EXT. SEA PASSAGE INTO BRAAVOS – DAY

(seagulls calling)

01:01:59:13

(men shouting)

01:02:46:29

INT. THE IRON BANK – DAY

Stannis paces back and forth in front of Davos.

DAVOS

Your Grace, if you'd like to sit, I'm sure that--

01:02:49:23

STANNIS

We've been here since midday.

01:03:00:28

DAVOS (OS)

Easterners have a different sense of time,
I've often found.

DAVOS (CONT'D)

Once I was waiting for Salladhor Saan
here in Braavos.

DAVOS (CONT'D)

Together, we were going to run

DAVOS (CONT'D)

three shiploads of the finest--

Davos stops speaking. Stannis continues pacing, faster now.

01:03:31:11

(doors open)

Tycho enters with two attendants.

01:03:40:17

Tycho sits at his desk. Stannis and Davos stand opposite him on the other side of the desk.

TYCHO
Welcome to the Iron Bank.

TYCHO (CONT'D)
Please, sit.

Tycho extends his hand and welcomes Stannis to sit. Stannis slowly crosses the room and sits down.

TYCHO (CONT'D)
What can we do for you, Lord Stannis?

01:04:11:06

Davos steps forward to stand beside Stannis and introduce him.

DAVOS
This is Stannis of the House Baratheon,

DAVOS (CONT'D – OS)
King of the Andals and the First Men,

DAVOS (CONT'D)
Lord of the Seven Kingdoms and
Protector of the Realm.

Tycho gestures for Davos to sit. Davos sits down.

01:04:22:12

TYCHO (OS)
The Iron Throne is currently occupied

TYCHO (CONT'D)
by Tommen of the House Baratheon,

TYCHO (CONT'D)
King of the Andals and the First Men,

TYCHO (CONT'D)
Lord of the Seven Kingdoms and
Protector of the Realm.

01:04:31:02

STANNIS
He shares no blood with me.

STANNIS (CONT'D - OS)
He is a bastard born of incest.

Tycho smiles.

STANNIS (CONT'D - OS)
As was his brother before him.

01:04:39:04

TYCHO
Yes, we have heard this story.

01:04:41:26

STANNIS
It's not a story. It's the truth.

01:04:44:18

TYCHO
The king's grandfather tells a different story.

TYCHO (CONT'D)
A story about a jealous uncle

TYCHO (CONT'D - OS)
whose attempts to usurp the throne
from the rightful king

TYCHO (CONT'D - OS)
cost the Seven Kingdoms dearly
in blood and gold.

01:04:57:18

STANNIS
Gold you loaned him.

01:04:59:13

TYCHO (OS)
And you feel your blood gives you
a claim on our gold?

01:05:03:18

STANNIS
More than any man living.

01:05:06:09

TYCHO
Across the Narrow Sea, your books are filled

TYCHO (CONT'D)
with words like “usuper” and “madman”

TYCHO (CONT'D)
and “blood right.”

TYCHO (CONT'D)
Here, our books are filled with numbers.

TYCHO (CONT'D)
We prefer the stories they tell.

TYCHO (CONT'D)
More plain.

TYCHO (CONT'D)
Less open to interpretation.

TYCHO (CONT'D)
How many fighting men remain loyal
to you?

01:05:30:28

STANNIS
4,000

01:05:32:14

TYCHO (OS)
And how many ships do you have?

Davos begins to interject.

TYCHO (CONT'D - OS)
The ones still afloat, Ser Davos, not at the bottom
of Blackwater Bay.

01:05:40:21

DAVOS
32.

01:05:42:11

TYCHO (OS)
And how much wheat and barley and beef

TYCHO (CONT'D)
and pork do you produce on Dragonstone

TYCHO (CONT'D)
to feed your 4,000 men on your 32 ships?

01:05:53:16

STANNIS
None.

01:05:55:17

TYCHO
You can see why these numbers seem unlikely to add up.

TYCHO (CONT'D)
to a happy ending from our perspective.

TYCHO (CONT'D - OS)
I'm afraid we must respectfully

TYCHO (CONT'D - OS)
decline your request.

Stannis and Davos look down sullenly.

TYCHO (CONT'D - OS)
But we thank you for paying us the honor
of your visit.

01:06:20:12

Stannis gets up and crosses to his left. Davos stands up behind
him and looks on at Tycho.

DAVOS
My lord.

01:06:21:19

TYCHO
I'm not a lord, Ser Davos Seaworth.

01:06:26:19

TYCHO (CONT'D)
You would not be either here.

TYCHO (CONT'D - OS)
In Braavos, thieves are not rewarded with titles.

01:06:26:19

Davos faces Tycho as Stannis stands behind him looking in the opposite direction at the door.

DAVOS
Well, strictly speaking, I didn't do the thieving.

DAVOS (CONT'D)
That would be the pirates.

DAVOS (CONT'D)
I just moved what they stole from one place to another.

01:06:26:19

Davos removes his glove and puts his hand up and out in explanation toward Tycho. Davos is missing his fingers.

DAVOS (CONT'D)
This is the payment that was demanded

DAVOS (CONT'D - OS)
by King Stannis for my crimes.

DAVOS (CONT'D)
I consider it an honest accounting.

DAVOS (CONT'D - OS)
He's an honest man and he's
your best chance.

Davos puts his glove back on.

DAVOS (CONT'D)
to get back the money you've sunk
into Westeros.

DAVOS (CONT'D - OS)
Which is a lot, I imagine.
Wars are expensive.

01:06:53:14

TYCHO
The war is over.

01:06:54:27

DAVOS
As long as Stannis lives,
the war is not over.

01:06:57:05

DAVOS (CONT'D - OS)
Who's the real power in King's Landing?

01:06:59:07

TYCHO
Ser Davos...

DAVOS
Humor me.

01:07:01:24

TYCHO (OS)
Tywin Lannister.

DAVOS
How old is Tywin Lannister?

01:07:05:08

TYCHO
67.

DAVOS
67. And when he dies, who's in command?

01:07:08:20

DAVOS
A half-grown boy,

DAVOS (CONT'D - OS)
the product of incest?

DAVOS (CONT'D)
Cersei Lannister, a queen whose people
despise her?

DAVOS (CONT'D - OS)
Jaime Lannister, a man best known
for killing the king

DAVOS (CONT'D - OS)
he was sworn to protect?

DAVOS (CONT'D)
When Tywin's gone, who do you back?

01:07:24:16

TYCHO
That is a problem for another time.

01:07:27:05

DAVOS
Begging your pardon, I think it's a problem
for now.

DAVOS (CONT'D)
There's only one reliable leader left
in Westeros.

Davos points out to Stannis.

DAVOS (CONT'D)
Stannis.

DAVOS (CONT'D)
He's got the birthright.

DAVOS (CONT'D)
He's in his prime.

DAVOS (CONT'D)
He's a tried and tested battle commander.

DAVOS (CONT'D)
And he doesn't just talk about
paying people back,

Davos again puts his hand out to Tycho, keeping his glove on.

