[FADE TO BLACK]

EXT. MEREEN - DAY

The masters try and take Meereen.

01:01:52

(Explosions)

01:01:54

EXT. SHIP - DAY

More fire power balls are readied.

01:01:55

(Yelling)

01:01:56

(Chains rattling)

01:01:57

(Firing rod slams)

01:01:58

(Cogs rattle)

01:01:59

(Ropes strain)

01:01:49

(Fireballs whistling)

01:02:04

(Man yelling)

01:02:06

(Music in)

01:02:09

(Explosions)

01:02:11

(Screaming)

01:02:26

(Explosions)

EXT. PYRAMID - DAY

Daenerys watches the assault on Meereen.

01:02:29

TYRION

Despite appearances, I think you'll find
the city's on the rise.

01:02:32

(Explosion)

01:02:35

TYRION (OS)

Perhaps ...

TYRION (CONT'D)

... we should take shelter.

01:02:38

(Explosions)

01:02:39

DAENERYS

The city's on the rise?

01:02:41

TYRION

Meereen is strong. Commerce has returned
to the markets. The people are behind you.

01:02:42

(Explosion)

01:02:49

TYRION

Well, not all the people, of course. No
ruler that ever lived had the support of
all ...

TYRION (CONT'D) (OS)

... the people. But the rebirth of Meereen
is the cause of this violence.

01:02:58

(Explosion)

01:03:00

TYRION

The Masters cannot let Meereen succeed.

01:03:03

(Explosion)

01:03:04

TYRION

Because if Meereen succeeds, a city without
slavery, a city without Masters ...

01:03:07

(Explosions)

01:03:09

TYRION (CONT'D)
... it proves that no one needs a Master.

01:03:15

(Explosion)

01:03:15

DAENERYS
Good. Shall we begin?

01:03:21

TYRION
Do we have a plan?

01:03:22

DAENERYS (OS)
I will crucify the ...

DAENERYS (CONT'D)
... Masters. I will set their fleets afire,
kill every last one of their soldiers, and
return their cities to the dirt.

DAENERYS (CONT'D) (OS)
That is my plan.

DAENERYS (CONT'D)
You don't approve?

01:03:37

TYRION
You once told me you knew what your father
was.

TYRION (CONT'D) (OS)
Did you know his plans for King's Landing
when Lannister armies were at his gates?

01:03:44

(Explosion)

01:03:47

TYRION
Probably not. Well, he told my brother and
Jaime told me.

TYRION (CONT'D) (OS)
He had caches of it hidden under the Red
Keep ...

TYRION (CONT'D)
... the Guildhalls, the Sept of Baelor. All
the major thoroughfares.

01:04:00

(Explosions continue)

01:04:02

(Music in)

01:04:03

TYRION (OS)
He would have burned ...

TYRION (CONT'D)
... every one of his citizens. The loyal ones
and the traitors.

TYRION (CONT'D) (OS)
Every man, woman, and child.

TYRION (CONT'D)
That's why Jaime killed him.

01:04:11

DAENERYS (OS)
(Overlap) This is ...

DAENERYS (CONT'D)
... entirely different.

01:04:13

TYRION (OS)
You're talking about destroying ...

TYRION (CONT'D)
... cities. It's not entirely different.

01:04:18

(Music continues)

01:04:21

TYRION
I'd like to suggest an alternate approach.

01:04:24

(Glass-shattering explosion)

EXT. MEEREEN - DAY

Tyrion speaks with The Masters.

01:04:36

(Far off explosions)

01:04:37

RAZDAL (OS)
Once before, I offered you peace.

RAZDAL (CONT'D)
If you had not been so arrogant ...

RAZDAL (CONT'D) (OS)
... you could have returned to your homeland
with a fleet of ships. Instead, you will
flee Slaver's Bay on foot ...

RAZDAL (CONT'D)
... like the beggar queen you are.

