[MUSIC IN]

EXT. THE TWINS - NIGHT.

Roose is walking along the castle.

01:01:54

MEN (OS)
(shouting)

Roose walks up the stairs towards the battlements. He then sees Robb's men are being slain by Frey's allies.

MEN (CONT'D - OS)
(screaming, shouting)

EXT. THE TWINS - ROBB'S CAMP - CONTINUOUS.

A soldier is on fire.

01:02:24

SOLDIER 1
(screaming)

Two soldiers are dragging a man whose legs were cut off.

01:02:26

SOLDIER 2
(screaming)

A man rides his horse along the camp.

01:02:28

MAN 1
Yah! Yah!

01:02:30

MEN
(shouting)

The Hound rides his horse out of the castle with Arya leaning on his chest, out cold. The Hound stops, takes a banner of Frey and rides the horse away from the castle.

01:02:42

MAN 2 (OS)
Go, move out!

The Hound stops and turns to the direction of the chanting soldiers.

01:02:43

SOLDIERS (CONT'D - OS)
(chanting) The King in the North! The
King in the North!

The soldiers are marching out of the castle. Robb's body, with Grey Wind's head, is mounted on a horse.

SOLDIERS (CONT'D)
(chanting) The King in the North! The
King in the North! The King in the
North! The King in the North!

Arya wakes up, looks at The Hound and at the soldiers marching.

01:02:52

MAN 3 (OS)
Here comes the King in the North!

01:02:56

SOLDIERS
(chanting) Here comes the King in the
North! The King in the North! The
King in the North! Here comes...
(cheering)

Arya sees Robb. The Hound turns the horse away and rides off.

EXT. KING'S LANDING - GARDEN - DAY.

Tyrion and Sansa are walking together along a path. Shae is following them. Eldrick and Desmond pass by them. Tyrion looks at Eldrick and Desmond.

01:03:31

ELDRICK & DESMOND
(chuckle)

01:03:32

TYRION
Hmm. Ser Eldrick Sarsfield and Lord
Desmond Crakehall.

TYRION (CONT'D - OS)
Ser Eldrick Sarsfield...

TYRION (CONT'D)
...and Lord Desmond Crakehall.

01:03:38

SANSA (to Tyrion)
What are you doing?

01:03:40

TYRION
I have a list.

01:03:42

SANSA
A list of people you mean to kill?

01:03:43

TYRION
For laughing at me? Do I look like
Joffrey to you? No, death seems a bit
extreme. Fear of death, on the other
hand...

01:03:51

SANSA

You should learn to ignore them.

01:03:52

TYRION

My lady, people have been laughing at me far longer than they've been laughing at you. I'm the Halfman, the Demon Monkey, the Imp.

01:04:01

SANSA

You're a Lannister. I am the disgraced daughter of the traitor Ned Stark.

01:04:06

TYRION

The disgraced daughter and the Demon Monkey. We're perfect for each other.

01:04:10

SANSA

(chuckles)

Tyrion and Shae look at each other. Tyrion looks away.

SANSA (CONT'D - OS)

So how...

SANSA (CONT'D)

...should we punish them?

01:04:16

TYRION

Who? Whom?

01:04:18

SANSA

Ser Eldrick Sarsfield and Lord Desmond Crakehall.

01:04:21

TYRION

Ah. I could speak to Lord Varys and learn their perversions. Anyone named Desmond Crakehall must be a pervert.

01:04:30

SANSA

I hear that you're a pervert.

01:04:32

TYRION

I am the Imp. I have certain standards to maintain.

01:04:35

SANSA

(chuckles)

Sansa walks towards a bench, sits on it and leans closer to Tyrion. Tyrion stops in front of her.

SANSA (CONT'D)

We could sheep shift Lord Desmond's bed.

Tyrion is making a face and glances at Shae.

SANSA (CONT'D - OS)

You cut a little hole...

SANSA (CONT'D)

...in his mattress and you stuff sheep dung inside. Then you sew up the hole and make his bed again. His room will stink, but he won't know where it's coming from.

01:04:51

TYRION

Lady Sansa!

01:04:52

SANSA

My sister used to do that when she was
angry with me. And she was always
angry with me.

01:04:58

TYRION

Why sheep shift?

01:05:00

SANSA

That's the vulgar word...

SANSA (CONT'D - OS)

...for dung.

Shae smiles and Tyrion glances at her.

01:05:04

TYRION

My lady...

01:05:05

SANSA

Well, you asked me.

Podrick runs down the stairs and rushes by two women.

01:05:07

WOMEN

Oh! (giggle)

01:05:08

WOMAN

That's him!

Podrick runs up to Tyrion and Sansa and bows.

01:05:11

PODRICK

My lord, my lady. Your father has
called a meeting of the small council.

INT. KING'S LANDING - SMALL COUNCIL CHAMBER - DAY.

Tyrion walks towards the table. Cersei, Tywin, Varys and
Pycelle are seated at the table. Joffrey walks towards Tywin
and stands next to him.

01:05:23

TYRION (to Joffrey)

Killed a few puppies today?

Tyrion sits down in his chair. Joffrey looks at Pycelle and
points to Tyrion.

01:05:26

JOFFREY

Show him.

Joffrey moves to the other side of Cersei.

JOFFREY (CONT'D)

Come on, show him.

Pycelle hands the scroll to Tyrion. Tyrion reaches for the
scroll, but Pycelle drops it purposefully.

01:05:33

PYCELLE

Oh, apologies, my lord. Old fingers.

Tyrion stoops down and takes the scroll from the floor. He then
opens the scroll and reads it. Joffrey looks at Tyrion. Tyrion
reads the scroll.

01:05:46

TYRION (OS)

"Roslin..."

TYRION (CONT'D)

...caught a fine fat trout.

Joffrey chuckles while turning to Cersei.

TYRION (CONT'D - OS)
Her brothers gave her a pair of wolf
pelts for her wedding. Signed Walder
Frey."

Tyrion stops reading. Joffrey nods his head while looking at
Tyrion.

TYRION (CONT'D - to Joffrey)
Is that bad poetry or is it supposed to
mean something?

01:06:02

JOFFREY (OS)
Robb...

JOFFREY (CONT'D)
...Stark is dead.

JOFFREY (CONT'D - OS)
(laughing) And his bitch mother.

Joffrey turns to Pycelle.

JOFFREY (CONT'D)
Write back to Lord Frey.

JOFFREY (CONT'D - OS)
Thank him for his service and command
him...

JOFFREY (CONT'D)
...to send Robb Stark's head.

Tyrion sets the scroll down on the table.

JOFFREY (CONT'D)
I'm going to serve it to Sansa at...

Joffrey turns to Cersei.

JOFFREY (CONT'D)

...my wedding feast.

01:06:19

VARYS (OS)
Your Grace...

Joffrey turns to Varys.

VARYS (CONT'D - OS)
...Lady Sansa...

Varys looks at Cersei and at Joffrey.

VARYS (CONT'D)
...is your aunt by marriage.

01:06:23

CERSEI
A joke. Joffrey did not mean it.

Joffrey turns to Cersei.

01:06:25

JOFFREY
Yes, I did. I'm going to have it
served to Sansa at my wedding feast.

01:06:30

TYRION (OS)
No.

Joffrey turns to Tyrion.

TYRION (CONT'D)
She is no longer yours to torment.

Joffrey moves closer to Tyrion.

01:06:35

JOFFREY
Everyone is mine to torment. You'd do
well to remember that, you little
monster.

Joffrey walks back to Cersei.

01:06:42

TYRION

Oh, I'm a monster. Perhaps you should
speak to me more softly, then.

Varys is smiling.

TYRION (CONT'D - OS)

Monsters are dangerous...

TYRION (CONT'D)

...and just now kings are dying like...

TYRION (CONT'D - OS)

...flies.

Joffrey looks at Tyrion in shock. He then looks at Tywin and
back at Tyrion.

01:07:01

JOFFREY

I could have your...

Joffrey points at Tyrion.