DAVOS (CONT'D)
he does it.

01:07:48:27

INT. BATH HOUSE – DAY

A naked woman descends into a bath toward a man.

SALLAHDOR SAAN (OS)
The lookout sees a pirate ship sailing their way.

SALLAHDOR SAAN (CONT'D - OS)
The captain shouts to his first mate,

Saan sits with two women listening to him as he tells a joke.

SALLAHDOR SAAN (CONT'D)
“Bring me my red shirt.”

SALLAHDOR SAAN (CONT'D)
The first mate brings the red shirt
and the captain puts it on.

SALLAHDOR SAAN (CONT'D)
And when the pirates try to board,

01:08:00:19

SALLAHDOR SAAN (CONT'D)
the brave captain leads his men to victory.

SALLAHDOR SAAN (CONT'D - OS)
A few days later, the lookout screams,

SALLAHDOR SAAN (CONT'D)
“Two pirate ships!”

SALLAHDOR SAAN (CONT'D)
The crew is shivering like scared mice.

SALLAHDOR SAAN (CONT'D)

But the captain courageous captain hollers,

SALLAHDOR SAAN (CONT'D - OS)

“Bring me my red shirt!”

01:08:16:08

Davos enters the bath house.

SALLAHDOR SAAN (CONT'D - OS)

After the battle, the first mate asks,

SALLAHDOR SAAN (CONT'D - OS)

“Captain, why do you call for your red shirt before battle?”

SALLAHDOR SAAN (CONT'D - OS)

The captain replies,

SALLAHDOR SAAN (CONT'D - OS)

“So that if I am stabbed, you will not see me bleed.”

01:08:27:21

SALLAHDOR SAAN (CONT'D)

The next morning the lookout screams,

SALLAHDOR SAAN (CONT'D)

“10 pirate ships!”

SALLAHDOR SAAN (CONT'D)

“We are surrounded!”

(women laugh)

Davos stands behind Saan.

SALLAHDOR SAAN (CONT'D - OS)

The crew goes silent.

01:08:35:05

SALLAHDOR SAAN (CONT'D - OS)

They all look to their brave captain,

SALLAHDOR SAAN (CONT'D - OS)

waiting for his usual command.

Davos sits down behind Saan, listening.

SALLAHDOR SAAN (CONT'D - OS)

Calm as ever, the captain bellows...

01:08:43:24

WOMEN

"Bring me my brown pants!"

(laughs)

01:08:49:03

DAVOS (OS)

You think they ever met a pirate
who didn't tell them that joke?

01:08:52:16

SALLAHDOR SAAN

Davos.

(chuckles)

SALLAHDOR SAAN (CONT'D)

I heard you were rotting in a dungeon
in Dragonstone.

01:08:58:10

DAVOS

Only half rotted.

01:09:00:23

(laughs)

Saan reaches out to shake Davos' hand.

01:09:03:11

SALLAHDOR SAAN

Join us, my friend. Join us.

SALLAHDOR SAAN (CONT'D)

This is Lhara.

Saan squeezes the women.

(gasps)

01:09:08:12

SALLAHDOR SAAN (CONT'D)
And this is--

LHARA
I am Lhara.

01:09:09:29

(squeals)

01:09:11:22

(laughs)

01:09:13:09

SALLAHDOR SAAN
She's an artist, this one, truly.

01:09:15:23

DAVOS
No time, I'm afraid. We sail at sunrise.

01:09:19:02

SALLAHDOR SAAN
We?

01:09:20:16

DAVOS
You, me-- we.

01:09:22:23

(scoffs)

01:09:24:28

SALLAHDOR SAAN
Once I thought this man loved me.

SALLAHDOR SAAN (CONT'D - OS)
Now I know he despises me.

SALLAHDOR SAAN (CONT'D - OS)
He wants to see me die poor and alone
on some cold--

Davos throws down a wallet in front of Saan.
The men look at each other.

01:09:46:17

DAVOS
You won't be alone.

DAVOS (CONT'D)
And you won't be poor.

Saan opens the wallet and takes out coins.

DAVOS (CONT'D)
There's a chest of the good stuff left back
at your house.

DAVOS (CONT'D)
I gave it to your wife.

01:10:02:02

(women laugh)

01:10:05:12

SALLAHDOR SAAN
You're not my friend, my friend.

01:10:07:23

(laughs)

Davos gets up to leave.

SALLAHDOR SAAN
I'll see you at sunrise.

01:10:14:14

EXT. ABOARD A SAILING SHIP – DAY.

Yara is standing, addressing troops as they look on.

YARA (OS)
"I'll give you until the full moon

YARA (CONT'D - OS)
to order all the ironborn scum out of
the North

YARA (CONT'D - OS)
and back to those shit-stained rocks
you call home.

YARA (CONT'D - OS)
On the first night of the full moon,

Yara is reading from a letter.

YARA (CONT'D - OS)
I will hunt down every islander
still on our lands

YARA (CONT'D - OS)
and flay them living,

01:10:30:20

YARA (CONT'D)
the way I flayed the 20 ironborn scum

YARA (CONT'D)
I found at Winterfell.

INT. BED CHAMBERS – NIGHT.

Myranda is on top of a Ramsey Snow, making love to him.

YARA (CONT'D - OS)

He cried when I took it away from him.

YARA (CONT'D - OS)
Lord of the Dreadfort

YARA (CONT'D - OS)

Myranda is beginning to climax.

MYRANDA
Yes!

01:11:04:02

EXT. SEA – NIGHT.

Sailors continue rowing with Yara as their lead.

YARA (CONT'D - OS)
They skinned our countrymen

01:11:06:12

YARA (CONT'D - OS)
and they mutilated my brother,

01:11:09:03

YARA (CONT'D - OS)
Your prince.

YARA (CONT'D - OS)
Everything they've done to him,

YARA (CONT'D - OS)
they've also done to you.

01:11:18:12

INT. BED CHAMBERS – NIGHT.

Myranda is climaxing on top of Ramsay

MYRANDA

Yes! Yes!

01:11:20:02

EXT. WATERS OUTSIDE THE DREADFORT – NIGHT.

The sailors row toward The Dreadfort.

YARA (OS)

As long as they can hurt our prince
with impunity,

YARA (CONT'D)

the word ironborn means nothing.

01:11:29:05

INT. BED CHAMBERS – NIGHT.

Myranda is climaxing on top of Ramsay

(moaning loudly)

A grappling hook locks onto a ledge.

(metal clinking)

01:11:33:28

EXT. THE DREADFORT – NIGHT.

(Myranda moaning)

01:11:40:07

A guard walks over to check the ledge. He is met with an axe
to the head.

(grunts)

Yara climbs over the ledge with her troops and removes her
axe from the guard's head.

01:11:51:21

FIRST MATE
Go left.

01:11:53:20

(men whispering)

01:12:00:13

(groans)

01:12:02:03

Yara and her troops spread out, overtaking guards. Yara grabs
a man and puts a knife to his throat.

YARA
Theon Greyjoy.

