[MUSIC IN]

01:01:55:10

EXT. CASTLE BLACK – NIGHT.

Jon Snow and Sam are standing side by side keeping watch.

(wind blowing)

01:02:12:07

(men shouting)

01:02:24:16

SAM
What was she like?

01:02:29:05

JON
She...

01:02:32:28

JON (CONT'D)
she had red hair.

01:02:37:01

SAM
Oh?

01:02:39:05

SAM (CONT'D)
How big were her feet?

JON
What do you want me to say?

01:02:41:16

SAM
I want you to tell me what
it was like to have someone.

01:02:44:28

SAM (CONT'D)

To be with someone.

01:02:46:28

SAM (CONT'D)

To love someone
and have them love you back.

01:02:52:27

SAM (CONT'D)

We're all gonna die a lot
sooner than I'd planned.

01:02:56:08

SAM (CONT'D)

You're the closest
I'll ever get to knowing.

01:03:03:13

JON

So you and Gilly never?

01:03:05:02

SAM

No.

01:03:06:12

SAM (CONT'D)

She just had a baby.

01:03:11:12

SAM (CONT'D)

And she never offered.

01:03:12:27

JON

But if she had,

01:03:15:10

JON (CONT'D)

you would have?

01:03:18:04

01:03:24:25	JON (CONT'D) You'd have broken your vows?
01:03:26:27	SAM The interesting thing is,
01:03:30:01	SAM (CONT'D) our vows never specifically forbid
01:03:32:00	SAM (CONT'D) intimate relations with women.
01:03:33:21	JON What?
01:03:37:05	SAM "I shall take no wife," yes, that's in there. There's no denying that.
01:03:39:20	SAM (CONT'D) "I shall father no children." It's very specific.
01:03:42:14	SAM (CONT'D) But what do our vows have to say about other...
01:03:47:16	SAM (CONT'D) activities is open to interpretation.
	JON

I don't think Ser Alliser
cares much for interpretation.

Jon walks away, down the stairs to Castle Black. Sam scrunches
his face and follows Jon.

01:03:55:12

SAM
Anyway, there's nothing
for him to interpret.

01:03:58:15

SAM (CONT'D)
We didn't.

01:04:04:00

SAM (CONT'D)
So what's it like?

01:04:07:21

Jon and Sam are walking through the tunnel.

JON
It's...

01:04:10:23

JON (CONT'D)
there's this person,
this whole other person.

01:04:14:18

JON (CONT'D)
And you're wrapped up in them
and they're wrapped up in you.

01:04:18:01

JON (CONT'D)
And you—

01:04:20:07

JON (CONT'D)
for a little—

01:04:22:10

Jon looks back at Sam.

JON (CONT'D)
for a little while,
you're more than just you.

01:04:24:20

Jon looks forward and away from Sam.

JON (CONT'D)
You're-- I don't know.
I'm not a bleeding poet.

01:04:27:27

SAM
No, you're really not.

01:04:29:24

Jon and Sam stop at the top of the stairs at the end of the tunnel
and face each other.

JON
What did I get for it?

01:04:31:22

JON (CONT'D)
An arrow six inches
from my heart.

01:04:36:07

Sam looks to the Wall.

SAM
There'll be arrows for all
of us soon, I imagine.

01:04:38:24

JON
There will.

01:04:40:14

SAM
They've already done
the worst thing to me

they could ever do.

01:04:46:16

Jon puts his hand on Sam's shoulder.

JON (CONT'D)
Go get some sleep, Sam.

01:04:48:18

Jon gestures with his eyes toward the Wall.

JON (CONT'D)
I'll take this watch.

Sam begins to walk away and shuts the gate to the elevator behind him. Sam takes the elevator down.

01:05:16:25

An owl lands on the Wall.

(screeches)

01:05:22:20

(screeches)

01:05:33:15

EXT. WILDLING CAMP – NIGHT

Tormund, Ygritte and other Wildlings sit around a fire, preparing weapons and talking.

TORMUND
Did I ever
tell you about her?

01:05:36:18

TORMUND (CONT'D)
My Sheila?

YGRITTE
Yes.

01:05:39:20

TORMUND
That was a night
to remember.

01:05:42:03

TORMUND (CONT'D)
Of course, I'd had
a good bit to drink.

01:05:45:15

(chuckles)

01:05:47:06

TORMUND (CONT'D)
Her fangs were sharp,

01:05:48:24

TORMUND (CONT'D - OS)
but she knew
how to use them.

01:05:51:01

TORMUND (CONT'D)
And she was nice
and soft down below.

Ygritte is shaking her head.

01:05:54:25

TORMUND (CONT'D)
No, she was no
ordinary beast.

01:05:57:12

TORMUND (CONT'D)
Many is the man who—

01:05:59:11

YGRITTE
I know you never
fucked a bear.

01:06:01:17

YGRITTE (CONT'D)
You know you never

fucked a bear.

01:06:04:13

YGRITTE (CONT'D)
Right now I don't want
to think about the bear
you never fucked.

01:06:07:18

Ygritte is making arrows and piling them by the fire.

YGRITTE (CONT'D)
Right now all I want
to think about

01:06:10:23

YGRITTE (CONT'D)
is each one of these
arrows finding its way
into a crow's heart.

Ygritte drops another arrow onto her pile of arrows.

01:06:15:03

Tormund looks at Ygritte.

TORMUND
We could be waiting
here a while.

01:06:17:03

Ygritte looks up from her arrow making and glares at Tormund.

YGRITTE
Good.

01:06:18:17

YGRITTE (CONT'D)
The longer we wait,
the more arrows I'll have.

Ygritte looks back down to her arrow making and her face turns
angry.

01:06:24:29

YGRITTE (CONT'D)
They came up here
to our land

01:06:28:06

YGRITTE (CONT'D)
and put up a big wall
and said it was theirs.

01:06:30:23

YGRITTE (CONT'D)
Then they started
hunting us down.

01:06:34:28

YGRITTE (CONT'D)
This time, we're the ones
doing the hunting.

01:06:40:06

STYR
You've got a lot
to say about killing.

01:06:43:00

Styr looks at Ygritte.

STYR (CONT'D)
Even more words
than arrows.

01:06:46:18

Ygritte pauses in her arrow making, looking at Styr.

YGRITTE
Back in those villages,
I killed just as many
of them as you did.

01:06:49:17

YGRITTE (CONT'D)
More, I reckon.

01:06:51:19

STYR
Yes, but none of those
were your crow lover.

01:06:55:22

YGRITTE
I probably killed him already.