JOFFREY (CONT'D)

...tongue out...

JOFFREY (CONT'D - OS)

...for saying that.

Cersei holds Joffrey's hand and comforts him.

01:07:06

CERSEI

Let him make his threats. Hmm? He's a
bitter little...

CERSEI (CONT'D - OS)

...man.

01:07:11

PYCELLE (OS)
Lord Tyrion should apologize...

PYCELLE (CONT'D)
...immediately. Unacceptable...

PYCELLE (CONT'D - OS)
...disrespectful...

Joffrey pulls his hands away from Cersei.

PYCELLE (CONT'D - OS)
...and in very bad taste.

Joffrey points at himself.

01:07:19

JOFFREY
I am the king!

Varys leans away from Joffrey. Joffrey points at Tyrion.

JOFFREY (CONT'D)
I will punish you.

01:07:23

TYWIN (OS)
Any man who must...

Joffrey turns to Tywin.

TYWIN (CONT'D)
...say, "I am the king" is no true
king. I'll make sure you understand
that when I've won your war for you.

Joffrey points at himself.

01:07:33

JOFFREY
My father won the real war. He killed
Prince Rhaegar. He took the crown

while you hid under Casterly Rock!

[MUSIC IN]

Tyrion and Varys look at Tywin.

01:07:54

TYWIN (to Cersei)
The king is tired. See him to his...

TYWIN (CONT'D - OS)
...chambers.

01:07:58

CERSEI
Come along.

Cersei stands up.

01:07:59

JOFFREY
I'm not tired.

Cersei comforts Joffrey.

01:08:00

CERSEI
We have so much to celebrate. A
wedding to plan. You must rest.

Cersei holds Joffrey's hand and leads him away from the chamber.

01:08:07

TYWIN
Grand Maester, perhaps some essence of
nightshade to help him...

Joffrey stops and turns to Tywin.

TYWIN (CONT'D - OS)
...sleep.

01:08:13

JOFFREY
I'm not tired!

01:08:18

CERSEI (OS)
Come.

Joffrey and Cersei walk away. Pycelle gets up to leave but grabs the parcel on the table. Varys follow him out. Tyrion gets up to leave.

01:08:40

TYWIN (to Tyrion)
Not you.

Tyrion stops short and turns to Tywin.

01:08:50

TYRION
You just sent the most powerful man in Westeros to bed without his supper.

01:08:55

TYWIN
You're a fool if you believe he's the most powerful man in Westeros.

01:08:58

TYRION
A treasonous statement. Joffrey is king.

01:09:01

TYWIN
You really think a crown gives you power?

01:09:06

TYRION

No.

Tyrion sits back down.

TYRION (CONT'D)

I think armies give you power.

01:09:10

TYWIN

Mm-hmm.

01:09:12

TYRION

Robb Stark had one, never lost a battle, and you defeated...

TYRION (CONT'D - OS)

...him all the same.

01:09:18

TYWIN

Mm-hmm.

01:09:19

TYRION

Oh, I know. Walder Frey gets all the credit. Or the blame, I suppose, depending on your allegiance.

TYRION (CONT'D - OS)

Walder Frey is many things, but a brave man?

TYRION (CONT'D)

No. He never would have risked such an action if he didn't have certain assurances.

01:09:40

TYWIN

Which he got from me. Do you

disapprove?

01:09:45

TYRION (OS)
I'm all for cheating. This is war.

TYRION (CONT'D)
But to slaughter them at a wedding...

01:09:49

TYWIN (OS)
Explain...

TYWIN (CONT'D)
...to me why it is more noble to kill
10,000 men in battle than a dozen at
dinner.

01:09:56

TYRION
So that's why you did it? To save
lives?

01:09:59

TYWIN
To end the war. To protect the family.

TYWIN (CONT'D - OS)
Do you want to write a song for the
dead Starks...

TYWIN (CONT'D)
...go ahead, write one.

TYWIN (CONT'D - OS)
I'm in this world a little while
longer...

TYWIN (CONT'D)
...to defend the Lannisters, to defend
my blood.

01:10:15

TYRION
The northerners will never forget.

01:10:18

TYWIN
Good. Let them remember what happens
when they march on the south.

Tywin takes a scroll and unrolls it.

TYWIN (CONT'D)
All the Stark men are dead. Winterfell
is a ruin. Roose Bolton will be named
Warden of the North...

TYWIN (CONT'D - OS)
...until your son by Sansa comes...

TYWIN (CONT'D)
...of age.

Tywin stands up and picks up the scrolls from the table.

TYWIN (CONT'D)
I believe you still have some work to
do on that score.

Tywin walks towards his table. Tyrion stands and walks towards
him.

01:10:48

TYRION
Do you think she'll open her legs for
me after I tell her how we murdered her
mother...

Tywin sets the scrolls down.

TYRION (CONT'D)
...and brother?

Tywin turns to Tyrion.

01:10:55

TYWIN
One way or another, you will get
that...

TYWIN (CONT'D - OS)
...girl pregnant.

01:10:58

TYRION
I will not rape her.

01:11:02

TYWIN
Shall I explain to you in one easy
lesson...

TYWIN (CONT'D - OS)
...how the world works?

01:11:05

TYRION
Use small words. I'm not as bright as
you.

01:11:08

TYWIN
The house that puts family first will
always defeat the house that puts the
whims and wishes of its...

TYWIN (CONT'D - OS)
...sons and daughters first.

TYWIN (CONT'D)
A good man does everything in his power
to better his family's position
regardless...

TYWIN (CONT'D - OS)
...of his own selfish desires.

Tyrion makes a face and Tywin glares at him.

TYWIN (CONT'D)
Does that amuse you?

01:11:31

TYRION
No, it's a very good lesson. Only it's
easy for you to preach utter devotion
to family when you're making all the
decisions.

01:11:40

TYWIN
Easy for me, is it?

01:11:42

TYRION
When have you ever done something that
wasn't in your interest but solely for
the benefit of the family?

01:11:48

TYWIN
The day that you were born.

[MUSIC IN]

TYWIN (CONT'D)
I wanted to carry you into the sea and
let the waves wash you away.

TYWIN (CONT'D - OS)
Instead...

TYWIN (CONT'D)
...I let you live. And I brought you
up as my son. Because you're a
Lannister.

Tywin walks away.

INT. KING'S LANDING - ROOM - DAY.

Tyrion enters the room and looks at Sansa. Sansa is standing by the window.

01:12:29

TYRION

Sansa.

Sansa turns to Tyrion. She then looks away. Tyrion walks away.

EXT. THE WALL - NIGHTFORT - DAY.

Meera and Summer approaches Hodor, Jojen and Bran who is in a cart.

01:13:00

MEERA

It's empty.

01:13:01

JOJEN

Let's find a place to sleep.

Meera and Summer walk off, Jojen, Hodor and Bran follow them.

INT. NIGHTFORT - KITCHEN - NIGHT.

Hodor leans over the well.

01:13:13

HODOR

(echoing) Hodor. Hodor.

Bran is sitting beside the campfire.

01:13:18

BRAN

Don't, Hodor.

Hodor walks towards Bran. Meera is sitting beside the campfire with a knife. Jojen sits beside a fireplace. Bran touches the post.

BRAN (CONT'D)
Maybe we shouldn't stay here.

01:13:27

MEERA
You'd rather be out there?

01:13:29

BRAN
There are a lot of stories about this place.

Hodor sits next to Bran.

BRAN (CONT'D)
Horrible stories.

01:13:35

JOJEN
I always quite liked the horrible stories.

01:13:37

BRAN
So did I. Once.

Jojen walks over to Meera.

BRAN (CONT'D)
You ever heard about the Rat Cook?

01:13:45

MEERA
No. Who's he?

Jojen sits next to Meera.

[MUSIC IN]

01:13:48

BRAN

Just a cook in the Night's Watch. He was angry at the king for something, I don't remember. When the king was visiting the Nightfort, the cook killed the king's son, cooked him into a big pie with onions, carrots, mushrooms and bacon. That night he served the pie to the king. He liked the taste of his son so much, he asked for a second slice. The gods turned the cook into a giant white rat...