MAN
I don't know--

YARA
I'm here for Theon Greyjoy.

YARA (CONT'D)
Take me to the dungeons.

YARA (CONT'D)
He's not in the dungeons.

01:12:12:20

INT. KENNELS – NIGHT.

(dogs panting)

01:12:21:03

01:12:28:21

(door opens)

01:12:32:15

Yara enters the kennels with a man at knifepoint and her First Mate.

(alarm ringing)
(men shouting)

01:12:34:07

MAN
Last cage on the right.

YARA
Thank you.

Yara slits the man's throat, takes a torch from her First Mate and enters the kennels.

01:12:36:11

(gurgles)

01:12:39:07

(swords clanging)

MAN
This way!

01:12:40:25

(barking)

Theon sits up in his cell.

01:12: 48:11

Yara moves toward Theon's cell. Theon cowers.

(whimpering)

01:12:54:21

YARA
We're going home.

01:12:58:01

Yara breaks the lock on Theon's cell.

THEON
No!

01:13:02:09

Theon cowers to the corner of his cell. Yara slowly approaches him.

YARA
It's all right. It's me, Yara.

01:13:06:04

THEON
You can't trick me.

THEON (CONT'D - OS)
Tell him. Tell him you couldn't trick me.

01:13:10:12

YARA
I'm not tricking you, Theon. I'm saving you.

THEON
Not Theon! Reek!

01:13:13:28

THEON (CONT'D)
Reek! My name is Reek!

FIRST MATE
They're here.

01:13:15:18

FIRST MATE (CONT'D)
If they catch us in here, we're trapped.

The First Mate is holding the torch and looking out.
Yara reaches out to grab up Theon.

YARA
Help me with him.

01:13:18:23

Yara struggles with a wresting Theon.

THEON
No, you can't!

THEON (CONT'D)
You can't!

YARA
You're Theon Greyjoy.

01:13:20:21

THEON
No, I don't believe her! I know who I am!

THEON (CONT'D)
I'm Reek! Reek! Loyal Reek!

THEON (CONT'D)
Good Reek! I've always been Reek!

01:13:34:12

(dogs barking)

(Theon whimpering)

01:13:42:29

Ramsay enters the kennels with two guards.
Yara and her First Mate hold Theon, covering his mouth.
Soldiers stand guard in front of them.

RAMSAY
This is turning into a lovely evening.

01:13:47:00

(shouting)

Ramsay and his men charge at Yara and her men.

01:13:58:07

(snarling, barking)

Battle continues. Dogs are going wild.

01:14:00:03

(groans)

(laughs)

01:14:02:14

THEON
I'm Reek!

THEON (CONT'D)
Loyal Reek!

01:14:13:06

Yara pins Theon to a wall and he bites her hand.

YARA
Aah! Theon!

Theon goes back to hide in his cell. Yara continues fighting.
She kills two guards and stands opposite Ramsay.

YARA (CONT'D)
Give me my brother and no more
of your men will die.

01:14:31:25

RAMSAY
You've got bigger balls than he ever did.

Ramsay sheaths his daggers.

RAMSAY (CONT'D)
But with those big balls of yours...

Ramsay takes out a cell key and shows it to Yara.

RAMSAY (CONT'D)
how fast can you run?

01:14:49:22

Ramsay smiles and unlocks a cage as Yara and Theon look on.

(cage rattling)

01:14:55:10

(dogs barking)

01:14:59:10

EXT. THE DREADFORT WATERWAY – NIGHT.

Yara and her men run back to the rowboat to return to ship.

YARA

Make for the ship, now.

IRONBORN

But your brother.

YARA

My brother is dead.

The rowboat shoves off.

01:15:12:19

INT. THE DREADFORT – NIGHT.

Ramsay is running his hand across the waters of a bath.

RAMSAY

I have a treat for you.

RAMSAY (CONT'D)

A reward.

01:15:17:07

THEON

Reward?

Ramsay sits on the tub's edge and looks back at Theon gawking.

RAMSAY

Yes, Reek.

RAMSAY (CONT'D)

Those creatures who came in the night,

RAMSAY (CONT'D - OS)

they wanted to take you away.

RAMSAY (CONT'D - OS)
And you didn't let them.

RAMSAY (CONT'D)
You remained loyal.

01:15:37:09

THEON
I-- I didn't want them to take me.

THEON (CONT'D)
I was so scared.

01:15:38:27

THEON (CONT'D)
I didn't want them--

Ramsay stands up.

RAMSAY
Yes, yes, Reek.

Ramsay walks toward Theon.

01:15:50:04

Ramsay gestures toward the tub.

RAMSAY
It's a bath.

RAMSAY (CONT'D - OS)
For you.

Theon stares at the tub.

RAMSAY (CONT'D - OS)
Remove those rags.

Theon looks questioningly at Ramsay.

RAMSAY (CONT'D)
Now.

Theon removes his shirt slowly.

RAMSAY (CONT'D)
The britches, too, Reek.

RAMSAY (CONT'D)
Take them off.

Theon very slowly removes his pants. Ramsay looks on and smiles devilishly. Ramsay gestures toward the tub. Theon moves slowly toward the tub.

01:16:47:13

(whimpering)

Theon bends over beside the tub with his hands on the edges and plops into the water.

01:16:58:15

(water splashes)

01:17:25:02

(whimpers)

Ramsay moves to the side of the tub. He sits on the edge as Theon looks at him. Ramsay wets a cloth and Theon stares.

01:17:42:26

Ramsay begins to wash Theon.

(gasps)

01:17:58:17

RAMSAY (CONT'D)
Do you love me, Reek?

THEON
Yes, of course, my lord.

01:18:03:00

RAMSAY
Good.

RAMSAY (CONT'D)
Because I need you to do something for me.

RAMSAY (CONT'D)
Something very important.

RAMSAY (CONT'D - OS)
There's a castle, you see.

01:18:12:09

RAMSAY (CONT'D - OS)
Some bad men hold this castle.

RAMSAY (CONT'D)
I need your help to take this castle back.

01:18:23:02

THEON
But how can--

RAMSAY
I need you to play a role.

RAMSAY (CONT'D)
To pretend to be someone you're not.

01:18:30:19

THEON
Pretend to be who?

RAMSAY
Theon Greyjoy.

01:18:45:17

MISSANDEI
(speaking Valyrian)
Ye Thal poghash koth nyesha she yedhra.

[SUBTITLE]
The Queen says you may approach and speak.

Missandei reaches her arm out the man and gestures for him
to come forth. The man walks forward.

01:20:24:08
(speaking low Valyrian)

01:20:28:16

MISSANDEI
He is a goatherd.

MISSANDEI (CONT'D)
He says he prayed for your victory
against the slave masters.

01:20:33:16

DAENERYS
I thank him for his prayers.

01:20:36:04
(speaking low Valyrian)

01:20:45:21

The goatherd bends down and places a bundle on the floor.
Daenerys looks on. The goatherd unwraps the bundle to show
the burnt skeleton of a goat.

(speaking low Valyrian)

01:20:51:22

Missandei looks to Daenerys.

