**

A crate is lowered onto a ship as Varys looks on.

(bells tolling)

Varys looks on at Casterly Rock and then boards the ship,  
sitting next to a crate.

**02:02:03:20**

EXT. WATERSIDE – DAY

Arya rides for the shore.  
Arya arrives at a dock and approaches a man.

ARYA  
I want to see  
the captain.

**02:02:05:14**

CAPTAIN  
You're seeing him.

**02:02:07:06**

ARYA  
I want to go north  
to the Wall.

**02:02:09:22**

CAPTAIN  
No, you don't.

**02:02:12:27**

ARYA  
I can pay.

**02:02:14:13**

CAPTAIN  
There is nothing  
in the North but ice  
and war and pirates.

**02:02:17:20**

ARYA  
I wouldn't need a cabin.  
Please.

**02:02:20:06**

ARYA (CONT'D)  
I could work  
scrubbing the floors.

**02:02:22:15**

CAPTAIN  
I'm not going north, child.  
I'm going home.

**02:02:25:06**

ARYA  
Where's home?

CAPTAIN  
The Free City of Braavos.

**02:02:29:17**

ARYA  
Wait.  
I have something else.

Arya reaches for something under her belt.

**02:02:31:07**

CAPTAIN  
More silver won't make  
a difference.

**02:02:33:01**

ARYA  
It's not silver.  
It's iron.

Arya hands an iron coin to the captain.

**02:02:38:11**

ARYA (CONT'D)  
This...

The Captain looks up to Arya.

**02:02:44:11**

CAPTAIN  
How did you—

**02:02:45:20**

ARYA  
Valar morghulis.

**02:02:49:09**

CAPTAIN  
Valar dohaeris.

The captain raises his hand to his head, saluting Arya.

**02:02:51:19**

CAPTAIN (CONT'D)  
Of course,  
you shall have a cabin.

A ship sets sail. Arya moves about the ship's deck and  
makes her way to the bow, looking forward.

**02:03:59:22**