BRAN (CONT'D - OS)
...who could only eat his own young. He's been roaming the Nightfort ever since, devouring his own babies.

BRAN (CONT'D)
But no matter what he does, he's always hungry.

01:14:35

MEERA
(chuckles) If the gods turned every killer into a giant white rat...

01:14:39

BRAN
It wasn't for murder the gods cursed the Rat...

BRAN (CONT'D - OS)
...Cook or for serving the king's son in a pie.

BRAN (CONT'D)
He killed a guest beneath his roof.

Hodor looks up.

BRAN (CONT'D)
That's something the gods can't forgive.

INT. THE TWINS - CHAMBER - DAY.

Walder is eating, Roose is leaning at the end of the table. He then gets up and walks around the chamber.

01:14:58

WALDER (OS)

"The late...

The servants are wiping the blood off of the floor.

WALDER (CONT'D)

...Walder Frey," old Tully called me because I didn't get my men to the Trident in time for battle.

Roose stops in front of the servant and looks at the blood on the floor.

WALDER (CONT'D - OS)

He thought he was witty.

Roose continues to walk and stops in front of the other servant.

WALDER (CONT'D - OS)

Look at us now, Tully. You're dead, your daughter's dead, your grandson's dead...

WALDER (CONT'D)

...your son spent his wedding night in a dungeon and I'm Lord of Riverrun.
(laughs)

Roose turns to Walder.

01:15:23

ROOSE

The Blackfish escaped.

01:15:27

WALDER

An old man on the run...

WALDER (CONT'D - OS)

...with no allies.

WALDER (CONT'D)

I have Tywin Lannister backing me. Who does he have?

01:15:35

ROOSE

As you say.

01:15:36

WALDER (OS)

They all laughed at me...

WALDER (CONT'D)

...all those high lords. They all thought they were better than me. Ned Stark, Hoster Tully. People snigger when I marry a young girl, but who said a word when Jon Arryn married the little Tully bitch?

01:15:53

ROOSE

You'll be needing a new young girl.

01:15:54

WALDER

Yeah. Got that to look forward to.

01:15:59

ROOSE

(chuckles)

01:16:01

WALDER (OS)

And you...

Walder raises his cup to Roose.

WALDER (CONT'D)

...the Warden of the North.

WALDER (CONT'D - OS)
No more Starks to bow and scrape to.

WALDER (CONT'D)
Must have been torture following that
stupid boy all over the country.

01:16:12

ROOSE
He ignored my advice...

Roose moves closer to Walder.

ROOSE (CONT'D)
...at every turn. If he'd been a
trifle less arrogant...

01:16:17

WALDER
Calling himself the Young Wolf. How's
that for pomposity?

01:16:21

ROOSE
(chuckling)

01:16:23

WALDER
Well...

Walder raises the cup.

WALDER (CONT'D)
...here's to the Young Wolf! (howls)

01:16:27

ROOSE
Forever young. (laughs)

01:16:29

WALDER
(laughs) Will you move to Winterfell
now that the war's over?

01:16:38

ROOSE
At some point perhaps. But
Winterfell's in ruins.

01:16:42

WALDER
Yeah.

Walder leans forward.

WALDER (CONT'D)
What happened up there? I heard the
Greyjoy boy seized the place. I heard
he killed all the ravens. And after
that, nothing.

01:16:55

ROOSE
I sent my bastard Ramsay to root him
out.

ROOSE (CONT'D - OS)
Robb Stark offered amnesty...

ROOSE (CONT'D)
...for the Ironborn if they gave us
Theon.

01:17:03

WALDER
Oh. And?

01:17:05

ROOSE (OS)
Ramsay delivered the terms.

ROOSE (CONT'D)
The Ironborn turned on Theon as we knew
they would.

[MUSIC IN]

INT. DREADFORT - DUNGEON - DAY.

Ramsay is sitting at the table, putting sauce on a sausage.

ROOSE (CONT'D - VO)
They handed him over trussed and
hooded. But Ramsay...

Ramsay eats a slice.

ROOSE (CONT'D - VO)
...well...Ramsay has his own way of
doing things.

Theon is tied to the cross.

01:17:22

RAMSAY
Well, the girls weren't lying. You had
a good-sized cock.

Theon stares at Ramsay. Ramsay looks at Theon, at the sausage
then back at Theon.

RAMSAY (CONT'D)
What? No. Pork sausage. You think
I'm some sort of savage?

Theon hangs his head.

RAMSAY (CONT'D)
People talk about phantom limbs.

RAMSAY (CONT'D - OS)
An amputee might have an itch where his
foot used to be. So I've always
wondered...

Ramsay takes the sausage from the plate.

RAMSAY (CONT'D)
...do eunuchs have a phantom cock?

RAMSAY (CONT'D - OS)
Next time you think about naked
girls...

RAMSAY (CONT'D)
...would you feel an itch?

Ramsay shakes the sausage. He then takes a bite.

RAMSAY (CONT'D)
Sorry.

Ramsay puts the sausage back.

RAMSAY (CONT'D)
I shouldn't make jokes. My mother
taught me not to throw stones at
cripples.

01:18:36

THEON
(sobbing)

01:18:40

RAMSAY
But my father taught me...

RAMSAY (CONT'D - OS)
...to aim for their head.

01:18:43

THEON
(softly) Kill me.

01:18:45

RAMSAY
Sorry, what?

01:18:47

THEON

Kill me.

Ramsay leans forward and puts his hand behind his ear.

01:18:52

RAMSAY

A little louder.

01:18:54

THEON

(sobbing) Kill me!

01:18:58

RAMSAY

You're no good to me dead.

Ramsay takes the knife from the plate.

RAMSAY (CONT'D)

We need you.

Ramsay points the knife at Theon. He then wipes his mouth with a napkin, stands up and walks towards Theon.

[MUSIC IN]

Theon squirms. Ramsay grabs Theon by the hair. He then puts his hand on Theon's chest.

RAMSAY (CONT'D)

You don't look like a Theon Greyjoy anymore. That's a name for a lord. But you're not a lord, are you? You're just meat.

01:19:38

THEON

(groans)

01:19:40

RAMSAY

Stinking meat. (sniffs) You reek.

Ramsay steps back.

RAMSAY (CONT'D)
(gasps) Reek! That's a good name for
you. What's your name?

Theon glares at Ramsay.

01:19:59

THEON
Theon Greyjoy.

Ramsay backhands Theon in the face.

THEON (CONT'D)
(grunts)

01:20:06

RAMSAY
What's your name?

01:20:09

THEON
Th--Theon Greyjoy.

Ramsay hits him again.

THEON (CONT'D)
(gurgles) Please.

Ramsay holds Theon's head.

01:20:23

RAMSAY
What is your name?!

01:20:29

THEON
Reek. My name is...Reek.

Ramsay walks away.

THEON (CONT'D)
(crying)

INT. NIGHTFORT - KITCHEN - NIGHT.

Bran is sleeping.

01:20:57

SAM (OS)
(distant gasp)

Bran wakes up.

01:20:58

BRAN
(gasps)

Bran turns to the well. He then sees Summer awake.

01:21:03

SUMMER
(panting)

01:21:05

BRAN
Hodor.

01:21:06

SAM (OS)
(gasping continues)

Hodor wakes up and stands. Meera wakes up and grabs her knife.

SAM (CONT'D - OS)
(gasping continues)

01:21:16

SUMMER
(growling)

Bran stares at the well. Jojen gets up.

01:21:26

SAM (OS)
(groaning)

Sam enters the room. He then stumbles on the floor.

01:21:32

BRAN
(gasps)

Meera charges at Sam.

01:21:36

MEERA
(shouting)

01:21:36

SAM
(shouting)

Meera trips Sam and puts her knife to his neck.

SAM (CONT'D)
(panting) Don't kill me!

01:21:40

MEERA
Who are you?