01:06:57:17

STYR (OS)
So you've said.

01:06:59:00

YGRITTE
And if not,

01:07:01:11

YGRITTE (CONT'D)
the only thing left of him
is gonna be his fun bits
hanging around my neck.

01:07:05:02

STYR (OS)
More words.

01:07:06:27

STYR (CONT'D)
Know what I think
you do when you see him?

01:07:09:08

STYR (CONT'D)
Serve him up a nice juicy
slice of ginger minge.

01:07:13:02

(men laughing)

Ygritte rises and quickly crosses to Styr to confront him, stares
him down.

01:07:16:03

YGRITTE

You been thinking
about that ginger minge?

01:07:21:00

YGRITTE (CONT'D)
Wondering what it tastes like?

Styr rises, facing Ygritte.

01:07:25:19

STYR
Maybe I have.

01:07:28:08

YGRITTE
Jon Snow is mine.

01:07:32:18

Ygritte turns to address the other Wildlings.

YGRITTE (CONT'D)
Anyone else tries to kill him,

01:07:34:22

YGRITTE (CONT'D)
I'll have an arrow for them.

01:07:40:02

Ygritte turns back to face Styr.

YGRITTE (CONT'D)
And not one of
your bald friends is
fast enough to stop me.

Ygritte exits.

01:08:05:07

INT. CASTLE BLACK LIBRARY – NIGHT

Sam sits turning through a book by himself. Aemon enters and
startles Sam. They face each other.

AEMON

And what is it
that couldn't wait
until morning, Tarly?

01:08:09:29

SAM
Maester Aemon.

01:08:12:07

SAM
How did you know--

AEMON (OS)
That it was you?

01:08:14:21

AEMON (CONT'D - OS)
Who else but Samwell Tarly

01:08:17:10

AEMON (CONT'D)
would be wasting candles

01:08:19:10

AEMON (CONT'D)
to read in the middle
of the night?

Aemon turns away to go to another table. Sam follows him with
a lantern.

01:08:25:16

SAM
Let me help you.

AEMON
Oh, no need.

01:08:29:11

AEMON (CONT'D)
I know my way
around this library

01:08:31:15

AEMON (CONT'D)
better than any other

place in Castle Black.

01:08:34:01

Aemon raises his hand, gesturing to the books.

AEMON (CONT'D)
Thousands of books

01:08:36:11

AEMON (CONT'D)
and no eyes to read them.

01:08:38:23

AEMON (CONT'D)
Old age is a wonderful
source of ironies

Aemon sits.

01:08:42:22

AEMON (CONT'D)
if nothing else.

Sam sits across from Aemon.

01:08:45:01

AEMON (CONT'D)
But you didn't
answer my question.

01:08:47:15

AEMON (CONT'D)
What are you reading?

01:08:49:04

SAM
Maester Faull.

01:08:51:15

AEMON
Ah, the wildlings.

01:08:54:18

AEMON (CONT'D)
I can assure you that

the closest Maester Faull

01:08:58:06

AEMON (CONT'D)
ever got to a wildling
was this very library.

01:09:01:20

SAM
But what he says
about what they do,

01:09:04:17

SAM (CONT'D)
it's all true.

01:09:06:06

SAM (CONT'D)
It's exactly
what the survivors
of their raids report.

01:09:09:26

AEMON
Yes, imagine the stories
wildlings tell about us.

Aemon smiles.

01:09:16:06

AEMON (CONT'D)
Love is the death
of duty.

01:09:20:10

AEMON (CONT'D)
I told that to your friend
Jon Snow once.

Sam looks up at Aemon.

01:09:22:26

AEMON (CONT'D)
He didn't listen
and neither did you.

01:09:27:06

AEMON (CONT'D)
Which is why you've abandoned
your watch atop the Wall

Sam averts his gaze.

01:09:31:06

AEMON (CONT'D)
to come here and read
about the terrible things

01:09:35:05

AEMON (CONT'D)
that may have happened
to the girl you love.

01:09:39:06

Sam is looking directly at Aemon and he shakes his head.

SAM
I don't love her.

01:09:42:11

AEMON
Yes, you do.

SAM
No.

01:09:44:06

AEMON
Yes, you do.

Sam averts his gaze.

01:09:46:04

AEMON (CONT'D)
Heard it in your voice
when you first brought
her to me.

01:09:50:06

AEMON (CONT'D)
I remember how it sounds.

01:09:52:11

AEMON (CONT'D)
I was in love once.

01:09:54:14

SAM
You were?

01:09:55:20

AEMON
You can imagine
all manner of horrors

01:09:59:29

AEMON (CONT'D)
befalling that poor
girl and her child.

01:10:02:24

AEMON (CONT'D)
Is it so difficult
to imagine

01:10:05:17

AEMON (CONT'D)
that an old person
was once,

01:10:07:17

AEMON (CONT'D)
more or less,
like you?

01:10:09:20

SAM
I'm sorry, Maester.

01:10:12:11

SAM (CONT'D)
I didn't mean it
like that.

01:10:14:06

AEMON
Do you know who I

was before I came here?

01:10:18:03

AEMON (CONT'D)
What I could have been
if I'd only said the word?

01:10:23:18

AEMON (CONT'D - OS)
Of course you do.

01:10:25:15

AEMON (CONT'D)
I met many girls
when I was Aemon Targaryen.

01:10:29:08

AEMON (CONT'D)
A future king
always does.

01:10:34:04

AEMON (CONT'D)
Some of them
were quite forward

01:10:36:22

AEMON (CONT'D)
in their attempts
to win my affections.

Sam smiles at Aemon.

01:10:40:17

AEMON (CONT'D)
One of them succeeded.

01:10:43:25

AEMON (CONT'D)
I was very young.

01:10:45:25

SAM
Who was she?

01:10:48:13

AEMON
Ah.

01:10:50:15

AEMON (CONT'D)
I could tell you
everything about her.

01:10:53:00

AEMON (CONT'D)
Who she was,

01:10:54:28

AEMON (CONT'D)
how we met,

01:10:56:21

AEMON (CONT'D)
the color of her eyes,

01:10:58:29

AEMON (CONT'D)
and the shape
of her nose.

01:11:03:18

AEMON (CONT'D)
I can see her

01:11:05:23

AEMON (CONT'D)
right in front of me.

01:11:10:17

AEMON (CONT'D)
She's more real
than you are.

01:11:17:07

AEMON (CONT'D)
We could spend all night
trading tales of lost loves.

Sam smiles and nods.

