[FADE TO BLACK]

INT. RED KEEP - CHAMBER OF THE HAND - DAY (D2, NEXT DAY)

NED LIES IN HIS BED, RECOVERING. ROBERT AND CERSEI ARE AT HIS BEDSIDE.

NED

Your pardon, your grace. I would rise
but ...

CERSEI

Do you know what your wife has done?

NED

She did nothing I did not command.

ROBERT

Who'd have thought she had it in her?

CERSEI

By what right do you lay hands on my
blood?

NED

I am the King's hand...

CERSEI

You were the King's hand...

NED

...keeping the peace and endowed with the
power to...

CERSEI

...you will now be held accountable

ROBERT

Oh, will both of you shut your mouths?
Catelyn will release Tyrion and you'll
make your peace with Jaime.

NED
He butchered my men.

CERSEI
Lord Stark was returning drunk from a
brothel when his men attacked Jaime.

ROBERT
Quiet, woman.

NED
Jaime has fled the city. Give me leave
to bring him back to justice.

CERSEI
I took you for a king.

ROBERT
Hold your tongue.

CERSEI
He's attacked one of my brothers and
abducted the other. I should wear the
armor and you the gown.

ROBERT SLAPS CERSEI

CERSEI
I shall wear this like a badge of honor.

ROBERT
Wear it in silence or I'll honor you
again.

CERSEI EXITS

ROBERT
See what she does to me? My loving wife.

ROBERT FILLS GLASS

ROBERT

I should not have hit her that was not,
that was not kingly.

NED

If we don't act there will be a war.

ROBERT

So tell your wife to return that little
shit of an imp to King's Landing. She's
had her fun now put an end to it. You
hear me? Send a raven and put an end to
it.

NED

And what about Jaime Lannister? What
about Jaime?

ROBERT

I'm half a kingdom in debt to his bloody
father. I don't know what happened
between you and those yellow-head shits,
I don't want to know. This is what
matters; I can't rule the kingdoms if the
Starks and the Lannisters are at each
other's throats so enough.

NED

As you command your grace. With your
leave I will return to Winterfell and set
matters straight.

ROBERT

Piss on that. Send the raven, I want you
to stay. I'm the king, I get what I
want.

ROBERT TAKES DRINK

I never loved my brothers. A sad thing
for a man to admit but it's true. You
were the brother I chose.

ROBERT SETS GLASS DOWN

ROBERT

We'll talk when I return from the hunt.

ROBERT TOSSES SILVER HAND INSIGNIA OF OFFICE ONTO THE BED

NED

The hunt?

ROBERT

Killing things clears my head. You'll
have to sit on the throne while I'm away.
[LAUGH] You'll hate it more than I do.

NED

The Targaryen girl...

ROBERT

Seven hells, don't start with her again.
The girl will die and I'll hear no more
of it. Put on the badge and if you ever
take it off again, I swear to the Mother
I'll pin the damned thing on Jaime
Lannister.

ROBERT EXITS, NED PICKS UP THE CLASP

INT. VAES DOTHRAK - EARTHEN TENT - NIGHT

DANY ALONE IN TENT, PLACES BLACK DRAGON'S EGG ON HOT COALS.
HANDMAIDEN IRRI ENTERS. DANY PICKS THE HOT EGG OFF THE COALS,
IRRI TAKES IT FROM HER AND DROPS IT BACK IN THE COALS.

IRRI

Khaleesi!

IRRI INSPECTS DANY'S HANDS AND FINDS NO BURNS. DANY SEES
IRRI'S BURNT HANDS.

DANY

You're hurt.

EXT. WINTERFELL - COURTYARD - DAY

RAVEN CAWS. BRAN LOWERS HIS BOW AND ARROW. BRAN FOLLOWS THE
RAVEN INTO AN OPEN DOORWAY. THE RAVEN FLIES FURTHER INSIDE.