01:21:41

GILLY (OS)
Sam!

Gilly runs up the stairs.

GILLY (CONT'D)
Sam!

Meera stands and points the knife at Gilly.

01:21:42

MEERA
Who are you?!

01:21:43

GILLY
Gilly.

Sam stands up.

GILLY (CONT'D - OS)
Don't hurt us.

01:21:47

JOJEN
Where are you going?

Hodor puts Bran on his cart.

01:21:49

SAM (OS)
To Castle Black.

SAM (CONT'D)
I'm a brother of the Night's Watch.

01:21:52

BRAN
My brother, he's in the Night's...

01:21:53

JOJEN (to Bran)
Shush.

01:21:54

SAM
Who's your brother?

Meera walks towards Jojen.

01:21:55

 JOJEN
Doesn't matter.

01:21:56

 SUMMER
(growling)

Sam turns to Summer.

 SUMMER (CONT'D)
(panting)

Sam turns to Bran.

01:22:05

 SAM
You're Jon's brother.

 SAM (CONT'D - OS)
The one who fell from the window.

01:22:09

 BRAN
No, I'm not.

Sam looks at Summer.

01:22:12

 SAM
I've been...

 SAM (CONT'D - OS)
...around Ghost enough to know a
direwolf...

Gilly stands next to Sam.

 SAM (CONT'D)
...when I see one. And I've heard all

about...

SAM (CONT'D - OS)
...Hodor.

01:22:19

HODOR
Hodor.

01:22:22

SAM
I'd be dead if it wasn't for Jon.

SAM (CONT'D - OS)
If you're his brother...

SAM (CONT'D)
...you're my brother, too. And
anything I can do to help you, I will.

01:22:31

BRAN
Take us north of the Wall.

Meera puts her knife away and walks towards the well.

01:22:38

SAM
What? Why in the world would you want
to go...

01:22:40

BRAN (OS)
I don't want to.

BRAN (CONT'D)
I have to.

01:22:43

JOJEN
How did you get through the Wall?

01:22:44

MEERA (OS)
Does the well...

Meera walks back to Jojen.

MEERA (CONT'D)
...lead to an underground river? Is
that how you came here?

01:22:49

SAM
Come with us.

01:22:50

BABY SAM
(cooing)

01:22:51

SAM
There are steps carved into the south
side of the Wall. Hodor can carry you
to the top. We'll walk straight to
Castle Black.

01:22:58

GILLY (OS)
Come with us.

GILLY (CONT'D)
There's nothing north but death.

01:23:02

SAM (OS)
If Jon is alive, then Castle Black's
where he'll be.

SAM (CONT'D)
It's the safest place for you.

01:23:08

JOJEN (OS)
There's nowhere safe any longer.

JOJEN (CONT'D)
You know that.

01:23:10

SAM (OS)
What I know is what I saw.

SAM (CONT'D)
And if you saw it, too, you'd run the
other way.

01:23:16

JOJEN
You saw the White Walkers and the army
of the dead.

01:23:20

SAM
How do you know all that?

01:23:22

JOJEN
The Night's Watch can't stop them. The
kings of Westeros and all their armies
can't stop them.

01:23:34

BABY SAM
(cooing)

01:23:37

SAM
But you're going to stop them?

01:23:39

BRAN
Please, Sam.

BRAN (CONT'D - OS)
I have to go north.

BRAN (CONT'D)
I have to.

EXT. PYKE - PYKE CASTLE - DAY.

A man rides his horse towards Pyke castle.

INT. PYKE CASTLE- CHAMBER - DAY.

Balon opens the case, takes the scroll from it and unrolls it.
Yara is standing at the table with a box and is unwrapping it.
Balon reads the scroll.

01:24:16

BALON
"Balon Greyjoy, Lord of the Iron
Islands and invader of the North. I
give you until the full moon to order
all Ironborn scum out of the North...

BALON (CONT'D - OS)
...and back to those shit-stained rocks
you call a home. On the first night of
the full moon, I will hunt down every
islander still in our lands...

BALON (CONT'D)
...and flay them living the way I
flayed the 20 Ironborn scum I found at
Winterfell.

BALON (CONT'D - OS)
In the box you'll find a special gift--
Theon's favorite...

BALON (CONT'D)
...toy. He cried when I took it away
from him.

Balon stands up and walks towards Yara. Yara opens the box.

Balon stops next to Yara and looks at the content inside the box. He then continues reading.

BALON (CONT'D)
Leave the North now or more boxes will follow with more Theon. Signed Ramsay Snow, natural-born son of Roose Bolton, Lord of the Dreadfort and Warden of the North."

Balon stops reading.

BALON (CONT'D - to Yara)
Get that out of my sight.

Yara glares at Balon.

[MUSIC IN]

Balon turns to Yara.

BALON (CONT'D)
Theon disobeyed my orders. The boy is a fool. He cannot further the Greyjoy line. I will not give up the lands I have seized, the strongholds I have taken. Get this away from me.

Balon walks away.

01:26:08

YARA
He's your son.

Balon stops and turns to Yara.

01:26:09

BALON
Son?

Balon points at the box.

BALON (CONT'D)
He's not a man anymore.

01:26:15

YARA
He's your son. He's my brother. He's
a Greyjoy.

01:26:21

BALON
Watch yourself. I've made my decision.

Balon walks towards his chair and sits.

01:26:31

YARA
And I've made mine.

[MUSIC IN]

Balon turns to Yara.

YARA (CONT'D)
I'm going to pick the fastest ship in
our fleet.

EXT. THE IRON ISLAND - DAY.

Yara walks past her soldiers.

YARA (CONT'D - VO)
I'm going to choose the 50 best killers
on the Iron Islands.

EXT. YARA'S SHIP - DOCK - DAY.

The soldiers are preparing to set sail.

01:26:45

MAN 4 (OS)
Get those ropes!

01:26:47

YARA (VO)
I'm going to sail up the Narrow Sea all

the way to the Weeping Water. I'm
going to march on the Dreadfort. I'm
going to find...

Yara looks out to sea.

YARA (CONT'D - VO)
...my little brother and I'm going to
bring him home.

INT. NIGHTFORT - KITCHEN - NIGHT.

Bran is inspecting the dragonglass dagger.

01:27:07

BRAN (to Sam)
What is it?

Jojen looks at Sam.

01:27:09

JOJEN
Dragonglass.

01:27:10

SAM
We found them at the Fist. Someone
buried them a long time ago. Someone
wanted us to find them.

Sam hands the dragonglass to Jojen.

01:27:19

BRAN (to Sam)
Why? What are they for?

Sam and Gilly look at each other.

01:27:26

SAM
Killing White Walkers.

01:27:28

MEERA
How do you know that?

01:27:30

GILLY (OS)
The Walker came for my baby.

GILLY (CONT'D)
And Sam...

01:27:34

MEERA
But no one's killed a white walker in
thousands of years.

01:27:38

SAM
Well...

Sam gives the dragonglass to Hodor.

SAM
...I suppose someone had to be the
first.

Hodor shakes his head.

01:27:42

BRAN
Take it, Hodor.

Bran gives the dragonglass dagger to Hodor. Hodor takes the
dagger.

01:27:51

SAM
And the archer.

Sam gives the dagger to Meera. Meera takes it.

SAM (CONT'D)
I got lucky with one of them. There
are more.

SAM (CONT'D - OS)
Many more.

SAM (CONT'D)
And for every one of them, the dead
men, more than you could count. I wish
you'd come with us.

01:28:22

BRAN
I wish I could. I really do.

[MUSIC]

Bran and his group walks up the tunnel. Sam and Gilly watch
them leave.

INT. DRAGONSTONE KEEP - DUNGEON - DAY.

Davos walks towards a candle holding an unlit torch. Davos
lights the torch. Gendry is sitting in his cell against the
door. Davos walks towards Gendry's cell.

01:29:15

DAVOS
How are you keeping?

01:29:17

GENDRY
Great. Never better.

01:29:21

DAVOS
It was just a bit of blood.