01:04:55

TYRION (OS)
We are here to discuss terms of surrender ...

TYRION (CONT'D)
... not to trade insults.

01:05:03

YEZZAN (OS)
The terms are simple. You and your foreign
friends will abandon the Great Pyramid and
the city of Meereen. The Unsullied you
stole from Kraznys mo Nakloz will remain to
be sold again to the highest bidder. The

translator you stole from Kraznys mo Nakloz
will remain to be sold again to the ...

YEZZAN (CONT'D)
... highest bidder. The dragons beneath the
Great Pyramid will be slaughtered.

01:05:24

DAENERYS
We obviously didn't communicate clearly.
We're here to discuss your surrender, not
mine.

01:05:34

RAZDAL
I imagine it's difficult adjusting to the
new reality. Your reign is over.

01:05:47

DAENERYS
My reign has just begun.

01:05:50

(Faded explosions)

01:05:49

(Dragon screeching)

01:05:55

(Music in)

01:06:13

(Roars)

01:06:17

(Thud)

01:06:20

(Snarl)

01:06:21

(Music continues)

01:07:23

(Screaming)

01:07:43

(Shouting)

EXT. CITY OF MEREEN - DAY

Dragons unleash their power.

01:07:06

(Dragons screeching)

01:07:15

(Music continues)

01:07:42

EXT. CITY OF MEEREEN - DAY

The Dothraki come to Daenerys's aid.

01:07:42

(Screaming)

01:07:46

(Hooves pounding)

01:07:55

(Slash of a head being severed)

01:07:56

(Dragon screeches)

01:08:10

(Men yelling)

01:08:13

(Fireballs swishing)

01:08:19

(Dragons screech)

01:08:35

DAENERYS (OS)
Dracarys.

01:08:29

(Dragon fireball)

01:08:32

(Explosion of flames)

01:08:38

(Men screaming)

01:08:40

(Dragon fireball)

01:08:55

(Wood cracking, water pounding)

01:09:02

(Music continues)

01:09:07

(Dragon fireballs destroying fleet)

01:09:10

(More screaming)

EXT. OUTSIDE OF MEEREEN - DAY

Grey Worm speaks to the soldiers.

01:09:21

GREY WORM (Speaking Valyrian)
Jim vali ezi m'idreno.
>>You men have a choice:<<

01:09:15

(Slam)

01:09:25

GREY WORM (Speaking Valyrian) (OS)
Ozvilícagho si morghúleggho Aeske
>>fight and die for the Masters

GREY WORM (Speaking Valyrian) (CONT'D)
zy sko do ozvilívizí si morghúlesi jin zy dori.
who would never fight and die for you,

GREY WORM (Speaking Valyrian) (CONT'D) (OS)
Ja já linot, va jivi kezari.
or go home to your families.<<

01:09:27

(Dragon screeching)

01:09:28

(Metal clanking)

01:09:40

TYRION
Thank you ...

TYRION (CONT'D) (OS)
... for the armada. Our queen does love
ships.

TYRION (CONT'D)
Now, last time we spoke, we made a pact.

01:09:43

(Music in)

01:09:44

TYRION (CONT'D)
You violated that pact. You declared war ...

TYRION (CONT'D) (OS)
... upon us. Though our queen does have a
forgiving nature ...

TYRION (CONT'D)
... this -- cannot be forgiven.

01:09:59

MISSANDEI (OS)
Our queen ...

MISSANDEI (CONT'D)
... insists that one of you must die ...

01:09:54

(Music in)

01:09:55

MISSANDEI (CONT'D) (OS)
... as punishment for your crimes.

01:10:06

TYRION
It always seems a bit abstract, doesn't it,
other people dying?

01:10:13

RAZDAL (OS)
Him. He should die.

01:10:15

BELICHO (OS)
Yes, him. He's not one of us. He's an
outsider, lowborn. He does not speak for
us.

