DAENERYS (OS)  
Remind me, Ser Jorah,

DAENERYS (CONT'D - OS)  
How many children did the Great Masters nail to mileposts?

**01:08:46:26**

Jorah turns to Daenerys.

JORAH  
163, Khaleesi.

**01:08:50:07**

DAENERYS  
Yes, that was it.

**01:08:58:11**

SOLDIER  
(shouts in Valyrian)

**01:09:00:24**

BARRISTAN (OS)

The city is yours.

Soldiers hold the crowd at bay.

**01:09:10:19**

BARRISTAN (CONT'D)  
All these people, they're your subjects now.

Daenerys looks down on the crowd.

**01:09:14:17**

BARRISTAN (CONT'D)  
Sometimes it is better to answer injustice

**01:09:17:01**

BARRISTAN (CONT'D)  
with mercy.

**01:09:18:28**

DAENERYS  
I will answer injustice  
with justice.

Daenerys stares at Barristan.

**01:09:28:21**

Soldiers nail men to crosses.

MAN 1

(screaming)

**01:09:33:15**

(screaming)

**01:09:47:11**

(screaming continues)

**01:09:50:26**

(screams echoing)

**01:10:13:08**

Jaime and Bronn are sword fighting.

(panting)

**01:10:38:16**

Bronn pulls off Jaime's hand and hits  
Jaime in the face. Jaime falls to the  
ground.

(grunts)

**01:10:41:19**

JAIME

What the hell was that?

**01:10:43:15**

BRONN

That was me knocking  
your ass to the dirt.

**01:10:46:26**

BRONN (CONT'D)  
With your own hand.

Bronn throws Jaime's hand back to him.

**01:10:51:15**

JAIME  
You're a rare talent.

Jaime gets up.

**01:10:52:26**

JAIME  
When you're fighting cripples, anyway.

**01:10:57:06**

BRONN  
You learned to fight like a good little boy.

**01:10:59:22**

BRONN (CONT'D)  
I'll bet that thrust through the Mad King's back  
was pretty as a picture.

**01:11:02:24**

BRONN (CONT'D - OS)  
You want to fight pretty or you want to win?

**01:11:05:02**

JAIME  
You talk to my brother this way?

**01:11:06:27**

BRONN  
All the time.

01:11:08:16

BRONN (CONT'D)  
He got used to it.

Bronn takes a drink and then hands it to  
Jaime.

01:11:18:11

JAIME  
Do you think he did it?

01:11:20:24

BRONN  
No.

01:11:22:24

BRONN (CONT'D)  
Oh, he hated the little twat, sure.

01:11:25:12

BRONN (CONT'D)  
But who didn't?

01:11:28:11

BRONN (CONT'D)  
And poison's not his style.

01:11:31:13

BRONN (CONT'D)  
Or murder, for that matter.

01:11:35:09

BRONN (CONT'D)  
You want to know for sure,  
why don't you ask him?

01:11:42:09

BRONN (CONT'D)  
You haven't been to see him yet, eh?

01:11:45:05

JAIME throws the drink back to Bronn.

JAIME  
We're done for today.

01:11:47:01

(seagulls calling)

01:11:50:07

BRONN (CONT'D)  
Your brother ever tell you  
how I came into his service?

01:11:52:13

JAIME  
You stood for him in  
his trial by combat at the Eyrie.

01:11:55:14

BRONN  
Aye.

01:11:57:19

BRONN (CONT'D)  
But only when Lady Arryn demanded

01:11:59:23

BRONN (CONT'D)  
the trial take place that day.

01:12:02:10

Bronn rises from sitting.

BRONN (CONT'D)  
You were his first choice.

Jaime is walking away and turns around.

01:12:04:20

BRONN (CONT'D - OS)  
He named you for his champion

01:12:07:05

BRONN (CONT'D)  
because he knew you would ride  
day and night to come fight for him.

01:12:12:09

BRONN (CONT'D)  
You gonna fight for him now?

01:12:22:06

INT. PRISON - DAY.

JAIME  
To tell you the truth, this isn't so bad.

01:12:24:23

JAIME (CONT'D)  
Four walls. A pot to piss in.

01:12:28:00

JAIME (CONT'D - OS)  
I was chained to a wooden post

01:12:30:24

JAIME (CONT'D)  
covered in my own shit for months.

01:12:36:05

TYRION  
Is that supposed to make me feel better?

01:12:38:27

JAIME (OS)  
Maybe a bit.

01:12:43:18

JAIME (CONT'D)  
I'm sorry I didn't come sooner.

01:12:45:13

TYRION

It's complicated, yes.

01:12:49:15

TYRION (CONT'D)  
So how is our sister?

JAIME (OS)  
How do you think?

01:12:52:07

JAIME (CONT'D)  
Her son died in her arms.

01:12:54:26

TYRION  
Her son?

01:12:57:16

JAIME  
Don't.

01:13:04:12

JAIME  
You know what's coming?

01:13:06:20

TYRION  
My trial for regicide.  
Yes, I know.

01:13:10:27

TYRION (CONT'D)  
I know the whole bloody country  
thinks I'm guilty.

01:13:14:22

TYRION (CONT'D - OS)  
I know that one of my three judges

01:13:16:22

TYRION (CONT'D)  
has wished me dead  
more times than I can count.

01:13:19:06

TYRION (CONT'D)  
And that judge is my father.

01:13:22:24

TYRION (CONT'D - OS)  
As for Cersei,

01:13:24:10

TYRION (CONT'D)  
well, she's probably working on a way

01:13:26:10

TYRION (CONT'D)  
to avoid a trial altogether  
by having me killed.

01:13:29:02

JAIME  
Now that you mention it,  
she did ask.

01:13:32:14

TYRION  
So, should I turn around  
and close my eyes?

01:13:35:15

JAIME  
Depends.

01:13:37:17

JAIME (CONT'D)  
Did you do it?

01:13:39:26

TYRION  
The Kingslayer brothers.

01:13:41:22

TYRION (CONT'D)  
You like it?

TYRION (CONT'D - OS)  
I like it.

01:13:46:26

TYRION (CONT'D)

You're really asking if I killed your son?

01:13:49:17

JAIME

Are you really asking if I'd kill my brother?

01:13:56:23

JAIME (CONT'D)

How can I help you?

01:13:59:16

TYRION

Well, you could set me free.

01:14:02:12

JAIME

You know I can't.

01:14:04:11

TYRION

Then there's really  
nothing else to say.

Tyrion gets up from the cell floor.

01:14:07:12

JAIME

What do you want me to do?  
Kill the guards?

01:14:09:23

JAIME (CONT'D)

Sneak you out of the city  
in the back of a cart?