MISSANDEI
It was your dragons, he says.

MISSANDEI (CONT'D - OS)
They came this morning for his flock.

01:20:57:05

The goatherd stands.

(speaking low Valyrian)

01:21:01:04

MISSANDEI

He hopes he has not offended Your Grace,

MISSANDEI (CONT'D)

but now he has nothing.

01:21:06:06

DAENERYS

Tell this man I am sorry for his hardship.

01:21:08:15

(translating)

DAENERYS (CONT'D - OS)

I cannot bring back his goats,

01:21:12:04

DAENERYS (CONT'D)

but, I will see he is paid their value
three times over.

01:21:19:01

The goatherd bows.

(speaking low Valyrian)

The goatherd grabs up his bundle and leaves as Missandei and
Daenerys look on smiling.

DAENERYS

Send the next one in.

01:21:43:00

A nobleman and his servant enter the hall.

01:21:43:03

SERVANT (OS)
(speaking Valyrian)
Ji rhedessiarza Hizdhar zo Loraq
pindas me jere eji Dare.

[SUBTITLE]
The Noble Hizdhar zo Loraq begs
an audience with the Queen.

01:22:09:16

DAENERYS
(speaking Valyrian)
Rhedessiarza Hizdahr zo Loraq
zirylo syt ynot vestagon kostas.

[SUBTITLE]
The noble Hizdahr zo Loraq
can speak to me himself.

The servant steps to the side.

01:22:09:16

The nobleman moves toward Daenerys' throne and bows.

HIZDAHR
Queen Daenerys.

HIZDAHR (CONT'D)
Tales of your beauty were not exaggerated.

01:22:13:11

Daenerys smiles.

DAENERYS
I thank you.

01:22:15:15

HIZDAHR (OS)
Mine is one of the oldest and proudest families
in Meereen.

01:22:18:16

DAENERYS
Then it is my honor to receive you.

01:22:21:06

HIZDAHR

My father, one of Meereen's most respected

HIZDAHR (CONT'D)

and beloved citizens, oversaw the restoration

HIZDAH (CONT'D)

and maintenance of its greatest landmarks.

HIZDAH (CONT'D)

This pyramid included.

01:22:31:02

DAENERYS

For that, he has my gratitude.

Daenerys extends her hand and smiles.

DAENERYS (CONT'D)

I should be honored to meet him.

01:22:34:27

HIZDAHR

You have Your Grace.

HIZDAHR (CONT'D)

You crucified him.

Daenerys stops smiling.

HIZDAHR (CONT'D)

I pray you'll never live to see
a member of your family treated so cruelly.

01:22:44:17

DAENERYS

Your father crucified innocent children.

HIZDAHR

My father spoke out
against crucifying those children.

HIZDAHR (CONT'D)

He decried it as a criminal act,
but was overruled.

01:22:54:19

HIZDAHR (CONT'D)

Is it justice to answer one crime with another?

01:22:58:00

DAENERYS

I am sorry you no longer have a father,

DAENERYS (CONT'D)

but my treatment of the masters
was no crime.

DAENERYS (CONT'D)

You'd be wise to remember that.

01:23:06:26

HIZDAHR

What's done is done.

Nobleman reaches out his hands and brings his fingertips
together.

HIZDAHR (CONT'D)

You are the queen
and I am a servant of Meereen.

HIZDAHR (CONT'D)

A servant who does not wish
to see its traditions eradicated.

01:23:16:22

DAENERYS

And what traditions do you speak of?

01:23:19:20

HIZDAHR (OS)

The tradition of funeral rite.

HIZDAHR (CONT'D)

Proper burial in the Temple of the Graces.

HIZDAHR (CONT'D - OS)

My father and 162 noble Meereenese

HIZDAHR (CONT'D)

are still nailed to those posts,

01:23:30:24

HIZDAHR (CONT'D)
carion for vultures, rotting in the sun.

The nobleman bows to his knees.

HIZDAHR (CONT'D)
Your Grace, I ask that you order these men
taken down

HIZDAHR (CONT'D)
so that they might receive proper burials.

01:23:48:14

DAENERYS (OS)
And what of the slave children
these noble Meereenese crucified?

DAENERYS (CONT'D)
They were rotting in the sun as well.

DAENERYS (CONT'D - OS)
Would you have begged me for their right
to a proper burial?

01:23:58:15

HIZDAHR
Your Grace, I cannot defend
the actions of the masters.

HIZDAHR (CONT'D)
I can only speak to you as a son who
loved his father.

HIZDAHR (CONT'D - OS)
Let me take his body down.

01:24:07:27

HIZDAHR (CONT'D - OS)
Let me have him brought
to the temple

HIZDAHR (CONT'D)
and buried with dignity

HIZDAHR (CONT'D)
so that he might find
peace in the next world.

01:24:17:26

DANERYS
Bury your father,
Hizdahr zo Loraq.

01:24:25:07

The nobleman nods his head in gratitude.

HIZDAHR
Thank you, my queen.

Daenerys nods. The nobleman rises and leaves.

01:23:39:29

DAENERYS
How many more?

01:24:41:15

MISSANDEI
There are 212 supplicants
waiting, Your Grace.

01:24:44:23

DAENERYS
212?

Daenerys looks to Jorah. He shrugs.

DAENERYS
Send the next one in.

01:24:59:12

INT. CASTERLY ROCK – DAY.

Oberyn sits across a table from Mace, Pycelle, Varys and
Cersei.

OBERYN
These meetings aren't always going to be
this early, are they?

OBERYN (CONT'D - OS)

I was up late last night.

OBERYN (CONT'D - OS)

So, does this mean I am a master
of something now?

OBERYN (CONT'D)

Coins, ships?

01:25:11:10

MACE

Lord Tywin and I already determined

01:25:13:19

MACE (CONT'D)

that I shall be the Master of Ships
long before you--

Tywin enters. All stand to greet him except Cersei and Oberyn.

MACE (CONT'D)

Lord Tywin, it's a great honor

MACE (CONT'D)

to have been granted a seat on this council. I--

Tywin sits down at the head of the table. All sit.

01:25:26:10

TYWIN

The trial begins this afternoon.

TYWIN (CONT'D)

We only have the morning for affairs of state.

TYWIN (CONT'D)

Shall we begin?

01:25:32:06

VARYS

Sandor Clegane has been spotted

VARYS (CONT'D)

in the Riverlands, my lord.

01:25:36:26

CERSEI
A coward and a traitor.

01:25:38:10

VARYS
My birds tell me the Hound slaughtered
five of our soldiers.

VARYS (CONT'D)
I believe the phrase
“fuck the king” was uttered.

01:25:45:10

PYCELLE
Disgraceful.

01:25:47:01

TYWIN
What would it take to make
the common soldier

TYWIN (CONT'D)
stupid enough to try his luck with
the Hound?

01:25:51:04

VARYS
10 silver stags seems a generous bounty.

01:25:53:26

TYWIN
Make it 100. What else?

VARYS
More whispers from the east, my lord.