01:29:24

GENDRY
I should have known. Every time a

highborn asks my name, it's trouble.
We're not really people to you, are we?
Just a million different...

GENDRY (CONT'D - OS)
...ways to get what you want.

01:29:33

DAVOS
I'm not a highborn.

01:29:34

GENDRY (OS)
She called you Ser.

GENDRY (CONT'D)
I heard it.

Davos sits down against the cell door.

01:29:40

DAVOS
A recent state of affairs. I was born
in Flea Bottom just like you.

01:29:50

GENDRY
Sure, you were. You're my friend.
You're here to help.

01:29:53

DAVOS
I lived below the Street of Flour.

01:29:55

GENDRY (OS)
How far below?

GENDRY (CONT'D)
How close to the Red Keep were you?

01:30:00

DAVOS

The shit that poured from their privy
pipes...

DAVOS (CONT'D - OS)

...flowed down the side of Aegon's
Hill...

DAVOS (CONT'D)

...along Tanner's Row and right in
front of my front door on Gin Alley.

01:30:11

GENDRY

Gin Alley.

Gendry nods.

01:30:15

DAVOS

The Street of Steel, with your armor
and your knights? Pfft. You lived in
the fancy part of town. And here we
are now. Two boys from Flea Bottom in
the castle of a king.

01:30:34

GENDRY

Yeah, we've come a long way. We're all
the same, really. She went to great
pains to point that out to me.

01:30:43

DAVOS

If you mistrust fancy people so much,
why were you in such a hurry to trust
her?

01:30:49

GENDRY

You're me. Never been with a woman.

GENDRY (CONT'D - OS)
Never talked to a woman, really. And
then she comes at you...

GENDRY (CONT'D)
...big words, no clothes. What would
you have done?

01:31:04

DAVOS
She does know her way around a man's
head, I'll give her that.

01:31:08

GENDRY & DAVOS
(chuckle)

01:31:14

GENDRY
So how'd you become a lord?

01:31:16

DAVOS
Oh, that's a long story.

01:31:18

GENDRY
Better not, then. I'm a bit busy.

01:31:25

DAVOS
Many years ago I helped King Stannis
out of a difficult situation.

DAVOS (CONT'D - OS)
He rewarded me with a lordship.

DAVOS (CONT'D)
And this.

Davos shows Gendry his hand.

01:31:36

GENDRY
You see? Highborns.

Gendry shakes his head.

01:31:44

DAVOS
I didn't want to be a lord. I nearly
didn't accept.

01:31:49

GENDRY
Why did you?

01:31:50

DAVOS
I did it for my son. I didn't want him
to step over a river of shit every time
he stepped through his front door. I
wanted him...

DAVOS (CONT'D - OS)
...to have a better life.

01:32:04

GENDRY
Does he?

01:32:07

DAVOS
He's dead.

Davos stands up.

01:32:14

GENDRY
How'd he die?

01:32:17

DAVOS
Following me.

Davos walks away.

EXT. RED KEEP - BAYSIDE - DAY.

Shae is looking at the ships on Blackwater Bay.

01:32:26

SEABIRDS
(screeching)

01:32:30

VARYS (OS)
When did you come to this strange
country?

Shae turns towards Varys.

01:32:35

SHAE
When I was 13.

01:32:36

VARYS
You were only a child.

01:32:39

SHAE
I stopped being a child when I was
nine. My mother made sure of that.

01:32:47

VARYS
You've been a good influence on our
mutual friend, you know. He used to
drink from sundown to sunup, visit

three brothels a night, gamble away his father's money. Now it's just the drinking.

01:33:00

SHAE

And now I'm his wife's servant. I brush her hair and clip her nails and empty her chamber pot.

01:33:06

VARYS

She is a sweet young thing. None of this is her fault.

Shae turns towards Varys.

01:33:09

SHAE

I love that girl. I would kill for her. Do you think that makes it easier for me?

01:33:14

VARYS

No, I expect not.

Shae turns towards Blackwater Bay.

01:33:19

SHAE

She's young and she's beautiful and highborn.

01:33:23

VARYS

We break bread with them, but that doesn't make us family. We've learned their language, but we'll never be their countrymen.

Varys moves closer to Shae.

VARYS (CONT'D)

If you let yourself believe that a
foreign girl with no name could spend
her life with the son of Tywin
Lannister...

Shae turns towards Varys.

01:33:40

SHAE

I have a name.

01:33:41

VARYS

You have one name. As do I. Here only
the family name matters.

01:33:48

SHAE

What do you want from me, Lord Varys?

Varys moves closer to Shae. He then holds up her hand and gives
her a pouch.

01:33:54

VARYS

Diamonds. I'd tell you to beware
carrying so much wealth, but you know
how to protect yourself. Get on one of
those ships. Sail to Pentos or Lys or
Myr. You can buy a house with these
diamonds, a very large house. Hire
servants. Start a new life, a good
life, far from here.

Varys steps back and waves his finger at Shae.

VARY (CONT'D)

The mysterious foreign beauty. You'll
have suitors lining up.

01:34:23

SHAE

Why do you want me to leave?

01:34:25

VARYS

Tyrion Lannister is one of the few people alive who could make this country a better place. He has the mind for it, he has the will, he has the right last name. And you--you are a complication. I know you love him.

[MUSIC IN]

VARYS (CONT'D)

And I know it's true love not bought by gold and silver. I'm not asking you to leave him for money. I'm asking you to leave because your presence in the capital endangers him. This will never be your home, my lady. Find a true home somewhere far from here...while there's still time.

Varys walks away.

01:35:08

SHAE

Lord Varys.

Varys turns towards Shae. Shae tosses the pouch on the ground.

SHAE (CONT'D)

If he wants me to leave, he can tell me himself.

Shae walks away.

INT. RED KEEP - TYRION'S CHAMBER - NIGHT.

Tyrion and Podrick are sitting at a table drinking wine. A servant girl stands up and walks away. Tyrion picks up the carafe.

01:35:27

TYRION

Keep up.

Podrick shakes his head and puts his glass on the table.

01:35:28

PODRICK

I don't think I can, my lord.

Tyrion pours more wine in Podrick's cup.

01:35:33

TYRION

It's not easy being drunk all the time.

Tyrion fills his cup.

TYRION (CONT'D)

Everyone would do it if it were easy.

Podrick drinks from his cup. Cersei walks over to Tyrion and Podrick.

01:35:43

CERSEI (to Podrick)

Leave.

Podrick puts down his cup and stands. He then leaves the room.

CERSEI (CONT'D)

So, enjoying married life?

Cersei walks towards a table. Tyrion takes Podrick's cup and pours it in his cup. Cersei takes a flagon and pours herself a glass.

CERSEI (CONT'D)

An unhappy wife is a wine merchant's best friend.

01:36:04

TYRION
She doesn't deserve this.

Cersei takes her glass of wine. Cersei turns towards Tyrion.

01:36:07

CERSEI
Deserve? Be careful with that. Start
trying to work out who deserves what...

Cersei walks over in front of Tyrion.

CERSEI (CONT'D)
...and before long you'll spend the
rest of your days weeping for each and
every person in the world.

01:36:20

TYRION
There's nothing worse than a late-
blooming philosopher.

01:36:23

CERSEI
(chuckles)

01:36:25

TYRION
Will you be facing your marriage to Ser
Loras with the same philosophical
spirit?

01:36:30

CERSEI
I won't be marrying Ser Loras.

01:36:32

TYRION
I seem to remember saying...

Tyrion leans back on the chair.

...something similar about my own
marriage.

01:36:37

CERSEI
You're not me.

CERSEI (CONT'D - OS)
You want to make things better for
Sansa?

CERSEI (CONT'D)
Give her a child.

01:36:44

TYRION
So you can tell Father it was you who
finally talked me into it?

01:36:48

CERSEI
So she can have some happiness in her
life.

01:36:51

TYRION
You have children. How happy would you
say you are?

01:36:59

CERSEI
Not very. But if it weren't for my
children, I'd have thrown myself from
the highest window in the Red Keep.
They're the reason I'm alive.