01:14:11:10

JAIME

I'm the Lord Commander of the Kingsguard.

01:14:13:09

TYRION  
Sorry, I'd forgotten.

01:14:15:03

TYRION (CONT'D)  
I'd hate for you  
to do something inappropriate.

01:14:17:07

JAIME (OS)  
Inappropriate?

01:14:18:26

JAIME (CONT'D)  
You're accused of killing the king.  
Freeing you is treason.

01:14:21:19

TYRION  
Except I didn't do it.

01:14:23:20

JAIME  
Which is why we're having a trial.

01:14:25:20

TYRION  
A trial.

01:14:27:28

TYRION (CONT'D)  
If the killer threw himself  
before the Iron Throne,

01:14:30:28

TYRION (CONT'D)  
confessed to his crimes, and gave irrefutable  
evidence of his guilt,

01:14:35:03

TYRION (CONT'D - OS)  
it wouldn't matter to Cersei.

01:14:36:18

TYRION (CONT'D)  
She won't rest until my head's on a spike.

01:14:39:19

JAIME  
Not just yours.

01:14:41:24

JAIME (CONT'D)  
She's offering a knighthood  
to whomever finds Sansa Stark.

01:14:45:03

TYRION  
Sansa couldn't have done this.

01:14:46:25

JAIME  
She had more reason  
than anyone in the Seven Kingdoms.

01:14:49:10

JAIME (CONT'D)  
Do you think it's a coincidence she disappeared  
the same night Joffrey died?

01:14:52:05

TYRION  
No, but...

01:14:55:11

TYRION (CONT'D)  
Sansa's not a killer.

01:14:59:26

TYRION (CONT'D)

Not yet, anyway.

**01:15:01:19**

INT. KING'S LANDING - DAY

(wood creaking)

(men shouting)

**01:15:07:21**

(footsteps approaching)

**01:15:14:25**

Littlefinger comes down the stairs to  
Sansa's prison.

SANSA

Where are you taking me?

**01:15:17:00**

LITTLEFINGER (OS)

I'm getting married to your Aunt Lysa.

**01:15:19:06**

LITTLEFINGER (CONT'D)

She's waiting for us at the Eyrie.

**01:15:21:12**

LITTLEFINGER (CONT'D - OS)

You'll be safe there.

Sansa nods and walks to the other side of  
the room.

**01:15:36:06**

SANSA

Did you kill Joffrey?

**01:15:38:00**

LITTLEFINGER

Did I kill Joffrey?

Littlefinger walks into the prison and  
hangs his hand against a beam.

**01:15:42:18**

LITTLEFINGER (CONT'D)  
I've been in the Vale for weeks.

**01:15:44:15**

SANSA  
I know it was you.

**01:15:45:23**

LITTLEFINGER  
And who helped me with this conspiracy?

**01:15:51:21**

SANSA  
Well, there was Ser Dontos.

**01:15:53:19**

SANSA (CONT'D)  
You used him to get me out of King's Landing,

**01:15:55:25**

SANSA (CONT'D)  
but you would never trust him to kill the king.

**01:15:58:11**

LITTLEFINGER  
Why not?

SANSA  
Because you're too smart to trust a drunk.

**01:16:02:07**

LITTLEFINGER  
Then perhaps it was your husband.

**01:16:04:20**

SANSA  
No.

**01:16:06:09**

LITTLEFINGER (OS)  
How do you know?

01:16:08:02

SANSA  
I just do.

01:16:10:22

LITTLEFINGER  
You're right.

01:16:12:29

LITTLEFINGER (CONT'D)  
He wasn't involved in Joffrey's death.

01:16:15:12

LITTLEFINGER (CONT'D)  
But you were.

01:16:18:23

LITTLEFINGER (CONT'D - OS)  
Do you remember that lovely necklace  
Dontos gave you?

01:16:22:08

LITTLEFINGER (CONT'D - OS)  
I don't suppose you noticed  
that a stone was missing

01:16:26:09

LITTLEFINGER (CONT'D - OS)  
after the feast.

01:16:28:21

SANSA  
The poison.

01:16:33:01

SANSA (CONT'D)  
I don't understand.

01:16:35:09

SANSA (CONT'D)  
The Lannisters gave you wealth, power.

01:16:37:22

SANSA (CONT'D)  
Joffrey made you the Lord of Harrenhal.

01:16:39:17

LITTLEFINGER

A man with no motive is a man no one suspects.

01:16:42:23

LITTLEFINGER (CONT'D - OS)

Always keep your foes confused.

01:16:45:12

LITTLEFINGER (CONT'D)

If they don't know who you are or what you want,

01:16:48:10

LITTLEFINGER (CONT'D)

they can't know what you plan to do next.

01:16:54:10

SANSA

I don't believe you.

01:16:57:28

SANSA (CONT'D - OS)

If they catch you,  
they'll put your head on a spike

01:17:00:17

SANSA (CONT'D - OS)

just like my father's.

01:17:01:27

SANSA (CONT'D)

You'd risk that just to confuse them?

01:17:06:25

Littlefinger walks towards Sansa.

LITTLEFINGER

So many men, they risk so little.

01:17:10:12

LITTLEFINGER (CONT'D)

They spend their lives avoiding danger.

01:17:13:11

LITTLEFINGER (CONT'D)  
And then they die.

01:17:17:04

LITTLEFINGER (CONT'D)  
I'd risk everything to get what I want.

01:17:20:26

SANSA  
And what do you want?

Littlefinger slides his hand down Sansa's  
shoulder.

01:17:29:26

LITTLEFINGER  
Everything.

01:17:33:10

LITTLEFINGER (CONT'D - OS)  
My friendship with the Lannisters was productive.

01:17:36:23

Littlefinger walks to the other side of  
the room.

LITTLEFINGER (CONT'D)  
But Joffrey,

01:17:39:13

LITTLEFINGER (CONT'D)  
a vicious boy with a crown on his head,

01:17:42:02

LITTLEFINGER (CONT'D)  
is not a reliable ally.

01:17:44:13

LITTLEFINGER (CONT'D)  
And who could trust a friend like that?

01:17:46:10

SANSA

Who could trust you?

**01:17:49:28**

LITTLEFINGER  
I don't want friends like me.

**01:17:52:08**

LITTLEFINGER (CONT'D)  
My new friends are predictable.

**01:17:54:20**

LITTLEFINGER (CONT'D)  
Very reasonable people.

**01:17:56:11**

LITTLEFINGER (CONT'D)  
As for what happened to Joffrey,

**01:17:59:03**

LITTLEFINGER (CONT'D)  
well, that was something  
my new friends wanted very badly.