INT. WINTERVELL - BRANS CHAMBER - DAY (D3, NEXT
DAY)

BRAN IS AWAKENED BY THE DOOR SLAMMING OPEN. HODOR STANDS IN THE DOORWAY WITH A BIG GRIN ON HIS FACE, HOLDING BRAN'S SPECIAL SADDLE RIG. BRAN'S FACE LIGHTS UP.

EXT. LAND OUTSIDE WINTERFELL - DAY

BRAN IS RIDING A HORSE. ROBB AND THEON ARE WATCHING HIM.

BRAN
Woohoo! Woohoo!

ROBB
Not too fast.

BRAN
Come on [INAUDIBLE].

THEON
When you going to tell him?

ROBB
Not now.

THEON
Blood for blood.

BRAN
Come on!

THEON
You need to make the Lannisters pay for Jory and the others.

ROBB
You're talking about war.

THEON
I'm talking about justice.

ROBB
Only the lord of Winterfell can call in the bannermen and raise army.

THEON
Lannister put his spear through your father's leg. The Kingslayer rides for

Casterly Rock where no one can touch him...

ROBB

You want me to march on Casterly Rock?

THEON

You're not a boy anymore, they attacked your father, they've already started the war! And it's your duty to represent your house when your father can't.

ROBB

And it's not your duty because it's not your house.

SILENCE, ROBB STANDS UP

ROBB

Where's Bran?

THEON STANDS UP

THEON

Don't know, it's not my house.

THEON EXITS

EXT. FOREST - STREAM - MINUTES LATER

BRAN RIDING ALONE IN THE WOODS. TWO WILDLING MEN AND A WOMAN APPROACH AND TAKE THE REINS OF HIS HORSE.

BRAN

Robb?

OSHA

All alone in the deep, dark woods.

BRAN

I'm not alone. My brother is with me.

STIV

I don't see him. Got him hidden under your cloak?

OSHA

Ooh that's a pretty pin, silver.

STIV

We'll take the pin and the horse. Get down, be quick about it.

BRAN

I can't, the saddle, the straps...

WILDLING ONE RAISES BRAN'S CLOAK TO REVEAL THE BRACE

STIV

What's wrong with you are you some kind of cripple?

BRAN

I'm Brandon Stark of Winterfell and if you don't let me be I'll have you all killed!

STIV PULLS OUT A KNIFE

WILDLING 1

Ah, cut his little cock off and stuff it in his mouth.

OSHA

The boy's worth nothing dead. Benjen Stark's own blood? Think of what Mance would give us!

STIV

Piss on Mance Rayder and piss on the north. We're going as far south as south goes. There ain't no White Walkers down in Dorne.

ROBB ENTERS

ROBB

Drop the knife!

ROBB DRAWS HIS SWORD

ROBB

Let him go and I'll let you live.

WILDLING ONE RUSHES ROBB AND ROBB CUTS HIS THROAT. BRAN FIGHTS OFF STIV STILL TRYING TO CUT THE BRAN'S STRAPS. OSHA HITS ROBB IN THE BACK WITH A CLUB. ROBB STABS WILDLING TWO IN THE BELLY. OSHA COWERS.

BRAN

Robb, Robb!

STIV HAS BRAN ON THE GROUND WITH A KNIFE TO HIS THROAT

STIV

Shut up. Drop the blade!

BRAN

No don't...

STIV

Do it!

ROBB PAUSES AND THEN PUTS HIS SWORD ON THE GROUND. THE SOUND OF AN ARROW CONNECTING IS HEARD AND STIV GROANS AND RELEASES BRAN WHO DROPS TO THE GROUND. STIV FALLS AND THEON CAN BE SEEN HOLDING A BOW DIRECTLY BEHIND HIM. THEON AND ROBB APPROACH BRAN.

ROBB

Are you all right?

CLOSE UP OF THE KNIFE WOUND ON BRAN'S LEG

BRAN

Yes, it doesn't hurt

THEON HAS HIS BOW DRAWN ON OSHA

THEON

Tough little lad. In the Iron Islands
you're not a man until you've killed your
first enemy.

CAMERA PANS DEAD WILDLINGS

THEON

Well done.