01:37:14

TYRION
Even Joffrey?

01:37:16

CERSEI
Even Joffrey.

Cersei walks towards the balcony.

CERSEI (CONT'D)
He was all I had once. Before Myrcella
was born. (chuckles)

[MUSIC IN]

CERSEI (CONT'D)
I used to spend hours looking at him.
His wisps of hair. His tiny little
hands and feet. He was such a jolly
little...

CERSEI (CONT'D - OS)
...fellow. You always hear the...

CERSEI (CONT'D)
...terrible ones were terrible babies.
"We should have known. Even then we
should have known." It's nonsense.
Whenever he was with me, he was happy.

Cersei sits down with Tyrion.

CERSEI (CONT'D)
And no one can take that away from me,
not even Joffrey--how it feels to have
someone. Someone of your own.

Cersei drinks from her glass. She then sets the glass on the
table.

01:38:24

TYRION
How long does it go on?

01:38:29

CERSEI

Until we've dealt with all our enemies.

01:38:33

TYRION

Every time we deal with an enemy, we
create two more.

01:38:40

CERSEI

Then I suppose it will go on for quite
a long time.

01:38:43

FREY SOLDIER 1 (VO)

(laughing)

EXT. RIVERLANDS - FOREST - DAY.

Arya and The Hound are riding on horseback, traveling through
the forest.

01:38:44

FREY SOLDIER 2 (OS)

(wailing)

01:38:46

FREY SOLDIER 1 & 2 (OS)

(laughing)

01:38:48

FREY SOLDIER 2 (OS)

I'm telling you...

Frey soldiers are gathered around a fire.

FREY SOLDIER 2 (CONT'D)

...that's what she did.

The soldier mimics a person with a cut throat.

FREY SOLDIER 2 (CONT'D)

(wailing)

01:38:51

FREY SOLDIERS (OS)
(laughing)

01:38:53

FREY SOLDIER 2 (OS)
Sounded like a cow in heat.

01:38:55

FREY SOLDIER 1 (OS)
Aye...

FREY SOLDIER 1 (CONT'D)
...not for long.

01:38:57

FREY SOLDIER 2
That's right.

01:38:58

FREY SOLDIER 1
Black Walder shut her up right quick.

Arya looks at the Frey soldiers.

FREY SOLDIER 1 (CONT'D - OS)
None of the Starks had much to say
about the end of that meal.

01:39:03

FREY SOLDIER 2
I'll tell you what, though. The
hardest thing was getting...

The Frey soldier imitates a wolf's head with his hands.

FREY SOLDIER 2 (CONT'D)
...that wolf's head...

FREY SOLDIER 2 (CONT'D - OS)
...to stay on the body.

Arya jumps down from the horse. The Hound continues to trot along.

01:39:09

FREY SOLDIER 1 (OS)
You sewed it on?

01:39:10

FREY SOLDIER 2
I did.

01:39:11

FREY SOLDIER 1 (OS)
I bet...

FREY SOLDIER 1 (CONT'D)
...there were 1,000 men claiming they
were the one.

01:39:14

FREY SOLDIER 2
It was me. And Malcolm and Talbott.

01:39:18

FREY SOLDIERS
(laughing)

01:39:19

FREY SOLDIER 2 (OS)
Well, the thing was so heavy, it...

Arya walks up behind one of the Frey soldiers.

FREY SOLDIER 2 (CONT'D)
...fell off the first time. Took the
skin right with it.

The other Frey soldiers stare at Arya.

FREY SOLDIER 2 (CONT'D - OS)
What we ended up having to do was hook
the needle right under the collarbone.

FREY SOLDIER 2 (CONT'D)
Give it a nice firm mooring and...

The Frey soldier turns to Arya.

FREY SOLDIER 2 (CONT'D)
What do you want?

01:39:35

ARYA
Mind if I keep warm?

01:39:37

FREY SOLDIER 1
Fuck off.

The Frey soldier drinks from a canteen.

01:39:39

ARYA
But I'm hungry.

01:39:41

FREY SOLDIER 2
Does fuck off mean something different
where you're from?

01:39:45

ARYA
I've got money.

Arya gets a coin from her pocket and shows it to the Frey
soldier.

01:39:51

FREY SOLDIER 2

What kind of coin is that?

01:39:52

ARYA
It's worth a lot.

The Frey soldier tries to takes the coin from Arya, but Arya drops the coin purposefully on the ground.

ARYA (CONT'D)
Sorry.

01:39:59

FREY SOLDIER 2
Little shit.

The Frey soldier moves to pick up the coin. Arya holds the soldier by the neck and stabs him again and again.

FREY SOLDIER 2 (CONT'D)
(grunting)

01:40:03

ARYA
(panting)

The Frey soldiers pull out their swords and charge at Arya. The Hound walks up to Arya.

01:40:05

FREY SOLDIER 3 (OS)
Fool!

The Hound dispatches the Frey soldiers.

[MUSIC IN]

01:40:22

HOUND
Where did you get the knife?

01:40:25

ARYA
From you.

Arya holds up the knife. The Hound checks his leg then takes the knife from Arya.

01:40:30

HOUND (OS)
Is that the first man you've killed?

01:40:32

ARYA
The first man.

01:40:35

HOUND
Next time you're going to do something like that, tell me first.

The Hound walks towards the campfire. Arya picks up the coin and looks at it. The Hound starts to eat the roast.

01:40:52

ARYA
(whispers) Valar morghulis.

EXT. THE NORTH - FIELD - DAY.

A horse is cropping grass near a pond. Jon Snow is washing his face.

01:41:04

JON SNOW
(winces)

Jon Snow stops.

01:41:07

HORSE (OS)
(neighs)

Jon Snow turns around.

[MUSIC IN]

Ygritte has her bow aimed at Jon Snow. Jon Snow stands up.

01:41:23

JON SNOW
Ygritte, you know I didn't have a
choice.

JON SNOW (CONT'D - OS)
You always knew who I was...

JON SNOW (CONT'D)
...what I am.

JON SNOW (CONT'D - OS)
I have to go...

JON SNOW (CONT'D)
...home now. I know you won't hurt me.

01:41:45

YGRITTE
You know nothing, Jon Snow.

01:41:47

JON SNOW
(chuckles) I do know some things. I
know I love you.

01:41:56

YGRITTE
(whimpers)

01:41:59

JON SNOW (OS)
I know you love me.

JON SNOW (CONT'D)

But I have to go home now.

Jon Snow turns towards his horse. Ygritte shoots Jon Snow in the back.

JON SNOW (CONT'D)
(grunts)

Jon Snow falls down on the ground.

JON SNOW (CONT'D)
(groaning)

Ygritte nocks another arrow.

JON SNOW (CONT'D)
(grunting)

Jon Snow stands up and staggers to his horse and gets on. Ygritte aims her bow and releases hitting Jon Snow in the leg. Ygritte nocks another arrow. The horse gallops away. Ygritte aims then shoots Jon Snow with another arrow.

EXT. CASTLE BLACK - CASTLE WARD - DAY.

The Night's Watch is patrolling the castle.

INT. CASTLE BLACK - AEMON'S CHAMBER - DAY.

Aemon is sitting at his chair.

01:42:47

SAM (OS)
I know...

Sam and Gilly are standing in front of Aemon. Gilly is holding her baby.

SAM (CONT'D)
...how this must look. What I meant was...

01:42:54

GILLY
I swear to you, my lord...

01:42:55

AEMON (OS)
I'm not a lord, my dear.

AEMON (CONT'D)
Not for many, many years.

AEMON (CONT'D - OS)
Every man who joins the Night's
Watch...

AEMON (CONT'D)
...renounces all former titles. Among
other things. What is your name?

01:43:17

GILLY
Gilly.

01:43:18

AEMON (OS)
Ah...

AEMON (CONT'D)
...for the gillyflower. Lovely.

01:43:24

GILLY
Yes, my...

Sam whispers to Gilly.