01:11:21:18

AEMON (CONT'D)
Nothing makes the past
a sweeter place to visit

01:11:24:13

AEMON (CONT'D)
than the prospect
of imminent death.

Sam's face turns somber.

01:11:27:16

AEMON (CONT'D)
Go to bed, Tarly.

Aemon stands and blows out the lantern.

01:11:35:24

EXT. CASTLE BLACK – NIGHT

PYP (OS)
Sorry, I can't open the gate
for anybody. Orders.

01:11:38:17

Sam walks out to the balcony overlooking the gate.

GILLY (OS)
You don't understand.
They killed everyone.

01:11:40:27

GILLY (CONT'D - OS)
Everyone but me
and my baby.

01:11:42:26

GILLY (CONT'D - OS)
They're out there.
I saw them on my way here.

Sam rushes down the stairs to the gate.

01:11:45:14

GILLY (CONT'D - OS)

They may have seen me.
They may have followed me. Please.

01:11:47:14

PYP (OS)
I'm sorry, I can't.

01:11:49:03

GILLY (OS)
If they find us out here,
you don't know...

01:11:50:13

Sam is running to the gate.

SAM
Pyp! Open the gate.

01:11:52:08

PYP
I can't.

GILLY
Sam, is that you?

01:11:54:27

SAM
Yes.

01:11:57:02

PYP
Thorne gave me strict
orders to not open the gate.

01:11:59:06

Sam yells.

SAM
Oh, Pyp,
open the fucking gate!

01:12:03:11

Pyp closes the lookout door and goes to open the gate.

PYP
I never heard you
curse before.

01:12:05:00

SAM
Yes, well,
best get used to it.

Pyp opens the gate and Gilly rushes through with her baby.

01:12:13:01

Sam embraces Gilly, holding her by the arms.

SAM (CONT'D)
Are you all right?

01:12:14:26

(panting)

(baby fusses)

01:12:16:26

Sam looks down at the baby.

SAM (CONT'D)
Shh, you're all right.

01:12:19:15

SAM (CONT'D)
Of course you are,
my brave little fella.

01:12:23:15

GILLY
It was horrible.

SAM
I'm so, so sorry.

01:12:26:06

SAM (CONT'D)
I didn't know until I got back.

01:12:27:29

GILLY
Don't let them
send me away, Sam.

01:12:29:18

SAM
Never.

GILLY
I know there's
no women allowed.

01:12:31:15

SAM
Anyone who tries
to throw you out will
be having words with me.

01:12:34:28

SAM (CONT'D)
From now on,
wherever you go,

01:12:37:27

SAM (CONT'D)
I go, too.

01:12:43:22

(horn blows)

Gilly and Sam look up to the direction of the horn, their faces
aghast.

01:12:48:00

(horn blows)

01:12:50:17

MAN (OS)
Get ready!

01:12:52:15

MAN (CONT'D – OS)
Man the gate!

MAN (CONT'D – OS)

Ready yourselves!

Sam looks up and around and then exits hurriedly.

01:12:54:17

MAN (CONT'D - OS)
Make haste!

01:12:56:26

MAN (CONT'D - OS)
Prepare!

MAN (CONT'D - OS)
Up on the Wall!

Pyp looks on after Sam.

01:12:58:27

MAN (CONT'D - OS)
Quickly!
Up! Up!

01:13:00:21

MAN (CONT'D - OS)
How many?

MAN (CONT'D - OS)
How many are there?

(horn blows)

Pyp looks up to the Wall and the sound of the shouting.

01:13:04:19

(horn blows)

The owl sits atop the Wall.

(screeches)

01:13:05:28

MAN (CONT'D - OS)
Beyond the trees!

01:13:11:19

EXT. WILDING CAMP – NIGHT.

Thenn Warg sits with his eyes closed, they flutter and he opens them.

THENN WARG
It's time.

The Wildlings stand and look up in the sky in the direction of Castle Black.

01:13:28:29

EXT. THE WALL – NIGHT

The owl flies off the of the Wall.

(men shouting)

01:13:33:02

The Night's Watch are running around preparing for battle.

(horn blows)

Jon snow is rushing the lookout point. He gets to the lookout and stops, overlooking a widespread fire in the distance.

01:14:01:02

The Night's Watch are lighting torches at the Wall.

MAN (OS)
Light them up!
Light them all!

01:14:03:20

(horn blowing)

(men shouting)

01:14:13:02

MAN (CONT'D - OS)
Move!

01:14:17:15

Jon is rolling a barrel through the tunnel.

SLYNT
Pick up the pace!

01:14:18:27

SLYNT (CONT'D - OS)
Come on, come on.

01:14:27:17

A catapult is set up at the interior wall of Castle Black. A barrel is rolled into place on the catapult.

GRENN (OS)
Here we go, boys,
there's one.

01:14:30:05

Another barrel is rolled into place on the catapult.

GRENN (CONT'D - OS)
Let's go.
There's two.

01:14:36:08

JON
Let's get the next load.

Jon walks to the overlook and sees Alliser, who faces away from Jon. They both look out over the Wall.

01:14:41:10

JON (CONT'D)
That's the last
of the oil, Ser Alliser.

01:14:45:05

ALLISER
100,000 you say?

01:14:48:00

JON
Yes, Ser.

01:14:50:08

ALLISER
You can say it
if you like.

01:14:52:20

ALLISER (CONT'D)
We should have sealed
the tunnel while we
had the chance,

01:14:56:13

ALLISER (CONT'D)
like you suggested.

01:14:59:27

JON
It was a difficult
decision either way, Ser.

01:15:05:11

ALLISER
Do you know what leadership
means, Lord Snow?

01:15:09:01

ALLISER (CONT'D)
It means that the person in
charge gets second-guessed

01:15:12:02

ALLISER (CONT'D)
by every clever little
twat with a mouth.

01:15:14:21

ALLISER (CONT'D)
But if he starts
second-guessing himself,

01:15:17:04

ALLISER (CONT'D)
that's the end—

01:15:19:03

ALLISER (CONT'D)

for him,
for the clever little twats,

01:15:22:13

ALLISER (CONT'D)
for everyone.

01:15:24:07

ALLISER (CONT'D)
This is not the end.
Not for us.

01:15:27:07

ALLISER (CONT'D)
Not if you lot
do your duty

01:15:29:12

ALLISER (CONT'D)
for however long it takes
to beat them back.

01:15:33:10

ALLISER (CONT'D)
And then you get
to go on hating me

01:15:36:16

ALLISER (CONT'D)
and I get
to go on wishing

01:15:38:10

ALLISER (CONT'D)
your wildling whore
had finished the job.