ROBB

Are you out of your mind? What if you missed?

THEON
He would have killed you and cut Bran's throat!

ROBB
You don't have the right to...

THEON
To what, to save your brother's life? It was the only thing to do so I did it.

ROBB
What about her?

OSHA CRAWLS TOWARD ROBB

OSHA
Give me my life, my lord and I'm yours.

ROBB
We'll keep her alive.

INT. EYRIE - SKY CELL - DAY

TYRION AWAKENS ON THE EDGE OF A BUILDING WITH OPEN DOORWAYS NEARLY FALLING TO HIS DEATH. HE RUNS TO THE DOOR.

TYRION
MORD! TURNKEY! MORD! MORD!

MORD ENTERS SWINGING A LEATHER STRAP

MORD
Dwarf man making noise!

TYRION
How would you like to be rich?

MORD
Dwarf man still making noise.

TYRION
My family is rich. We have gold, lots of

gold. I'm prepared to give you lots of
gold in ...

MORD FRISKS TYRION

MORD

No gold!

TYRION

Well I don't have it here ...

MORD

No gold, fuck off.

MORD STRIKES TYRION ONCE MORE AND EXITS

INT. TOWER OF THE HAND - SMALL HALL - DAY

SYRIO FOREL TOSSES A PRACTICE SWORD TO ARYA

ARYA

I don't want to practice today.

SYRIO

No?

ARYA

They killed Jory. My father is hurt. I
don't care about stupid wooden swords.

SYRIO

You are troubled.

ARYA

Yes.

SYRIO

Good. Trouble is the perfect time for
training. When you are dancing in the
meadow with your dolls and kittens this
is not when fighting happens.

ARYA

I don't like dolls and k ...

SYRIO TAPS HER ARM WITH THE SWORD

SYRIO

You are not here. You're with your
trouble. If you're with your trouble
when fighting happens ...

HE TAPS HER AGAIN AND SHE ENGAGES BUT HE SPINS AND KNOCKS HER
DOWN

SYRIO

More trouble for you, just so. How can
you be quick as a snake ...

ARYA BLOCKS HIS SWINGS AND RISES

SYRIO

But as quiet as a shadow ...

HE SPINS AGAIN AND BRINGS THE SWORD TO HER NECK

SYRIO

When you are somewhere else?

HE DROPS THE SWORD

SYRIO

You are fearing for your father, hmm?
That is right. Do you pray to the gods?

ARYA

The old and the new.

SYRIO

There is only one god and his name is
Death and there is only one thing we say
to Death.

HE PUSHES HER CHIN UP WITH HIS FINGER

SYRIO

Not today.

SYRIO TOSSES HER THE SWORD, THEY PRACTICE

INT. VAES DOTHRAK - TEMPLE OF DOSH KHALEEN - DAY

DANY IS EATING A HORSE'S HEART IN A CEREMONY. DOSH KHALEEN
CRONES AND THE HIGH PRIESTESS ARE CHANTING.

DOSH KHALEEN
Rakh, Rakh, Rakh haj!
(*A boy! A boy! A strong boy!*)

HIGH PRIESTESS
Khalakka dothrae!
(*The prince rides!*)

SER JORAH AND VISERYS WATCH FROM THE SIDELINES

VISERYS
She has to eat the whole heart? I hope
that wasn't my horse.

JORAH
She's doing well.

VISERYS
She'll never keep it down.

CHANTING INTENSIFIES. DROGO NODS AT DANY.

VISERYS
Tell me what she's saying.

JORAH
The prince is riding, I have heard the
thunder of his hooves. Swift as the wind
he rides. His enemies will cower before
him. Their wives will weep tears of
blood.

HIGH PRIESTESS CHANTING

JORAH
She's going to have a boy.

VISERYS
He won't be a real Targaryen. He won't
be a true dragon.

DANY FINISHES AND FALLS FORWARD. SHE STRUGGLES TO KEEP IT IN
AND THEN RISES TO HER KNEES VICTORIOUSLY. DROGO LOOKS ON
APPROVINGLY.