01:43:28

SAM
Maester.

01:43:30

GILLY
Master.

01:43:32

SAM
Maester.

01:43:34

AEMON
And the child?

01:43:38

SAM
She hasn't chosen a name yet.

01:43:40

GILLY
His name is Sam.

Sam and Gilly look at each other.

01:43:45

AEMON (OS)
Tarly...

AEMON (CONT'D)
...do you remember the oath you swore
when you joined this order?

01:43:54

SAM
He's not my child, Maester Aemon.
She's one of Craster's wives.

01:44:02

BABY SAM
(cooing)

01:44:05

SAM (CONT'D)
I remember every word of the oath.
Night gathers and my watch begins.

SAM (CONT'D - OS)
I am the shield that guards the realms
of men.

SAM (CONT'D)
The realms of men. That means her as
well as us.

SAM (CONT'D - OS)
We didn't build 500 miles of ice
walls...

SAM (CONT'D)
...700 feet high to keep out men. The
night is gathering, Maester Aemon.
I've seen it. It's coming for all of
us.

01:44:43

AEMON
Gilly...

AEMON (CONT'D - OS)
...you and your son...

AEMON (CONT'D)
...will be our guests for the time
being.

AEMON (CONT'D - OS)
We certainly cannot...

AEMON (CONT'D)
...send you back beyond the Wall.

01:44:57

GILLY
Thank you...Maester. I can cook...

GILLY (CONT'D - OS)
...and clean and I can...

01:45:03

AEMON

Good.

AEMON (CONT'D - OS)

Samwell...

AEMON (CONT'D)

...fetch a quill and inkwell.

Sam walks towards a table.

[MUSIC IN]

01:45:12

BABY SAM

(cooing)

01:45:14

AEMON

I hope your penmanship...

Sam gets paper from the table.

AEMON (CONT'D)

...is better than your swordplay.

Sam sits down on a chair.

01:45:17

SAM

(chuckles) Miles better.

Sam takes a quill and dips it in ink.

01:45:21

AEMON

We had 44 ravens at last count. Make
sure they're all fed. Every one of
them flies tonight.

INT. DRAGONSTONE KEEP - DAVOS' CHAMBER - DAY.

Davos is setting scrolls down on a table. Davos takes a scroll and tries to read it.

01:45:41

DAVOS

"To His Grace King Stannis Baratheon.
Invaded--inv--invit--invited..."

Shireen is in the chamber reading a book.

DAVOS (CONT'D)

"...to the name day..."

DAVOS (CONT'D - OS)

"...celebration for Rylene..."

DAVOS (CONT'D)

"...Florent on the first night..."

Shireen turns towards Davos.

01:46:03

SHIREEN

Night.

01:46:04

DAVOS

"First night of the full moon."

Shireen stands and walks towards Davos.

DAVOS (CONT'D)

Why is there a G in night?

01:46:08

SHIREEN (OS)

I don't know.

SHIREEN (CONT'D)

There just is.

Shireen sits next to Davos.

01:46:11

DAVOS
Well, your father's not...

Davos folds the paper.

DAVOS (CONT'D)
...going to go to that.

Davos puts the paper on the table. Shireen shows Davos her book.

01:46:14

SHIREEN
My books are better than these boring scrolls. You could read about Balerion the Dread. They say you can still see his skull in the dungeons beneath the Red Keep. I'd like to see that someday.

01:46:25

DAVOS
I've been trying to stay out of those dungeons my whole life.

Shireen opens the book and reads from it.

01:46:29

SHIREEN
"His fangs were as long as bastard swords."

01:46:33

DAVOS
Aye...

Shireen stands up and walks to a corner.

DAVOS (CONT'D)
...old Balerion's definitely better than anything your cousin Rylene's got

on offer.

Shireen sits down and continues reading.

DAVOS (CONT'D)
But now that I'm your father's Hand...

Davos takes the scroll from the Night's Watch.

DAVOS (CONT'D)
...again, I have to keep him informed.

Davos opens the scroll and reads from it.

DAVOS (CONT'D)
The king does not have time for this
drudgery. "To all the lords and
knobble men of Westeros."

01:46:52

SHIREEN (OS)
Noblemen.

01:46:53

DAVOS (OS)
"Noblemen of Westeros..."

DAVOS (CONT'D)
"...the Nig--the Night's
Watch...implores..."

01:47:04

SHIREEN
What is it?

Davos and Shireen hear the bells tolling. Shireen closes her
book and moves beside Davos.

SHIREEN (CONT'D)
Why are they ringing the bells?

SHIREEN (CONT'D - OS)
Are we being attacked?

01:47:16

DAVOS
Stay here.

Davos stands up.

DAVOS (CONT'D)
Bar the door.

Davos leaves the chamber.

INT. DRAGONSTONE KEEP - MEETING CHAMBER - DAY.

Melisandre takes the wolf figurines from the table. Stannis is sitting at the end of the table. Melisandre walks to a fire stand and drops the figurines in the fire. Davos enters the chamber.

01:47:38

STANNIS
The usurper Robb Stark is dead.
Betrayed by his bannerman.

01:47:45

DAVOS (OS)
And you take credit because you
dropped...

DAVOS (CONT'D)
...a leech into the fire?

01:47:48

MELISANDRE
I take no credit.

MELISANDRE (CONT'D - OS)
I have faith and my faith has been
rewarded.

Melisandre walks towards Stannis.

01:47:56

DAVOS
Your Grace...

DAVOS (CONT'D - OS)
...the world has got...

DAVOS (CONT'D)
...so far bent.

Davos take a few steps towards Stannis.

DAVOS (CONT'D)
I've seen things crawl out of
nightmares, but my eyes were open. I
don't know if Robb Stark died because
of the Red Woman's sorcery or because
at war men die all the time, but I do
know that uniting the Seven Kingdoms
with blood magic is wrong.

Stannis stands up.

DAVOS (CONT'D)
It is evil. And you are not an evil
man.

Stannis walks along the table.

01:48:18

STANNIS
Do you know who had this table carved
and painted, Ser Davos?

01:48:22

DAVOS
Aegon Targaryen.

01:48:23

STANNIS
And do you know how Aegon Targaryen
conquered Westeros?

01:48:26

DAVOS

On the back of his dragon Balerion the Dread.

01:48:28

STANNIS

He had a smaller fleet than the kings he faced and a smaller army, but he had three dragons. Dragons are magic, Ser Davos. My enemies have made my kingdom bleed.

STANNIS (CONT'D - OS)

I will not forget that.

[MUSIC IN]

STANNIS (CONT'D)

I will not forgive that. I will punish them with any arms at my disposal.

01:48:53

DAVOS

You do not need to burn the boy.

DAVOS (CONT'D - OS)

If what you say is true...

DAVOS (CONT'D)

...a drop of his blood killed Robb Stark...

01:49:02

MELISANDRE

And our king is still no closer to the Iron Throne. A great gift requires a great sacrifice.

Melisandre holds Stannis' shoulder. Stannis walks towards the balcony. Davos takes a few steps towards Stannis.

01:49:27

DAVOS

His name is Gendry. He's a good lad.
A poor lad from Flea Bottom who happens
to be your nephew.

01:49:42

STANNIS
What is the life of one bastard boy
against a kingdom?

01:49:48

DAVOS
Everything.

01:49:50

STANNIS
The boy must die.

INT. DRAGONSTONE KEEP - DUNGEON - NIGHT.

Gendry is sitting in his cell. Davos walks up and unlocks the
door.

01:50:00

GENDRY
What are you doing?

01:50:01

DAVOS
You're leaving.

01:50:03

GENDRY
Is this some kind of trick?

01:50:05

DAVOS
Yes, but not on you.

Davos tosses a cloak to Gendry.

EXT. DRAGONSTONE - SHORE - NIGHT.

Davos and Gendry walks along the shore. Davos points to the sky.

DAVOS (CONT'D)
Aim for that star.

Davos and Gendry approach a boat on the shore.