**01:18:03:13**

EXT. Garden - Day.

LITTLEFINGER (CONT'D - OS)  
Nothing like a thoughtful gift

**01:18:05:26**

LITTLEFINGER (CONT'D - OS)  
to make a new friendship grow strong.

**01:18:08:12**

Margaery and Olenna walk arm in arm  
through the garden.

MARGAERY  
I can't believe you're going.

**01:18:10:15**

MARGAERY (CONT'D)  
Leaving me alone here with these people.

01:18:13:06

OLENNA (OS)  
The time has come, my dear.

01:18:15:15

OLENNA (CONT'D - OS)  
There's nothing more tedious than a trial.

01:18:18:11

OLENNA (CONT'D)  
Except perhaps these gardens.

01:18:21:00

OLENNA (CONT'D)  
If I have to take one more leisurely stroll

01:18:23:27

OLENNA (CONT'D)  
through these gardens,  
I'll fling myself from the cliffs.

Margaery and Olenna walk inside a covered porch.

01:18:27:00

(Margaery laughs)

01:18:28:14

OLENNA (CONT'D)  
Have you been to see Tommen yet?

01:18:30:15

MARGAERY  
No.

01:18:32:16

Olenna sits down and Margaery stands and looks at her.

MARGAERY (CONT'D)  
Have they even agreed to the match?

01:18:34:15

MARGAERY  
No one tells me anything.

01:18:36:12

OLENNA  
I wasn't originally meant to marry your  
grandfather Luthor, you know.

01:18:40:12

OLENNA (CONT'D)  
He was engaged to my sister,

01:18:42:27

OLENNA (CONT'D)  
your great-aunt Viola.

Margaery sits down at the table with  
Olenna

01:18:45:07

OLENNA (CONT'D)  
I was to be given to some Targaryen or other.

01:18:48:13

OLENNA (CONT'D)  
Marrying a Targaryen was all the rage back then.

01:18:52:02

OLENNA (CONT'D)  
But the moment I saw my intended,

01:18:54:23

OLENNA (CONT'D)  
with his twitchy little ferret's face

01:18:58:01

OLENNA (CONT'D)  
and ludicrous silver hair,

01:18:59:29

OLENNA (CONT'D)  
I knew he wouldn't do.

01:19:02:03

OLENNA (CONT'D)  
So the evening

Maergery leans in to listen.

**01:19:04:25**

OLENNA (CONT'D)  
before Luthor was to propose to my sister,

**01:19:07:28**

OLENNA (CONT'D)  
I got lost on my way back  
from my embroidery lesson

**01:19:10:19**

OLENNA (CONT'D - OS)  
and happened upon his chamber.

Maergery smiles at Olenna

**01:19:12:26**

(laughs)

**01:19:14:06**

OLENNA (CONT'D)  
How absentminded of me.

MARGAERY  
Mm-hmm.

**01:19:16:19**

OLENNA  
The following morning,  
Luthor never made it down the stairs

**01:19:20:25**

OLENNA (CONT'D)  
to propose to my sister  
'cause the boy couldn't bloody walk.

**01:19:24:09**

OLENNA (CONT'D)  
And once he could,

the only thing he wanted

**01:19:26:26**

OLENNA (CONT'D)  
was what I'd given him the night before.

**01:19:29:07**

OLENNA (CONT'D - OS)  
I was good.

**01:19:31:12**

OLENNA (CONT'D)  
I was very, very good.

**01:19:35:27**

OLENNA (CONT'D)  
You are even better.

**01:19:38:18**

OLENNA (CONT'D)  
But you need to act quickly.

**01:19:40:09**

OLENNA (CONT'D)  
Cersei may be vicious,  
but she's not stupid.

**01:19:44:07**

OLENNA (CONT'D)  
She'll turn the boy against you  
as soon as she can.

**01:19:47:05**

OLENNA (CONT'D)  
And by the time you're married,  
it'll be too late.

Olenna brushes Margaery's hair behind her  
shoulder.

**01:19:50:08**

OLENNA (CONT'D)  
Luckily for you, the Queen Regent

**01:19:52:13**

OLENNA (CONT'D)  
is rather distracted at the moment.

01:19:54:09

OLENNA (CONT'D - OS)  
mourning her dear departed boy.

01:19:56:23

OLENNA (CONT'D - OS)  
Accusing her brother of his murder,

01:19:59:02

OLENNA (CONT'D)  
which he didn't commit.

01:20:01:03

MARGAERY  
Well, he could have done.

01:20:02:10

OLENNA  
He could have done, but he didn't.

01:20:04:09

MARGAERY  
You don't know, Grandmother.

OLENNA  
But I do know.

01:20:07:10

OLENNA (CONT'D - OS)  
You don't think I'd let you  
marry that beast, do you?

01:20:13:00

MARGAERY  
What? I don't understand.

01:20:16:02

OLENNA  
Shh. Don't you worry yourself about all that.  
  
Orlenna adjusts Margaery's necklace.

**01:20:21:27**

OLENNA (CONT'D)

You just do what needs to be done.

Margaery stares at Orlenna.

**01:20:25:25**

JON (OS)

Bring it through!

**01:20:27:23**

EXT. THE WALL - DAY.

(swords clanging)

**01:20:35:02**

Two men are swordfighting.

JON (CONT'D)

And again.

**01:20:42:25**

JON

(laughs)

They stop swordfighting.

JON (CONT'D)

Very nice. Good.

**01:20:46:13**

JON (CONT'D)

A lot of wildlings fight  
with a weapon in each hand.

**01:20:49:09**

JON (CONT'D)

First thing you want to do

**01:20:52:07**

Jon addresses a group of onlooking men.

JON (CONT'D)  
is disarm them to try and even the odds.

Jon hands his sparing partner a sword.  
They stand off and Jon's sparing partner  
lunges at him. Jon bests him.

**01:21:08:27**

JON (CONT'D)  
Let's see what you can do.

Olly smiles.

**01:21:12:13**

Olly steps forward

JON (CONT'D)  
Olly, you just watch for now.

**01:21:14:11**

OLLY  
I can fight.

**01:21:15:16**

JON  
Have you ever held a sword before?

**01:21:17:19**

OLLY  
I was the best archer in our hamlet.

**01:21:19:19**

(men laugh)

OLLY (CONT'D)  
I was!

**01:21:22:00**

GRENN  
I believe you.

**01:21:24:07**

GRENN (CONT'D)

We'll go hunting for rabbits one day.

**01:21:26:01**

GRENN (CONT'D)

Right now, watch and learn.

Olly hangs his head and steps back.

**01:21:30:02**

Jon points his sword at two men in the group.