01:10:15

(Music continues)

01:10:24

YEZAAN
Please.

01:10:19

(Knees dropping)

01:10:28

YEZZAN (OS)

Please.

01:10:22

(Blade slicing)

01:10:30

(Both groan)

01:10:32

(Blood splattering)

01:10:35

(Gasping)

01:10:48

TYRION

Tell your people what happened here. Tell them you live by the grace of Her Majesty.

TYRION (CONT'D) (OS)

When they come forward with notions of retribution or ideas about returning the slave cities to their former ...

TYRION (CONT'D)

... glory, remind them what happened when Daenerys Stormborn and her dragons came to Meereen.

01:11:07

(Dragons roaring)

EXT. WINTERFELL - DAY

Ramsay rides out to meet with Jon Snow.

01:11:23

(Horses whinnying)

01:11:43

JON SNOW (OS)

You don't have to be here.

01:11:46

SANSA
Yes, I do.

01:11:43

(Music continues)

01:11:48

(Hooves pounding)

01:12:12

RAMSAY
My beloved wife.

RAMSAY (CONT'D) (OS)
I've missed you ...

RAMSAY (CONT'D)
... terribly.

01:12:14

(Flags billow)

01:12:15

RAMSAY
Thank you for returning Lady Bolton ...

RAMSAY (CONT'D) (OS)
... safely. Now, dismount and ...

RAMSAY (CONT'D)
...kneel before me, surrender your army and
proclaim me the true Lord of Winterfell and
Warden of the North. I will pardon you for
deserting the Night's Watch. I will pardon
these treasonous lords for betraying my
house.

RAMSAY (CONT'D) (OS)
Come ...

RAMSAY (CONT'D)
... bastard, you don't have the men, you
don't have the horses ...

RAMSAY (CONT'D) (OS)

... and you don't have Winterfell. Why lead those poor souls into slaughter?

RAMSAY (CONT'D)

There's no need for a battle. Get off your horse and kneel. I'm a man of mercy.

01:13:02

JON SNOW

You're right. There's no need for a battle.

JON SNOW (CONT'D) (OS)

Thousands of men don't need to die. Only one of us.

JON SNOW (CONT'D)

Let's end this the old way. You against me.

01:13:26

(Chuckles)

01:13:39

RAMSAY

I keep hearing stories about you -- bastard.

RAMSAY (CONT'D) (OS)

The way people in the North talk about you, you're the greatest ...

RAMSAY (CONT'D)

... swordsman who ever walked. Maybe you are that good. Maybe not.

RAMSAY (CONT'D) (OS)

I don't know if I'd beat you.

RAMSAY (CONT'D)

But I know that my army will beat yours.

RAMSAY (CONT'D) (OS)

I have 6,000 men. You have, what ...

RAMSAY (CONT'D)

... half that? Not even?

01:13:58

JON SHOW (OS)

Aye ...

JON SNOW (CONT'D)

... you have the numbers.

01:13:59

(Horse bellow)

01:14:00

JON SNOW

Will your men want to fight for you when
they hear you wouldn't fight for them?

01:14:09

(Horse whinny)

01:14:13

(Snicker)

01:14:14

RAMSAY

He's good. Very ...

RAMSAY (CONT'D) (OS)

... good. Tell me ...

RAMSAY (CONT'D)

... will you let your little brother die
because you're too proud to surrender?

01:14:31

SANSA

How do we know you have him?

01:14:38

(Thud, roll)

01:14:39

(Whinny)

01:14:58

RAMSAY (OS)
Now, if you want to save --

01:15:00

SANSA
You're going to die tomorrow ...

SANSA (CONT'D) (OS)
... Lord Bolton.

SANSA (CONT'D)
Sleep well.

01:15:16

RAMSAY
She's a fine woman, your sister.

RAMSAY (CONT'D) (OS)
I look forward to having her back in my
bed.