Alliser takes a step further out onto the overlook.

01:15:40:20

(horn blows)

01:16:04:03

Sam is leading Gilly through an underground hallway. He opens the door to a room and they enter and look around. Gilly puts the baby down.

SAM
You'll be safe down here.

01:16:05:21

SAM (CONT'D)
I'll check on you
as soon as I can.

01:16:07:17

Gilly crosses to Sam.

GILLY
You're leaving me again?

01:16:11:16

SAM
I'm not leaving you.

01:16:13:08

GILLY
You're going up there
and we're staying down here.
That's leaving.

01:16:16:01

GILLY (CONT'D)
You said from now on
we'd stay together.

01:16:18:15

SAM
I didn't mean
in the same room.

01:16:21:14

GILLY
What are you going
to do out there?

01:16:22:26

SAM
Help my brothers.

GILLY

How?

01:16:25:24

GILLY (CONT'D - OS)

You're going to
fight the free folk
when they come?

01:16:28:01

GILLY (CONT'D)

They'll kill you.
In Mole's Town,
they killed everyone.

01:16:30:27

SAM

I can't just hide here
with you while they're
fighting out there.

01:16:34:13

GILLY

Why not?
You won't matter
up there.

01:16:37:07

GILLY (CONT'D)

You will down here.

01:16:40:05

Sam takes hold of Gilly by the shoulders.

SAM

I am a man of
the Night's Watch, Gilly.

01:16:43:06

SAM (CONT'D)

I made a promise
to defend the Wall

01:16:45:15

SAM (CONT'D)

and I have to keep it

01:16:47:13

SAM (CONT'D)
because that's
what men do.

Sam pulls Gilly in and kisses her.

01:17:02:07

GILLY
Promise me
you won't die.

01:17:07:17

SAM
I promise you
I won't die.

Sam exits and closes the door behind him.

01:17:18:11

(lock clicks)

01:17:22:03

More battle preparations are taking place within Castle Black.

(men shouting)

(horse whinnies)

Pyp is setting up arrows at a battle station. He steps back and his hands are shaking. Sam looks over to see him.

01:17:44:29

Sam approaches Pyp.

SAM (CONT'D)
There's a lot more wildlings
on the other side of the Wall
than this side.

01:17:48:08

SAM (CONT'D)
We've got loads

of weapons and things.

01:17:51:10

SAM (CONT'D)
It's the perfect place
for us to be.

01:17:53:10

PYP
I've never thrown
a spear before.

01:17:55:19

PYP (CONT'D)
I've never held a sword
with a proper edge.

01:17:58:14

PYP (CONT'D)
This is no place
for me to be.

01:18:03:04

Pyp looks over to Sam, who is setting up battle stations.

PYP (CONT'D)
You're not afraid?

01:18:04:18

SAM
Of course I'm afraid.

01:18:07:05

SAM (CONT'D)
There's a band of wildlings
coming to kill us.

01:18:09:19

PYP
If you're afraid
of a band of wildlings,

01:18:11:03

PYP (CONT'D)
how in seven hells
did you manage to kill
a white walker?

01:18:19:25

Sam turns and approaches Pyp.

SAM

I didn't know
I was going to kill it.

01:18:22:18

SAM (CONT'D)

But I had to do something.
I didn't have any choice.

01:18:25:11

SAM (CONT'D)

It was going to kill Gilly
and take the baby.

01:18:29:10

SAM (CONT'D)

If someone had asked
me my name right then,

01:18:32:17

SAM (CONT'D)

I wouldn't have known.

01:18:36:03

SAM (CONT'D)

I wasn't
Samwell Tarly anymore.

01:18:39:03

SAM (CONT'D)

I wasn't a steward
in the Night's Watch

01:18:41:26

SAM (CONT'D)

or son of Randyll Tarly
or any of that.

01:18:45:23

SAM (CONT'D)

I was nothing at all.

01:18:49:22

SAM (CONT'D)
And when you're
nothing at all,

01:18:51:24

SAM (CONT'D)
there's no more reason
to be afraid.

01:18:56:05

PYP
But you're afraid now?

01:18:59:01

SAM
Yes, well...

01:19:02:18

SAM (CONT'D)
I'm not nothing anymore.

Sam looks out over the Wall.

01:19:24:00

EXT. WILDLING CAMP LOOKOUT – NIGHT

Ygritte is surveiling Castle Black. Ygritte runs back to camp to
inform Tormund and Styr.

YGRITTE
Most of their men
are up top.

01:19:25:15

YGRITTE (CONT'D)
Didn't count more
than 20 down here.
Leftovers.

01:19:28:25

YGRITTE (CONT'D)
They got a big fat one
and a little bony one
manning the front.

01:19:30:23

STYR
How high are the walls?

01:19:32:15

YGRITTE
Well, we'll be up
and over before they
know what's happened.

01:19:36:09

STYR
Let's kill some crows!

Ygritte looks down. Her face is somber.

01:19:39:04

(cheering)

01:19:41:01

TORMUND
Come on!

Tormund puts out the campfire.

01:19:43:16

(cheering)

01:19:49:04

(shouting)

Ygritte grabs up her arrows.

01:19:54:16

(horn blowing)

01:20:00:03

MAN
Come on, brothers!

01:20:12:25

(shouting)

The Wildlings and their giants approach Castle Black.

01:20:34:29

(bellows)

01:20:57:00

The Night's Watch looks on as the Wildlings line up to charge.

(bellows)

01:21:09:21

(shouting)

01:21:17:26

ALLISER
Archers nock.

01:21:19:11

ALLISER (CONT'D)
Everyone else hold.

Archer's nock.

01:21:21:19

Grenn drops a barrel of oil over the Wall.

DOLOROUS EDD
Grenn, no!

01:21:26:00

(barrel crashes)

01:21:27:02

ALLISER
I said nock and hold,
you cunts!

01:21:30:01

ALLISER (CONT'D)
Does nock mean draw?

MEN
No, Ser!

01:21:33:00

Alliser looks at Grenn.

ALLISER
Does fucking hold
mean fucking drop?

MEN
No, Ser!

01:21:36:11

ALLISER
You all plan
to die here tonight?

MEN
No, Ser!

01:21:39:19

ALLISER
That's very good to hear.
Draw!

Archers draw.

01:21:42:02

(horn blows)

01:21:46:09

MAN
No, down below!

01:21:48:10

Wildlings charge the wall.

(wildlings shouting)

01:21:50:27

(bow strings twanging)

01:21:58:02

MAN
Draw!
Light them up.