HIGH PRIESTESS

Vezh fin Saja Rhaesheseres!
(The Stallion who mounts the World!)

JORAH

The stallion who mounts the world. The stallion is the Kahl of Kahls. He will unite the people into a single khalasar. All the people of the world will be his herd.

HIGH PRIESTESS AND DOSH KAHLEEN CHANTING

DOSH KHALEEN

Vezh fin Saja Rhaesheseres! Vezh fin
Saja Rhaesheseres!
(The Stallion who mounts the World! The
Stallion who mounts the World!)

DANY STANDS, SILENCE

DANY

Khalakka dothrae mr'anha! Ma me nem
ahakee ma Rhaego!
(*A prince rides inside of me! And he
shall be called Rhaego!*)

CROWD

Rhaego! Rhaego! Rhaego! Rhaego!
Rhaego! Rhaego! Rhaego! Rhaego!

VISERYS

They love her.

DROGO HOLDS DANY UP AND WALKS HER AROUND THE ROOM. CROWD
CONTINUES TO CHANT RHAEGO!

JORAH

She truly is a queen today.

INT. VAES DOTHRAK - EARTHEN TENT - A FEW MINUTES
LATER

VISERYS OPENS CHEST CONTAINING DANY'S DRAGON EGGS. HE TAKES
ONE AND PUTS IT IN HIS SACHEL. JORAH APPEARS AT THE DOOR.

JORAH

Don't let them see you carrying a sword
in Vaes Dothrak. You know the law.

VISERYS
It's not my law.

VISERYS REACHES FOR THE OTHER EGGS

JORAH
They don't belong to you.

VISERYS
Whatever is hers is also mine.

VISERYS TAKES LAST EGG

JORAH
Once perhaps.

VISERYS
If I sell one egg I'll have enough to buy
a ship. Two eggs a ship and an army.

JORAH
And you have all three.

VISERYS
I need a large army. I'm the last hope
of a dynasty, Mormont. The greatest
dynasty this world has ever seen, on my
shoulders, since I was five years old.
And no one has ever given me what they
gave to her in that tent, never, not a
piece of it. How can I carry what I need
to carry without it? Hmm? Who can rule
without wealth or fear or love?

JORAH STANDS IN SILENCE

VISERYS
You stand there all nobility and honor.
You don't think I see you looking at my
little sister? Mm-hmm. Don't think I
know what you want? I don't care, you
can have her. She can be Queen of the
Savages and dine on the finest bloody

horse parts and you can dine on whichever
parts of her you like ... but let me go.

JORAH DOES NOT LET HIM PASS

JORAH
You can go, you can't have the eggs.

VISERYS
You swore an oath to me. Does loyalty
mean nothing to you?

JORAH
It means everything to me.

VISERYS
And yet here you stand.

JORAH
And yet here I stand.

VISERYS DROPS THE EGGS AND JORAH MOVES SO HE CAN PASS. VISERYS
EXITS.

INT. EYRIE - SKY CELL - DAY

TYRION LEANING ON DOOR KICKING IT

TYRION
Mord. Mord. Mord. Mord!

MORD ENTERS KNOCKING TYRION TO THE FLOOR, THREATENING HIM WITH
THE STRAP

MORD
Noise again!

TYRION
About the gold ...

MORD STRIKES HIM

MORD
No gold! No gold!

TYRION

Listen to me! Listen to me! Sometimes
possession is an abstract concept.

MORD STRIKES HIM AGAIN

TYRION

When they captured me they took my purse
but the gold is still mine!

MORD

Where?

TYRION

Where, I don't know where ...

MORD STRIKES TYRION AGAIN

TYRION

... but when they free me.

MORD

You want free? Go be free.

TYRION

Have you ever heard the phrase "Rich as a
Lannister?" Of course you have. You're
a smart man. You know who the Lannisters
are. I am a Lannister. Tyrion, son of
Tywin and of course you've also heard the
phrase, "A Lannister always pays his
debts." If you deliver a message from me
to Lady Arryn, I will be in your debt. I
will owe you gold if you deliver a
message and I live which I very much
intend to do.