JON

You two.

**01:21:32:04**

JON (CONT'D)

Take it slow, try and disarm each other.

Jon hands his sword to one of the men.  
They go to fight.

**01:21:43:03**

(shouts)

**01:21:47:11**

(groans)

Locke hits his opponent in the face and he falls to the ground.

**01:22:01:02**

JON (CONT'D)

You know how to fight.

**01:22:02:27**

JON (CONT'D)

You could have gone easier on him.

**01:22:05:12**

LOCKE

He wouldn't have learned anything that way.

01:22:07:22

ALLISER (OS)  
Lord Snow.

01:22:10:22

Alliser enters the practice area and walks  
toward Jon and Locke.

ALLISER  
What do you think you're doing?

01:22:13:11

JON  
Grenn and I were helping them.

01:22:15:26

ALLISER  
Grenn's a ranger. You're a steward.

01:22:17:26

ALLISER (CONT'D)  
Maybe you forgot that while  
you were off with your wildling bitch,

01:22:21:07

ALLISER (CONT'D)  
but I didn't.

01:22:23:09

JON  
Someone has to train them.

01:22:25:20

ALLISER  
And that someone isn't you.

01:22:27:17

ALLISER (CONT'D)  
Go find a chamber pot to empty.

Jon moves toward Alliser and stares him  
down.

01:22:32:11

ALLISER (CONT'D)

Go on. Do it.

01:22:35:02

ALLISER (CONT'D)  
You traitor's bastard.

01:22:37:06

ALLISER (CONT'D)  
Give me an excuse.

01:22:39:07

ALLISER (CONT'D)  
Mormont's not here to protect you now.

Jon stares at Alliser and then walks away.

01:22:53:00

ALLISER (CONT'D)  
Get back to work.

01:22:55:15

ALLISER (CONT'D)  
Now!

01:22:57:28

ALLISER (CONT'D - OS)  
I said now!

01:23:03:22

SLYNT  
The bastard's well-liked.  
You're not.

01:23:06:28

ALLISER  
You think I care if they like me?  
We're at war.

01:23:09:10

SLYNT  
For now.

01:23:10:26

SLYNT (CONT'D)  
But you can't be acting commander forever.

**01:23:13:06**

SLYNT (CONT'D)  
There will be a choosing.

**01:23:15:09**

SLYNT (CONT'D)  
The old maester will insist on it.

**01:23:17:10**

SLYNT (CONT'D)  
You might reconsider

**01:23:19:27**

SLYNT (CONT'D)  
his request to march on Craster's.

**01:23:22:18**

SLYNT (CONT'D)  
Let the mutineers take care of Snow.

**01:23:26:02**

Alliser and Slynt look at each other.

SLYNT (CONT'D)  
Or you might be taking orders from him

**01:23:28:19**

SLYNT (CONT'D)  
the rest of your life.

Alliser walks away and Slynt stays to look on. Jon chooses another sword from the stockpile.

**01:23:45:21**

Locke approaches Jon at the weapon's stockpile.

LOCKE  
A bastard, eh?

**01:23:47:08**

LOCKE  
Took you for highborn.

**01:23:51:11**

JON  
My father was highborn.

01:23:53:09

JON  
My mother wasn't.

01:23:58:07

LOCKE  
Name's Locke.

Locke reaches out to shake Jon's hand.

01:24:02:21

Locke and Jon Snow shake hands.

JON  
Jon Snow.

01:24:07:15

JON (CONT'D - OS)  
You fight well.

01:24:08:29

JON (CONT'D)  
What brought you up here?

01:24:10:19

LOCKE  
A sense of duty.

01:24:12:19

LOCKE (CONT'D)  
I wanted to do my part  
for the safety of the realm.

01:24:16:29

(laughs)

01:24:18:26

LOCKE (CONT'D)  
I was a game warden in the Stormlands.

01:24:21:09

LOCKE (CONT'D)

Fed a prized partridge to my hungry kids.

**01:24:24:02**

LOCKE (CONT'D)

I was stupid enough to get caught.

**01:24:25:24**

LOCKE (CONT'D)

Chose the Wall over losing my hand.

**01:24:28:05**

LOCKE (CONT'D)

Figured I wouldn't have to  
suck up to any highborn cunts here.

They both look over to Alliser yelling at people.

**01:24:31:24**

ALLISER

Come on, get on with it.

**01:24:34:03**

ALLISER (CONT'D)

What are you waiting for? Summer?

**01:24:35:23**

LOCKE

Guess I was wrong.

Jon smiles.

**01:24:39:14**

INT. CERSEI'S CHAMBERS - NIGHT

(knocking)

**01:24:43:29**

Wine is being poured.

(knocking)

**01:24:48:01**

(knocking)

Cersei takes a drink and ignores the knocking.

**01:24:57:14**

JAIME (OS)

You sent for me, Your Grace?

**01:24:59:17**

CERSEI  
Your Grace.

**01:25:01:18**

CERSEI (CONT'D)  
How formal of you.

**01:25:05:10**

CERSEI (CONT'D)  
How many Kingsguards are posted  
outside Tommen's door?

**01:25:08:19**

JAIME  
Ser Boros is on duty tonight.

**01:25:12:03**

JAIME  
Tomorrow I believe...

Jaime enters and closes the door.

CERSEI  
...So one?

**01:25:15:21**

CERSEI  
You have one man guarding the future king?

**01:25:18:16**

JAIME  
I promise you Tommen's safe.

**01:25:20:17**

JAIME (CONT'D)  
We're protecting him.

Jaime walks down the stairs into the room.

**01:25:22:00**

CERSEI  
The way you protected Joffrey?

**01:25:26:14**

CERSEI (CONT'D)  
Why did Catelyn Stark set you free?

**01:25:28:29**

JAIME  
What?

CERSEI  
I've been wondering for months.

**01:25:31:24**

CERSEI (CONT'D)  
Ever since that great cow  
brought you back to the capital.

**01:25:36:14**

CERSEI (CONT'D - OS)  
Why did she set you free?

**01:25:38:06**

JAIME  
You know why. She'd hoped  
I'd send her daughters back to her.

Cersei gets up from her seat and walks around  
toward Jaime.

**01:25:46:06**

CERSEI  
She hoped or did you promise?

**01:25:48:04**

JAIME  
I swore by all the gods

01:25:50:00

JAIME (CONT'D)  
that if her daughters were alive,  
I'd return them to her.

01:25:52:12

CERSEI  
So you made a sacred vow to the enemy.

01:25:54:15

JAIME  
I wanted to get back to you.

01:25:58:07

JAIME (CONT'D)  
Should I have told her to fuck off?