01:25:59:08

TYWIN
The Targaryen girl?

VARYS
Daenerys has taken up residence in Meereen.

01:26:03:27

VARYS (CONT'D)
She has conquered the city and rules
as its queen.

CERSEI
Conquered with what?

01:26:08:29

VARYS (OS)
She commands an army of Unsullied,
my queen.

VARYS (CONT'D)
Some 8,000 strong.

VARYS (CONT'D)
She has a company of sellswords--

VARYS (CONT'D)
the Second Sons.

Varys looks to Tywin. Tywin gazes down in thought.

01:26:16:28

VARYS (CONT'D - OS)
She has two knights advising her--

VARYS (CONT'D - OS)
Jorah Mormont and Barristan Selmy.

Varys looks to Cersei.

01:26:22:18

VARYS (CONT'D)
And she has dragons.

CERSEI
Baby dragons.

VARYS (OS)
Larger every year, Your Grace.

01:26:28:08

Pycelle looks to Varys.

PYCELLE
Mormont is spying on her for us.

01:26:31:19

VARYS (OS)
No longer. He appears to be fully devoted
to her.

VARYS (CONT'D - OS)
As for Ser Barristan, it would seem

VARYS (CONT'D)
he took his dismissal from the Kingsguard

VARYS (CONT'D)
a bit harder than anticipated.

01:26:42:07

CERSEI
He's an old man.

CERSEI (CONT'D)
He wasn't fit to protect my son.

01:26:46:00

TYWIN
Joffrey didn't die on his watch.

01:26:48:09

TYWIN (CONT'D)
Dismissing him was as insulting as it was
stupid.

CERSEI
Don't tell me you're worried about a child
halfway across the world.

01:26:54:23

VARYS
A child with two seasoned warriors
counseling her

VARYS (CONT'D)
and a powerful army at her back,
Your Grace.

01:27:01:16

Oberyn sits with legs crossed, tapping his fingers on the table.

OBERYN
Lord Varys is right.

OBERYN (CONT'D)
I have been to Essos and seen the Unsullied firsthand.

OBERYN (CONT'D)
They are very impressive on the battlefield.

Oberyn looks at Cersei.

OBERYN (CONT'D)
Less so in the bedroom.

01:27:11:14

TYWIN
Dragons haven't won a war in 300 years.

TYWIN (CONT'D)
Armies win them all the time.

TYWIN (CONT'D)
She must be dealt with.

01:27:19:04

PYCELLE
How, my lord?

PYCELLE (CONT'D)
By force?

01:27:21:04

TYWIN
Eventually, if it comes to that.

TYWIN (CONT'D)
Can your little birds find their way into Meereen?

VARYS
Most certainly, my Lord Hand.

01:27:31:24

TYWIN
Mmm. Lord Tyrell, be a good man.

TYWIN (CONT'D - OS)
Fetch my quill and paper.

Lord Tyrell rises and leaves the table.

01:27:48:06

(footsteps)

01:27:57:10

INT. CASTERLY ROCK THRONE ROOM – DAY.

Varys is onlooking the empty throne. Oberyn approaches and stands across from him, leans on the witness stand.

VARYS
Prince Oberyn.

OBERYN
Lord Varys...

VARYS (OS)
Only Varys. I'm not actually a nobleman.

VARYS (CONT'D)
No one is under obligation to call me lord.

OBERYN
And yet everyone does.

Varys shrugs.

01:28:12:05

VARYS
You seem quite knowledgeable about the Unsullied.

VARYS (CONT'D)
Did you spend much time in Essos?

OBERYN
Five years.

01:28:19:09

VARYS
May I ask why?

01:28:21:01

OBERYN
'Tis a big and beautiful world.

OBERYN (CONT'D)
Most of us live and die

OBERYN (CONT'D)
in the same corner where we were born

OBERYN (CONT'D)
and never get to see any of it.

OBERYN (CONT'D - OS)
I don't want to be most of us.

01:28:33:07

VARYS
Most of us aren't princes.

01:28:37:07

(chuckles)

OBERYN
You are from Essos.

OBERYN (CONT'D)
Where? Lys?

OBERYN (CONT'D)
I have an ear for accents.

01:28:46:17

VARYS
I've lost my accent entirely.

OBERYN
I have an ear for that as well.

OBERYN (CONT'D)
How did you get here?

01:28:53:27

VARYS
It's a long story.

OBERYN
One you don't like telling people.

VARYS
People I trust.

01:29:01:12

Oberyn moves toward Varys and faces him.

OBERYN (OS)
My paramour Ellaria,
she would find you very interesting.

OBERYN (CONT'DN - OS)
You should come to the brothel and meet her.

OBERYN (CONT'D)
We brought our own wine,
not the swill they serve here.

OBERYN (CONT'D)
We have some lovely boys on retainer, but...

OBERYN (CONT'D)
You did like boys before?

Varys shakes his head.

OBERYN (CONT'D)
Really?

OBERYN (CONT'D)
Girls? Hmm.

OBERYN (CONT'D)
I hope you won't be offended when I say
I never would have guessed.

01:29:26:23

VARYS
Not at all.

VARYS (CONT'D)
But I was never interested in girls, either.

01:29:31:08

OBERYN
What then?

VARYS (OS)
Nothing.

OBERYN
Everybody is interested in something.

VARYS (OS)
Not me.

01:29:38:02

VARYS (CONT'D)
When I see what desire does to people,

VARYS (CONT'D)
what it's done to this country,

VARYS (CONT'D)
I am very glad I have no part in it.

VARYS (CONT'D - OS)
Besides, the absence of desire

VARYS (CONT'D)
leaves one free to pursue other things.

01:29:52:25

OBERYN
Such as?

Varys looks to the throne and exits. Oberyn turns to look at the throne.

01:30:19:12

INT. CASTERLY ROCK DUNGEON – DAY.

(keys clinking)

Jaime nods to guard to let him enter. He moves to Tyrion.

TYRION

Let me guess, I've been pardoned.

Jaime nods to guards. Guards move to Tyrion and put him in irons. Tyrion looks quizzical and then caustic.

TYRION (CONT'D)

Really?

JAIME

Father's orders.

TYRION

Well, we mustn't disappoint Father.

01:31:03:10

INT. CASTERLY ROCK THRONE ROOM – DAY.

Jaime and Tyrion enter the hall, filled with a crowd, and approach the throne, escorted by two guards.

(crowd murmuring)

01:31:07:29

MAN

Kingslayer!

Tyrion looks back the man and keeps walking. Tyrion gets to the stand and the guards remove his irons. Jaime looks to the throne. Tyrion looks around.

01:31:55:27

Tywin stands at Tommen's side. Tommen rises. All rise and look to Tommen.

TOMMEN

I, Tommen of the House Baratheon,

TOMMEN (CONT'D - OS)

First of my Name,

TOMMEN (CONT'D - OS)

King of the Andals and the First Men,

TOMMEN (CONT'D)
and Lord of the Seven Kingdoms,

TOMMEN (CONT'D)
do hereby recuse myself from this trial.