MORD

What message?

TYRION

Tell her I wish to confess my crimes.

INT. HIGH HALL - DAY

LYSA AND CATELYN ON THEIR RAISED PLATFORM, ROBIN
ARRYN DRUMS HIS TRONE WITH A SPOON.

LYSA

You wish to confess your crimes?

TYRION

Yes my lady, I do my lady.

LYSA

The sky cells always break them. Speak,
Imp. Meet your Gods as an honest man.

TYRION

Where do I begin my lords and ladies?
I'm a vile man, I confess it. My crimes
and sins are beyond counting. I have
lied and cheated and gambled and whored.
I'm not particularly good at violence but
I'm good at convincing others to do
violence for me. You want specifics I
suppose? When I was seven I saw a
servant girl bathing in the river. I
stole her robe. She was forced to return
to the castle naked and in tears. If I
close my eyes I can still see her tits
bouncing. When I was ten I stuffed my
uncle's boots with goat shit. When
confronted with my crime I blamed a
squire. Poor boy was flogged and I
escaped justice.

BRONN CHUCKLES

TYRION

When I was twelve I milked my eel into a
pot of turtle stew.

CROWD GASPS

TYRION

I flogged the one-eyed snake, I skinned
my sausage. I made the bald man cry.
(MAKES JERK-OFF MOTION)
Into the turtle stew which I do believe
my sister ate at least I hope she did.

CROWD CHUCKLES

TYRION

I once brought a jackass and a honeycomb
into a brothel...

LYSA

SILENCE!

ROBIN

What happened next?

LYSA

What do you think you're doing?

TYRION

Confessing my crimes.

CATELYN

Lord Tyrion you are accused of hiring a
man to slay my son Bran in his bed and of
conspiring to murder my sister's husband
Lord Jon Arryn, the Hand of the King.

TYRION

Oh I'm very sorry. I don't know anything
about all of that.

LYSA

You've had your little joke. I trust you
enjoyed it. Mord, take him back to the
dungeon. This time find a smaller cell
with a steeper floor.

TYRION

Is this how justice is done in the Vale?
You accuse me of crimes, I deny them. So
you throw me into a cell to freeze and
starve? Where is the King's Justice? I
am accused and demand a trial.

LYSA

If you are tried and found guilty then by
the Kings own laws you will pay with your
life.

TYRION

I understand the law.

LYSA

We have no executioner in the Eyrie.
Life is more elegant here. Open the moon
door.

TWO SERVING MEN TURN A LARGE HAND CRANK. THE HOUSE
ARRAYN SIGIL IN THE FLOOR SLIDES OPEN TO REVEAL A
TRAP DOOR. ROBIN GIGGLES

LYSA
You want a trial my lord Lannister, very
well. My son will listen to whatever you
have to say and you will hear his
judgment. Then you will leave by one
door or the other.

TYRION
No need to bother Lord Robin. I demand a
trial by combat.

THE CROWD CHUCKLES

LYSA
You have that right.

YOUNG KNIGHT #1 STEPS FORWARD

YOUNG KNIGHT #1
My lady I beg the honor. Let me be your
champion.

OLDER KNIGHT #1
The honor should be mine. For the love I
bore your lord husband, let me avenge his
death.

KNIGHTS
I'll fight for you my lady. It would be
my honor. Me. Let me show your honor ...

ROBIN
Make the bad man fly!

LYSA
Ser Vardis, you're quiet. Don't you want
to avenge my husband?

VARDIS DROPS TO ONE KNEE

VARDIS

With all of my heart my lady but the Imp
is half my size, shameful to slaughter
such a man and call it justice.

TYRION

Agreed.

LYSA

You demanded a trial by combat.

TYRION

And now I demand a champion. I have that
right same as you.

VARDIS

My lady, I will gladly fight the Imp's
champion for you.