01:25:59:28

CERSEI  
You didn't mean it, then?

01:26:02:01

CERSEI (CONT'D)  
You have no loyalty to Catelyn Stark?

01:26:05:00

JAIME  
Catelyn Stark's dead.

01:26:06:24

CERSEI  
So if I told you to  
leave the capital right now  
and find Sansa,

01:26:09:08

CERSEI (CONT'D - OS)  
if I told you to find  
that murderous little bitch

01:26:13:08

CERSEI (CONT'D)  
and bring me her head,

01:26:15:13

CERSEI (CONT'D)  
would you do it?

Jaime stares at Cersei in silence.

01:26:22:07

CERSEI (CONT'D)  
I know you went to see Tyrion.

Jaime nods.

01:26:26:19

CERSEI (CONT'D)  
That creature who murdered our son.

01:26:32:23

JAIME  
I had to see him.

01:26:35:03

JAIME (CONT'D)  
I had to know for myself.

01:26:36:19

CERSEI  
And?

01:26:40:07

Jaime walks toward Cersei.

JAIME  
He didn't do it, Cersei.

01:26:42:26

CERSEI  
You've always pitied him.

01:26:45:10

CERSEI (CONT'D)  
Our poor little brother.

01:26:48:20

Cersei walks away from Jaime.

CERSEI (CONT'D)

Abused by the world.

**01:26:50:13**

CERSEI (CONT'D)

Despised by his father and sister.

**01:26:52:18**

CERSEI (CONT'D)

He'd kill us all if he could.

**01:26:58:04**

Cersei turns toward Jaime.

CERSEI (CONT'D)

I want four men at Tommen's door day and night.

Jaime starts to walk toward Cersei.

**01:27:03:11**

CERSEI (CONT'D)

That will be all, Lord Commander.

**01:27:33:13**

(sighs)

**01:27:38:16**

INT. - TOMMEN'S CHAMBERS - NIGHT.

(door opens)

**01:27:40:11**

TOMMEN

Ser Pounce?

Tommen sits up in bed.

**01:27:45:18**

(door creaks)

**01:27:49:19**

(door closes)

**01:27:56:12**

Margaery enters Tommen's chambers and walks toward his bed.

TOMMEN (OS)  
How did you get past the Kingsguard?

**01:27:58:18**

MARGAERY  
Kingsguard.

Margaery approaches Tommen's bedside.

**01:28:02:24**

TOMMEN  
I don't think you're supposed to be here.

**01:28:06:01**

TOMMEN (CONT'D)  
Mother doesn't allow me  
to have visitors at night.

**01:28:08:29**

MARGAERY  
I'm not a visitor, Your Grace.

**01:28:11:14**

MARGAERY (CONT'D)  
Word has it I'm to be your bride.

**01:28:19:23**

MARGAERY (CONT'D)  
Did you know that people  
in arranged marriages

**01:28:22:11**

MARGAERY (CONT'D)  
often never meet until their wedding day?

Margaery sits down on Tommen's bed.

**01:28:28:04**

MARGAERY (CONT'D - OS)  
Before we decide to spend our lives together,

**01:28:31:21**

MARGAERY (CONT'D)  
we ought to get to know one another.

01:28:33:29

MARGAERY (CONT'D)  
Don't you think?

01:28:37:19

TOMMEN  
Yes.

01:28:39:16

TOMMEN  
But if my mother found out--

01:28:41:18

MARGAERY  
It can be our secret. Hmm?

01:28:46:06

MARGAERY (CONT'D)  
If we're going to be man and wife,

01:28:48:22

MARGAERY (CONT'D)  
we'll have a few secrets from her, I hope.

01:28:54:02

MARGAERY (CONT'D - OS)  
So, Your Grace...

01:28:56:17

TOMMEN  
Yes?

01:28:58:28

MARGAERY (CONT'D)  
Tell me a secret.

01:29:05:24

(cat meows)

Ser Pounce jumps up on Tommen's bed.

(laughs)

01:29:09:05

MARGAERY (CONT'D)  
Hello. Aren't you a proper fellow?

01:29:11:18

TOMMEN  
That's Ser Pounce.

01:29:13:29

MARGAERY  
Very handsome.

01:29:18:11

TOMMEN (OS)  
Joffrey didn't like him.

01:29:19:27

TOMMEN (CONT'D)  
He threatened to skin him alive

01:29:22:11

TOMMEN (CONT'D)  
and mix his innards up in my food

01:29:24:05

TOMMEN (CONT'D)  
so I wouldn't know I was eating him.

01:29:26:00

MARGAERY  
That's very cruel.

01:29:28:27

MARGAERY (CONT'D)  
You don't strike me as cruel.

01:29:33:06

TOMMEN  
No.

01:29:34:29

TOMMEN (CONT'D)  
I don't think I am.

01:29:36:26

MARGAERY  
That's a relief.

01:29:38:27

MARGAERY (CONT'D)

Because you know what happens when we marry?

01:29:41:06

TOMMEN

We say our vows in front of the high septon.

01:29:43:19

TOMMEN (CONT'D)

And after the ceremony, there's a feast--

01:29:45:14

MARGAERY

When we marry, I become yours.

01:29:47:24

MARGAERY (CONT'D)

Forever.

01:29:52:06

MARGAERY (CONT'D)

It's getting late.

01:29:53:27

(sighs)

01:29:55:22

MARGAERY (CONT'D)

I should go.

01:29:58:07

MARGAERY (CONT'D)

May I come and visit you again?

Tommen nods.

01:30:02:06

(laughs)

MARGAERY (CONT'D)

All right, then.

01:30:09:22

MARGAERY (CONT'D)  
Remember,

Margaery leans in toward Tommen.

**01:30:11:15**

MARGAERY (CONT'D)  
our little secret.

Margaery kisses Tommen on the forehead and  
exits.

**01:30:28:19**

[MUSIC IN]

**01:30:46:07**

Tommen lays back down.

(door closes)

**01:30:52:03**

INT. CASTLE - DAY

Jaime is walking around a table.

BRIENNE (OS)  
Ser Jaime Lannister.

**01:30:53:24**

BRIENNE (CONT'D - OS)  
Knighted and named to the Kingsguard  
in his 16th year.

**01:30:57:16**

BRIENNE (CONT'D - OS)  
At the sack of King's Landing,

**01:31:00:04**

MARGAERY (CONT'D - OS)  
murdered his king Aerys II.

01:31:02:19

MARGAERY (CONT'D)  
Pardoned by Robert Baratheon.

01:31:07:04

MARGAERY (CONT'D)  
Thereafter known as "the Kingslayer."