An archer draws. Archers begin to fire on the wildlings.

01:22:10:29

(screams)

01:22:15:01

Ygritte fires a flaming arrow and kills a Night's Watchmen. The wildlings reach the Wall.

TORMUND

Come on, get up!

01:22:17:23

Slynt runs to the overlook to approach Jon and Alliser.

SLYNT

They're attacking
the southern gate!

01:22:19:17

ALLISER

Now?

SLYNT

Now.

The surrounding men look to Alliser.

01:22:25:05

ALLISER

I'm going down there.
Brother Slynt, you have
the Wall.

01:22:28:24

Alliser exits. Slynt looks on after him.

SLYNT

What?

01:22:31:14

Alliser returns to the overlook to give a final order.

ALLISER
What are you
fucking waiting for?
Loose!

Alliser exits.

01:22:34:18

SLYNT
You heard the man.
Loose!

Archers fire.

01:22:42:22

Flaming arrows fly through the air and land at the feet of the wildling line, killing a few at the front. Remaining wildlings mock the Night's Watch.

(shouting)

01:22:50:13

(shouting)

Jon looks on sternly.
Ygritte is firing arrows at the gate.

01:23:05:26

Ygritte hits a Night's Watch in the throat.

(groans)

The Night's Watch throw stones on the wildlings.

01:23:15:08

TORMUND
You, over there.

The wildlings are lining up at the Wall.

01:23:21:23

Pyp fires an arrow.

SAM
Did you get one?

PYP
No.

01:23:25:12

Pyp fires again.

PYP
Ah, shit, Pyp!
Shit.

01:23:27:16

Pyp kneels by Sam.

PYP
Sam.

SAM
Yeah?

01:23:29:06

PYP
I think
we're gonna die.

(groans)

01:23:31:03

SAM
If you keep
missing, we will.

01:23:38:28

Wildlings continue to attack, setting climbing ropes at the wall.
An arrow kills a Night's Watch.

(screams)

01:23:42:29

Wildlings begin climbing the wall.

TORMUND
Come on!
Come on!

01:23:49:20

Alliser approaches the Night's Watch overlooking the yard.
A little boy jumps to his feet at seeing Alliser.

ALLISER
Brothers!

01:23:51:13

ALLISER (CONT'D)
100 generations
have defended this castle.

01:23:55:00

ALLISER (CONT'D)
She's never fallen before.

01:23:57:21

ALLISER (CONT'D)
She will not fall tonight.

01:23:59:10

ALLISER (CONT'D)
Those are Thenns
at our walls.

01:24:02:17

Alliser descends the stairs into the yard.

ALLISER (CONT'D)
They eat the flesh
of the men they kill.

01:24:04:27

ALLISER (CONT'D)
Do you want to fill
the belly of a Thenn tonight?

01:24:08:03

MEN
No!

01:24:09:11

ALLISER
Tonight we fight.

01:24:11:00

ALLISER (CONT'D)
And when the sun rises,
I promise you,

01:24:13:10

ALLISER (CONT'D)
Castle Black will stand!

01:24:15:08

(cheering)

01:24:16:13

ALLISER (CONT'D)
The Night's Watch
will stand.

01:24:18:18

(cheering)

01:24:22:00

The wildlings start to come over the wall.

ALLISER (CONT'D)
With me now!
Now with me!

The Night's Watch charge on the wildlings. Battle ensues.

01:24:25:11

(shouting)

Pyp leaves the overlook. Sam follows.
Alliser is sword fighting wildlings.
Tormund gets over the wall and begins charging Night's
Watchmen.
Pyp and Sam descend the stairs into the yard.

01:25:02:24

A giant sits atop a mammoth. They begin to move toward Castle Black.

(grunts)

01:25:04:25

(bellows)

01:25:18:28

(men shouting)

01:25:21:12

Dolorous Edd, and Grenn stand on a platform about Slynt, and Jon overlooking the wall.

SLYNT
No discipline.
No training.

01:25:24:04

SLYNT (CONT'D)
Gang of thieves,
that's all this is.

Grenn, and Dolorous Edd look around at each other then over the wall. Jon looks around and then over the wall.

01:25:27:03

SLYNT (CONT'D - OS)
I commanded the City Watch
of King's Landing.

01:25:29:21

SLYNT (CONT'D - OS)
Those men obeyed orders.

01:25:31:22

Jon steps in front of Slynt out onto the overlook.

JON
We can't just let
them attack the gate!

01:25:33:16

SLYNT
The bars of those gates
are four inches of
cold-rolled steel.

01:25:36:28

JON
Those are giants riding
mammoths down there!

01:25:39:15

JON (CONT'D)
Do you think
your cold-rolled steel
is gonna stop them?

01:25:41:28

SLYNT
No such thing
as giants.

01:25:43:09

Grenn goes to approach Slynt and Jon.

SLYNT (CONT'D - OS)
A story for the children.

01:25:47:22

GRENN
Brother Slynt.

01:25:49:24

GRENN (CONT'D)
We just got word
that Ser Alliser
needs you below.

01:25:54:14

GRENN (CONT'D)
You're the most
experienced man he's got,
Ser, and he needs you.

01:25:58:12

SLYNT

Needed below?

01:26:00:09

SLYNT (CONT'D)

Yes. Yes.

Slynt exits. Grenn and Jon look at each other and nod. Grenn chuckles and returns to his post.

01:26:11:19

JON

Archers, nock your arrows!

01:26:15:05

MAN

Nock arrows!

The Night's Watchmen nock arrows.

01:26:17:20

JON

Draw!

Jon raises his arm above his head. Archers draw.

01:26:20:25

Jon brings his arm down, giving the signal.

JON (CONT'D)

Loose!

Archers fire as wildlings continue to charge.

01:26:36:29

Jon yells across to Grenn.

JON

They won't summit
before dawn.

01:26:39:04

GRENN

How do you know that?

01:26:40:07

JON
Because I've made
that climb.

01:26:42:11

DOLOROUS EDD
I think they're in a bigger
hurry than you were.

01:26:48:05

Night's Watch are preparing the bridge. Wildlings are scaling
the wall.

MAN (OS)
Hold the bridge!

01:26:50:02

MAN (CONT'D - OS)
Hold, wait for it!

01:26:52:07

MAN (CONT'D - OS)
Come on with the rocks!

01:27:00:22

JON
Nock!

Archers nock.

01:27:04:02

JON (CONT'D)
Draw!

Archers draw.

01:27:09:06

JON (CONT'D)
Loose!