TOMMEN (CONT'D)
Tywin of the House Lannister,
Hand of the King,

TOMMEN (CONT'D)
Protector of the Realm,
will sit as judge in my stead.

01:32:17:25

TOMMEN (CONT'D - OS)
And with him Prince Oberyn of the House Martell

TOMMEN (CONT'D - OS)
and Lord Mace of the House Tyrell.

TOMMEN (CONT'D)
And if found guilty...

Tyrion closes his eyes.

TOMMEN (CONT'D)
may the gods punish the accused.

Tyrion looks up to Tommen and nods slightly. Tommen exits
with guards. Jaime nods to them as they go.

Mace and Oberyn join Tywin at the throne. Tywin takes the
throne. The others seated at his sides. All sit.

01:33:06:00

TYWIN
Tyrion of the House Lannister,

TYWIN (CONT'D)
you stand accused by the Queen Regent of regicide.

TYWIN (CONT'D)
Did you kill King Joffrey?

01:33:17:14

TYRION
No.

TYWIN
Did your wife, the Lady Sansa?

TYRION
Not that I know of.

TYWIN
How would you say he died then?

01:33:26:26

TYRION
Choked on his pigeon pie.

Jaime shoots a glance at Tywin.

TYWIN
So you would blame the bakers?

TYRION
Or the pigeons.
Just leave me out of it.

Tyrion looks at Cersei.

01:33:35:02

(crowd murmuring)

TYWIN
The crown may call its first witness.

01:33:41:01

MERYN TRANT (OS)
Once we'd got King Joffrey safely away

01:33:43:03

MERYN TRANT (CONT'D - OS)
from the mob, the Imp rounded him.

MERYN TRANT (CONT'D - OS)
He slapped the king across the face

MERYN TRANT (CONT'D)
and called him a vicious idiot and a fool.

01:33:49:29

Tyrion sits accused with his head down.

(crowd gasps)

MERYN TRANT (CONT'D - OS)
It wasn't the first time the Imp
threatened Joffrey.

MERYN TRANT (CONT'D)
Right here in this throne room,

MERYN TRANT (CONT'D)
he marched up those steps and called our king
a halfwit.

MERYN TRANT (CONT'D - OS)
Compared His Grace to the Mad King.

MERYN TRANT (CONT'D - OS)
and suggested he's meet the same fate.

01:34:02:21

MERYN TRANT (CONT'D)
And when I spoke in the king's defense,

Meryn turns to face Tyrion.

MERYN TRANT (CONT'D)
he threatened to have me killed.

01:34:06:27

Tyrion looks to the throne.

TYRION
Oh, why don't you tell
them what Joffrey was doing?

01:34:09:09

TYWIN (OS)
Silence.

TYRION
Pointing a loaded crossbow at Sansa Stark

01:34:11:25

TYRION (CONT'D)
while you tore her clothes and beat her.

01:34:13:18

TYWIN
Silence!

TYWIN (CONT'D)
You will not speak unless called upon.

TYWIN (CONT'D)
You're dismissed, Ser Meryn.

Meryn steps down, smirks at Tyrion and leaves.

01:34:30:04

Pycelle is at the stand reading from a list.

PYCELLE (OS)
Basilisk venom,

PYCELLE (CONT'D - OS)
widow's blood,

PYCELLE (CONT'D)
wolfsbane,

PYCELLE (CONT'D)
essence of nightshade,

PYCELLE (CONT'D)
sweetsleep,

PYCELLE (CONT'D)
tear of Lys,

PYCELLE (CONT'D)
demon's dance...

01:34:47:07

(mumbling)

Pycelle turns to the next page.

PYCELLE (CONT'D)
blind eye--

01:34:51:03

OBERYN

I think you have made your point, Grand Maester.

01:34:53:08

OBERYN (CONT'D)
You have a lot of poison in your store.

PYCELLE
Had, Prince Oberyn.

PYCELLE (CONT'D)
My stores were plundered.

01:34:59:29

TYWIN
By whom?

PYCELLE (OS)
By the accused, Tyrion Lannister,

Tyrion looks innervated.

PYCELLE (CONT'D - OS)
after he had me wrongfully imprisoned.

Pycelle turns to glare at Tyrion.

TYWIN (OS)
Grand Maester,

TYWIN (CONT'D)
you examined King Joffrey's corpse.

TYWIN (CONT'D)
Was it without question poison that killed him?

01:35:16:20

PYCELLE
Without question.

01:35:19:08

(crowd murmuring)

PYCELLE (CONT'D)
This was found on the body of Dontos Hollard,

Pycelle reaches into his sleeve and pulls out Sansa's necklace.

PYCELLE (CONT'D)
the king's fool.

PYCELLE (CONT'D)
He was last seen spiriting Sansa Stark,

01:35:30:26

PYCELLE (CONT'D)
the wife of the accused, away from the feast.

PYCELLE (CONT'D)
She wore this necklace

Pycelle shows the necklace. Margaery looks on.

PYCELLE (CONT'D - OS)
the day of the wedding.

Cersei closes her eyes and looks sullen, but stonefaced.

PYCELLE (CONT'D - OS)
Residue of a most rare

PYCELLE (CONT'D - OS)
and terrible poison was found inside.

01:35:47:19

TYWIN
Was this one of the poisons
stolen from your store?

PYCELLE
It was. The Strangler.

PYCELLE (CONT'D)
A poison few in the Seven Kingdoms possess.

PYCELLE (CONT'D - OS)
And used to strike down the most noble child

PYCELLE (CONT'D)
the gods ever put on this good earth.

Pycelle glares at Tyrion. Tyrion looks to the floor.

01:36:06:20
(crowd murmuring)

01:36:13:29

Pan out of Cersei's empty seat. Cersei is on the witness stand.

CERSEI (OS)
"I will hurt you for this.

CERSEI (CONT'D - OS)
A day will come when you think
you are safe and happy

CERSEI (CONT'D)
and your joy will turn to ashes
in your mouth

01:36:21:17

CERSEI (CONT'D)
and you will know the debt is paid."

MACE
Your own brother said this to you?

Cersei nods at Mace.

CERSEI
Shortly before the Battle of Blackwater Bay.

CERSEI (CONT'D)
I confronted him about his plans to put Joffrey
on the front lines.

CERSEI (CONT'D)

As it turned out, when the attack came

CERSEI (CONT'D)

Joff insisted on remaining at the battlements.

CERSEI (CONT'D - OS)

He believed his presence would
inspire the troops.

Tyrion continues with his head in his hand.

01:36:47:14

OBERYN

Tyrion said,

OBERYN (CONT'D)

“And you will know the debt is paid.”

OBERYN (CONT'D)

What debt?

CERSEI

I discovered he'd been keeping whores

CERSEI (CONT'D)

in the Tower of the Hand.

CERSEI (CONT'D)

I asked him to confine his salacious acts

Jaime looks on at Cersei.

CERSEI (CONT'D - OS)

to the brothel where such behavior belongs.