01:31:09:06

JAIME  
It's the duty of the Lord Commander  
to fill those pages.

01:31:15:18

Jaime looks at his sword.

JAIME (CONT'D)  
And there's still room left on mine.

Jaime walks to his sword to pick it up. He  
walks over to hand it to Brienne.

01:31:48:13

BRIENNE  
Valyrian steel.

01:31:50:28

JAIME (OS)  
Mmm.

01:31:53:15

JAIME (CONT'D)  
It's yours.

01:31:54:25

BRIENNE  
I can't accept this.

01:31:56:17

JAIME (OS)  
It was reforged from Ned Stark's sword.

01:31:58:27

JAIME (CONT'D)  
You'll use it to defend Ned Stark's daughter.

**01:32:03:18**

JAIME (CONT'D)  
You swore an oath to return  
the Stark girls to their mother.

**01:32:07:18**

JAIME (CONT'D)  
Lady Stark's dead.

**01:32:09:28**

JAIME (CONT'D)  
Arya's probably dead, too,

**01:32:12:03**

JAIME (CONT'D - OS)  
but there's still a chance to find Sansa  
and get her somewhere safe.

**01:32:16:15**

JAIME (CONT'D)  
I've got something else for you.

Jaime walks across the room and uncovers a  
suit of armor.

**01:32:36:26**

Brienne walks toward the armor and touches  
it.

JAIME (CONT'D - OS)  
I hope I got your measurements right.

**01:32:41:24**

BRIENNE  
I'll find her.

Jaime nods.

**01:32:45:06**

BRIENNE (CONT'D - OS)  
For Lady Catelyn.

**01:32:51:10**

BRIENNE (CONT'D)

And for you.

01:32:59:28

JAIME  
I almost forgot.

01:33:03:00

JAIME (CONT'D)  
I have one more gift.

01:33:09:03

EXT. KING'S LANDING - DAY

Jaime stands next to a young man.

BRIENNE  
I don't need a squire.

01:33:11:00

JAIME  
Of course you do.

01:33:12:28

BRIENNE  
He'll slow me down.

01:33:14:12

JAIME  
My brother owes him a debt.  
He's not safe here.

01:33:17:02

JAIME (CONT'D)  
You're keeping him from harm.  
It's chivalry.

01:33:19:17

PODRICK  
I won't slow you down, ser--

01:33:24:01

PODRICK (CONT'D)  
my lady.

01:33:26:05

PODRICK (CONT'D - OS)  
I promise I'll serve you well.

01:33:28:13

JAIME  
See? He's a good lad. You'll get along.

01:33:35:27

Bronn approaches Podrick, touches him on the shoulder and hands him an axe.

BRONN  
Compliments of Lord Tyrion.

01:33:38:10

BRONN (CONT'D)  
His axe from the Blackwater.

01:33:46:16

BRONN (CONT'D)  
What are you waiting for, a kiss?

01:33:50:04

BRONN (CONT'D)  
Ready the lady's horse.

Podrick walks to the horses.

01:34:01:24

Jaime looks down at Brienne's sword in its sheath.

JAIME  
They say the best swords have names.

01:34:04:08

JAIME  
Any ideas?

01:34:11:16

BRIENNE  
Oathkeeper.  
Jaime nods.

01:34:25:08

JAIME  
Good-bye, Brienne.

Brienne leaves.

[MUSIC IN]

**01:34:50:15**

Brienne and Podrick ride away.

PODRICK  
Come on, move.

Brienne looks back at Jaime.

**01:35:17:08**

INT. CASTLE LIBRARY - NIGHT.

SAM (OS)  
I should never have taken her away.

**01:35:19:21**

JON (OS)  
She wasn't safe here.

SAM  
She's not safe out there.

**01:35:22:24**

SAM (CONT'D)  
I should have known.

**01:35:24:20**

SAM (CONT'D)  
You told us there were wildlings  
south of the Wall.

**01:35:26:20**

SAM (CONT'D - OS)  
If they're raiding the smaller villages,  
Mole's Town could be next.

**01:35:29:20**

JON

Castle Black could be next.

SAM  
I should go back for Gilly.

01:35:32:29

JON (OS)  
We have orders.  
No one's to leave the castle.

01:35:34:15

SAM  
I remember when you disobeyed orders  
and rode south to help Robb.

01:35:37:04

JON  
And I remember who came after me  
and brought me home.

01:35:41:27

JON (CONT'D)  
I know how hard it is, Sam, believe me.

01:35:46:29

JON (CONT'D)  
When you told me about Bran  
going beyond the Wall,

01:35:49:27

JON (CONT'D)  
all I could think about was getting my strength  
back so I could go and find him.

01:35:54:09

SAM  
I wish I could have convinced him  
to come back with me.

01:35:58:16

SAM (CONT'D)  
I tried. Really, I did.

01:36:03:20

JON  
How fast could they travel?

01:36:05:29

JON (CONT'D)  
A crippled boy being  
pulled on a sledge by a simpleton?

01:36:09:15

SAM (OS)  
I don't know.

01:36:11:02

SAM (CONT'D - OS)  
They'd pass wildling villages.

01:36:13:10

SAM (CONT'D - OS)  
They could try to find shelter  
at one of them.

01:36:17:29

JON  
The wildlings have joined up with Mance.

01:36:20:24

JON (CONT'D)  
Every village or sheltered place  
will be deserted.

Sam walks over to stand next to Jon and look  
at the map.

01:36:27:13

JON (CONT'D)  
Except...

Locke walks in without being seen.

01:36:32:21

JON (CONT'D - OS)  
Craster's?

01:36:35:02

SAM (CONT'D)  
You think Bran might have found--

01:36:37:14

LOCKE  
Snow.

Jon and Sam turn to look at Locke.

**01:36:39:27**

LOCKE (CONT'D)  
I don't mean to interrupt.

**01:36:41:18**

LOCKE (CONT'D)  
Thorne wants to see you.

Locke exits.

**01:36:47:02**

INT. CASTLE HALL - DAY.

Alliser is eating.

ALLISER  
Your foray to Craster's Keep,

**01:36:50:13**

ALLISER (CONT'D)  
I'll sanction it.

**01:36:52:13**

ALLISER (CONT'D - OS)  
But I won't order anyone to go with you.

**01:36:56:11**

ALLISER (CONT'D)  
Volunteers only.

**01:36:59:01**

JON  
Thank you, Ser Alliser.

**01:37:04:19**

(men chatting)  
Jon walks toward the men to address them.

**01:37:11:13**

JON (CONT'D)  
Ahem, brothers.

**01:37:13:26**

(chatter continues)

**01:37:17:13**

(pounds)

The men look at Jon.