TYRION

I wouldn't be too glad, ser. I name my
brother, Jaime Lannister.

CROWD MURMURS

LYSA

The Kingslayer is hundreds of miles from
here.

TYRION

Send a raven for him. I'm happy to wait.

LYSA

The trial will be today.

TYRION

Do I have a volunteer?

CROWD CHUCKLES

TYRION

Anyone, anyone?

ROBIN CHUCKLES

LYSA

I think we can assume that no one is
willing to ...

BRONN STEPS FORWARD

BRONN
I'll stand for the dwarf.

CROWD GASPS

EXT. KINGSWOOD - DAT

ROBERT AND HIS HUNTING PARTY WALK THROUGH THE WOODS

LANCEL
More wine, your Grace?

ROBERT
Now, what was I saying?

RENLY
Simpler time?

ROBERT
It was, it was. You're too young to
remember. Wasn't it simpler Selmy?

BARRISTAN
It was your grace.

ROBERT
The enemy was right there in the open,
vicious as you like, all but sending you
a bloody invitation. Nothing like today.

RENLY
It sounds exhilarating.

ROBERT
Exhilarating, yes. Not as exhilarating
as those balls and masquerades you like
to throw. [LAUGH] You ever fuck a
Riverlands girl?

RENLY
Once, I think.

ROBERT

Think? I think you'd remember. Back in our day you weren't a real man until you'd fucked one girl from each of the seven Kingdoms and the Riverlands. We used to call it "Making the Eight."

RENLY

Those were some lucky girls.

ROBERT

You ever Make the Eight, Barristan?

BARRISTAN

I don't believe so your grace.

ROBERT

[LAUGH] Those were the days

RENLY

Which days exactly? The ones when half of Westeros fought the other half and millions died? Or before that, when the Mad King slaughtered women and babies because the voices in his head told him they deserved it? Or way before that, when dragons burned whole cities to the ground?

ROBERT

Easy boy, you might be my brother but you're speaking to the King.

RENLY

I suppose it was all rather heroic if you were drunk enough and had some poor Riverlands whore to shove your prick inside and "Make the Eight."

RENLY EXITS

LANCEL

More wine, your Grace?

ROBERT DRINKS, SHOVS THE SKIN BACK TO LANCEL ALL EXIT

INT. RED KEEP - THRONE ROOM - DAY

VILLAGER

They burned most everything in the Riverlands our fields; our granaries; our homes. They took our women, they took 'em again and when they was done they butchered them as if they was animals. They covered our children in pitch and lit them on fire.

PYCELLE

Brigands, most likely.

VILLAGER

They weren't thieves. They didn't steal nothing. They even left something behind, your Grace.

PYCELLE

It's the King's Hand you're addressing, not the King. The King is hunting.

THE VILLAGER DUMPS A SACK FULL OF DEAD FISH ON THE FLOOR

LITTLEFINGER

Fish. The sigil of House Tully. Isn't that your wife's house, Tully? My Lord Hand?

NED

These men, were they flying a sigil? A banner?

VILLAGER

None, your - Hand. The one who was leading them, taller by a foot than any man I've ever met. Saw him cut the blacksmith in two. Saw him take the head off a horse with a single swing of his sword.

LITTLEFINGER

That sounds like someone we know, the Mountain.

NED

You're describing Ser Gregor Clegane.

PYCELLE

Why should Ser Gregor turn brigand? The man is an anointed knight.

LITTLEFINGER

I've heard him called "Tywin Lannister's mad dog." I'm sure you have as well. Can you think of any reason the Lannisters might possibly have for being angry with your wife?

PYCELLE

If the Lannisters were to order attacks on villages under the King's protection it would be ...

LITTLEFINGER

That would be almost as brazen as attacking the Hand of the King in the streets of the capital. [PYCELLE MOANS]

NED

I cannot give you back your homes or restore your dead to life but perhaps I can give you justice in the name of our King, Robert. Lord Beric Dondarrion.

BERIC STEPS FORWARD

NED

You shall have the command. Assemble one hundred men and ride to Ser Gregor's keep.