RAMSAY (CONT'D)
And you're all fine-looking men. My dogs
are desperate to meet you. I haven't fed
them ...

RAMSAY (CONT'D) (OS)
... for seven days. They're ravenous.

RAMSAY (CONT'D)
I wonder which part they'll try first.

RAMSAY (CONT'D) (OS)
Your eyes? Your ...

RAMSAY (CONT'D)
... balls?

01:15:33

(Music in)

01:15:34

RAMSAY (CONT'D)
We'll find out soon enough.

RAMSAY (CONT'D) (OS)
In the morning, then ...

RAMSAY (CONT'D)
... bastard.

01:15:47

(Horse bellows)

01:15:58

JON SNOW (VO)
If he was smart, he'd stay inside the walls
of Winterfell and wait us out.

INT. TENT - NIGHT

Jon Snow, Davos and Tormund discuss battle.

01:16:11

DAVOS
That's not his way. He knows the North is
watching. If the other houses sense
weakness on his part, they'll stop fearing
him. He can't have that. Fear is his
power.

01:16:21

JON SNOW (OS)
It's his weakness, too. His men don't want
to fight for him. They're forced to fight
for him. If they feel the tide turning ...

01:16:27

TORMUND (OS)
It's not his men that worry me.

TORMUND (CONT'D)
It's his horses. I know what mounted
knights can do to us. You and Stannis cut
through us like piss through snow.

01:16:36

JON SNOW
We're digging trenches all along our
flanks. They won't be able to hit us the
way that Stannis hit you, in a double
envelopment.

01:16:37

(Pause)

01:16:38

JON SNOW
A pincer move.

01:16:41

(Pause)

01:16:52

JON SNOW
They won't be able to hit us from the sides.

01:16:55

TORMUND
Good.

01:17:00

DAVOS
It's crucial that we let them charge at us. They've got the numbers, we need the patience.

DAVOS (CONT'D) (OS)
If we let him buckle our ...

DAVOS (CONT'D)
... center, he'll pursue.

DAVOS (CONT'D) (OS)
We'll have him surrounded on three sides.

01:17:16

TORMUND (OS)
Did you really think that cunt would fight you man-to-man?

01:17:21

JON SNOW
No. But I wanted to make him angry. I want him coming at us full tilt.

01:17:31

DAVOS
We should all get some sleep.

01:17:33

TORMUND (OS)
Hmm, rest, Jon Snow. We need you sharp tomorrow.

01:17:39

SANSA (OS)
So you've met the enemy ...

SANSA (CONT'D)
... drawn up your battle plans.

01:17:45

JON SNOW (OS)
Aye ...

JON SNOW (CONT'D)
... for what they're worth.

01:17:48

SANSA (OS)
You've known him for the space ...

SANSA (CONT'D)
... of a single conversation, you and your trusted advisors,
and you ...

SANSA (CONT'D) (OS)
... sit around making your plans on how to defeat a man you
don't know. I lived with him.

SANSA (CONT'D)
I know the way his mind works. I know how he likes to hurt
people.

SANSA (CONT'D) (OS)
Did it ever once occur to you that ...

SANSA (CONT'D)
... I might have some insight?

01:18:12

JON SNOW
You're right.

01:18:14

SANSA

You think he's going to fall into your trap. He won't.
He's the one who lays traps.

01:18:18

JON SNOW (OS)

He's overconfident.

01:18:20

SANSA

He plays with people. He's far better at it ...

SANSA (CONT'D) (OS)

... than you. He's been doing it all his life.

01:18:324

JON SNOW

Aye, and what have I been doing all my life? Playing with
broomsticks?

JON SNOW (CONT'D) (OS)

I fought beyond the Wall against worse than Ramsay Bolton.
I've defended ...

JON SNOW (CONT'D)

... the Wall from worse than Ramsay Bolton.

01:18:42

SANSA (OS)

You don't ...