Archers fire.

01:27:15:02

(screams)

A giant fires an arrow at and hits the overlook platform.

01:27:29:14

A giant prepares to fire another arrow.

JON (CONT'D)
Down!

The giant hits a Night's Watchmen and he is carried away by the force of the arrow. He lands on a stake. Battle continues.

01:27:43:17

(screaming)

Thenn Warg is charging through Castle Black grounds, killing everyone he meets with a battle axe.

01:28:00:22

(laughs)

01:28:05:21

(screaming)

Ygritte is inside Castle Black grounds firing arrows and killing her targets.

MAN
No! No!

01:28:27:06

Slynt exits the elevator onto the yard.

SLYNT
To the gate.
Come on, let's move.

A boy pushes the pulley turn.

01:28:32:21

MAN (OS)
It's gonna open.

Wildlings breakthrough the gate. Battle ensues. Slynt runs away from the battle and goes to hide in the room where Sam is

keeping Gilly. Slynt opens the door, and shuts it behind him. He is surprised to see Gilly.

01:29:38:25

Pyp runs to a high point at Castle Black overlooking the grounds. Sam follows. Pyp fires and kills a wildling. Pyp kneels to tell Sam.

PYP
I got one right
through the heart.
He's dead.

01:29:41:09

SAM
Oh, is it over?

PYP
No.

01:29:43:20

SAM
Well, then...

Sam hands Pyp a loaded crossbow. Pyp rises to fire. Ygritte is standing nearby and fires an arrow through Pyp's throat.

01:29:53:03

Pyp falls into Sam's lap. Sam holds him as he sputters blood.

SAM
You're all right.
You're all right.

01:29:56:05

(gurgling)

01:29:58:12

SAM (CONT'D)
I'll get help.

Pyp grabs Sam to keep him from leaving.

01:30:00:16

SAM (CONT'D)
Shh. Shh.

01:30:02:10

SAM (CONT'D)
Maester Aemon is coming.

01:30:04:23

SAM (CONT'D)
He's gonna make
it all right.

01:30:06:20

SAM (CONT'D)
Shh. Shh.

01:30:18:03

More wildlings are approaching the wall. Jon looks to Dolorous Edd and gives the order for the catapults.

JON
Now.

DOLOROUS EDD
Now!

Jon looks on as barrels are dropped on wildlings. Dolorous Edd and Grenn look on. A giant dismounts his mammoth at the edge of the wall. The giant begins smashing in the outer gate, then connects hooks connecting the remains to the mammoth. The mammoth pulls.

01:30:46:18

(whistles)

01:30:48:09

(bellows)

01:31:34:17

(bellowing)

01:31:46:11

(gates creaking)

01:31:53:25

Jon approaches Grenn.

JON
The outer gate
won't hold.

01:31:55:18

JON (CONT'D)
Take five men,
hold the inner gate.

01:31:58:13

GRENN
Aye.

Grenn turns to go, and Jon grabs him by the arm. Grenn turns to Jon.

01:32:02:14

JON
Hold the gate.

01:32:04:10

JON (CONT'D)
If they make it through...

01:32:08:26

GRENN
They won't.

01:32:12:27

Grenn grabs his axe and shouts to his compatriots.

GRENN (CONT'D)
Come on, Hill.
And you, Cooper.

01:32:15:20

GRENN (CONT'D)
You three, on me.

(horn blowing)

01:32:18:24

Grenn gathers men as he charges toward the gate.

GRENN (CONT'D)

Come on,
you lazy bastards.

01:32:24:26

Dolorous Edd joins Jon on the overlook.

JON

Oil.

Jon exits. Dolorous Edd remains.

01:32:27:26

DOLOROUS EDD

Oil on the ramp!

Battle continues on Castle Black grounds. Tormund descends the stairs into the yard as Alliser looks on.

01:32:39:05

Alliser runs up a stair case.

ALLISER

Protect the gate!

Alliser approaches Tormund and they sword fight.

01:33:07:15

(groans)

01:33:14:17

(groans)

Tormund pressures in and Alliser falls over the railing onto the ground. Tormund turns to chase him, fighting his way through.

MAN

Get him inside.

01:33:20:13

Alliser is on the ground, being tended to by Night's Watchmen.

ALLISER
Hold the fucking gate!

01:33:22:18

ALLISER (CONT'D)
Hold it!

01:34:23:09

Sam is sitting covered in Pyp's blood, looking at his dead face. Sam lays Pyp's body on the ground, picks up his crossbow and goes to surveil the battle. Sam sees a stock of arrows across the yard and makes his way across the yard with Thenn Warg in pursuit. Thenn Warg catches up to Sam. Sam loads an arrow and shoots him in the head. Sam runs back to a high spot. Grenn and his men join Sam, huddled down behind barrels.

SAM
We need more men
down here.

01:34:24:24

GRENN
We have to hold the gate.

SAM
But we need men here.

01:34:27:11

GRENN
Tell Jon.
He's in command.

01:34:29:18

GRENN (CONT'D)
Let's go.

Grenn and his men charge for the gate.

01:34:39:19

Sam runs to the elevator and shouts to the boy operator.

SAM
Get me to the top!
You hear me?!

Olly is crouched and covering his ears.

01:34:47:09

SAM (CONT'D)
Your name's Olly, right?

01:34:49:22

SAM (CONT'D)
Listen to me, Olly.
Get me to the top.

01:34:52:29

SAM (CONT'D)
And when we
give the signal,
bring us back down.

01:34:57:03

SAM (CONT'D)
You hear me?

Sam nods his head toward elevator operator station. Olly runs to elevator pulley and sends elevator up.

01:35:03:12

Sam looks down on him and closes the elevator gate.

SAM (CONT'D)
Find a weapon, Olly.
Fight them.

Olly looks down at a bow.
The mammoth continues pulling at the outer gate. More barrels are loosed. The mammoth is set on fire. The giant follows him as he runs away.

01:35:30:15

(bellows)

01:35:32:28

(screaming)

01:35:38:25

MAN
Clear the way!

Let's go!

01:35:41:00

MAN (CONT'D)
Out of the way!

MAN (CONT'D)
Get out of here!

01:35:47:19

The giant is hit with an arrow as he runs after his mammoth and he falls to the ground.

(grunts)

01:35:52:10

Another giant sees the giant fall and is outraged.

(roars)

The giant goes to the outer gate and begins to try to force it open.

01:36:00:17

Man pierces a barrel of oil while trying to loose it atop the wall.
The barrel explodes.

MAN
Cut the rope!