BERIC

As you command.

NED STANDS

NED

In the name of Robert of the House Baratheon, the First of his Name, King of the Andals and the First Men, Lord of the Seven Kingdoms and Protector of the

Realm. I charge you to bring the King's justice to the false knight Gregor Clegane and all those who shared in his crimes. I denounce him and attaint him. I strip him of all ranks and titles, of all lands and holdings and sentence him to death.

PYCELLE

My lord this, this is a drastic action it would be better to wait for King Robert's return.

NED

Grand Maester Pycelle ...

PYCELLE

My Lord ...

NED

Send a raven to Casterly Rock, inform Tywin Lannister that he has been summoned to court to answer for the crimes of his bannermen. He will arrive within the fortnight or be branded an enemy of the crown and a traitor to the realm.

CROWD GASPS AND MURMURS. NED DESCENDS STAIRS.

LITTLEFINGER

A bold move my lord and admirable but is it wise to yank the lion's tail? Tywin Lannister is the richest man in all of the seven kingdoms. Gold wins wars, not soldiers.

NED

Then how come Robert is King and not Tywin Lannister?

INT. EYRIE - HIGH HALL - NIGHT

SERVANTS OPEN THE TRAP DOOR AS THE KNIGHTS PREPARE TO FIGHT

ROBIN

FIGHT!

VARDIS BACKS BRONN UP A RAMP AND HE RETREATS OVER A RAIL

LYSA
Stand and fight, coward!

VARDIS BACKS BRONN OVER THE MOON DOOR, ROBIN LAUGHS. THE CROWD
CHEERS VARDIS ON. BRONN STABS VARDIS. LYSA GASPS

TYRION
Yes.

LYSA
Enough Ser Vardis, finish him!

BRONN STABS VARDIS A SECOND TIME. CROWD IS CHEERING, FINISH
HIM. VARDIS CHARGES BRONN WHO KNOCKS HIM TO THE FLOOR AND
PAUSES HOLDING VARDIS'S ARMS UP BEFORE KILLING HIM. BRONN LETS
HIM FALL THROUGH THE MOON DOOR. BRONN AND TYRION EXCHANGE
NODS.

ROBIN
Is it over?

LYSA
You don't fight with honor.

BRONN
No.
(points at Moon Door)
He did.

MORD REMOVES THE CHAINS FROM TYRION WHO APPROACHES THE THRONE

ROBIN
Can I make the little man fly now?

TYRION
Not this little man, this little man is
going home.

HE ADDRESSES RODRIK

TYRION
I believe you have something of mine.

RODRIK LOOKS OVER AT CATELYN, SHE NOTS. HE TOSSES THE COIN PURSE TO TYRION WHO BOWS AND EXITS THROWING THE COIN PURSE TO MORD ON THE WAY OUT.

TYRION

A Lannister always pays his debts.

TYRION EXITS AND THE DOOR CLOSES BEHIND HIM

INT. TOWER OF THE HAND - SANSA'S BALCONY - EVENING

SANSA AND SEPTA MORDANE SIT TOGETHER ON THE BALCONY

SEPTA MORDANE

You wear your hair like a real Southern lady now.

SANSA

Well why shouldn't I? We're in the south.

SEPTA MORDANE

It's important to remember where you come from. I'm not sure your mother would like these new styles.

SANSA

My mother isn't from the north.

SEPTA MORDANE

I'm aware of that.

SANSA

What do you care? Do you even have hair under there?

SEPTA MORDANE

Yes, I have hair.

SANSA

I've never seen it.

SEPTA MORDANE

Would you like to?

SANSA

No. Where are you from anyway? The north or the south?

SEPTA MORDANE
I come from a very small village in the ...

SANSA
Oh wait. I just realized I don't care.

SEPTA MORDANE
Sansa ...

SANSA
Septa ...

SEPTA MORDANE
Now you are being rude.

JOFFREY ENTERS

SEPTA MORDANE
My prince.

SANSA
My prince.