SANSA (CONT'D)

... know him.

01:18:46

JON SNOW

All right, tell me. What should we do? How do we get
Rickon back?

01:18:53

SANSA

We'll never get him back.

SANSA (CONT'D) (OS)

Rickon is Ned Stark's ...

SANSA (CONT'D)

... trueborn son, which makes him a greater threat to Ramsay than you, a bastard, or me, a girl. As long as he lives, Ramsay's claim to Winterfell will be contested, which means ...

01:19:01

(Sigh)

01:19:02

SANSA (CONT'D)

... he won't live long.

01:19:11

JON SNOW

We can't give up on our brother.

01:19:13

SANSA (OS)

Listen to me, please.

SANSA (CONT'D)

He wants you to make a mistake.

01:19:17

JON SNOW (OS)

Of course he does.

JON SNOW (CONT'D)

What should I do differently?

01:19:20

SANSA (OS)

I don't know.

SANSA (CONT'D)

I don't know anything about battles. Just -- just don't do what he wants you to do.

01:19:25

JON SNOW

Aye, that's good advice.

01:19:27

SANSA (OS)
You think that's obvious?

01:19:28

JON SNOW
Well, it is a bit obvious.

01:19:30

SANSA
If you had asked for my advice earlier, I would have told
you not to attack Winterfell until we had a larger force ...

SANSA (CONT'D)
... or is that obvious, too?

01:19:35

JON SNOW
When will we have a larger force?

JON SNOW (CONT'D) (OS)
We've pleaded with every house that'll have us. The
Blackfish ...

JON SNOW (CONT'D)
can't help us. We're lucky to have this many men.

01:19:40

SANSA
It's not enough.

01:19:41

JON SNOW (OS)
No, it's not enough. It's what we have.

01:19:42

(Pause)

01:19:43

JON SNOW
Battles have been won against greater odds.

01:19:50

(Music in)

01:20:01

SANSA

If Ramsay wins, I'm not going back there alive. Do you understand me?

01:20:09

JON SNOW

I won't let ever -- let him touch you again. I'll protect you, I promise.

01:20:20

SANSA

No one can protect me. No one can protect anyone.

01:20:29

(Sighs)

01:20:43

DAVOS (VO)

Do you think there's hope?

EXT. CAMP - NIGHT

Davos and Tormund talk.

01:20:45

TORMUND (OS)

I've never seen these Bolton fuckers fight. And they've never seen the free folk fight, so, yes, there's hope.

01:20:44

(Fire crackling)

01:20:46

TORMUND

You want to avenge your king, don't you?

01:20:57

DAVOS

It wasn't the Boltons defeated Stannis. It was Stannis himself. I loved the man. He lifted me up and made me something. But he had demons in his skull whispering foul things.

01:21:02

TORMUND
You saw these demons?

01:21:04

DAVOS
What?

DAVOS (CONT'D) (OS)
No ...

DAVOS (CONT'D)
... it's a manner of speaking. Not actual demons.

01:21:21

TORMUND
Oh.

TORMUND (CONT'D) (OS)
Well, you loved that cunt Stannis and I loved the man he burned.

TORMUND (CONT'D)
Mance didn't have demons in his skull. He didn't torch people or listen to some red witch.

TORMUND (CONT'D) (OS)
I believed in him. I thought he was the man to lead us through the ...

TORMUND (CONT'D)
... Long Night. But I was wrong just like you.

01:21:45

DAVOS (OS)
Maybe that was our mistake, believing in kings.

01:21:43

TORMUND
Jon Snow's not a king.

01:21:46

DAVOS
No, he's not.

01:21:51

TORMUND (OS)
I need a good drink to help me sleep the
night before a fight.

TORMUND (CONT'D)
You want some? I have a jug of sour goat's
milk ...

TORMUND (CONT'D) (OS)
... stronger than any of that grape water you
southern twats like sucking on.