01:36:03:02

The man holding the ropes is shot with an arrow. The rope falls through the pulley. The other man holding the ropes is pulled off the wall.

(screams)

01:36:09:03

MAN
- Wait! No!

(screaming)

01:36:18:05

(roaring)

The giant forces the outer gate open.

01:36:25:25

MAN (OS)
We need more archers.

MAN (OS)
Here I am.

01:36:28:01

MAN (OS)
- Come on.

MAN (OS)
- Quickly.

01:36:32:11

Sam is rushing to Jon. Sam arrives at the overlook.

JON
What are you
doing up here?

01:36:34:10

SAM
The wildlings
are over the walls.

01:36:36:24

SAM (CONT'D)
Ser Alliser's fallen.

01:36:38:19

SAM (CONT'D)
The castle won't stand
much longer.

01:36:42:26

JON
Edd, you have the Wall.

Edd looks shocked. Jon begins to leave.

01:36:48:09

Jon stops and faces Dolorous Edd.

JON (CONT'D)
If they try the mammoths
again, drop fire on them.

01:36:50:24

JON (CONT'D)
If the climbers get too high,
drop the scythe on them.

Jon exits. Sam nods to Dolorous Edd and follows Jon. Dolorous Edd looks over the wall.

01:36:59:00

Jon takes up a sword and draws it from its sheath as he charges toward the battle in Castle Black.

JON (CONT'D)
Come, brothers.
Now fight with me!

01:37:02:11

Dolorous Edd addresses the Night's Watchmen on the wall.

DOLOROUS EDD
Might as well enjoy
our last night, right, boys?

01:37:06:02

DOLOROUS EDD (CONT'D)
Light the fuckers up!

Men light their arrow tips.

01:37:08:06

DOLOROUS EDD (CONT'D)
Nock! Draw!

Men nock their arrows and draw.

01:37:12:06

Dolorous Edd brings his arm down giving the signal to fire.

DOLOROUS EDD (CONT'D)

Loose!

01:37:23:05

Grenn and his men arrive at the inner gate to see the giant forcing the outer gate open.

COOPER

How are we
gonna stop that?

01:37:24:10

HILL

Shot 20 arrows
in him already.

01:37:25:19

GRENN

You heard Jon.
We hold the gate.

01:37:27:01

COOPER

Jon Snow's not
Lord Commander.

01:37:28:16

Grenn looks at Cooper.

GRENN

We hold the gate!

01:37:39:04

The giant forces the gate nearly all the way open. Cooper draws his sword.

COOPER

Mother, save me.
Father, save me.

01:37:41:15

GRENN
The gods aren't down here.

01:37:42:27

Grenn looks at Cooper.

GRENN (CONT'D)
It's the six of us.
You hear me?

The giant makes it through the gate and approaches Grenn and his men.

01:37:50:12

Cooper begins to turn and leave and Grenn grabs Cooper by the shirt and stares him in the face as Cooper stares at the giant.

GRENN (CONT'D)
Night gathers
and now my watch begins.

01:37:53:08

GRENN (CONT'D - OS)
It shall not end
until my death.

The giant starts running at the interior gate.

01:37:55:19

GRENN (CONT'D)
I shall take no wife,
hold no lands,

01:37:58:03

GRENN (CONT'D - OS)
father no children.

01:37:59:17

GRENN AND HILL
I shall wear no crown
and win no glory.

01:38:02:10

GRENN AND HILL (CONT'D)
I shall live and die
at my post.

01:38:04:20

ALL
I am the sword in the darkness.

01:38:06:16

ALL (CONT'D)
I am the watcher
on the walls.

01:38:08:11

ALL (CONT'D)
I am the shield that guards
the realms of men.

01:38:11:12

ALL (CONT'D)
I pledge my life and honor
to the Night's Watch

01:38:15:08

ALL (CONT'D)
for this night
and all the nights to come!

01:38:18:04

The giant reaches the interior gate.

(shouting)

(roaring)

01:38:23:27

Jon stands with Sam overlooking the battle inside Castle Black.

JON
I don't want you
out there.

01:38:25:11

Jon continues looking on the battle as Sam looks at Jon.

SAM
You can't
protect me forever.

01:38:27:16

SAM (CONT'D)
There won't be anywhere
to hide if the castle falls.

01:38:32:29

Jon gives Sam a key and looks him in the eye. Sam nods.

JON
I need him
more than I need you.

Jon jumps from the suspended elevator to the grounds of the battle. Jon rolls and then gets to his feet and begins sword fighting his way through as the battle continues. Pan over battle to Tormund killing Night's Watchmen with a sword.

01:39:48:29

Sam runs to Ghost's cage and frees him with the key given him by Jon.

SAM
We need you, boy.

01:39:51:17

(panting)

Ghost runs into battle and takes down a wildling then eats his face. Tormund is fighting his way through the battlegrounds.

01:40:13:18

THENN MAN
Ha!

A Thenn sees Jon and charges at him. They sword fight. Ygritte looks on the battle scene and fires her way through it. The Thenn knocks Jon's sword on the ground. Ygritte sees Jon and

the Thenn fighting and stops firing. The Thenn slams Jon's face into an anvil and they continue fighting hand-to-hand.

01:40:52:05

(shouting)

01:41:22:28

(shouts)

Jon puts a hammer through the Thenn's skull.

01:41:28:03

(gasping)

Jon's stumbles around and stops facing Ygritte who's drawn an arrow aiming at Jon. Jon stops and smiles at her.

01:41:49:27

Ygritte pauses looking at Jon. Ygritte is hit with an arrow through the chest and falls to her knees. Jon's face turns to shock.

(arrow thuds)

(gasps)

01:41:59:22

(gasping)

Jon looks in the direction the arrow came from and sees Olly holding a bow. Ygritte looks down at the arrow in her chest. Jon runs to Ygritte's and holds her in his arms.

01:42:10:13

Ygritte looks up at Jon.

YGRITTE
Jon Snow.

01:42:12:00

JON
Hush.
Don't talk.

01:42:19:11

YGRITTE
Do you remember the cave?

01:42:26:10

YGRITTE (CONT'D)
We should have
stayed in the cave.

01:42:33:01

JON
We'll go back there.

01:42:41:03

YGRITTE
You know nothing,
Jon Snow.

Ygritte dies in Jon's arms. Jon leans over and presses his face to hers. Jon holds Ygritte's body and rocks her as the battle continues.

01:43:19:19

More wildlings are scaling the wall.

DOLOROUS EDD
Drop the scythe, boys!