JOFFREY
My lady. I fear I've behaved monstrously the past few weeks. With your permission?

SANSA TURNS AROUND TO ALLOW JOFFREY TO PUT A NECKLACE ON HER

SANSA
It's beautiful, like the one your mother wears.

JOFFREY
You'll be Queen someday, it's only fitting you should look the part. Will you forgive me for my rudeness?

SANSA
There's nothing to forgive.

JOFFREY

You're my lady. One day we'll be married in the Throne Room. Lords and ladies from all over the Seven Kingdoms will come. From the Last Hearth in the North to the Salt Shore in the South and you will be Queen of all of them.

JOFFREY

I'll never disrespect you again. I'll never be cruel to you again. Do you understand me? You are my lady now from this day until my last day.

JOFFREY AND SANSA KISS. SANSA SMILES LOOKING ADORINGLY AT PRINCE JOFFREY.

EXT. KINGSROAD (OUTSIDE WINTERFELL) - DAY

THEON RIDES PAST DONKEY-LED CART

THEON

Stop. STOP!

THEON SEES ROS ON THE BACK OF THE CART

THEON

What are you doing?

ROS

Going to Kings Landing.

THEON

In a turnip cart?

ROS

I'll find a ship heading south in White Harbor.

THEON

You can afford that?

ROS

Some of my friends are more generous than others.

THEON

There are a thousand girls like you in
Kings Landing.

ROS

So I'll have lots of company.

THEON

Yes you'll be very popular. Until some
fat lord comes to visit with a big belly
and a little prick and he can't get it up
so he knocks all of your teeth out.

ROS

And what will happen to me if I stay
here? Will I become Lady Greyjoy,
Mistress of the Iron Islands?

THEON

Don't be a fool.

ROS

I hear Jaime Lannister attacked Lord
Stark in the streets of King's Landing.
Every man for a hundred miles will be
marching off to war soon and most of them
will never come back. There's nothing
left for me here. Let's go Stefon.

CART DRIVES AWAY

THEON

Let me see it one more time.

ROS

See what?

THEON TOSSES A GOLD COIN TO ROS. ROS RAISES HER
SKIRT AND LAUGHS

THEON

I'm going to miss you.

ROS

I know.

NED

I'm sending you both back to Winterfell.

SANSA AND ARYA STARE AT NED

SANSA

What?

NED

Listen.

SANSA

What about Joffrey?

ARYA

Are you dying because of your leg? Is that why you're sending us home?

NED

What? No.

SANSA

Please father. Please don't.

ARYA

You can't. I've got my lessons with Syrio I'm finally getting good.

NED

This isn't a punishment. I want you back in Winterfell for your own safety.

ARYA

Can we take Syrio back with us?

SANSA

Who cares about your stupid dancing teacher? I can't go. I'm supposed to marry Prince Joffrey, I love him and I'm meant to be his queen and have his babies.

ARYA

Seven hells.

NED

When you're old enough I'll make you a match with someone who's worthy of you. Someone who's brave and gentle and strong.

SANSA

I don't want someone brave and gentle and strong I want him! He'll be the greatest king that ever was, a golden lion and I will give him sons with beautiful blonde hair.

ARYA

The lion's not his sigil idiot, he's a stag like his father.

SANSA

He is not, he's nothing like that old drunk king.

NED

Go on girls, get your Septa and start packing your things.

NED EXITS

SANSA

Wait!

ARYA

Come on!

SANSA

But it's not fair!

blood in their sacred city ... but I can.

VISERYS POINTS SWORD AT DANY'S BELLY

VISERYS
I want what I came for. I want the crown

never paid for you.

IRRI TRANSLATES WHAT IS BEING SAID TO DROGO

VISERYS
Tell him I want what was bargained for or

DROGO REMOVES HIS BELT

DROGO

(Empty that pot!)

THE COOK SLAVE DUMPS THE SOUP TO THE GROUND AND DROGO DUMPS THE

VISERYS LOOKS AT GOLD MELTING IN POT

VISERYS