01:37:04:12

CERSEI (CONT'D)

He wasn't pleased

MACE

Thank you, Your Grace,

MACE (CONT'D)

for the courage of your testimony.

Margaery crosses her arms and leans back. Cersei steps down and returns to her seat.

01:37:29:06

MACE (CONT'D - OS)

Do you remember the precise nature of this threat?

VARYS (OS)

I'm afraid I do, my lord.

VARYS (CONT'D - OS)

He said, "Perhaps you should speak more softly to me, then."

Varys is on the witness stand.

VARYS (CONT'D)

Monsters are dangerous

VARYS (CONT'D)

and just now kings are dying like flies."

10:37:42:18

MACE

And he said this to you at a meeting of the small council?

VARYS

Yes.

VARYS (CONT'D)

After we received word of Robb Stark's death.

VARYS (CONT'D)

He didn't seem gladdened by the news.

VARYS (CONT'D)

Perhaps his marriage to Sansa Stark

VARYS (CONT'D)

had made him more sympathetic to the northern cause.

01:37:57:14

(crowd murmuring)

01:38:01:20

TYWIN

You're excused, Lord Varys.

Varys nods and steps down.

TYRION

Father, may I ask the witness one question?

Varys stops by the accused.

TYWIN

One.

TYRION

You once said

TYRION (CONT'D)

that without me, this city would have faced
certain defeat.

TYRION (CONT'D)

You said the histories would never
mention me,

TYRION (CONT'D)

but you would not forget.

TYRION (CONT'D)

Have you forgotten, Lord Varys?

01:38:38:19

VARYS

Sadly, my lord,

VARYS (CONT'D)

I never forget a thing.

Varys bows and exits.

TYWIN

We will adjourn for now.

Tywin, Mace, and Oberyn rise.

TYWIN (CONT'D)
Toll the bells in an hour's time.

01:38:59:14

GUARD
Clear the court!

All rise. Cersei and Jaime look at each other.

01:39:10:16

(crowd chatting)

Jaime exits. All exit except Tyrion, who sits in chains.

01:39:21:20

INT. CASTERLY ROCK DINING HALL - DAY

Tywin sits eating as Jaime stands addressing him.

JAIME (OS)
You'd condemn your own son to death?

TYWIN
I've condemned no one.
The trial is not over.

JAIME
This isn't a trial. It's a farce.

JAIME (CONT'D)
Cersei has manipulated everything
and you know it.

TYWIN
I know nothing of the sort.

01:39:31:21

JAIME
You've always hated Tyrion.

TYWIN
He killed his king.

JAIME
As did I.

JAIME (CONT'D)
Do you know the last order the Mad King
gave me?

JAIME (CONT'D - OS)
To bring him your head.

JAIME (CONT'D)
I saved your life so you could murder
my brother?

01:39:44:05

TYWIN
It won't be murder. It'll be justice.

JAIME (OS)
Justice?

01:39:46:21

TYWIN
I'm performing my sworn duty
as Hand of the King.

TYWIN (CONT'D)
If Tyrion is found guilty, he will be punished
accordingly.

01:39:53:00

JAIME
He'll be executed.

TYWIN
No, he'll be punished accordingly.

JAIME
Once you said family is what lives on.

Jaime moves toward Tywin.

JAIME (CONT'D)
All that lives on.

JAIME (CONT'D - OS)
You told me about a dynasty
that would last 1,000 years.

01:40:06:26

JAIME (CONT'D)
What happens to your dynasty
when Tyrion dies?

JAIME (CONT'D)
I'm a Kingsguard,

JAIME (CONT'D)
forbidden by oath to carry on
the family line.

01:40:14:21

TYWIN
I'm well aware of your oath.

JAIME (OS)
What happens to your name?

JAIME (CONT'D)
Who carries the lion banner into
future battles?

JAIME (CONT'D)
Your nephews?

01:40:23:24

JAIME (CONT'D)
Lancel Lannister?

JAIME (CONT'D)
Others whose names I don't even
remember?

TYWIN
What happens to my dynasty

TYWIN (CONT'D)
if I spare my grandson's killer?

JAIME
It survives through me.

01:40:36:21

JAIME
I'll leave the Kingsguard.

JAIME (CONT'D)
I'll take my place as your son and heir

JAIME (CONT'D)
if you let Tyrion live.

TYWIN
Done.

01:40:47:15

TYWIN
When the testimony's concluded
And a guilty verdict rendered,

TYWIN (CONT'D)
Tyrion will be given the chance to speak.

TYWIN (CONT'D)
He'll plead for mercy.
I'll allow him to join the Night's Watch.

TYWIN (CONT'D - OS)
In three days' time,
he'll depart for Castle Black.

01:41:01:11

TYWIN (CONT'D - OS)
and live out his days at the Wall.

TYWIN (CONT'D - OS)
You'll remove your white cloak immediately.

TYWIN (CONT'D - OS)
You will leave King's Landing

TYWIN (CONT'D - OS)
to assume your rightful place
at Casterly Rock.

01:41:10:03

TYWIN (CONT'D)
You'll marry a suitable woman

TYWIN (CONT'D)
and father children named Lannister.

TYWIN (CONT'D)
And you'll never turn your back on
your family again.

JAIME
You have my word.

TYWIN (CONT'D)
And you have mine.

01:41:31:10
(bell tolling)

Jaime exits. Tywin takes a drink.

01:41:52:02
INT. CASTERLY ROCK THRONE ROOM – DAY.

Tyrion sits chained to the stand. Jaime enters and approaches
him.

TYRION
Not going well, is it?

01:41:54:07

JAIME
You're going to be found guilty.

TYRION
Oh, you think so?

JAIME
When you are, you need to enter
a formal plea for mercy

01:41:59:14

JAIME (CONT'D)
and ask to be sent to the Wall.

JAIME (CONT'D - OS)
Father's agreed to it.

JAIME (CONT'D)
He'll spare your life and allow you
to join the Night's Watch.

01:42:06:19

TYRION
Ned Stark was promised the same thing.

TYRION (CONT'D - OS)
and we both know how that turned out.

Cersei enters.

JAIME (OS)
Father is not Joffrey. He'll keep his word.

TYRION
How do you know?

Tywin enters. All look to him. Jaime looks back to Tyrion.

01:42:18:22

JAIME
Do you trust me?

Tywin looks to Jaime and nods.

JAIME (CONT'D)
Keep your mouth shut. No more outbursts.

JAIME (CONT'D)
This will all be over soon.

Jaime leaves Tyrion's side and goes back to his corner. Cersei
looks on. All are seated.

01:42:44:04

TYWIN
The crown may call its next witness.

01:42:51:18

(footsteps)

Tyrion stands up. His jaw drops. Shae enters and Tyrion tracks
her with his eyes as she approaches the stand.

TYWIN (CONT'D)
State your name.

SHAE
Shae.

01:43:25:22

TYWIN
Do you swear by all the gods

TYWIN (CONT'D)
that your testimony will be
true and honest?

01:43:30:16

SHAE
I swear it.

TYWIN
Do you know this man?