01:22:11

DAVOS (OS)
No, thanks. It does sound delicious, but I
better keep a clear head. I can never
sleep the night before a battle.

01:22:18

TORMUND (OS)
So what do you do all night?

01:22:20

DAVOS
I walk. Think and walk.

DAVOS (CONT'D) (OS)
Think and walk until I'm far enough away
from camp that ...

DAVOS (CONT'D)
... no one can hear me shitting my guts out.

01:22:24

(Laughs)

01:22:25

TORMUND
Happy shitting.

01:22:26

(Footsteps)

INT. MELISANDRE'S QUARTERS - NIGHT

Melisandre is deep in thought. Jon Snow talks to her.

01:22:46

JON SNOW (OS)

My lady.

JON SNOW (CONT'D)

You weren't at the war council.

01:22:55

MELISANDRE (OS)

I'm not a soldier.

01:22:58

JON SNOW

Any advice?

01:23:01

MELISANDRE

Don't lose.

01:23:09

JON SNOW

If I do, if I fall -- don't bring me back.

01:23:16

MELISANDRE

I'll have to try.

01:23:18

JON SNOW (OS)

I'm ordering you not ...

JON SNOW (CONT'D)

... to bring me back.

01:23:20

MELISANDRE (OS)
I am not your servant, Jon Snow.

01:23:22

JON SNOW
You're in my camp. I'm the commander.

01:23:24

MELISANDRE
I serve the Lord of Light. I do what he
commands.

01:23:30

JON SNOW
How do you know what he commands?

01:23:32

MELISANDRE
I interpret his signs -- as well as I can.

MELISANDRE (CONT'D) (OS)
If the Lord didn't want me to bring you
back, how did I bring you back?

MELISANDRE (CONT'D)
I have no power. Only what he gives me and
he gave me you.

01:23:43

JON SNOW
Why?

01:23:48

MELISANDRE
I don't know.

01:23:52

(Pause)

01:23:54

MELISANDRE (CONT'D) (OS)

Maybe you're only needed for this small
part of his plan and nothing else. Maybe
he brought you here to die again.

01:24:06

JON SNOW

What kind of god would do something like
that?

01:24:11

MELISANDRE

The one we've got.

01:24:23

(Footsteps)

(Music in)

EXT. FIELD - NIGHT

Davos walks - until he finds a funeral pyre - and
a child's toy.

01:25:19

INT. CASTLE HALL - DAY

Theon Greyjoy and Yara Greyjoy have come to seek
the assistance of Daenerys.

01:25:53

(Horn blowing)

01:26:03

TYRION

Last time we saw each other was at
Winterfell, yes?

01:26:07

(Pause)

01:26:09

TYRION

You were making jokes about my ...

TYRION (CONT'D) (OS)
... height, I seem to recall. Anyone who
makes a joke about a dwarf's height ...

TYRION (CONT'D)
... thinks he's the only person ever to make
a joke about a dwarf's height. "The height
of nobility," "a man of your stature,"
"someone to look up to." You're all making
the same five or six jokes.

01:26:29

THEON
It was a long time ago.

01:27:30

TYRION
It was. And how have things been going for
you ...

TYRION (CONT'D) (OS)
... since then? Not so well, I gather.

TYRION (CONT'D)
Can't imagine you would have murdered the
Stark boys ...

TYRION (CONT'D) (OS)
... if things had been going well.

01:26:42

THEON
I didn't murder the Stark boys. But I did
things that were just as bad or worse.

01:26:48

YARA
And he paid for them.

01:26:48

TYRION
Doesn't seem like it. He's still alive.

TYRION (CONT'D) (OS)

It was complicated for you, I'm sure,
growing ...

TYRION (CONT'D)
... up at Winterfell. Never quite knowing
who you were.

TYRION (CONT'D) (OS)
But then, we all ...

TYRION (CONT'D)
... live complicated lives, don't we?