**01:37:25:06**

JON (CONT'D)

I'm going beyond the Wall  
to Craster's Keep.

**01:37:28:00**

JON (CONT'D - OS)

I'm going to capture the mutineers  
holed up there or kill them.

**01:37:32:12**

JON (CONT'D - OS)

I'm asking for volunteers to come with me.

**01:37:36:24**

JON (CONT'D)

There's 60 miles of wilderness  
between here and Craster's

**01:37:39:18**

JON (CONT'D)

and Mance Rayder has an army  
bearing down on us,

**01:37:42:16**

JON (CONT'D)

but we have to do this.

**01:37:44:23**

JON (CONT'D - OS)

Our survival may depend on

**01:37:47:28**

JON (CONT'D - OS)

us getting to these mutineers  
before Mance does.

**01:37:50:21**

JON (CONT'D)

They know the Wall.

They know our defenses.

**01:37:54:13**

JON (CONT'D)  
If Mance learns what they know,  
we're lost.

**01:37:59:29**

JON (CONT'D)  
But if that's not enough,

**01:38:02:12**

JON (CONT'D)  
then consider this.

**01:38:04:29**

JON (CONT'D - OS)  
If the Night's Watch are truly brothers,

**01:38:07:09**

JON (CONT'D)  
then Lord Commander Mormont was our father.

**01:38:11:17**

JON (CONT'D)  
He lived and died for the Watch

**01:38:13:19**

JON (CONT'D)  
and he was betrayed by his own men.

**01:38:16:03**

JON (CONT'D)  
Stabbed in the back by cowards.

**01:38:17:25**

JON (CONT'D - OS)  
He deserved far better.

**01:38:19:21**

JON (CONT'D - OS)  
All we can give him now is justice.

**01:38:24:20**

JON (CONT'D)  
Who will join me?

Volunteers begin to stand up one by one. Jon nods at each.

**01:39:16:07**

Locke stands.

JON (CONT'D)

I can't let a recruit come north of the Wall.

**01:39:19:00**

LOCKE

Then let me say my vows.

**01:39:21:13**

LOCKE (CONT'D)

If it's a fight you're heading for,  
then you need men who know how.

**01:39:37:00**

Jon turns back to look at Alliser then back to the other men.

JON

Thank you, brothers.

**01:39:44:21**

INT. - ENCAMPMENT - NIGHT.

(women whimpering)

**01:39:46:17**

WOMAN (OS)

No, don't.

**01:39:48:20**

WOMAN (CONT'D - OS)

Don't, please.

**01:39:51:17**

WOMAN (CONT'D - OS)

Please don't. Ow!

**01:39:53:19**

WOMAN (OS)

You're hurting me.

**01:40:01:07**

Karl drinks from a skull.

KARL (CONT'D)

Karl Tanner from Gin Alley

**01:40:05:03**

KARL (CONT'D)

drinking wine from the skull

**01:40:08:10**

KARL (CONT'D)

of Jeor fucking Mormont.

Karl pours wine down his throat and over his face.

**01:40:18:01**

Karl talks to the skull.

KARL (CONT'D)

Any command for us, Lord Commander?

**01:40:22:05**

KARL (CONT'D)

What's that?

**01:40:24:19**

KARL (CONT'D)

Fuck 'em till they're dead?

A man bends a naked woman over and fucks her from behind.

**01:40:27:04**

(whimpers)

KARL (CONT'D)

Did you hear that, boys?

**01:40:30:24**

KARL (CONT'D)

Fuck 'em till they're dead.

Karl throws the woman sitting next to him  
down on the ground.

**01:40:40:00**

KARL (CONT'D)  
Rast.

Rast is kissing the back of a woman sitting  
on his lap.

**01:40:46:24**

KARL  
Go outside and feed the beast.

Karl throws a piece of meat at Rast.

**01:40:49:03**

RAST  
We should kill that thing.

**01:40:52:20**

KARL  
You should shut your fucking hole,

**01:40:55:13**

KARL (CONT'D)  
ugly little cunt.

**01:40:58:18**

KARL (CONT'D - OS)  
You look like a fucking ballsack.

**01:41:01:28**

KARL (CONT'D - OS)  
Ugly. Look at your stupid cunt face.

**01:41:04:27**

KARL (CONT'D)  
I could piss in any gutter  
and soak five of you.

**01:41:10:07**

KARL (CONT'D)

Know how much they paid me  
to kill a man in King's Landing?

**01:41:13:24**

KARL (CONT'D)  
Seven silvers.

A woman sits stone faced and silent,  
listening to Karl.

**01:41:16:12**

KARL (CONT'D)  
They told me a man's name  
and that man never saw daylight again.

**01:41:20:09**

KARL (CONT'D)  
None of them cocksuckers got away from me.

**01:41:26:24**

Karl gets up and walks toward Rast and the  
fire.

KARL (CONT'D)  
Haven't lost a fight since I was nine.

**01:41:31:09**

KARL (CONT'D)  
Maybe it's time.

**01:41:33:15**

KARL (CONT'D)  
What do you think, eh?

Karl kicks Rast.

**01:41:36:08**

KARL (CONT'D)  
Maybe you're the man.

**01:41:39:11**

KARL (CONT'D - OS)  
Eh, cunt?

Karl slaps at Rast.

**01:41:44:22**

RAST  
I wouldn't stand a chance.

**01:41:48:03**

RAST (CONT'D)  
None of us would.

**01:41:49:10**

KARL  
I was a fucking legend in Gin Alley.

**01:41:52:12**

KARL (CONT'D)  
A fucking legend!

**01:41:55:16**

KARL (CONT'D)  
I would take any knight--

**01:41:57:05**

KARL (CONT'D)  
any knight, any time.

**01:42:00:02**

KARL (CONT'D)  
Fucking cunts in steel plate.  
Fucking cowards.

**01:42:08:10**

(baby fussing)

**01:42:11:29**

Morag approaches the fire with a baby in her arms.

WOMEN  
A gift for the gods. A gift for the gods.  
A gift for the gods.

**01:42:17:09**

KARL  
What the fuck is that?

01:42:18:22

MORAG  
Craster's last child. A boy.

01:42:22:01

KARL  
What am I supposed to do with him?

01:42:23:21

KARL (CONT'D - OS)  
What did Craster do with 'em?

01:42:26:19

KARL (CONT'D)  
Kill 'em before they could grow up  
and do the same to him?

01:42:31:00

KARL (CONT'D)  
All right.

Karl draws a dagger.

01:42:36:03

KARL (CONT'D)  
Don't need another mouth to feed.

01:42:37:28

KARL (CONT'D)  
Hand him over.