DAVOS (CONT'D)
Don't stop. There's bread and water.
Go slow with it.

Davos puts the bag in the boat. Davos pushes the boat into the water.

DAVOS (CONT'D)
If you finish it off, no matter how
thirsty you get...

Davos turns the boat so that it points out to sea.

...don't drink seawater.

01:50:24

GENDRY
I know not to drink seawater.

01:50:26

DAVOS
Row for a full...

Gendry takes off his cloak.

DAVOS (CONT'D)
...day and night and you'll reach
Rook's Rest. You'll want to stop
there. Don't.

Gendry puts his cloak in the boat.

DAVOS (CONT'D)
She'll find you.

01:50:33

GENDRY
Where should I go?

01:50:33

DAVOS
You must keep the coast on your left
side until you reach King's Landing.

01:50:37

GENDRY
The Goldcloaks are looking for me.

01:50:39

DAVOS
They were looking for me for 20 years.
Do they know your face?

01:50:42

GENDRY
No.

01:50:42

DAVOS
I'd worry more about the Red Woman.

Gendry gets on the boat. He then sits down on the beam and
faces the bow.

DAVOS (CONT'D)
The other way.

Gendry stands up and sits facing the aft.

DAVOS (CONT'D)
You ever been in a boat before?

01:51:00

GENDRY
No.

01:51:01

 DAVOS
You know how to swim?

01:51:03

 GENDRY
No.

01:51:03

 DAVOS
Don't fall out.

The boat drifts out to sea.

 DAVOS (CONT'D)
Go on.

01:51:09

 GENDRY
Why are you doing this?

01:51:11

 DAVOS (OS)
Because it's right.

Gendry grabs the paddles.

 DAVOS (CONT'D)
And because I'm a slow learner.

Gendry starts rowing.

 DAVOS (CONT'D - OS)
When you get to Flea Bottom...

 DAVOS (CONT'D)
...have a bowl of brown for me.

Davos turns around.

EXT. CASTLE BLACK - GATES - DAY.

Jon Snow approaches the keep on horseback, arrows sticking out of his body.

01:51:26

GUARD (OS)
Horse approaching! Halt!

The guard walks along the parapet.

GUARD (CONT'D)
Halt!

Jon Snow falls off his horse. The guard runs down the parapet.

EXT. CASTLE BLACK - CASTLE WARD - DAY.

Jon Snow is dragged along by the Night's Watch. The men of the Night's Watch begin to gather around him.

[MUSIC IN]

Sam runs towards Jon Snow. The men put Jon Snow down and turn him over.

01:51:49

SAM
Jon!

Sam and Pyp stands over Jon Snow.

SAM (CONT'D)
Jon!

Jon Snow slowly opens his eyes.

SAM (CONT'D - OS)
Jon, it's us.

01:51:52

PYP
I don't think he can see us.

01:51:59

JON SNOW
Pyp? Sam?

01:52:04

SAM (CONT'D - OS)
Hush, now.

SAM (CONT'D)
You're home. Carry him inside.

The Night's Watch men pick up Jon Snow.

SAM (CONT'D - OS)
Gently.

The men carry Jon Snow into the castle.

EXT. KING'S LANDING - MARKET - DAY.

The people in King's Landing are going about their day.

01:52:19

VENDORS
(shouting)

01:52:22

CHICKENS
(clucking)

Jaime walks through the gates into the market. Brienne and Qyburn walk through the gates. A fruit vendor hauling a cart stops behind Jaime.

01:52:37

FRUIT VENDOR (to Jaime)
Out of the way. Step aside, country boy.

The fruit vendors push past Jaime.

FRUIT VENDOR (CONT'D)
People working...

Jaime steps aside.

FRUIT VENDOR (CONT'D)
...here.

Jaime walks along the market. Brienne and Qyburn follow him.

INT. RED KEEP - CERSEI'S CHAMBER - DAY.

Cersei is sitting down beside an open box. She then takes a seashell from it.

[MUSIC]

Jaime enters the room.

01:53:28

JAIME
Cersei.

Cersei turns towards Jaime.

01:53:34

CERSEI
(exhales)

Cersei looks at Jaime's hand. Jaime looks down at his hand.

INT. DRAGONSTONE KEEP - MEETING CHAMBER - DAY.

Stannis is leaning on the table.

01:53:49

STANNIS
You don't deny it?

Melisandre walks towards Davos. Davos is in the chamber flanked with guards.

01:53:52

DAVOS
No. I let him go.

01:53:56

MELISANDRE

Your mercy saved the boy's life. You
feel good about that?

01:54:01

DAVOS

Aye, I do.

01:54:03

MELISANDRE (OS)

You saved one innocent.

MELISANDRE (CONT'D)

How many tens of thousands have you
doomed?

01:54:12

DAVOS

There has got to be another way.

01:54:15

STANNIS

What other way?! Tell us about this
other way.

01:54:18

DAVOS

I don't know, Your Grace. I can't see
the future in the fire.

Stannis walks towards Davos.

01:54:27

STANNIS

Very well, Ser Davos Seaworth.

STANNIS (CONT'D - OS)

I, Stannis of the House...

STANNIS (CONT'D)
...Baratheon, First of My Name,
Rightful King of the Andals...

[MUSIC IN]

STANNIS (CONT'D)
...and the First Men, sentence you to
die.

01:54:36

DAVOS
I understand. But since you haven't
yet unnamed me Hand of the King, it is
my duty to advise you against it.
You're gonna need me.

01:54:43

MELISANDRE (to guards)
Take him away.

The guards grab Davos' arms and lead him away. Davos resists
and pulls out the scroll from his belt.

01:54:46

STANNIS
Why am I gonna need you?

Davos shows the scroll sent by the Night's Watch.

[MUSIC IN]

Stannis takes the scroll from Davos.

01:54:52

MELISANDRE
My king.

Stannis reads the scroll.

01:54:57

DAVOS (OS)

It's from Maester Aemon of the Night's Watch. Their Lord Commander is dead. Took a ranging party north and never made it back.

DAVOS (CONT'D)

One lad did, though. What he saw beyond the Wall--it's coming for all of us.

Stannis gives the scroll to Melisandre. Melisandre moves towards the fire stand and reads the scroll.

01:55:26

STANNIS

When did you learn to read?

01:55:27

DAVOS

Matthos taught me before he died so I could be of better...

DAVOS (CONT'D - OS)

...service to you.

Melisandre puts the scroll in the fire.

01:55:39

MELISANDRE

This War of Five Kings means nothing.

MELISANDRE (CONT'D - OS)

The true war lies to the north, my king.

MELISANDRE (CONT'D)

Death marches on the Wall. Only you can stop him.

Davos moves closer to Stannis.

01:55:53

DAVOS (to Stannis)
You can't stop him alone. You need
someone to rebuild your army for you,
someone to convince this lord and that
lord to fight for you, to bring
sellswords and pirates to your side.

01:56:03

STANNIS
I've made my decision.

01:56:06

MELISANDRE
He's right.

MELSIANDRE (CONT'D - OS)
You need him.

MELISANDRE (CONT'D)
He has a part to play in the war to
come.

01:56:14

STANNIS
(chuckling) You see, Ser Davos? You've
been saved by that fire god you like to
mock.

Stannis walks towards the table.

STANNIS (CONT'D)
You're in his army now.

Mhysa! Mhysa!

[MUSIC IN]

01:59:00

DAENERYS (to Missandei)

What does it mean?

01:59:02

MESSANDEI

It is old Ghiscari, Khaleesi. It means
"mother."

The slaves move closer to Daenerys.

SLAVES (OS)
Mhysa! Mhysa!

01:59:25

DRAGONS (OS)
(screeches)

Daenerys walks down to her dragons. Jorah holds her hand to support her. Daenerys crouches next to Drogon. She then strokes Drogon's back.

01:59:38

DAENERYS
Sovetes.
Fly.

The three dragons fly. Daenerys stands up.

01:59:43

DRAGONS (OS)
(screeching)

Daenerys walks down towards the slaves.

02:00:00