A large piece of the wall crumbles revealing a gigantic scythe that swings along the wall at the wildlings.

01:43:35:22

The wildlings on the wall are taken out by the scythe.

(screams)

A wildling forearm and hand dangle from the wall as Dolorous Edd looks on.

01:43:44:11

DOLOROUS EDD
Hoist her up.

MAN

Hoist her up!

01:43:47:02

(chain clanking)

(men grunting)

01:43:52:22

Dolorous Edd overlooks the wall.

DOLOROUS EDD
They've had enough
for one night.

01:43:54:24

(cheering)

01:43:58:27

DOLOROUS EDD (CONT'D)
Don't cheer too loud.

01:44:02:23

DOLOROUS EDD (CONT'D)
They still outnumber us
1,000 to one.

01:44:08:09

(groaning)

01:44:11:26

(roaring)

01:44:14:00

Jon walks across the grounds through puddles of blood
approaching Tormund, who has an arrow in his chest and is
swinging madly, crouched over with his sword.

JON
Tormund.

01:44:15:22

JON (CONT'D)
It's over.

Tormund stops.

01:44:18:12

JON (CONT'D)
Let it end.

01:44:19:23

TORMUND
This is how a man ends.

Tormund swings his sword at a Night's Watchmen standing at his flank. Jon shoots Tormund with a crossbow.

01:44:30:01

Jon approaches Tormund and kicks him down.

JON
Put him in chains.

01:44:32:16

JON (CONT'D)
We'll question him later.

01:44:37:08

Tormund is taken away. Jon turns and walks away.

TORMUND
I should have
thrown you

01:44:39:21

TORMUND (CONT'D)
from the top
of the Wall, boy!

01:44:42:20

JON
Aye.

01:44:44:22

JON (CONT'D)
You should have.

01:44:47:22

(lock clicking)

Gilly is startled and looks to the door.

01:44:51:04

(door opens)

01:44:53:28

Gilly grabs a bone and raises it at the door. Sam enters and throws his hands up.

SAM
Whoa, it's me.
It's me.

Sam puts his hands down at his sides.

01:45:00:16

SAM (CONT'D)
I promised you,
didn't I?

Gilly lowers the bone in her hand.

01:45:05:15

(scuffles)

Sam turns around to see Slynt sitting in the corner on the floor. Outside, Night's Watchmen gather bodies of the dead in a pile.

01:45:17:08

Jon and Sam descend the stairs to the grounds.

SAM (CONT'D)
We held them off.

01:45:19:02

JON
For one night.

01:45:21:00

SAM
This is a great
victory.

01:45:23:11

JON
A great victory?

01:45:27:05

JON (CONT'D)
Mance was testing
our defenses.

01:45:29:11

JON (CONT'D)
He almost
made it through.

01:45:31:00

JON (CONT'D)
And he has more giants.
He has more mammoths.

01:45:33:25

JON (CONT'D)
He has 1,000 times
as many men.

Jon and Sam stop on a platform overlooking the grounds.

01:45:39:29

JON (CONT'D)
They'll hit us
again tonight.

Jon continues walking to descend another stair to the grounds.
Sam follows.

01:45:42:17

JON (CONT'D)
Maybe we can hold them
off for a day or two,

01:45:45:01

JON (CONT'D)
but we'll never
beat them.

01:45:47:27

SAM
Where are we going?

01:45:49:09

JON
Going to find Mance.

01:45:51:03

SAM
To fi---
you can't do that.

Sam stops in his tracks, alarmed.

01:45:53:25

SAM (CONT'D)
No one gave you any orders.

Jon stops and turns to Sam.

01:45:57:11

JON
Who's left
to give orders?

01:45:59:26

JON (CONT'D)
The wildling army's only
an army because of Mance.

01:46:02:19

JON (CONT'D)
He united
100 warring tribes.

01:46:05:14

JON (CONT'D)
Without Mance,
they lose their leader.

01:46:07:15

JON (CONT'D)
They lose their purpose.
They go back to fighting
each other.

01:46:10:08

JON (CONT'D)

Scatter back
to their homes.

Jon turns and continues walking.

01:46:11:29

Sam hurriedly follows after Jon.

SAM
Without Mance?

01:46:14:07

SAM (CONT'D)
You're going to kill him?

01:46:15:21

JON
I'm gonna try.

01:46:17:01

SAM
They'll never let you
within 100 yards of him.

01:46:18:28

SAM (CONT'D)
And even if they did,
even if you managed to kill him—

01:46:21:08

JON
They'll kill me?
If I don't go, they'll
kill me anyway.

Sam stops and Jon continues walking.

01:46:23:24

JON (CONT'D)
They'll kill
the rest of us, too.

01:46:25:07

SAM
They won't just kill you.

Jon stops.

01:46:27:22

SAM (CONT'D)
They'll boil you.
They'll flay you.

01:46:29:20

SAM (CONT'D)
They'll make it last days.

01:46:34:01

Jon turns to Sam.

JON
You're right.
It's a bad plan.

01:46:39:15

JON (CONT'D)
What's your plan?

Jon and Sam walk to the gate to find Grenn, Grenn's men, and the giant all slaughtered on the ground.

01:47:24:24

Jon kneels on the ground by the bodies of Grenn and his men.

JON (CONT'D)
They held the gate.

01:47:36:09

Jon places his hands over Grenn's eyes and closes them.

JON (CONT'D)
Get some brothers
down here to help you.

01:47:40:28

JON (CONT'D)
We need to burn
the bodies.

Sam nods. Jon rises to his feet and walks away. Sam steps over Grenn's body to follow Jon.

01:48:04:03

Jon and Sam stop, looking at the outer gate.

JON (CONT'D)
Raise the outer gate.

01:48:07:04

JON (CONT'D)
Then lower it again
as soon as I'm out.

Sam turns away from Jon and waves his torch.

01:48:21:02

Sam turns back toward Jon. Jon is removing his sword.

SAM
What are you doing?

01:48:22:18

JON
I promised Mormont
I'd never lose it again.

Jon hands his sword to Sam.

01:48:29:19

Jon and Sam lock eyes.

JON (CONT'D)
In case I don't come back.

The outer gate is raised as Jon and Sam look on.

01:48:39:18

SAM
Jon.

Jon turns back to Sam and they lock eyes.

01:48:46:09

SAM (CONT'D)
Come back.

Jon smiles at Sam. Sam and Jon turn to watch the gate opening.
Jon takes a deep breath and walks out of the gate.

Screen goes white.

01:48:56:29

(wind howling)

01:49:13:25

[MUSIC IN]