MORAG  
He didn't kill them.

01:42:41:05

MORAG (CONT'D)  
He offered them.

KARL  
To who?

01:42:43:23

MORAG  
To the gods.

**01:42:45:28**

KARL  
The white walkers.

**01:42:48:06**

WOMEN  
A gift for the gods. A gift for the gods. A gift  
for the gods. A gift for the gods. A gift for the  
gods. A gift for the gods.

**01:42:55:23**

KARL  
Shut up!

**01:43:03:19**

KARL  
So...

Karl returns his dagger to its sheath.

**01:43:08:02**

Karl takes the baby.

KARL (CONT'D)  
if it worked for him...

**01:43:10:21**

(crying)

**01:43:12:14**

KARL  
Let's give the walkers what they want.

**01:43:17:11**

(baby crying)

**01:43:22:11**

Karl hands the baby to Rast.

KARL  
Rast is headed that way.

**01:43:42:27**

EXT. FOREST - NIGHT.

Rast walks through the forest carrying the baby.

(baby fussing)

Rast puts the baby on the ground and covers it up.

**01:44:19:04**

Rast leaves the baby on the ground and walks away.

(crying)

**01:44:35:06**

(loud breathing)

**01:44:44:17**

(growling)

A wolf is eyeing Rast.

**01:44:51:19**

Rast approaches the wolf.

RAST  
Pink-eyed fuck.

**01:44:57:02**

RAST (CONT'D)  
You thirsty?

Rast takes a drink.

**01:45:09:24**

Rast pours some drink on the ground in front of the wolf.

(growls)

**01:45:18:21**

(growls)

The wolf lunges at Rast and knocks him to the ground.

RAST (CONT'D)

Fuck!

**01:45:25:13**

Rast gets up.

(crows cawing)

**01:45:28:08**

(wind howling)

**01:45:37:10**

Rast looks down at the ground.

(ice crackling)

Rast looks up and then runs away.

**01:45:45:12**

(barks)

**01:45:50:22**

(baby crying)

**01:45:54:20**

Hodor and Bran are sitting around a campfire with others.

HODOR

Hodor.

**01:46:02:17**

BRAN

Do you hear that?

They look out into the woods.

**01:46:10:15**

MEERA

Is that a baby?

01:46:12:11

JOJEN  
It's coming.

01:46:14:29

BRAN  
I'm going out there.

01:46:16:19

MEERA  
No, we need to stay together.

01:46:18:25

BRAN  
I'm going.

Bran closes his eyes and their wolf runs out  
into the woods.

01:46:28:26

(whines)

01:46:37:26

(baby crying)

01:46:46:12

(wolf howling)

01:46:59:23

(growls)

01:47:01:21

The wolf falls.

Bran startles and opens his eyes.

MEERA  
Bran. Bran.

HODOR (OS)  
Hodor. Hodor.

01:47:04:24

HODOR (CONT'D - OS)  
Hodor.

Meera runs over to Bran.

MEERA  
Bran, what happened?

**01:47:06:14**

BRAN  
Summer, he's hurt. They've caught him in a trap.

**01:47:09:06**

MEERA  
Who?

**01:47:10:18**

BRAN  
I didn't see, but they have my brother's wolf.

**01:47:14:27**

BRAN (CONT'D)  
They have Ghost.

**01:47:22:13**

EXT. ENCAMPMENT IN THE WOODS - DAY

The group lays in hiding onlooking the  
encampment.

BRAN (CONT'D - OS)  
They're Night's Watch.

**01:47:24:03**

BRAN (CONT'D)  
Look.

**01:47:26:06**

BRAN (CONT'D - OS)  
Jon might be here.

**01:47:28:16**

MEERA  
If Jon was here, why would they  
put his wolf in a cage?

**01:47:32:01**

(woman whimpering)

**01:47:34:11**

(men shouting)

**01:47:38:10**

MEERA

They might have been  
Night's Watch once, not anymore.

**01:47:40:19**

MEERA

We're not safe here. We need to go.

**01:47:42:14**

BRAN

No.

**01:47:44:01**

MEERA

Bran, we need to go now.

**01:47:46:14**

BRAN

I'm not leaving without Summer.

**01:47:55:05**

MEERA

Can you remember where the cage was?

**01:47:56:24**

BRAN

The east side of the keep.

KARL (CONT'D)  
This is nice.

**01:49:15:20**  
KARL (CONT'D)  
Fine leather.

**01:49:19:11**  
KARL (CONT'D)  
You're no wildling.

**01:49:21:13**  
KARL (CONT'D)  
Important. Highborn.

**01:49:26:08**  
KARL (CONT'D)  
Who are you?

Bran says nothing and Karl stands up and  
slaps him in the face.

**01:49:36:08**  
(grunts)

**01:49:37:25**  
KARL (CONT'D)  
You see, where I come from,

**01:49:39:16**  
KARL (CONT'D)  
a commoner like me slaps  
a little lord like you,

01:49:42:01

KARL (CONT'D)  
I'd lose my right hand.

01:49:44:11

KARL (CONT'D)  
But we're a long way  
from home, aren't we?

01:49:49:23

KARL (CONT'D)  
And the two of you,

01:49:51:27

KARL (CONT'D)  
fancy-looking folks north of the Wall

01:49:55:15

KARL (CONT'D)  
creeping through the woods.

01:49:58:28

KARL (CONT'D)  
Isn't that a bit odd?

01:50:04:21

KARL (CONT'D)  
I like your curly hair.

Karl runs his hands over Meera's hair and  
grabs hold of her head.

01:50:08:19

KARL (CONT'D)  
My mom had curls like that.

01:50:11:26

KARL (CONT'D)  
Beautiful brown curls.

01:50:16:12

KARL (CONT'D)  
Why'd you drag a crippled boy  
all the way up here?

Karl releases Meera.

**01:50:24:27**

KARL (CONT'D)

See you haven't played this game before.

**01:50:28:14**

KARL (CONT'D - OS)  
A highborn hostage,

**01:50:30:26**

KARL (CONT'D - OS)  
that's valuable.

**01:50:33:23**

KARL (CONT'D - OS)  
But three of them,

**01:50:36:09**

KARL (CONT'D)  
that's a lot of mouths to feed.

Karl draws his dagger.

**01:50:40:19**

Jojen falls to the ground convulsing.

RAST

What the fuck's wrong with him?

Meera goes to Jojen's side. Karl grabs her  
and puts his dagger to her throat.

KARL

Come here.

**01:50:42:16**

(screams)

MEERA

No, please.

**01:50:44:19**

MEERA (CONT'D)

Please. Please, let me help him.

**01:50:46:05**

And I thought this was