01:27:12

DAENERYS
You've brought us 100 ships from the Iron
Fleet ...

DAENERYS (CONT'D) (OS)
... with men to sail them. In return, I
expect ...

DAENERYS (CONT'D)
... you want me to support your claim to the
throne of the Iron Islands?

01:27:12

THEON
Not my claim. Hers.

01:27:15

DAENERYS
And what's wrong with you?

01:27:16

THEON
I'm not fit to rule.

01:27:18

TYRION (OS)
We can agree upon ...

TYRION (CONT'D)
... that at least.

01:27:20

DAENERYS

Has the Iron Islands ever had a queen
before?

01:27:22

YARA (OS)

No more ...

YARA (CONT'D)

... than Westeros.

01:27:26

THEON (OS)

Our Uncle Euron ...

THEON (CONT'D)

... returned home after a long absence. He
murdered our father and took the ...

THEON (CONT'D) (OS)

... Salt Throne from Yara. He would have
murdered us if we'd stayed.

01:27:37

DAENERYS (OS)

Lord Tyrion tells me your father was a
terrible king.

01:27:40

YARA

You and I have that in common.

01:27:44

DAENERYS

We do. And both murdered by a usurper ...

DAENERYS (CONT'D) (OS)

... as well.

DAENERYS (CONT'D)

Will their ships be enough?

01:27:59

TYRION

With the former Masters' fleet, possibly.
Barely. There are more than 100 ships in
the Iron Fleet.

01:28:07

THEON (OS)
There are, and Euron is building more.

THEON (CONT'D)
He's going to offer them to you.

01:28:11

DAENERYS (OS)
So why ...

DAENERYS (CONT'D)
... shouldn't I wait for him?

01:28:13

THEON (OS)
The Iron Fleet isn't all ...

THEON (CONT'D)
... he's bringing. He also wants to give you --

01:28:17

YARA (OS)
His ...

YARA (CONT'D)
... big cock -- I think he said.

YARA (CONT'D) (OS)
Euron's offer is also an offer of marriage,
you see. You won't get one without the
other.

01:28:26

DAENERYS
And I imagine your offer is free of any
marriage demands?

01:28:29

YARA
I never demand, but I'm up for anything,
really.

01:28:34

THEON (OS)
He murdered our father and would have
murdered us. He'll murder you as soon as
you have what he wants.

01:28:39

TYRION
The Seven Kingdoms.

01:28:41

THEON
All of them.

01:28:33

DAENERYS (OS)
And you don't want ...

DAENERYS (CONT'D)
... the Seven Kingdoms?

01:28:44

THEON (OS)
Your ancestors defeated ours and took the
Iron Islands.

THEON (CONT'D)
We ask you to give them back.

01:28:42

DAENERYS
And that's all?

01:28:43

YARA (OS)
We'd like you to help us murder an uncle or ...

YARA (CONT'D)
... two who don't think a woman's fit to
rule.

01:28:48

DAENERYS

Reasonable.

01:28:53

TYRION

What if everyone starts demanding their independence?

01:28:54

DAENERYS (OS)

She's not demanding, she's asking. The others are free to ask as well.

01:29:03

(Pause)

01:29:04

DAENERYS (OS)

Our fathers were evil men, all of us here. They left the world worse than they found it. We're not going to do that.

DAENERYS (CONT'D)

We're going to leave the world better than we found it. You will support my claim as queen of the Seven Kingdoms and respect ...

DAENERYS (CONT'D) (OS)

... the integrity of the Seven Kingdoms.

DAENERYS (CONT'D)

No more reaving, roving, raiding ...

DAENERYS (CONT'D) (OS)

... or raping.

01:29:27

(Music in)

01:29:29

YARA

That's our way of life.

01:29:30

DAENERYS

No more.

01:29:40

YARA
No more.

01:29:50

(Music continues)

01:30:02

(Arms clasp)