Shae looks at Tyrion and turns back to Tywin.

SHAE
Yes. Tyrion Lannister.

01:43:46:02

TYWIN
And how do you know him?

01:43:47:27

SHAE (OS)
I was handmaiden to his wife Lady Sansa.

TYWIN
This man stands accused of murdering
King Joffrey.

TYWIN (CONT'D)
What do you know of this?

01:43:59:07

SHAE
I know that he's guilty.

Tyrion rises.

01:44:05:01

(crowd murmuring)

SHAE (CONT'D)
He and Sansa planned it together.

01:44:06:11

TYWIN (OS)
Silence!

Tyrion sits down.

TYWIN (CONT'D - OS)
Continue.

01:44:11:17

SHAE (OS)
She wanted revenge for her father,

SHAE (CONT'D - OS)
her mother, her brother.

SHAE (CONT'D - OS)
She blamed their deaths on the king.

Cersei glares at Tyrion.

01:44:18:17

SHAE (CONT'D - OS)
Tyrion was happy to help.

SHAE (CONT'D - OS)
He hated Joffrey. He hated the queen.

SHAE (CONT'D)
He hated you, my lord.

01:44:27:26

SHAE
He stole poison from the Grand Maester's
chamber

SHAE
to put in Joffrey's wine.

01:44:32:29

Margaery looks on disturbed.

OBERYN (OS)

How could you possibly know all this?

OBERYN (CONT'D)

Why would he reveal such plans
to his wife's maid?

01:44:40:25

SHAE

I wasn't just her maid.

Oberyn looks at Shae questioningly.

SHAE (CONT'D)

I was his whore.

01:44:47:27

(crowd murmuring)

MACE (OS)

I beg your pardon?

01:44:50:21

MACE

You said you were his...

01:44:52:15

SHAE

His whore.

TYWIN (OS)

How did you come to be in his service?

SHAE

He stole me.

SHAE (CONT'D)

I was with another man,

SHAE (CONT'D)

a knight in your lordship's army.

01:45:04:07

SHAE
But when Tyrion arrived at the camp,

SHAE (CONT'D)
he sent one of his cutthroats
into our tent.

SHAE (CONT'D - OS)
He broke the knight's arm and brought me
to Lord Tyrion.

SHAE (CONT'D)
"You belong to me now," he said.

01:45:16:03

SHAE (CONT'D)
"I want you to fuck me like it's my last night in this world."

Tyrion looks down in anger and disgrace.

01:45:20:01

(crowd laughs)

TYWIN
Silence! Silence!

01:45:25:16

(laughing stops)

01:45:26:23

OBERYN
And did you?

SHAE
Did I what?

OBERYN
Fuck him like it was his last night
in this world.

01:45:33:21

(crowd laughs)

01:45:35:22

SHAE
I did everything he wanted.

SHAE (CONT'D)
Whatever he told me to do to him.

SHAE (CONT'D)
Whatever he felt like doing to me.

Tyrion grows increasingly aggravated and looks to the floor.

SHAE (CONT'D - OS)
I kissed him where he wanted.

01:45:44:16

SHAE (CONT'D - OS)
I licked him where he wanted.

SHAE (CONT'D - OS)
I let him put himself where he wanted.

SHAE (CONT'D)
I was his property.

SHAE (CONT'D)
I would wait in his chambers for hours

SHAE (CONT'D)
so he could use me when he was bored.

01:45:55:11

SHAE (CONT'D)
He ordered me to call him "my lion,"
so I did.

01:45:59:09

SHAE (CONT'D)
I took his face in my hands and said,

SHAE (CONT'D)
"I am yours and you are mine."

01:46:06:33

(crowd murmuring)

01:46:09:24

TYRION
Shae.

Shae looks back at Tyrion pleading.

TYRION (CONT'D)
Please don't.

01:46:18:24

SHAE
I am a whore.

SHAE (CONT'D - OS)
Remember?

Tyrion clenches his jaw. Shae resumes facing the court.

01:46:25:18

SHAE (CONT'D)
That was before he married Sansa.

SHAE (CONT'D)
After that, all he wanted was her.

SHAE (CONT'D)
But she wouldn't let him into her bed.

SHAE (CONT'D)
So he promised to kill King Joffrey for her.

01:46:37:09

(crowd clamoring)

01:46:46:20

TYRION
Father,

TYRION (CONT'D)
I wish to confess.

01:46:52:11

TYRION (CONT'D)
I wish...
to confess.

Jaime looks at Tyrion.

01:46:55:20

(crowd quiets)

01:46:57:18

TYWIN
You wish to confess?

01:47:02:06

Tyrion turns to face the crowd.

TYRION
I saved you.

TYRION (CONT'D)
I saved this city

TYRION (CONT'D)
and all your worthless lives.

TYRION (CONT'D)
I should have let Stannis kill you all.

Tyrion rises to his feet.

01:47:15:00

(clamoring)

TYWIN
Tyrion.

01:47:20:14

TYWIN (CONT'D)
Do you wish to confess?

TYRION
Yes, Father.

TYRION (CONT'D)
I'm guilty.

TYRION (CONT'D)
Guilty. Is that what you want to hear?

TYWIN
You admit you poisoned the king?

01:47:36:22

TYRION
No, of that I'm innocent.

TYRION (CONT'D)
I'm guilty of a far more monstrous crime.

TYRION (CONT'D)
I am guilty of being a dwarf.

01:47:47:29

TYWIN
You are not on trial for being a dwarf.

TYRION (OS)
Oh, yes, I am.

TYRION (CONT'D)
I've been on trial for that my entire life.

01:47:57:29

TYWIN
Have you nothing to say in your defense?

TYRION (OS)
Nothing but this--

TYRION (CONT'D)
I did not do it.

01:48:07:08

Tyrion stares down Cersei

TYRION (CONT'D)
I did not kill Joffrey,

TYRION (CONT'D)
but I wish that I had.

TYRION (CONT'D - OS)
Watching your vicious bastard die

TYRION (CONT'D)
gave me more relief that 1,000 lying whores.

Tyrion turns back to Shae and then the crowd.

01:48:16:22

(crowd clamoring)

01:48:19:20

TYRION (CONT'D)
I wish I was the monster you think I am.

TYRION (CONT'D)
I wish I had enough poison for
the whole pack of you.

TYRION (CONT'D)
I would gladly give my life

TYRION (CONT'D)
to watch you all swallow it.

01:48:33:16

Tywin rises to his feet.

TYWIN
Ser Meryn. Ser Meryn.

(crowd shouting)

01:48:35:20

TYWIN (CONT'D)
Escort the prisoner back to his cell.

01:48:39:25

TYRION
I will not give my life for
Joffrey's murder.

TYRION (CONT'D – OS)
And I know I'll get no justice here.

TYRION (CONT'D)
So I will let the gods decide my fate.

TYRION (CONT'D)
I demand a trial by combat.

01:48:55:20
(crowd shouting)

01:49:21:05
[MUSIC IN]
("Rains of Castamere" playing)
